## **AGENDA**

**TO: THE MEMBERS OF THE JOINT AUDIT COMMITTEE**

### **CUMBRIA POLICE & CRIME COMMISSIONER AND CUMBRIA CONSTABULARY JOINT AUDIT COMMITTEE**

A Meeting of the Joint Audit Committee will take place on **Thursday 4<sup>th</sup> November 2021** via Microsoft Teams (TBC), Police Headquarters, Carleton Hall, Penrith, at **10:30am**.

**Vivian Stafford, Gill Shearer  
Chief Executive**

**Note:** Members are advised that allocated car parking for the meeting is available in the Visitors' Car Park.

**Note:** If members of the public wish to participate in this meeting please contact [inge.redpath@cumbria.police.uk](mailto:inge.redpath@cumbria.police.uk) by 1<sup>st</sup> November 2021 for a calendar invitation.

**Please note – there will be a private members meeting and External Audit from 9am – 10am**

### **COMMITTEE MEMBERSHIP**

Mrs Fiona Daley (Chair)  
Mr Jack Jones  
Ms Fiona Moore  
Mr Malcolm Iredale  
Wing Commander (Retired) Tim Mann

## **AGENDA**

### **PART 1 – ITEMS TO BE CONSIDERED IN THE PRESENCE OF THE PRESS AND PUBLIC**

**1. APOLOGIES FOR ABSENCE**

Apologies were received from Head of Internal Audit (HIA), Cumbria Shared Internal Audit Service, Cumbria County Council (Richard McGahon) and Audit Manager (AM), Cumbria Shared Internal Audit Service, Cumbria County Council (Emma Toyne).

**2. URGENT BUSINESS AND EXCLUSION OF PRESS AND PUBLIC**

To consider (i) any urgent items of business and (ii) whether the press and public should be excluded from the Meeting during consideration of any Agenda item where there is likely disclosure of information exempt under s.100A(4) and Part I Schedule A of the Local Government Act 1972 and the public interest in not disclosing outweighs any public interest in disclosure.

**3. DISCLOSURE OF PERSONAL INTERESTS**

Members are invited to disclose any personal/prejudicial interest, which they may have in any of the items on the Agenda. If the personal interest is a prejudicial interest, then the individual member should not participate in a discussion of the matter and must withdraw from the meeting room unless a dispensation has previously been obtained.

**4. MINUTES OF MEETING AND MATTERS ARISING**

To receive and approve the minutes of the committee meeting held on 23rd June 2021

**5. ACTION SHEET**

To receive the action sheet from previous meetings.

To allow the focus of the meeting to be on the Statutory Statement of Accounts and Audit, it is proposed that the review of the action sheet be deferred to the meeting on 17 November 2021.

**6. AUDIT FINDINGS REPORT**

To receive from the external auditors the Audit Findings Report in respect of the annual audit of the financial statements and incorporating the External Auditor's Value for Money Conclusion. *(To be presented by Grant Thornton)*

**7. ASSURANCE FRAMEWORK STATEMENT OF ACCOUNTS**

To receive a report from the Joint CFO in respect of the PCC's and CC's framework of assurance. *(To be presented by Chief Finance Officer)*

**8. ANNUAL STATEMENT OF ACCOUNTS**

To receive the audited Statement of Accounts for the Commissioner and Chief Constable and Group Accounts and consider a copy of a summarised non-statutory version of the accounts. *(To be presented by the Deputy Chief Finance Officer)*

- a) PCC/Group Annual Statement of Accounts 2020/21, incorporating the PCC/Group Summary Statement of Accounts 2020/21 (see pages 3 to 20)  
*(To be presented by the Deputy Chief Finance Officer)*
  
- b) CC Annual Statement of Accounts 2020/21 incorporating the CC Summary Statement of Accounts 2020/21 (see pages 3 to 21)  
*(To be presented by the Deputy Chief Finance Officer)*

**9. POINT FOR CONSIDERATION BY THE COMMISSIONER AND THE CHIEF CONSTABLE****Future JAC Meeting Dates (For Information)**

17<sup>th</sup> November 2021 @ 10.30am – Conference Room 2/Microsoft Teams  
16<sup>th</sup> March 2022 @ 10.30am – Conference Room 2/Microsoft Teams  
22<sup>nd</sup> June 2022 @ 10.30am – Conference Room 2/Microsoft Teams  
21<sup>st</sup> September 2022 @ 10.30am – Conference Room 2/Microsoft Teams  
23<sup>rd</sup> November 2022 @ 10.30am – Conference Room 2/Microsoft Teams  
22<sup>nd</sup> March 2023 @ 10.30am – Conference Room 2/Microsoft Teams

**Future Police & Crime Panel Meeting Dates (For Information)**

25 January 2022 – Conference Room A/B, Cumbria House, Botchergate, Carlisle, CA1 1RD  
5 April 2022 – Venue TBC  
19 July 2022 – Venue TBC  
XX September 2022 – Venue TBC  
XX November 2022 – Venue TBC

## Agenda Item 4 – Part 1

### CUMBRIA POLICE & CRIME COMMISSIONER AND CUMBRIA CONSTABULARY

#### JOINT AUDIT COMMITTEE

Minutes of a meeting of the Joint Audit Committee held on Wednesday 23<sup>rd</sup> June 2021 by Microsoft Teams, Police Headquarters, Carleton Hall, Penrith, at 10.30am.

#### **PRESENT**

Mrs Fiona Daley (Chair)  
Ms Fiona Moore  
Mr Jack Jones  
Mr Malcolm Iredale  
Wing Commander (Retired) Tim Mann

#### **Also present:**

Chief Executive (CE), Office of the Police and Crime Commissioner (Gill Shearer)  
Joint Chief Finance Officer (JCFO), (Roger Marshall)  
Deputy Chief Finance Officer (DCFO), (Michelle Bellis)  
Head of Internal Audit (HIA), Cumbria Shared Internal Audit Service, Cumbria County Council (Richard McGahon)  
Audit Manager (AM), Cumbria Shared Internal Audit Service, Cumbria County Council (Emma Toyne)  
Engagement Lead (EL), Grant Thornton LLP (Michael Green)  
Engagement Manager (EM), Grant Thornton LLP (Gareth Winstanley)  
Financial Services Manager (LH) (Lorraine Holme)  
Financial Services Assistant (MD) (Monika Demczuk)

#### **PART 1 – ITEMS CONSIDERED IN THE PRESENCE OF THE PRESS AND PUBLIC**

The chair called the meeting to order.

#### **642. APOLOGIES FOR ABSENCE**

Apologies were received from Deputy Chief Constable (DCC), (Mark Webster) and Chief Executive (CE), Office of the Police and Crime Commissioner (Vivian Stafford), Financial Services Apprentice (Inge Redpath).

#### **643. URGENT BUSINESS AND EXCLUSION OF PRESS AND PUBLIC**

There was one item of urgent business or exclusions of the press and public recommended to be considered by the committee, the grounds of confidentiality - the Data Protection Act (GDPR), relating to the Statutory Accounts, which contained sensitive information on outstanding legal cases.

The JAC agreed to consider the item relating to the Statutory Accounts in private to provide an opportunity to discuss the legal issues in private.

#### **644. DISCLOSURE OF PERSONAL INTERESTS**

The Chair declared a personal interest as having continued in her role as Chair of the North West Regional Police Pensions Board.

There were no other declarations of interest.

#### **645. MINUTES OF MEETING AND MATTERS ARISING**

The committee received and reviewed the minutes of the meeting held 17<sup>th</sup> March 2021.

It has been decided that July meeting will be cancelled.

**RESOLVED**, that the minutes be recorded as a true record of the meeting held on 17<sup>th</sup> March 2021.

#### **646. ACTION SHEET**

Item 597 Monitoring of audit – The JCFO explained that the ICT looked at the members issues with use of Microsoft teams, but no clear solution had been identified.

Members explained that they would favor face to face meetings or run future meetings in hybrid mode due to social distancing rules (JAC members to meet in Conference Room and joined by officers using MS Teams). A member raised an issue of security of the platforms used. If fully remote meetings are to continue, further investment in ICT equipment for members would be needed.

The Chair made recommendations as of September for meetings to be run in a hybrid mode, subject to legislation. If not possible, then more ICT support for the JAC members to facilitate participation in remote meetings.

**ACTION**, Both the JCFO and the CE would raise this recommendation at Collaborative Board.

Item 540 Constabulary Arrangements for Anti-fraud & Corruption/Whistleblowing.

**ACTION**, JCFO to cross reference it fits with the Annual Governance Statement 2021, and if Governance Statement needs amending to reflect item 540.

Item 641 Point for Consideration – Internal Audit Plan

**ACTION**, The Committee requested earlier insight and input to the development of the internal audit plan and schedule this action into timetable.

## 647. CORPORATE UPDATE

The Joint Chief Finance Officer (JCFO) provided members with the corporate update for the Constabulary and its focus on matters delayed by the Covid-19 pandemic, and how they would be dealt with in near future. The Constabulary expect a busy period over the summer, due to school holidays, officers leave and major events. Kendal Calling had been cancelled, however Appleby Fair which is one of the biggest draws on resources has been scheduled for middle of August. Additionally, impact would be caused by an expected increase in visitors to the Lake District, due to travel restrictions and uncertainties around foreign travel and the expected relaxation of rules on 19<sup>th</sup> July 2021.

The JCFO advised the JAC that the Deputy Chief Constable (DCC) has developed a Performance Management Process, that monitors performance of senior managers, and focuses on areas of difficulty, such as 101 demand and level of sickness. The JCFO highlighted that the Constabulary business as usual has changed due to difficulties caused by the Covid-19 pandemic. However, some benefits have been identified during Covid which could be used to the Constabulary future advantage, such as agile working. These are being consolidated within a Covid Recovery and Renewal Plan.

The JCFO updated the committee on changes within the Chief Officers Group (COG) because of ACC Slattery's retirement and reassured the committee regarding capacity within the COG to deal with any future potential Covid waves. The JCFO also advised members that Chief Superintendent Jonathan Blackwell will take the role of Temporary ACC for the remainder of the year.

The committee thanked and praised ACC Andrew Slattery for his hard work with Multi-Agency response during the covid-19 pandemic.

The JCFO updated the committee on the Constabulary financial situation, the Constabulary Final Accounts position for 2020/21 identified an underspend of £ 0.5 million, remaining funds were principally carried over to a Covid Recovery Reserve. Whilst the Constabulary incurred additional Covid related expenditure including PPE and ICT to facilitate home working and loss of income and, this was more than offset by a combination of government support and indirect savings resulting from the reduction in activities such as cost of travel, accommodation, and training. This was the principal reason for the underspend.

A member sought clarification on the impact of a reduction in crime during lockdowns, on the Constabulary spend. The JCFO explained that the Constabulary spend is based on officer costs, not on reduction or increase on crime, during Covid officers were deployed elsewhere.

The JCFO updated the committee on reduced capital expenditure for the year, caused by delayed ICT strategy, to allow time to evaluate the most effective solutions for the future, and delays in global supply chain in relation to fleet vehicles which have been ordered but are awaiting delivery.

The JCFO provided an update on success of the Operation Uplift programme, recruitment of the police officers for phase 1 had been completed. To meet government target for phase 2,

the Constabulary expects to recruit an additional 47 police officers. The JCFO reassured that the government has committed to providing funding for recruitment as promised, and his belief that operation uplift would be continued for phase 3. However, if the operation uplift scheme was ended, officers would still need to be recruited to cover normal annual retirements and resignations and there was flexibility to adjust the workforce plan accordingly.

The Chief Executive (CE) provided the committee with the Office of the Police and Crime Commissioner (OPCC) update.

The Police and Crime Commissioner (PCC), Mr Peter McCall had been re-elected in the first round, securing over 50% votes. Due to the delay in PCC elections from 2020, the PCC will now serve for another 3 years.

The Police and Crime Plan has been relaunched and is now in a consultation phase. The OPCC has been awarded national grant of approximately £350k and plans to use these funds to run in collaboration with partners a 'Safer Streets' in Workington scheme that aims to make a place safer for residents. The Barrow scheme was completed and the OPCC awaiting review of the result.

The Local Government Reform proposal has been submitted to the Ministry of Housing, Communities and Local Government (MHCLG), the OPCC awaiting directions from the government. The CE identified two strategic matters arising from this proposal. First, potential division of the Cumbria Constabulary force area, the OPCC provided strong representations around this matter. Secondly, the national fire governance, ongoing work on legislation, due to come into force in 2024, around next PCC election.

The CE will keep the committee updated on changes around the fire governance.

