DECISION TITLE: Regrade of Role

Executive Summary:

Following the departure of a member of CFRS staff in January 2026, some elements of their role have been picked up by another individual. A job evaluation has been undertaken through the HR function with the regrading also being moderated. The regrading has identified the role and subsequent additional responsibilities as a higher grade than the individual's current role grade. This paper requests the regrading of this role to reflect this evaluation.

It is proposed to fund the increase from the post left vacant in January 2026.

Recommendation: the regrading is approved and post is increased by one grade.

The Commissioner is asked to:

- Note the activity undertaken in relation to the regrading exercise.
- Approve the regrading of the role commensurate with the additional responsibilities of the new role.
