DECISION TITLE: Scania Appliances 2024-2025

Executive Summary: (no more than 100 words)

To align with CFRS Fleet strategy and identified through the capital replacement programme, we require the procurement of six appliances to replace aging units and maintain community safety, crew welfare and operational response.

The most recent appliances purchased by CFRS have been constructed by Emergency One, an emergency appliance manufacturer with these units consisting of bespoke appliances built on a Scania chassis. Each unit reflects the best options available for the communities of Cumbria and the welfare requirements for firefighters in the twenty first century.

As a result of the work that was required to produce these bespoke units, it is considered that Emergency One are the best option to produce these next six appliances within a realistic timescale to meet the needs of the strategy.

Recommendation:

The Commissioner is asked to:

Agree to the direct award for the contract through YPO Framework 1170 Lot 18: Purchase and Leasing of Pumping Appliances for the next six appliances to Emergency One

Approve the reprofiling of the capital expenditure in the capital programme to provide for 3x appliances to be replaced in 2024/25 and 4x appliances to be replaced in 2025/26 as per the financial implications section.

Police, Fire & Crime Commissioner

I confirm that I have considered whether or not I have any personal or prejudicial in this matter and take the proposed decision in compliance with the Code of Conduct for Cumbria Police, Fire & Crime Commissioner. Any such interests are recorded below.

I hereby:

approve

do not approve

the recommendations as set out above.

Chief Executive