#### **648. EXTERNAL AUDIT PLAN**

The Engagement Lead (EL) presented the report and discussed key headlines of the report which identified three (unchanged from previous years) key risk areas. These were as follows: IAS 16 Property, Plant and Equipment (real valuation vs. year assumptions); IAS 19 Pension Liabilities (estimations and uncertainty), IAS 240 Management override. The group risk of fraud has been judged as sufficiently low, as majority of income comes from the government grants.

The EL noted that materiality level was set at £3 million. The report also identifies the level above which errors and omissions would be reported to the committee in the Audit Finding Report which is set at £153k.

The EL noted that due to new a Code of Audit Practice 2020, the report on the review of value for money arrangements would be more enhanced with commentary and potential recommendations, and highlights that no risks have been identified for the group to date.

The committee were informed by the EL that due to Covid and a number of legacy 2019/20

issues (nationally, not in Cumbria), the audit work has been scheduled for August/September 2021, as per new timetable. The goal has been set to finalise the audit by the end of the year, if no potential material errors were identified, report for the JAC committee would be presented during November meeting. The EL would provide an update on the audit progress during September meeting.

In response to a member question regarding the removal of the reliance on internal audit work, the EL reassured the committee that internal audit reports were noted, however external audit had to perform their own audit procedures and reports. Furthermore, internal audit reports were reviewed and fed into the external audit report, also helped to complete risk assessment.

The EL explained that the increase in external audit fees were reflected by additional work being carried out, for ISA 540 Auditing Accounting Estimates and Value for Money. The CE raised concerns on impact of unexpected increased audit fees on the OPCC small budget (£800k). The EL informed that the Police and crime Commissioners should receive additional funding that would offset increased audit fees, as decided by MHCLG.

**ACTION,** The JCFO will check the MHCLG decision on additional funding post recent consultation.

**RESOLVED,** all other items were resolved.

Michael Green left meeting 11:41am

#### **649. VALUE FOR MONEY**

The JCFO presented the report which has been based upon police objective analysis and the statistical data from the HMICFRS report. The analysis of the results was taken with caution, when comparing the Cumbria Police performance to other Police bodies, due to specific geographical and population make up of Cumbria County.

Areas that had been identified for the Cumbria Constabulary as high cost were unchanged from previous years. Explanations included

- The Constabulary has decided to invest in high priority areas, such as local policing and safeguarding, hence the high cost.
- Although the cost of the control room is high, this was attributable to the structure, with officers employed to resolve demand and reduce the work for frontline officers, that leads to wider demand and cost reduction.
- Due to the CC force size, some officers perform dual roles and for these, cost variances compensate each other, such as firearms and road traffic officers.

The JCFO reassured that data had been used to improve services, identify potential savings, review, and understand the nature of high costs and identify ways to reduce future costs, for example custody medical provision.

**ACTION,** The committee agreed on importance of this area and would like to schedule Value

for Money report into a development session for future meetings.

**RESOLVED**, all other items were resolved.

#### **650. RISK MANAGEMENT MONITORING**

The CE presented the annual report, risk management had been described as dynamic, reflective and well-integrated into day business of the OPCC, as evident throughout the report. The report provided an oversight to the Constabulary risks, as many cross over.

Two recommendations were highlighted for the committee to approve. The committee noted the report and based on the report, they confirmed they were satisfied with the effectiveness of the OPCC processes of monitoring of the risks and approve the recommendations to the Commissioner.

**RESOLVED**, that the report be noted.

#### **651. ANTI-FRAUD AND CORRUPTION ACTIVITIES**

The annual report summary was presented by the CE. The report sets out the effectiveness of the OPCC anti-fraud and corruption activities, findings were made that during 2021, no irregularities and no concerns were identified.

The committee noted the report and comments/recommendations were made.

A member recommended a change of wording in the report, that would provide further clarification and clear statement around not received hospitality, by the PCC, such as 'received no return'. Wording in the report suggested that the PCC, made no notification rather than submitted a nil return. The DCFO added further clarification and explained to the committee that all senior officers for both entities (the CC and the OPCC) as a part of statutory statement of the accounts a required to complete a related party transaction disclosure which includes a statement on gifts and hospitality, the DCFO confirmed that a 'nil return' had been received from the PCC Mr McCall.

The Chair commented that the report has no information on the JAC involvement in the anti-fraud and corruption arrangements, that committee receive and review Ethics and Integrity Committee annual report. The CE reassured the committee that the OPCC would involve the JAC members if there would be a potential case of fraud or corruption. The Chair recommended a change in the policy wording to reflect the JAC current and future involvement in the process.

**ACTION**, The CE would implement a change in the policy to set clearly the JAC panel involvement in the process. The JAC panel should be appropriately sighted on any issues around fraud and corruption (reportable to both committees).

**RESOLVED**, all other items were resolved.

## **652. ETHICS AND INTEGRITY GOVERNANCE**

The CE introduced the Ethics and Integrity Governance annual report highlighting that the committee had matured and that they were now seeing some real benefits from the committee, adding reassurance value to both the OPCC and the CC. They have a well-defined work plan but also have the capability to pick up additional pieces of work as they arise, good examples of this include work carried out on the dip sampling on fixed penalties for breach of Covid restrictions (mix of reasons).

The JAC complimented the quality of the report.

**RESOLVED**, that the report be noted.

Meeting broke for 5-minute break 12:10pm  
Meeting restarted at 12:15pm

## **653. INTERNAL AUDIT – ANNUAL REPORT**

The committee had the opportunity to read the report and meet with the Internal Auditors privately prior to the meeting. The Head of Internal Audit (HIA) summarised the report for the attendees stating that it provided reasonable or substantial assurance for both organisations, there is a high level of assurance with 13 audit reports being finalised (85%). The Chair advised that they were content with this report.

A member asked about the value of the consultancy work, as the committee did not have had a feedback on a consultancy work and its value for the organisation, and whether there were plans to continue to use the consultancy in the future. The JCFO would raise this with Collaborative Board.

Change in an assurance quantum in relation to audit reports had been noticed by a member, in 2017/18, 16 were carried out, down to 13 in 2020/21. The HIA reassured the committee that relevant matters were selected for assurance, it had to be decided what can be delivered in order to provide wider assurance. Furthermore, the HIA added that the internal audit plan was designed to provide assurance and that the plan for 2020/21 had been completed. It was also mentioned that the effectiveness of internal audit was assessed annually and been graded as good value for money.

The Constabulary Commercial Solutions Department (CC procurement department) is undertaking a re-tendering process for internal audit in 2021/22, which should ensure value for money. The JCFO also explained that some challenges around delivery of the internal audit plan for 2021/22 were already identified and reported back. Additionally, the JCFO reassured the committee on the Constabulary ability to provide required pieces of work for rescheduled and brought forward audits. The committee asked the JCFO to discuss internal audit plan 2021/22 with Collaborative Board.

The HIA reassured the panel that even though the anti-corruption, fraud and whistleblowing strategy for both organisations needs updating, it has however, been identified as strong

enough to prevent potential fraud and/or corruption.

The committee praised the HIA and internal auditing team for completing the work in these difficult circumstances.

**ACTION No.1,** The JCFO to discuss with Collaborative Board and provide members with the feedback on the effectiveness and value of the consultancy work.

**ACTION No.2,** The JCFO to discuss with Collaborative Board, agreement and schedule of the internal audit plan for the 2021/22, to ensure that audit delivery would be on track for the current financial year.

**RESOLVED,** all other items were resolved.

#### **654. EFFECTIVENESS OF ARRANGEMENTS FOR AUDIT**

The Deputy Chief Finance Officer (DCFO) introduced the report on the effectiveness of arrangements for audit, which includes arrangements for both internal audit and the provision of a Joint Audit Committee, giving a summary of the report. In line with the recommendations of the report, the committee confirmed that they were satisfied with the effectiveness of arrangements for audit for the year.

**RESOLVED,** that the report be noted.

#### **655. INTERNAL AUDIT REPORTS**

**Main Accounting System (Constabulary) – reasonable assurance.**

The DCFO reassured members that recommendations raised in audit around the secondary sign off of bank and control account reconciliations had been resolved with guidance reiterated and all brought up to date. Reconciliations had all been completed every month it was just that there was a delay to secondary sign off as a consequence of remote working.

**RESOLVED,** all other items were resolved.

**Reflective Practice Review Report – partial assurance.**

Recommendation had been made to use a month reference rather than seasonal reference within the report, to allow a precise for monitoring purposes, and assessment of the progress by the JAC members. The JCFO assured it would be changed.

The JCFO reassured the committee that the process of computerisation of the process and trends, were completed with high caution. The PSD assess threats and concerns annually, complete risk assessments and use a preventative approach to resolve problem at the start, also to negate reputational damage.

**ACTION,** The JCFO update dates in report monitoring sheets (management actions) and

consult the Head of the PSD on possibility of collaborative working of the department with other partners?

**RESOLVED**, all other items were resolved.

**Sickness Management (Constabulary)** – substantial level of assurance

**RESOLVED**, that the report be noted.

**Police Pensions (Constabulary & Cumbria OPCC)** – substantial level of assurance

**RESOLVED**, that the report be noted.

**Financial Sustainability (Constabulary)** – reasonable assurance

**RESOLVED**, that the report be noted.

**Contract Management (Constabulary)** – reasonable assurance

**RESOLVED**, that the report be noted.

**New Business Transformation Project (Constabulary)** – reasonable assurance

**RESOLVED**, that the report be noted.

**Contract Management (OPCC)** – substantial assurance

**RESOLVED**, that the report be noted.

The HIA and the Chair recognised hard work completed by the finance team, around Covid and delivery of new financial system. The HIA reassured that the control arrangement and environment had not been compromised by those challenges.

**The Meeting moved to Part 2**

**The Meeting moved back to Part 1**

Gillian Shearer left the meeting 13:27 pm

## **658. TREASURY MANAGER'S ACTIVITIES**

The Financial Service Manager summarised the report for the committee and officers covering the Quarter 4 Activity to 31<sup>st</sup> March 2021 and Annual Report 2020/21, asked for any comments/questions.

The report was complimented as being a good clear report with good content.

**RESOLVED**, that the report be noted.

## **659. CIPFA FINANCIAL MANAGEMENT ACTIVITIES**

The DCFO introduced the report for the committee and officers. Report was designed to support good practice in financial management and to assist local authorities (the OPCC and the CC) in demonstrating their financial sustainability.

A member sought a clarification on actions raised in the report and its purpose. The DCFO explained that the actions and report will be provided to Chief Officers Group (COG) and the OPCC Executive Team. Actions would be managed by the Financial Services Department - Financial Leadership Team, with the view of progressing them and feedback to the OPCC and the COG, throughout the year, on organisation financial sustainability. The DCFO notified the committee that the aim is to achieve full CIPFA compliance by the end of the financial year. Also, that the JAC committee would review progress on all actions, along with full feedback planned to be reported during March 2022 meeting.

**ACTION**, The DCFO to provide an update on progress on all actions from this report and record this in the JAC action sheet. Members were asked to note the progress made and its implementations.

**RESOLVED**, all other items were resolved.

## **660. POINT FOR CONSIDERATION BY THE COMMISSIONER AND THE CHIEF CONSTABLE**

There were no points for consideration for the Commissioner and the Chief Constable.

AOB – The Chair informed members of her intention to retire from the committee and agreed that the November 2021 would be her last meeting.

**Meeting ended at 13:41pm**

### **Future JAC Meeting Dates (For Information)**

~~28<sup>th</sup> July 2021 @ 1pm – Conference Room 2/Microsoft Teams – Cancelled~~

22<sup>nd</sup> September 2021 @ 10.30am – Conference Room 2/Microsoft Teams

17<sup>th</sup> November 2021 @ 10.30am – Conference Room 2/Microsoft Teams

16<sup>th</sup> March 2022 @ 10.30am – Conference Room 2/Microsoft Teams

### **Future Police & Crime Panel Meeting Dates (For Information)**

9 July 2021 – Conference Room A/B, Cumbria House, Botchergate, Carlisle, CA1 1RD

14 October 2021 – Council Chamber, County Offices, Kendal, LA9 4RQ

25 January 2022 – Conference Room A/B, Cumbria House, Botchergate, Carlisle, CA1 1RD

5 April 2022 – Venue TBC

19 July 2022 – Venue TBC

## Agenda Item 4 – Part 2

### CUMBRIA POLICE & CRIME COMMISSIONER AND CUMBRIA CONSTABULARY

#### JOINT AUDIT COMMITTEE

Minutes of a meeting of the Joint Audit Committee held on Wednesday 23<sup>rd</sup> June 2021 by  
Microsoft Teams, Police Headquarters, Carleton Hall, Penrith, at 10.30am.

#### **PRESENT**

Mrs Fiona Daley (Chair)  
Ms Fiona Moore  
Mr Jack Jones  
Mr Malcolm Iredale  
Wing Commander (Retired) Tim Mann

#### **Also present:**

Chief Executive (CE), Office of the Police and Crime Commissioner (Gill Shearer)  
Joint Chief Finance Officer (JCFO), (Roger Marshall)  
Deputy Chief Finance Officer (DCFO), (Michelle Bellis)  
Head of Internal Audit (HIA), Cumbria Shared Internal Audit Service, Cumbria County Council  
(Richard McGahon)  
Audit Manager (AM), Cumbria Shared Internal Audit Service, Cumbria County Council (Emma  
Toyne)  
Engagement Lead (EL), Grant Thornton LLP (Michael Green)  
Engagement Manager (EM), Grant Thornton LLP (Gareth Winstanley)  
Financial Services Manager (LH) (Lorraine Holme)  
Financial Services Assistant (MD) (Monika Demczuk)

#### **PART 2 – ITEMS CONSIDERED NOT IN THE PRESENCE OF THE PRESS AND PUBLIC**

The Committee considered that the Presentation on the review of Seized Dogs should be considered in Part 2 of the agenda in accordance with s100A(4) Part 1 of Schedule A of the Local Government Act 1972 on the grounds that the presentation material included both commercially sensitive and operationally sensitive information.

## **656. ANNUAL GOVERNANCE STATEMENT**

The annual statement and accompanying action plan were presented by the JCFO. The annual governance statements have been produced for both legal entities, the CC and the OPCC. The AGS review the entities compliance with their respective Codes of Governance.

The Chair noted that the committee had read the reports and they had no recommendations. The JCFO thanked the committee for their involvement and scrutiny.

**RESOLVED**, that the report be noted.

## **657. ANNUAL STATEMENT OF ACCOUNTS**

The JCFO gave a summary of the statement of accounts highlighting the high level of work completed by the DCFO and the accounting team, despite a number issues relating to remote working. Members congratulated the finance team for the work put into the statutory accounts process especially given the current situation. The following specific comments were made.

The DCFO reassured members that issues around asset valuation based on floor area had been corrected, additional checks were complete to safeguard and add extra diligence in audit working papers.

The JCFO provided an update on police pension scheme and the status of the McCloud appeal. Within the CC financial statements this has been highlighted as a risk in the commentary, due to no decision been made on the extent to which the force would be expected to cover the cost of the proposed changes.

The Government had to accept that new pension arrangements, as a court ruling that their original implementation was discriminatory. The remedy was that officers would be allowed to choose which pension scheme would be more beneficial on an individual basis, that this would be determined at the point of their retirement. The JCFO noted that the most immediate issue was to determine an immediate detriment policy and that this would be a big piece of work, indicating how to deal with officers' pension. The Chair highlighted the importance of the consistency of the immediate detriment policy across all the police forces, to avoid further unfair treatment claims.

A member pointed a table on page 44, that suggested a doubling of members allowances, the DCFO explained that the increase was largely as a result of a misconduct panel which was not highlighted in the accompanying narrative and that she would correct this.

The Chair noted that the members had not had enough time to review the papers. However, requested additional 10 days, to read the report in detail and allow further comments and recommendations from members. The DCFO explained, that it was the intention to finalise and authorise for issue the draft accounts (subject to audit) on 28<sup>th</sup> June 2021 and publish on the website by 30<sup>th</sup> June 2021. The DCFO however, assured that members could provide further

comments, they would be reviewed and acted upon, as an amendment to the narrative of the relevant section, in the period between the publishing the draft and signing off of the final audited accounts.

On behalf of the JAC the Chair congratulated the financial team on finalisation of the statutory accounts. The Chair confirmed that the Committee were content for the Accounts to be published.

**ACTION,** The DCFO to clarify members allowances table in the Statutory Statement of Accounts for the PCC/Group and CC.

**RESOLVED,** all other items were resolved.

The contents of this report relate only to the matters which have come to our attention, which we believe need to be reported to you as part of our audit planning process. It is not a comprehensive record of all the relevant matters, which may be subject to change, and in particular we cannot be held responsible to you for reporting all of the risks which may affect the PCC and Chief Constable or all weaknesses in your internal controls. This report has been prepared solely for your benefit and should not be quoted in whole or in part without our prior written consent. We do not accept any responsibility for any loss occasioned to any third party acting, or refraining from acting on the basis of the content of this report, as this report was not prepared for, nor intended for, any other purpose.

Grant Thornton UK LLP is a limited liability partnership registered in England and Wales: No.OC307742. Registered office: 30 Finsbury Square, London, EC2A 1AG. A list of members is available from our registered office. Grant Thornton UK LLP is authorised and regulated by the Financial Conduct Authority. Grant Thornton UK LLP is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. Services are delivered by the member firms. GTIL and its member firms are not agents of, and do not obligate, one another and are not liable for one another's acts or omissions.

# 1. Headlines

This table summarises the key findings and other matters arising from the statutory audits of Cumbria Police and Crime Commissioner ('the PCC') and The Chief Constable of Cumbria Constabulary and the preparation of the PCC's and Chief Constable's financial statements for the year ended 31 March 2021 for those charged with governance.

---

## Financial Statements

---

Under International Standards of Audit (UK) (ISAs) and the National Audit Office (NAO) Code of Audit Practice ('the Code'), we are required to report whether, in our opinion the financial statements:

- give a true and fair view of the financial positions of the PCC and Chief Constable's income and expenditure for the year; and
- have been properly prepared in accordance with the CIPFA/LASAAC code of practice on local authority accounting and prepared in accordance with the Local Audit and Accountability Act 2014.

We are also required to report whether other information published together with each set of audited financial statements (including the Annual Governance Statement (AGS) and Narrative Report) is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Our audit work was completed on site/remotely during July - November. Our findings are summarised on pages 5 to 18.

We have identified no adjustments to the financial statements other than minor disclosure issues which are highlighted on pages 25-26.

Our work is substantially complete and there are no matters of which we are aware that would require modification of our audit opinion for the PCC's financial statements (including the financial statements which consolidate the financial activities of the Chief Constable) or the Chief Constable's financial statement, subject to the following outstanding matters:

- review of the final set of financial statements;
- receipt of management representation letter; and
- completion of a small number of outstanding audit procedures.

We have concluded that the other information to be published with each set of financial statements is consistent with our knowledge of your organisations and the financial statements we have audited.

Our anticipated audit report opinion will be unmodified, including an emphasis of matter paragraph relating to the PCC's non-specialised property assets.

---

# 1. Headlines

## Value for Money (VFM) arrangements

Under the National Audit Office (NAO) Code of Audit Practice ('the Code'), we are required to consider whether in our opinion, both entities have put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources. Auditors are now required to report in more detail on the overall arrangements, as well as key recommendations on any significant weaknesses in arrangements identified during the audit.

Auditors are required to report their commentary on the arrangements under the following specified criteria:

- Improving economy, efficiency and effectiveness;
- Financial sustainability; and
- Governance.

We have not yet completed all of our VFM work and so are not in a position to issue our Auditor's Annual Report. An audit letter explaining the reasons for the delay is attached in the Appendix G to this report. We expect to issue our Auditor's Annual Report in line with the National Audit Office's revised deadline, which requires the Auditor's Annual Report to be issued no more than three months after the date of the opinion on the financial statements.

As part of our work, we considered whether there were any risks of significant weakness in the PCC and Chief Constable's arrangements for securing economy, efficiency and effectiveness in its use of resources. We have not identified any significant weaknesses from the work completed so far.

## Statutory duties

The Local Audit and Accountability Act 2014 ('the Act') also requires us to:

- report to you if we have applied any of the additional powers and duties ascribed to us under the Act; and
- to certify the closure of the audits.

We have not exercised any of our additional statutory powers or duties.

We expect to certify the completion of the audits upon the completion of our work on the PCC and Chief Constable's VFM arrangements, which will be reported in our Annual Auditor's report.

## Significant Matters

We did not encounter any significant difficulties or identify any significant matters arising during our audit.

## 2. Financial Statements

### Overview of the scope of our audit

This Joint Audit Findings Report presents the observations arising from the audits that are significant to the responsibility of those charged with governance to oversee the financial reporting process, as required by International Standard on Auditing (UK) 260 and the Code of Audit Practice ('the Code'). Its contents have been discussed with management.

As auditor we are responsible for performing the audits, in accordance with International Standards on Auditing (UK) and the Code, which are directed towards forming and expressing an opinion on each set of financial statements that have been prepared by management with the oversight of those charged with governance. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities for the preparation of the financial statements.

### Audit approach

Our audit approach was based on a thorough understanding of the group's/PCC and Chief Constable's business and is risk based, and in particular included:

- An evaluation of the PCC's and Chief Constable's internal controls environment, including its IT systems and controls;
- An evaluation of materiality considering the 'PCC and Chief Constable's gross revenue expenditure; and
- Substantive testing on significant transactions and material account balances, including the procedures outlined in this report in relation to the key audit risks.

We have not had to alter our audit plan, as communicated to you in June 2021.

### Conclusion

We have substantially completed our audits of your financial statements and we anticipate issuing unqualified audit opinions following the Joint Audit Committee meeting on 4<sup>th</sup> November 2021, as detailed in Appendix E and F. The audit opinion for the Group and PCC will include an emphasis of matter paragraph relating to a material uncertainty in the valuation of the PCC's non-specialised property assets. Outstanding items are detailed on page 3.

#### Acknowledgements

We would like to take this opportunity to record our appreciation for the assistance provided by the finance team and other staff.

## 2. Financial Statements

### Our approach to materiality

The concept of materiality is fundamental to the preparation of the financial statements and the audit process and applies not only to the monetary misstatements but also to disclosure requirements and adherence to acceptable accounting practice and applicable law.

Materiality levels remain the same as reported in our audit plan in June 2021.

We detail in the table opposite our determination of materiality.

	Group (£)	PCC (£)	Chief Constable Amount (£)	Qualitative factors considered
Materiality for the financial statements	£3,563k	£3,045k	£3,052k	Financial performance, focussing on the expenditure.
Performance materiality	£2,672k	£2,283k	£2,289k	Quality of working papers in prior year and client's response to audit processes
Trivial matters	£178k	£152k	£153k	The amount below which matters would be considered trivial to the reader of the accounts.
Materiality for senior officer remuneration	£38k	£38k	£38k	Materiality has been reduced for remuneration disclosures due to the sensitive nature and public interest.

We have determined financial statement materiality based on a proportion of the gross expenditure of the group, the PCC and the CC for the financial year. In the prior year we used the same benchmark. For our audit testing purposes we apply the lowest of these materialities, which is £3,045k (PY £2,873k), which equates to 2% of the PCC's prior year gross expenditure or the year.

## 2. Financial Statements - Significant risks

Significant risks are defined by ISAs (UK) as risks that, in the judgement of the auditor, require special audit consideration. In identifying risks, audit teams consider the nature of the risk, the potential magnitude of misstatement, and its likelihood. Significant risks are those risks that have a higher risk of material misstatement.

This section provides commentary on the significant audit risks communicated in the Audit Plan.

Risks identified in our Audit Plan	Relates to	Commentary
<p><b>Management override of controls</b></p> <p>Under ISA (UK) 240 there is a non-rebuttable presumed risk that the risk of management over-ride of controls is present in all entities.</p> <p>The PCC and Chief Constable face external scrutiny of its spending and this could potentially place management under undue pressure in terms of how they report performance.</p> <p>We therefore identified management override of control, in particular journals, management estimates and transactions outside the course of business as a significant risk, which was one of the most significant assessed risks of material misstatement.</p>	PCC / CC /Group	<p>We have:</p> <ul style="list-style-type: none"> <li>evaluated the design effectiveness of management controls over journals;</li> <li>analysed the journals listing and determined the criteria for selecting high risk unusual journals;</li> <li>identified and tested unusual journals made during the year and the accounts production stage for appropriateness and corroboration; and</li> <li>gained an understanding of the accounting estimates and critical judgements applied by management and considered their reasonableness.</li> </ul> <p>A sample of journals was selected based on consideration of specific risk based criteria. Testing has not identified any instances of management override and that journal entries are consistent with expectations.</p> <p>We did not identify any changes in accounting policies or estimation processes and review of key estimates has not identified any matters to bring to your attention.</p> <p>Our audit work has not identified any evidence of management over-ride of controls.</p>

## 2. Financial Statements - Significant risks

Risks identified in our Audit Plan	Relates to	Commentary
<p><b>ISA240 revenue and expenditure recognition risk</b></p> <p>Under ISA (UK) 240 there is a rebuttable presumed risk that revenue may be misstated due to the improper recognition of revenue.</p> <p>This presumption can be rebutted if the auditor concludes that there is no risk of material misstatement due to fraud relating to revenue recognition.</p> <p>In the public sector, whilst it is not a presumed significant risk, in line with the requirements of Practice Note (PN) 10: Audit of financial statements of public sector bodies in the United Kingdom, we also consider the risk of whether expenditure may be misstated due to the improper recognition of expenditure.</p> <p>This risk is rebuttable if the auditor concludes that there is no risk of material misstatement due to fraud relating to expenditure recognition.</p>	<p>PCC / CC /Group</p>	<p><u>Revenue</u></p> <p>As detailed in our Joint Audit Plan, we do not consider this to be a significant risk for the PCC and the Chief Constable.</p> <p>Having considered the risk factors set out in ISA 240 and the nature of the revenue streams, we have determined that the risk of fraud arising from revenue recognition can be rebutted for both the PCC and Chief Constable because:</p> <ul style="list-style-type: none"> <li>• there is little incentive to manipulate revenue recognition;</li> <li>• for the PCC opportunities to manipulate revenue recognition are very limited as revenue is principally grant allocations from central and local government;</li> <li>• for the Chief Constable opportunities to manipulate revenue recognition are very limited as revenue is principally an intergroup transfer from the PCC, with no cash transactions; and</li> <li>• the culture and ethical frameworks of both the PCC and Chief Constable, mean that all forms of fraud are seen as unacceptable.</li> </ul> <p>Therefore and as reported in our Audit Plan, we do not consider this to be a significant risk. Whilst not a significant risk we have performed audit procedures and testing of material revenue items. Our work did not identify any matters that would lead to a change in our risk assessment.</p> <p><u>Expenditure</u></p> <p>Our Audit Plan highlighted that we consider that we are able to rebut the significant risk in relation to expenditure as we concluded that there is no risk of material misstatement due to fraud relating to expenditure recognition.</p> <p>Our work did not identify any matters that would lead to a change in our risk assessment.</p>

## 2. Financial Statements - Significant risks

Risks identified in our Audit Plan	Relates to	Commentary
<p><b>Valuation of land and buildings</b></p> <p>The PCC and Group revalue their land and buildings on a rolling two-yearly basis. This valuation represents a significant estimate by management in the financial statements due to the size of the numbers involved (£57.1 million as at 31 March 2021) and the sensitivity of this estimate to changes in key assumptions. Additionally, management will need to ensure the carrying value in the PCC and Group financial statements is not materially different from the current value or the fair value (for surplus assets) at the financial statements date, where a rolling programme is used.</p> <p>We therefore identified valuation of land and buildings, particularly revaluations and impairments, as a significant risk of material misstatement.</p>	<p>PCC and Group</p>	<p>We have:</p> <ul style="list-style-type: none"> <li>• reviewed management's processes and assumptions for the calculation of the estimate,</li> <li>• the instructions issued to valuation experts and the scope of their work;</li> <li>• evaluated the competence, capabilities and objectivity of the valuation expert;</li> <li>• written to the valuer to confirm the basis on which the valuation was carried out in order to ensure that the requirements of the Code are met;</li> <li>• challenged the information and assumptions used by the valuer to assess completeness and consistency with our understanding; and</li> <li>• tested revaluations made during the year to see if they had been input correctly into the PCC's asset register.</li> </ul> <p><b>Findings</b></p> <p>Our review of the calculations performed by the valuer showed that the valuations had been based on realistic and sound assumptions supported by appropriate evidence including site plans verifying square meterage figures, building rate costs and rationale for various obsolescence factors applied.</p> <p><b>Disclosures regarding material valuation uncertainty</b></p> <p>The PCC's valuers have included reference to a material uncertainty in their valuation report relating to non-specialist assets. Notes 4 and 9b to the financial statements have been updated to disclose that the material valuation uncertainty relates only to the PCC's non specialist assets.</p> <p>We consider the updated disclosure is sufficiently detailed to meet the requirements of the accounting standards. We plan to draw attention to this uncertainty through the inclusion of an Emphasis of Matter within the audit report.</p> <p>We are satisfied that the value of Property, Plant and Equipment is not materially misstated within the financial statements.</p>

## 2. Financial Statements - Significant risks

Risks identified in our Audit Plan	Relates to	Commentary
<p data-bbox="118 347 544 371"><b>Valuation of pension fund net liability</b></p> <p data-bbox="118 419 779 587">The Groups pension fund net liability is made up of amounts relating to the Local Government Pension Scheme (£75m) and the Police Pension and Injury award schemes (£1,447m). These liabilities totalling £1,522m in the Group balance sheet, represent a significant estimate in the financial statements that is sensitive to changes in key assumptions.</p> <p data-bbox="118 624 779 818">The methods applied in the calculation of the IAS 19 estimates are routine and commonly applied by all actuarial firms in line with the requirements set out in the Code of practice for local government accounting (the applicable financial reporting framework). We have therefore concluded that there is not a significant risk of material misstatement in the IAS 19 estimate due to the methods and models used in their calculation.</p> <p data-bbox="118 855 779 962">The source data used by the actuaries to produce the IAS 19 estimates is provided by administering authorities and employers. We do not consider this to be a significant risk as this is easily verifiable.</p> <p data-bbox="118 999 779 1398">The actuarial assumptions used are the responsibility of the entity but should be set on the advice given by the actuary. A small change in the key assumptions (discount rate, inflation rate, salary increase and life expectancy) can have a significant impact on the estimated IAS 19 liability. In particular the discount and inflation rates, where our consulting actuary has indicated that a 0.1% change in these two assumptions would have approximately 2% effect on the liability, which would equate to a change of £30.4m in the liability. We have therefore concluded that there is a significant risk of material misstatement in the IAS 19 estimate due to the assumptions used in their calculation. With regard to these assumptions we have therefore identified valuation of the Authority's pension fund net liability as a significant risk.</p>	<p data-bbox="801 347 920 403">PCC / CC /Group</p>	<p data-bbox="983 347 1088 371"><b>We have:</b></p> <ul data-bbox="983 392 2123 847" style="list-style-type: none"> <li data-bbox="983 392 2123 472">• updated our understanding of the processes and controls put in place by management to ensure that the PCC and CC's pension fund net liability is not materially misstated and evaluate the design of the associated controls;</li> <li data-bbox="983 488 2123 544">• evaluated the instructions issued by management to their management experts (actuaries) for this estimate and the scope of the actuary's work;</li> <li data-bbox="983 560 2123 616">• assessed the competence, capabilities and objectivity of the actuaries who carried out the pension fund valuations;</li> <li data-bbox="983 632 2123 687">• assessed the accuracy and completeness of the information provided by the PCC and CC to the actuaries;</li> <li data-bbox="983 703 2123 759">• tested the consistency of the pension fund asset and liability and disclosures in the notes to the core financial statements with the actuarial reports; and</li> <li data-bbox="983 775 2123 847">• undertaken procedures to confirm the reasonableness of the actuarial assumptions made by reviewing the report of the consulting actuary (as auditor's expert) and performing any additional procedures suggested within the report.</li> </ul> <p data-bbox="983 903 2123 1010">Our review of the assumptions used in calculating the net pension liability of the police officer scheme identified the CPI assumption used by the Government Actuary's Department as being below the expected range by 0.1%. We engaged our own actuary to review this further and have gained assurance that the assumption is reasonable when considering the age profile of the membership.</p> <p data-bbox="983 1026 2123 1106">All other assumptions are considered to be in line with expectations and we have not identified any issues with the estimation process. Page 12 provides a detailed assessment of the estimation process for the valuation of the pension fund net liability.</p> <p data-bbox="983 1161 2123 1329">The PCC and CC were informed by Cumbria Pension Fund after the financial statements had been prepared that the value of the Cumbria Pension Fund's scheme assets had increased by a further 0.64% in respect of 2020/21. The PCC and CC estimated that the impact of this was £1.123m and deemed it was not necessary to ask for a re-run of the exact impact of this for the PCC and CC. We are satisfied that the likely impact of this increase on scheme assets is not material and that the decision made by the PCC and CC was reasonable. This has been recorded as an unadjusted misstatement on page 25.</p> <p data-bbox="983 1385 2123 1441">We have no further matters to report in respect of valuation of the pension fund liability and have gained suitable appropriate assurance to conclude that the net pension liability is fairly stated.</p>

## 2. Financial Statements – key judgements and estimates

This section provides commentary on key estimates and judgements inline with the enhanced requirements for auditors.

Significant judgement or estimate	Relates to	Summary of management's approach	Audit Comments	Assessment
Land and Building valuations – £57.1m	PCC/ Group	<p>Land and buildings comprises £52.5 of specialised assets such as police stations, which are required to be valued at depreciated replacement cost (DRC) at year end, reflecting the cost of a modern equivalent asset necessary to deliver the same service provision. The remainder of other land and buildings (£4.5m) are not specialised in nature and are required to be valued at existing use in value (EUV) at year end.</p> <p>The PCC has engaged <b>Carigiet Cowen</b> to complete the valuation of properties as at 31/3/2021 on a two yearly cyclical basis.</p> <p>The total year end valuation of land and buildings was £57.06m, a net decrease of £0.486m from 2019/20.</p>	<p>The PCC's accounting policy on valuation of land and buildings is included in Note 9 to the financial statements.</p> <p>Carigiet Cowen identified a material valuation uncertainty regarding the valuation of non specialist land and buildings due to market uncertainty arising from the Covid-19 pandemic. Management have disclosed this as a significant issue in Notes 4 and 9b to the financial statements.</p> <p>Key observations</p> <p>The values in the valuation report have been used to inform the measurement of property assets at valuation in the financial statements.</p> <p>The PCC has disclosed the estimation uncertainty related to the year-end valuations of land and buildings to the financial statements as set out above.</p> <ul style="list-style-type: none"> <li>• We assessed the qualifications, skills and experience of the Valuer and determined the service to be appropriate;</li> <li>• The underlying information prepared by the PCC and supplied by the Valuer was considered to be complete and accurate;</li> <li>• The Valuer prepared their valuations in accordance with the RICS Valuation – Global Standards using the information that was available to them at the valuation date in deriving their estimates; and</li> <li>• Following the update to reflect the material valuation uncertainty, we consider the level of disclosure in the financial statements to be appropriate.</li> </ul> <p>Our review of the calculations performed by the valuer showed that these had been based on realistic and sound assumptions supported by appropriate evidence as outlined on page 9.</p> <p>Conclusion</p> <p>We are satisfied that the estimate of your land and buildings valuation is not materially misstated.</p>	Light purple

### Assessment

- Purple We disagree with the estimation process or judgements that underpin the estimate and consider the estimate to be potentially materially misstated
- Blue We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider optimistic
- Grey We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider cautious
- Light Purple We consider management's process is appropriate and key assumptions are neither optimistic or cautious

# 2. Financial Statements - key judgements and estimates

Significant judgement or estimate	Relates to	Summary of management's approach	Audit Comments	Assessment																								
<p><b>Net pension liability:</b></p> <p><b>LGPS : £0.075bn</b></p> <p><b>Police Officer Pension Scheme: £1.45bn</b></p>	PCC / CC /Group	<p>The PCC's and Chief Constable's total net pension liability at 31 March 2021 is £1.522bn (PY £1.266bn) comprising the Local Government Pension Scheme (LGPS) (The LGPS is a funded defined benefit scheme for police staff, administered by Cumbria County Council) and Police Officers Pension Scheme (the Chief Constable operates three pension schemes for police officers, these are the 1987, 2006, 2015 Police Pension Schemes for officers)</p> <p>The PCC and Chief Constable uses GAD and Mercers to provide actuarial valuations of the Group's assets and liabilities derived from these schemes. A full actuarial valuation is required every three years. The latest full actuarial valuation was completed in 2019. A roll forward approach is used in intervening periods, which utilises key assumptions such as life expectancy, discount rates, salary growth and investment returns. Given the significant value of the net pension fund liability, small changes in assumptions can result in significant valuation movements.</p>	<p>For both the LGPS and the three police officer pension schemes we have undertaken a review of the relevant actuary's work to satisfy ourselves that the pension liabilities are fairly stated in the financial statements. In doing so we engaged our own independent actuary to assess the methodology and assumptions used by the scheme's actuaries.</p> <p>For both the LGPS and the police schemes we have reviewed the information submitted to the actuaries to confirm that it is consistent with underlying records. We have used of PwC as auditors expert to assess the key actuary and assumptions made by actuary.</p> <table border="1"> <thead> <tr> <th>LGPS Assumptions</th> <th>Actuary Value</th> <th>PwC range</th> <th>Assessment</th> </tr> </thead> <tbody> <tr> <td>Discount rate</td> <td>2% (Police Schemes) 2.20% (LGPS)</td> <td>2% 2.10- 2.20%</td> <td>● ●</td> </tr> <tr> <td>CPI increase</td> <td>2.4% (Police Schemes)  2.70% (LGPS)</td> <td>Below PwC expected range by 0.1%  2.70%</td> <td>●  ●</td> </tr> <tr> <td>Salary growth</td> <td>4.15% (Police Schemes) 4.2% (LGPS)</td> <td>4.15% 3.9%- 4.2%</td> <td>● ●</td> </tr> <tr> <td>Life expectancy future pensioners (Police Schemes)</td> <td>Men 23.5 Women 25.3</td> <td>23.1 - 23.7 23.1 - 25.3</td> <td>● ●</td> </tr> <tr> <td>Life expectancy future pensioners (LGPS)</td> <td>Men 24.3 Female 27.2</td> <td>22.5 – 24.7 25.9 – 27.7</td> <td>● ●</td> </tr> </tbody> </table> <p>The CPI assumption used by the Government Actuary's Department was identified as being below the expected range by 0.1% in respect of the police officer scheme. We undertook further audit procedures including engaging our own actuary to assess this finding and confirmed that the assumption is appropriate when considering the age profile of membership. Based on work performed, we have gained assurance that the assumptions used by actuaries are reasonable.</p>	LGPS Assumptions	Actuary Value	PwC range	Assessment	Discount rate	2% (Police Schemes) 2.20% (LGPS)	2% 2.10- 2.20%	● ●	CPI increase	2.4% (Police Schemes)  2.70% (LGPS)	Below PwC expected range by 0.1%  2.70%	●  ●	Salary growth	4.15% (Police Schemes) 4.2% (LGPS)	4.15% 3.9%- 4.2%	● ●	Life expectancy future pensioners (Police Schemes)	Men 23.5 Women 25.3	23.1 - 23.7 23.1 - 25.3	● ●	Life expectancy future pensioners (LGPS)	Men 24.3 Female 27.2	22.5 – 24.7 25.9 – 27.7	● ●	Light purple

Given the significant value of the net pension fund liability, small changes in assumptions can result in significant valuation movements.</p>	<p>As reported on page 10, the PCC and CC were informed by Cumbria Pension Fund after the financial statements had been prepared that the value of the Cumbria Pension Fund's scheme assets had increased by a further 0.64% in respect of 2020/21. The PCC and CC estimated that the impact of this was £1.123m and deemed it was not necessary to ask for a re-run of the exact impact of this for the PCC and CC. We are satisfied that the likely impact of this increase on scheme assets is not material and that the decision made by the PCC and CC was reasonable. This has been recorded as an unadjusted misstatement on page 25.</p> <p>Based on our review of assumptions, judgements and estimation practices for both schemes, we have gained assurance that they are reasonable and that the net pension liability is materially correct.</p>	Light purple

## Assessment

- Light Purple We consider management's process is appropriate and key assumptions are neither optimistic or cautious
- We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider cautious
- We consider management's process and key assumptions to be reasonable

## 2. Financial Statements - other communication requirements

We set out below details of other matters which we, as auditors, are required by auditing standards and the Code to communicate to those charged with governance.

Issue	Commentary
Matters in relation to fraud	We have previously discussed the risk of fraud with the Joint Audit Committee. We have not been made aware of any other incidents in the period and no other issues have been identified during the course of our audit procedures.
Matters in relation to related parties	We are not aware of any related parties or related party transactions which have not been disclosed.
Matters in relation to laws and regulations	You have not made us aware of any significant incidences of non-compliance with relevant laws and regulations and we have not identified any incidences from our audit work.
Written representations	Letters of representation has been requested from both the PCC and the Chief Constable.

## 2. Financial Statements - other communication requirements

Issue	Commentary
Confirmation requests from third parties	We requested from management permission to send confirmation requests in relation to cash and investment balances. This permission was granted and the requests were sent. All of these requests were returned with positive confirmation.
Accounting practices	We have evaluated the appropriateness of the PCC's and Chief Constable's accounting policies, accounting estimates and financial statement disclosures. Our review found no material omissions in the financial statements.
Audit evidence and explanations/ significant difficulties	All information and explanations requested from management was provided.

## 2. Financial Statements - other communication requirements

### Our responsibility

As auditors, we are required to “obtain sufficient appropriate audit evidence about the appropriateness of management's use of the going concern assumption in the preparation and presentation of the financial statements and to conclude whether there is a material uncertainty about the entity's ability to continue as a going concern” (ISA (UK) 570).

Issue	Commentary
Going concern	<p>In performing our work on going concern, we have had reference to Statement of Recommended Practice – Practice Note 10: Audit of financial statements of public sector bodies in the United Kingdom (Revised 2020). The Financial Reporting Council recognises that for particular sectors, it may be necessary to clarify how auditing standards are applied to an entity in a manner that is relevant and provides useful information to the users of financial statements in that sector. Practice Note 10 provides that clarification for audits of public sector bodies.</p> <p>Practice Note 10 sets out the following key principles for the consideration of going concern for public sector entities:</p> <ul style="list-style-type: none"> <li>the use of the going concern basis of accounting is not a matter of significant focus of the auditor's time and resources because the applicable financial reporting frameworks envisage that the going concern basis for accounting will apply where the entity's services will continue to be delivered by the public sector. In such cases, a material uncertainty related to going concern is unlikely to exist, and so a straightforward and standardised approach for the consideration of going concern will often be appropriate for public sector entities</li> <li>for many public sector entities, the financial sustainability of the reporting entity and the services it provides is more likely to be of significant public interest than the application of the going concern basis of accounting. Our consideration of the PCC's and Chief Constable's financial sustainability is addressed by our value for money work, which is covered elsewhere in this report.</li> </ul> <p>Practice Note 10 states that if the financial reporting framework provides for the adoption of the going concern basis of accounting on the basis of the anticipated continuation of the provision of a service in the future, the auditor applies the continued provision of service approach set out in Practice Note 10. The financial reporting framework adopted by the PCC and Chief Constable meets this criteria, and so we have applied the continued provision of service approach. In doing so, we have considered and evaluated:</p> <ul style="list-style-type: none"> <li>the nature of the PCC and Chief Constable and the environment in which they operate</li> <li>the PCC's and Chief Constable's financial reporting framework</li> <li>the PCC's and Chief Constable's system of internal control for identifying events or conditions relevant to going concern</li> <li>management's going concern assessment.</li> </ul> <p>On the basis of this work, we have obtained sufficient appropriate audit evidence to enable us to conclude that:</p> <ul style="list-style-type: none"> <li>a material uncertainty related to going concern has not been identified for either the PCC or the Chief Constable</li> <li>management's use of the going concern basis of accounting in the preparation of both sets of financial statements is appropriate.</li> </ul>

## 2. Financial Statements - other responsibilities under the Code

Issue	Commentary
Other information	<p>We are required to give an opinion on whether the other information published together with each set of audited financial statements including the Annual Governance Statement and Narrative Report, is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.</p> <p>No inconsistencies have been identified.</p> <p>We plan to issue an unmodified opinion in this respect – refer to Appendix E and F.</p>
Matters on which we report by exception	<p>We are required to report on a number of matters by exception in a number of areas:</p> <ul style="list-style-type: none"> <li>• if the Annual Governance Statements do not comply with disclosure requirements set out in CIPFA/SOLACE guidance or are misleading or inconsistent with the information of which we are aware from our audits,</li> <li>• if we have applied any of our statutory powers or duties.</li> <li>• where we are not satisfied in respect of arrangements to secure value for money and have reported a significant weakness.</li> </ul> <p>We have nothing to report on these matters.</p>

## 2. Financial Statements - other responsibilities under the Code

Issue	Commentary
Specified procedures for Whole of Government Accounts	We are required to carry out specified procedures (on behalf of the NAO) on the Whole of Government Accounts (WGA) consolidation pack under WGA group audit instructions. The group audit instructions have not yet been issued for 2020/21 but we anticipate that in the case of the Group and CC, no substantive work will be required as both financial statements are below the audit threshold determined by the NAO.
Certification of the closure of the audit	We intend to delay the certification of the closure of the 2020/21 audit of PCC & CC in the audit report, as detailed in Appendices E and F, due to further time being needed to complete our VFM. The NAO has extended the timetable for completion of this work to three months post completion of the financial statements audit. In addition, as noted above, group audit instructions have not yet been issued for 2020/21 and we are unable to conclude work in relation to Whole of Government Accounts.

# 3. Value for Money arrangements

## Revised approach to Value for Money work for 2020/21

On 1 April 2020, the National Audit Office introduced a new Code of Audit Practice which comes into effect from audit year 2020/21. The Code introduced a revised approach to the audit of Value for Money. (VFM)

There are three main changes arising from the NAO's new approach:

- A new set of key criteria, covering financial sustainability, governance and improvements in economy, efficiency and effectiveness
- More extensive reporting, with a requirement on the auditor to produce a commentary on arrangements across all of the key criteria.
- Auditors undertaking sufficient analysis on the PCC's and Chief Constable's VFM arrangements to arrive at far more sophisticated judgements on performance, as well as key recommendations on any significant weaknesses in arrangements identified during the audit.

The Code require auditors to consider whether the body has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources. When reporting on these arrangements, the Code requires auditors to structure their commentary on arrangements under the three specified reporting criteria.

### Improving economy, efficiency and effectiveness

Arrangements for improving the way the body delivers its services. This includes arrangements for understanding costs and delivering efficiencies and improving outcomes for service users.

### Financial Sustainability

Arrangements for ensuring the body can continue to deliver services. This includes planning resources to ensure adequate finances and maintain sustainable levels of spending over the medium term (3-5 years)

### Governance

Arrangements for ensuring that the body makes appropriate decisions in the right way. This includes arrangements for budget setting and management, risk management, and ensuring the body makes decisions based on appropriate information

## Potential types of recommendations

A range of different recommendations could be made following the completion of work on the body's arrangements to secure economy, efficiency and effectiveness in its use of resources, which are as follows:

### Statutory recommendation

Written recommendations to the body under Section 24 (Schedule 7) of the Local Audit and Accountability Act 2014. A recommendation under schedule 7 requires the body to discuss and respond publicly to the report.

### Key recommendation

The Code of Audit Practice requires that where auditors identify significant weaknesses in arrangements to secure value for money they should make recommendations setting out the actions that should be taken by the body. We have defined these recommendations as 'key recommendations'.

### Improvement recommendation

These recommendations, if implemented should improve the arrangements in place at the body, but are not made as a result of identifying significant weaknesses in the body's arrangements

---

# 3. VFM - our procedures and conclusions

We have not yet completed our VFM work and so are not in a position to issue our Auditor's Annual Report. An audit letter explaining the reasons for the delay is attached in the Appendix H to this report. We expect to issue our Auditor's Annual Report in line with the National Audit Office's revised deadline, which requires the Auditor's Annual Report to be issued no more than three months after the date of the opinion on the financial statements.

As part of our work, we considered whether there were any risks of significant weakness in the PCC and Chief Constable's arrangements for securing economy, efficiency and effectiveness in its use of resources. We have not identified any significant weaknesses from the work completed so far.

---

# 4. Independence and ethics

We confirm that there are no significant facts or matters that impact on our independence as auditors that we are required or wish to draw to your attention. We have complied with the Financial Reporting Council's Ethical Standard and confirm that we, as a firm, and each covered person, are independent and are able to express an objective opinion on the financial statements

We confirm that we have implemented policies and procedures to meet the requirements of the Financial Reporting Council's Ethical Standard and we as a firm, and each covered person, confirm that we are independent and are able to express an objective opinion on the financial statements.

Further, we have complied with the requirements of the National Audit Office's Auditor Guidance Note 01 issued in May 2020 which sets out supplementary guidance on ethical requirements for auditors of local public bodies.

Details of fees charged are detailed in Appendix D.

## Transparency

Grant Thornton publishes an annual Transparency Report, which sets out details of the action we have taken over the past year to improve audit quality as well as the results of internal and external quality inspections. For more details see [Transparency report 2020 \(grantthornton.co.uk\)](https://www.grantthornton.co.uk/transparency-report-2020)

## Audit and non-audit services

No non-audit services were provided from the beginning of the financial year to September 2021.

# Appendices

# A. Action plan – Audit of Financial Statements

We have identified 1 recommendation for the PCC and Chief Constable as a result of issues identified during the course of our audits. We have agreed our recommendations with management and we will report on progress on these recommendations during the course of the 2021/22 audit. The matters reported here are limited to those deficiencies that we have identified during the course of our audit and that we have concluded are of sufficient importance to merit being reported to you in accordance with auditing standards.

Assessment	Issue and risk	Recommendations
<p>● Medium</p>	<p><b>IT Control Issues - Inappropriate assignment of administrator access</b></p> <p><b>Administrative access to Oracle Fusion has been granted to users who have financial responsibilities. The combination of financial responsibilities with the ability to administer end-user security is considered a segregation of duties conflict.</b></p> <p>It was noted that two Finance users have privileged access via “Application Implementation Consultant” role in the Oracle production environment.</p> <p><b>Risk</b> A combination of administration and financial privileges creates a risk that system-enforced internal controls can be bypassed. This could lead to</p> <ul style="list-style-type: none"> <li>• unauthorised changes being made to system parameters</li> <li>• creation of unauthorised accounts,</li> <li>• unauthorised updates to their own account privileges</li> <li>• deletion of audit logs or disabling logging mechanisms.</li> </ul>	<p>Access should be based on the principle of least privilege and commensurate with job responsibilities. It is recommended that:</p> <ul style="list-style-type: none"> <li>• Management should review access rights assigned to privileged system users to identify and remove conflicting access rights.</li> <li>• If incompatible business functions are granted to users due to organisational size constraints, management should ensure that there are review procedures in place to monitor activities, such as reviewing system reports of detailed transactions; selecting transactions for review of supporting documents.</li> </ul> <p><b>Management response</b></p> <p>A review will be undertaken of the access rights and the Application Implementation Consultant role will be removed from those not requiring it. Where this is not possible for systems management reasons, the financial access will be reviewed.</p> <p>Where it is not possible to provide complete segregation of duties, a process will be established to produce periodic system reports of detailed transactions and these will be assessed by the Deputy CFO or Joint CFO.</p> <p>A meeting will be arranged with the ICT audit team from Grant Thornton to fully explore segregation of duties control measures and potential conflicts.</p>
<p><b>Controls</b></p> <ul style="list-style-type: none"> <li>● High – Significant effect on financial statements</li> <li>● Medium – Limited Effect on financial statements</li> <li>● Low – Best practice</li> </ul>		

# B. Follow up of prior year recommendations

We identified the following issues in the audits of Cumbria PCC and Chief Constable's 2019/20 financial statements, which resulted in one recommendation being reported in our 2019/20 Audit Findings report. We are pleased to report that management have implemented all of our recommendations.

Assessment	Issue and risk previously communicated	Update on actions taken to address the issue
✓	<p><b>IT control issues</b></p> <p>A number of IT control issues were identified from our review of the Oracle system during 2019/20. The key issues related to access levels, access privileges and defined processes for making changes to batch jobs.</p> <p>We shared the issues with your IT department and at the time had positive responses regarding progress made since the audit in addressing these issues.</p> <p>Management agreed to ensure that actions will be taken to address the Oracle IT controls issues as part of the new Oracle cloud based system introduced in October 2020.</p>	<p>We are pleased to report that the issues raised last year have been adequately addressed within the new Oracle Fusion system or are no longer applicable.</p>

#### Assessment

- ✓ Action completed
- X Not yet addressed

# C. Audit Adjustments

We are required to report all non trivial misstatements to those charged with governance, whether or not the accounts have been adjusted by management.

## Impact of adjusted misstatements

No adjustments have been made to the key financial statements of the PCC, Group or CC for the year ending 31 March 2021.

## Impact of unadjusted misstatements

The table below provides details of adjustments identified during the audit which have not been made within the final set of financial statements. The Joint Audit Committee is required to approve management's proposed treatment of all items recorded within the table below.

Detail	Affected	Comprehensive Income and Expenditure Statement £'000	Statement of Financial Position £' 000	Impact on total net expenditure £'000	Reason for not adjusting
Difference in estimated LGPS pension asset valuation to actual	CC/PCC and group	Other comprehensive income (1,123)	Net Pension Liability 1,123	-	Not material to the financial performance or position of the group.
Prepayments recognised in error	CC/PCC and group	-	Creditors 652 Debtors (652)	-	Nets to nil in the balance sheet. Not material to the reported financial position
<b>Overall impact</b>		<b>£(1,123)</b>	<b>£1,123</b>	<b>£-</b>	

## Impact of prior year unadjusted misstatements

The two unadjusted misstatements raised in the 2019/20 Audit Findings Report have been correctly amended this year.

# C. Audit Adjustments

We are required to report all non trivial misstatements to those charged with governance, whether or not the accounts have been adjusted by management.

## Misclassification and disclosure changes

The table below provides details of misclassification and disclosure changes identified during the audit which have been made in the final set of financial statements.

Disclosure omission	Relates to	Auditor recommendations	Adjusted?
<p>Note 13 Leases</p> <p>The future minimum lease payments disclosure in the note was incorrectly calculated and mis-stated by £453k.</p>	PCC	The figure for future minimum lease payments later than five years within the note to be corrected to show £3.278m	✓
<p>Note 26 Audit Fee</p> <p>The audit fee disclosure has been updated to refer to additional audit fee in 20/21 of £13k.</p>	PCC/CC	Note to be amended to reflect the correct fee due.	✓
<p>Property Plant and Equipment disclosure</p> <p>Notes 4 and 9b refer to a material valuation uncertainty but there is no distinction between specialist and non specialist assets.</p> <p>The valuer in their valuation report has only given a material valuation uncertainty disclosure for non specialist assets, and reports that this does not apply for specialist assets, such as police stations.</p>	PCC	Notes 4 and 9b should be updated to reflect that the material valuation uncertainty only applies to non specialist assets.	✓
<p>Pensions Disclosure Annex C – LGPS Breakdown</p> <p>The breakdown of the LGPS Assets has been updated to reflect an incorrect split between the asset types which was notified to the PCC by Cumbria Pension fund after the accounts had been prepared.</p>	PCC	LGPS asset breakdown disclosure to reflect latest information provided by Cumbria Pension Fund	✓

# D. Fees

We confirm below our final fees charged for the audit and we confirm there were no non audit services or audited related services have been undertaken for the PCC and Chief Constable.

<b>Audit fees</b>	<b>Proposed fee</b>	<b>Final fee</b>
PCC Audit	£41,110	£41,110
Chief Constable Audit	£17,800	£17,800
Total audit fees (excluding VAT)	£58,910	£58,910*

The fees reconcile to the financial statements

\* Fee is subject to formal approval from PSAA.

# E. Audit opinion – PCC

Our audit opinion is included below.

We anticipate we will provide the PCC with an unmodified audit report.

## Independent auditor's report to the Police and Crime Commissioner for Cumbria

### Report on the Audit of the Financial Statements

#### Opinion on financial statements

We have audited the financial statements of the Police and Crime Commissioner for Cumbria (the 'Police and Crime Commissioner') and its subsidiary the Chief Constable (the 'group') for the year ended 31 March 2021 which comprise the Comprehensive Income and Expenditure Statement-Group, the Comprehensive Income and Expenditure Statement- PCC, the Movement in Reserves Statement-Group, the Movement in Reserves Statement-PCC, the Balance Sheet – PCC and Group, the Cash Flow Statement – PCC and Group and notes to the financial statements, including a summary of significant accounting policies, and include the Police Officer Pension Fund financial statements comprising the Fund Account, the Net Assets Statement and notes to the financial statements. The notes to the financial statements include the Notes to the Accounts, Annex A - Statement of Accounting Policies, Annex B Technical Annex – Financial Instrument Disclosures and Annex C – Pension Disclosures. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21.

In our opinion, the financial statements:

- give a true and fair view of the financial position of the group and of the Police and Crime Commissioner as at 31 March 2021 and of the group's expenditure and income and the Police and Crime Commissioner's expenditure and income for the year then ended;
- have been properly prepared in accordance with the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law, as required by the Code of Audit Practice (2020) ("the Code of Audit Practice") approved by the Comptroller and Auditor General. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Police and Crime Commissioner and the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter – effects of Covid-19 on the valuation of non-specialised land and building assets

We draw attention to Note 4 of the financial statements, which describes the effects of the Covid-19 pandemic on the valuation of non-specialist land and buildings assets as at 31 March 2021. As disclosed in Note 4 to the financial statements, the Authority's valuer has noted that, as a result of the Covid-19 pandemic, there is 'material valuation uncertainty' in relation to non-specialised assets which means there is less certainty and more caution needed with regard to the valuations. Our opinion is not modified in respect of this matter.

# E. Audit opinion – PCC

## Conclusions relating to going concern

We are responsible for concluding on the appropriateness of the Joint Chief Finance Officer's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Police and Crime Commissioner and group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the auditor's opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Police and Crime Commissioner and the group to cease to continue as a going concern.

In our evaluation of the Joint Chief Finance Officer's conclusions, and in accordance with the expectation set out within the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21 that the Police and Crime Commissioner and group's financial statements shall be prepared on a going concern basis, we considered the inherent risks associated with the continuation of services provided by the Police and Crime Commissioner and the group. In doing so we had regard to the guidance provided in Practice Note 10 Audit of financial statements and regularity of public sector bodies in the United Kingdom (Revised 2020) on the application of ISA (UK) 570 Going Concern to public sector entities. We assessed the reasonableness of the basis of preparation used by the Police and Crime Commissioner and group and the Police and Crime Commissioner and group's disclosures over the going concern period.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Police and Crime Commissioner's and the group's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the Joint Chief Finance Officer's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

The responsibilities of the Joint Chief Finance Officer with respect to going concern are described in the 'Responsibilities of the Police and Crime Commissioner and the Joint Chief Finance Officer for the financial statements' section of this report.

## Other information

The Joint Chief Finance Officer is responsible for the other information. The other information comprises the information included in the Statement of Accounts, other than the Police and Crime Commissioner and group financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge of the Police and Crime Commissioner and the group obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# E. Audit opinion – PCC

## Other information we are required to report on by exception under the Code of Audit Practice

Under the Code of Audit Practice published by the National Audit Office in April 2020 on behalf of the Comptroller and Auditor General (the Code of Audit Practice) we are required to consider whether the Annual Governance Statement does not comply with the ‘delivering good governance in Local Government Framework 2016 Edition’ published by CIPFA and SOLACE or is misleading or inconsistent with the information of which we are aware from our audit. We are not required to consider whether the Annual Governance Statement addresses all risks and controls or that risks are satisfactorily addressed by internal controls.

We have nothing to report in this regard.

## Opinion on other matter required by the Code of Audit Practice

In our opinion, based on the work undertaken in the course of the audit of the financial statements and our knowledge of the Police and Crime Commissioner, the other information published together with the financial statements in the Statement of Accounts, for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

Under the Code of Audit Practice, we are required to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make a written recommendation to the Police and Crime Commissioner under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014, in the course of, or at the conclusion of the audit.

We have nothing to report in respect of the above matters.

## Responsibilities of the Police and Crime Commissioner and the Joint Chief Finance Officer for the financial statements

As explained more fully in the Statement of Responsibilities set out on pages 21 to 22, the Police and Crime Commissioner is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. That officer is the Joint Chief Finance Officer. The Joint Chief Finance Officer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21, for being satisfied that they give a true and fair view,

# E. Audit opinion – PCC

and for such internal control as the Joint Chief Finance Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Joint Chief Finance Officer is responsible for assessing the Police and Crime Commissioner's and the group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless there is an intention by government that the services provided by the Police and Crime Commissioner and the group will no longer be provided.

The Police and Crime Commissioner is Those Charged with Governance. Those charged with governance are responsible for overseeing the financial reporting process.

## **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

## **Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Owing to the inherent limitations of an audit, there is an unavoidable risk that material misstatements in the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Police and Crime Commissioner and the group and determined that the most significant, which are directly relevant to specific assertions in the financial statements, are those related to the reporting frameworks (international accounting standards as interpreted and adapted by the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21, The Local Audit and Accountability Act 2014, the Accounts and Audit Regulations 2015, the Local Government Act 2003 and the Police Reform and Social Responsibility Act 2011). We also identified the following additional regulatory frameworks in respect of the police pension fund, Public Service Pensions Act 2013, The Police Pension Fund Regulations 2007, The Police Pensions Regulations 2015, and The Police Pensions Regulations 2006.
- We enquired of senior officers and the Police and Crime Commissioner, concerning the Police and Crime Commissioner and group's policies and procedures relating to:
  - the identification, evaluation and compliance with laws and regulations;
  - the detection and response to the risks of fraud; and
  - the establishment of internal controls to mitigate risks related to fraud or non-compliance with laws and regulations.
- We enquired of senior officers, internal audit and the Police and Crime Commissioner, whether they were aware of any instances of non-compliance with laws and regulations or whether they had any knowledge of actual, suspected or alleged fraud.

# E. Audit opinion – PCC

- We assessed the susceptibility of the Police and Crime Commissioner and group's financial statements to material misstatement, including how fraud might occur, by evaluating officers' incentives and opportunities for manipulation of the financial statements. This included the evaluation of the risk of management override of controls. We determined that the principal risks were in relation to
  - non-routine journal entries, and key accounting estimates around the valuation of land and buildings and the pension liability.
- Our audit procedures involved:
  - evaluation of the design effectiveness of controls that the Joint Chief Finance Officer has in place to prevent and detect fraud;
  - journal entry testing, with a focus on non-routine transactions;
  - challenging assumptions and judgements made by management in its significant accounting estimates in respect of the valuation of land and buildings and the pension liability;
  - assessing the extent of compliance with the relevant laws and regulations as part of our procedures on the related financial statement item.
- These audit procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error. However, detecting irregularities that result from fraud is inherently more difficult than detecting those that result from error, as those irregularities that result from fraud may involve collusion, deliberate concealment, forgery or intentional misrepresentations. Also, the further removed non-compliance with laws and regulations is from events and transactions reflected in the financial statements, the less likely we would become aware of it.
- The team communications in respect of potential non-compliance with relevant laws and regulations, including the potential for fraud in revenue and expenditure recognition, and the significant accounting estimates related to the valuation of land and buildings and the LGPS and Police pension liability.
- Assessment of the appropriateness of the collective competence and capabilities of the Police and Crime Commissioner and group's engagement team included consideration of the engagement team's.
  - understanding of, and practical experience with audit engagements of a similar nature and complexity through appropriate training and participation
  - knowledge of the police sector
  - understanding of the legal and regulatory requirements specific to the Police and Crime Commissioner and group including:
    - the provisions of the applicable legislation
    - guidance issued by CIPFA/LASAAC and SOLACE
    - the applicable statutory provisions.

# E. Audit opinion – PCC

- In assessing the potential risks of material misstatement, we obtained an understanding of:
  - the Police and Crime Commissioner and group's operations, including the nature of its income and expenditure and its services and of its objectives and strategies to understand the classes of transactions, account balances, expected financial statement disclosures and business risks that may result in risks of material misstatement.
  - the Police and Crime Commissioner and group's control environment, including the policies and procedures implemented by the Police and Crime Commissioner and group to ensure compliance with the requirements of the financial reporting framework.

## **Report on other legal and regulatory requirements - the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources**

Matter on which we are required to report by exception – the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Police and Crime Commissioner has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2021.

Our work on the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources is not yet complete. The outcome of our work will be reported in our commentary on the Police and Crime Commissioner's arrangements in our Auditor's Annual Report. If we identify any significant weaknesses in these arrangements, these will be reported by exception in a further auditor's report. We are satisfied that this work does not have a material effect on our opinion on the financial statements for the year ended 31 March 2021.

## **Responsibilities of the Police and Crime Commissioner**

The Police and Crime Commissioner is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

## **Auditor's responsibilities for the review of the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources**

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Police and Crime Commissioner has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in April 2021. This guidance sets out the arrangements that fall within the scope of 'proper arrangements'. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

- Financial sustainability: how the Police and Crime Commissioner plans and manages its resources to ensure it can continue to deliver its services;

# E. Audit opinion – PCC

- Governance: how the Police and Crime Commissioner ensures that it makes informed decisions and properly manages its risks; and
- Improving economy, efficiency and effectiveness: how the Police and Crime Commissioner uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Police and Crime Commissioner has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor's Annual Report. In undertaking our work, we consider whether there is evidence to suggest that there are significant weaknesses in arrangements.

## Report on other legal and regulatory requirements - Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate for the Police and Crime Commissioner for Cumbria for the year ended 31 March 2021 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice until we have completed:

- our work on the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources and issued our Auditor's Annual Report.
- the work necessary to issue our Whole of Government Accounts (WGA) Component Assurance statement for the Police and Crime Commissioner for the year ended 31 March 2021.

We are satisfied that this work does not have a material effect on the financial statements for the year ended 31 March 2021.

## Use of our report

This report is made solely to the Police and Crime Commissioner, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Police and Crime Commissioner those matters we are required to state to the Police and Crime Commissioner in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Police and Crime Commissioner as a body, for our audit work, for this report, or for the opinions we have formed.

# F. Audit opinion – CC

Our audit opinion is included below.

We anticipate we will provide the Chief Constable with an unmodified audit report.

## Independent auditor's report to the Chief Constable of Cumbria Constabulary

### Report on the Audit of the Financial Statements

#### Opinion on financial statements

We have audited the financial statements of the Chief Constable of Cumbria Constabulary (the 'Chief Constable') for the year ended 31 March 2021 which comprise the Comprehensive Income and Expenditure Statement, the Movement in Reserves Statement, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies, and include the police pension fund financial statements comprising the Fund Account, the Net Assets Statement and notes to the financial statements, including a summary of significant accounting policies, and include the Police Officer Pension Fund financial statements comprising the Fund Account, the Net Assets Statement and notes to the financial statements. The notes to the financial statements include the Notes to the Accounts, Annex A - Statement of Accounting Policies, Annex B Technical Annex – Financial Instrument Disclosures and Annex C – Pension Disclosures. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21.

In our opinion, the financial statements:

- give a true and fair view of the financial position of the Chief Constable as at 31 March 2021 and of its expenditure and income for the year then ended;
- have been properly prepared in accordance with the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law, as required by the Code of Audit Practice (2020) ("the Code of Audit Practice") approved by the Comptroller and Auditor General. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Chief Constable in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We are responsible for concluding on the appropriateness of the Joint Chief Finance Officer's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Chief Constable's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the auditor's opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Chief Constable to cease to continue as a going concern.

# F. Audit opinion – CC

In our evaluation of the Joint Chief Finance Officer's conclusions, and in accordance with the expectation set out within the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21 that the Chief Constable's financial statements shall be prepared on a going concern basis, we considered the inherent risks associated with the continuation of services provided by the Chief Constable. In doing so we had regard to the guidance provided in Practice Note 10 Audit of financial statements and regularity of public sector bodies in the United Kingdom (Revised 2020) on the application of ISA (UK) 570 Going Concern to public sector entities. We assessed the reasonableness of the basis of preparation used by the Chief Constable and the Chief Constable's disclosures over the going concern period.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Chief Constable's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the Joint Chief Finance Officer's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

The responsibilities of the Joint Chief Finance Officer with respect to going concern are described in the 'Responsibilities of the Chief Constable and the Joint Chief Finance Officer for the financial statements' section of this report.

## **Other information**

The Joint Chief Finance Officer is responsible for the other information. The other information comprises the information included in the Statement of Accounts, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge of the Chief Constable obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **Other information we are required to report on by exception under the Code of Audit Practice**

Under the Code of Audit Practice published by the National Audit Office in April 2020 on behalf of the Comptroller and Auditor General (the Code of Audit Practice) we are required to consider whether the Annual Governance Statement does not comply with the 'delivering good governance in Local Government Framework 2016 Edition' published by CIPFA and SOLACE or is misleading or inconsistent with the information of which we are aware from our audit. We are not required to consider whether the Annual Governance Statement addresses all risks and controls or that risks are satisfactorily addressed by internal controls.

We have nothing to report in this regard.

# F. Audit opinion – CC

## Opinion on other matter required by the Code of Audit Practice

In our opinion, based on the work undertaken in the course of the audit of the financial statements and our knowledge of the Chief Constable, the other information published together with the financial statements in the Statement of Accounts for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

Under the Code of Audit Practice, we are required to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make a written recommendation to the Chief Constable under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014, in the course of, or at the conclusion of the audit.

We have nothing to report in respect of the above matters.

## Responsibilities of the Chief Constable and the Joint Chief Finance Officer for the financial statements

As explained more fully in the Statement of Responsibilities set out on page 22, the Chief Constable is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. That officer is the Joint Chief Finance Officer. The Joint Chief Finance Officer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21, for being satisfied that they give a true and fair view, and for such internal control as the Joint Chief Finance Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Joint Chief Finance Officer is responsible for assessing the Chief Constable's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless there is an intention by government that the services provided by the Chief Constable will no longer be provided.

The Chief Constable is Those Charged with Governance. Those charged with governance are responsible for overseeing the financial reporting process.

# F. Audit opinion – CC

## Auditor’s responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council’s website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor’s report.

## Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Owing to the inherent limitations of an audit, there is an unavoidable risk that material misstatements in the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Chief Constable and determined that the most significant, which are directly relevant to specific assertions in the financial statements, are those related to the reporting frameworks (international accounting standards as interpreted and adapted by the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21, The Local Audit and Accountability Act 2014, the Accounts and Audit Regulations 2015, the Local Government Act 2003 and the Police Reform and Social Responsibility Act 2011. We also identified the following additional regulatory frameworks in respect of the police pension fund, Public Service Pensions Act 2013, The Police Pension Fund Regulations 2007, The Police Pensions Regulations 2015, and The Police Pensions Regulations 2006.
- We enquired of senior officers and the Chief Constable, concerning the Chief Constable’s policies and procedures relating to:
  - the identification, evaluation and compliance with laws and regulations;
  - the detection and response to the risks of fraud; and
  - the establishment of internal controls to mitigate risks related to fraud or non-compliance with laws and regulations.
- We enquired of senior officers, internal audit and the Chief Constable, whether they were aware of any instances of non-compliance with laws and regulations or whether they had any knowledge of actual, suspected or alleged fraud.
- We assessed the susceptibility of the Chief Constable’s financial statements to material misstatement, including how fraud might occur, by evaluating officers’ incentives and opportunities for manipulation of the financial statements, this included the evaluation of the risk of management override of control. We determined that the principal risks were in relation to:

# F. Audit opinion – CC

- non-routine journal entries, and key accounting estimates around valuation of net pension liability.
- Our audit procedures involved:
  - evaluation of the design effectiveness of controls that the Chief Financial Officer has in place to prevent and detect fraud;
  - journal entry testing, with a focus on non-routine transactions;
  - challenging assumptions and judgements made by management in its significant accounting estimates in respect of the valuation of land and buildings and the pension liability;
  - assessing the extent of compliance with the relevant laws and regulations as part of our procedures on the related financial statement item.
- These audit procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error. However, detecting irregularities that result from fraud is inherently more difficult than detecting those that result from error, as those irregularities that result from fraud may involve collusion, deliberate concealment, forgery or intentional misrepresentations. Also, the further removed non-compliance with laws and regulations is from events and transactions reflected in the financial statements, the less likely we would become aware of it.
- The team communications in respect of potential non-compliance with relevant laws and regulations, including the potential for fraud in revenue and expenditure recognition, and the significant accounting estimates related to the LGPS and Police pension liability.
- Assessment of the appropriateness of the collective competence and capabilities of the engagement team included consideration of the engagement team's.
  - understanding of, and practical experience with audit engagements of a similar nature and complexity through appropriate training and participation
  - knowledge of the police sector
  - understanding of the legal and regulatory requirements specific to the Chief Constable including:
    - the provisions of the applicable legislation
    - guidance issued by CIPFA, LASAAC and SOLACE
    - the applicable statutory provisions.
- In assessing the potential risks of material misstatement, we obtained an understanding of:
  - the Chief Constable's operations, including the nature of its income and expenditure and its services and of its objectives and strategies to understand the classes of transactions, account balances, expected financial statement disclosures and business risks that may result in risks of material misstatement.

# F. Audit opinion – CC

- the Chief Constable's control environment, including the policies and procedures implemented by the Chief Constable to ensure compliance with the requirements of the financial reporting framework.

## **Report on other legal and regulatory requirements - the Chief Constable's arrangements for securing economy, efficiency and effectiveness in its use of resources**

Matter on which we are required to report by exception – the Chief Constable's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Chief Constable has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2021.

Our work on the Chief Constable's arrangements for securing economy, efficiency and effectiveness in its use of resources is not yet complete. The outcome of our work will be reported in our commentary on the Chief Constable's arrangements in our Auditor's Annual Report. If we identify any significant weaknesses in these arrangements, these will be reported by exception in a further auditor's report. We are satisfied that this work does not have a material effect on our opinion on the financial statements for the year ended 31 March 2021.

### **Responsibilities of the Chief Constable**

The Chief Constable is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities for the review of the Chief Constable's arrangements for securing economy, efficiency and effectiveness in its use of resources

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Chief Constable has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Chief Constable's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in April 2021. This guidance sets out the arrangements that fall within the scope of 'proper arrangements'. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

- Financial sustainability: how the Chief Constable plans and manages its resources to ensure it can continue to deliver its services;
- Governance: how the Chief Constable ensures that it makes informed decisions and properly manages its risks; and
- Improving economy, efficiency and effectiveness: how the Chief Constable uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Chief Constable has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor's Annual Report. In undertaking our work, we consider whether there is evidence to suggest that there are significant weaknesses in arrangements.

# F. Audit opinion – CC

## Report on other legal and regulatory requirements - Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate for Chief Constable of Cumbria Constabulary for the year ended 31 March 2021 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice until we have completed:

- our work on the Chief Constable's arrangements for securing economy, efficiency and effectiveness in its use of resources and issued our Auditor's Annual Report,
- the work necessary to issue our Whole of Government Accounts (WGA) Component Assurance statement for the Chief Constable for the year ended 31 March 2021.

We are satisfied that this work does not have a material effect on the financial statements.

## Use of our report

This report is made solely to the Chief Constable, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Chief Constable those matters we are required to state to the Chief Constable in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Chief Constable as a body, for our audit work, for this report, or for the opinions we have formed.

# G. Audit letter in respect of delayed VFM work

The Chief Constable of Cumbria Constabulary  
The Police and Crime Commissioner for Cumbria  
Cumbria Constabulary Headquarters  
Carleton Hall  
Penrith  
Cumbria  
CA10 2AU  
14 September 2021

Dear Mr McCall and Mrs Skeer

Under the 2020 Code of Audit Practice, for relevant authorities other than local NHS bodies we are required to issue our Auditor's Annual Report no later than 30 September or, where this is not possible, issue an audit letter setting out the reasons for delay.

As a result of the ongoing pandemic, and the impact it has had on both preparers and auditors of accounts to complete their work as quickly as would normally be expected, the National Audit Office has updated its guidance to auditors to allow us to postpone completion of our work on arrangements to secure value for money and focus our resources firstly on the delivery of our opinions on the financial statements. This is intended to help ensure as many as possible could be issued in line with national timetables and legislation.

As a result, we have therefore not yet issued our Auditor's Annual Report, including our commentary on arrangements to secure value for money. We now expect to publish our report no later than 31 January 2022.

For the purposes of compliance with the 2020 Code, this letter constitutes the required audit letter explaining the reasons for delay.

Yours faithfully

*Michael Green*

Item 07

## The Police and Crime Commissioner for Cumbria & the Chief Constable for Cumbria Constabulary

### Annual Statement of Accounts 2020/21: Assurance Framework

Report to the Police and Crime Commissioner, Chief Constable and Joint Audit Committee

04 November 2021

Report of the Joint Chief Finance Officer

#### 1. Introduction and Background

- 1.1. This report sets out for the Commissioner, Chief Constable and members of the Joint Audit Committee, those areas of governance and audit pertaining to scrutiny and formal approval of the 2020/21 Statement of Accounts. This report covers the single entity financial statements of the Police and Crime Commissioner, the single entity financial statements of the Chief Constable, and the Group financial statements. The report sets out the opinion of the Commissioner's appointed auditor and amendments made to the Accounts, and accompanying governance statement, as a consequence of the findings of the audit. It also sets out information provided to Mr Michael Green, of Grant Thornton UK LLP, the Commissioner's appointed auditor, as part of the regulatory requirement for a letter of representation.
- 1.2. The report includes an appendix that provides a narrative on the financial statements (**Appendix A**). The appendix aims to support members of the Joint Audit Committee in undertaking their assurance role by providing a narrative in respect of the sources of assurance available to them and on the substantive issues that have been considered in respect of the production of the financial statements.

## 2. Formal Approval of the Audited Statements

- 2.1. In 2020, the global coronavirus pandemic impacted on the statutory deadlines for the production and subsequent audit of the financial statements. In order to limit the potential for the virus to cause widespread disruption within the OPCC/Constabulary the decision was taken to enable as many as possible officers and staff to work from home or from dispersed locations within the police estate. The Financial Services Team, along with many other police staff within the Constabulary, have been working at home since March 2020. With the continuance of the Covid-19 restrictions in 2021, the Government again decided to amend the dates for the production of the draft Statement of Account and their subsequent audit. The date for production of the draft statement of accounts was extended from 31 May to 31 July 2021 and the dates for audit were extended from 31 July to 30 September 2021.

The external auditors Grant Thornton wrote to the Police and Crime Commissioner and Chief Constable on 14 September 2021 to advise that as a result of the pandemic that they would be unable to meet the 30 September deadline and advised that “the National Audit Office has updated its guidance to auditors to allow us to postpone completion of our work on arrangements to secure value for money and focus our resources firstly on the delivery of our opinions on the financial statements. This is intended to help ensure as many as possible could be issued in line with national timetables and legislation. As a result, we have therefore not yet issued our Auditor’s Annual Report, including our commentary on arrangements to secure value for money. We now expect to publish our report no later than 31 January 2022.”

The Statement of Accounts for the Commissioner and Chief Constable were authorised by the Joint Chief Finance Officer on **30 June 2021**. The audit has now been substantially completed, the Joint Chief Finance Officer is required to again certify the statements and present them to the Commissioner and Chief Constable for formal approval. Prior to certification the Commissioner and Chief Constable will take into consideration the Audit Findings Report from Mr Michael Green. The Commissioner and Chief Constable will also take into consideration the views of members of the Joint Audit Committee. The Committee will receive the Statement of Accounts and the Audit Findings Report. They will consider whether appropriate accounting policies have been followed and whether there are concerns arising from the financial statements or from the audit that need to be brought to the attention of the Commissioner.

## 3. Appointed Auditor’s Audit Findings Report

- 3.1. Preceding this item on your agenda is the Audit Findings Report from Mr Michael Green, of Grant Thornton UK LLP, the Commissioner’s appointed auditor. Mr Green reports on his completion of the

annual audit of the Statements of Account for 2020/21. The Commissioner, Chief Constable and members of the Joint Audit Committee will be pleased to see his intention, based on his findings to date, to issue an unmodified audit opinion in respect of the Statement of Accounts for the year to 31 March 2021. It is intended that the opinion in respect of the Commissioner's and Chief Constable's arrangements to secure Value for Money will be issued by the end of January 2022 and will be included in the Annual Audit Letter.

3.2. In carrying out their audit, the auditors have considered internal controls that are relevant to the preparation of the financial statements. Where they identify any control weaknesses, these are reported to the Commissioner and Chief Constable. Within their report the auditors have raised no matters in relation to internal control which need to be considered by those charged with governance.

3.3. As noted in the audit findings report there were no adjusted and two unadjusted misstatements identified during the audit:

- ◆ The two unadjusted misstatements are outlined below:

- ◆ In relation to the Local Government Pension Scheme (LGPS), after the statement of accounts had been produced the County Council advised in August that there had been a movement in year-end pensions asset values of 0.64% higher than had been anticipated. The Financial Services team calculated that the potential impact of a change would be a decrease of £1.123m in the group LGPS pensions liability and corresponding pensions reserve. As this sum fell below the audit materiality threshold of £3.045m, the decision was taken not to adjust the financial statements. The decision was however to be subject to change if any other misstatements came to light that could have a cumulative impact above the materiality limit.

- ◆ During audit testing of debtors an invoice relating to 2021/22 for an amount of £601k was investigated. The invoice had been correctly identified as a pre-payment and as such included in the year end debtors figure. However, upon further examination by the audit team it came to light that the same invoice was included in a batch of invoices that had been recorded in the creditor payments system for 2020/21 but had not been physically paid from the bank. Such invoices are therefore treated as year end creditors. The result was that both the year end debtors and creditors had been overstated by this amount. The audit team requested further checks to be made and a further four invoices were also subject to this anomaly. The final unadjusted misstatement for these five invoices is £652k. A further step has been built into the final accounts process for future years to check for this situation arising again and make appropriate adjustments.

The net effect on the balance sheet of both of the above unadjusted misstatements was nil.

- 3.4. There were a number of disclosure changes identified by Grant Thornton during the audit which have been adjusted in the financial statements, in the member's copy of the financial statements these disclosure changes have been highlighted in green. Other changes highlighted in blue relate to items identified by the Financial Services team.
- 3.5. In their report the auditors have made one recommendation as a result of issues identified during the audit, this relates to the audit of the Oracle Fusion financial system. The issue relates to a conflict in access levels which could allow internal controls to be compromised. A review of access levels is to be undertaken and where it is not possible to remove the conflicting access, a monthly review of activity procedure will be initiated and signed off by the Joint CFO or Deputy CFO.
- 3.6. The auditors have again commented that the financial statements were prepared to a good standard, and working papers were available on time at the start of the audit. Responses to our samples and other queries were comprehensive and timely.

#### 4. Post Balance Sheet Event

- 4.1. A post balance sheet event is an event, subsequent to the date of the financial statements, and for which International Financial Reporting Standards and the Code of Practice on Local Authority Accounting (the Code) require adjustment or disclosure. There were no post balance sheet events identified for 2020/21.

#### 5. 2020/21 Governance Statements

The Police and Crime Commissioner and Chief Constable approved their 2020/21 Annual Governance Statements (AGS) on 28 June 2021 and 30 June 2021 respectively.

#### 6. Letters of Management Representation

- 6.1. At the conclusion of the audit of the Statement of Accounts, but before an opinion can be given, a 'Letter of Management Representation' is provided to the appointed auditors by the Joint Chief Finance Officer on behalf of the Commissioner and Chief Constable. The underlying purpose of the letter is to confirm that the financial statements reflect a true and fair view in accordance with international financial reporting standards. The letters set out that relevant codes, standards and statutory directions have been complied with and that we have made reasonable estimates and judgements in undertaking accounting entries and disclosures. The letters also confirm that there has

been full disclosure of all matters requiring disclosure to our auditors. The Letters of Management Representation are attached at **Appendix B**.

## 7. Acknowledgements

7.1. The work undertaken in preparing the Statement of Accounts and supporting the audit for the year places very significant demands on staff within the financial services team. Key amongst those has been Michelle Bellis, Deputy Chief Finance Officer and Lorraine Holme, Financial Services Manager, and Sarah Walker, Financial Services Officer who have once again secured for the Commissioner and Chief Constable another clean audit. This report also acknowledges the work undertaken by our colleagues in external audit headed by Michael Green and Gareth Winstanley. The production of the Statement of Accounts for 2020/21 and subsequent audit process has been made more difficult by the continuing Covid-19 pandemic and by remote working adopted by both organisations as a result. The teams have once again worked well together in these difficult circumstances and have held video conferences to work together and more innovative screen sharing sessions to enable finance staff to walk auditors through the working papers where required.

## 8. Recommendations

8.1. Following consideration of the findings and conclusions of the Appointed Auditor it is recommended that:

- ◆ Members of the Joint Audit Committee determine whether there are any issues in respect of governance or the statement of accounts that they wish to report to the Commissioner and/or Chief Constable.
- ◆ The Commissioner and Chief Constable sign the audited Statement of Accounts and authorise for publication the Accounts and accompanying Governance Statement.

## Statement of Accounts Narrative 2020/21

### 1. Introduction and Background

- 1.1. The Police and Crime Commissioner and Chief Constable are asked to sign their respective annual statement of accounts following audit and the review process by the Joint Audit Committee. Members of the Joint Audit Committee will receive a copy of the audited accounts and accompanying governance statement for which they have a review and assurance role. The Statement of Accounts are highly complex technical documents. They take a number of weeks to produce and a similar period of time to audit by a team of technical and experienced staff. The audit process will typically involve support from national technical teams who assess and advise on accounting treatment for complex transactions against the requirements of international financial reporting standards and codes of practice. Within the finance profession, the Statement of Accounts is a very specialist field.
- 1.2. In this context, this narrative aims to provide a guide to the considerations that the Commissioner, Chief Constable and Members of the Joint Audit Committee can reasonably be expected to take account of, in carrying out a review process and undertaking to approve the Statement of Accounts. It covers two main areas, sources of assurance for the financial statements and key challenges. These are the areas that influence the dialogue and engagement between the finance staff preparing the accounts and those undertaking the audit. In doing this, the narrative aims to ensure that members have sufficient information to fulfil their assurance role and that the Commissioner can place reliance on this assurance in approving the Statement of Accounts.

### 2. Sources of Assurance

- 2.1. The Statement of Accounts consolidates financial transactions for a financial year and records the position as at 31 March in respect of assets and liabilities including reserves and cash flow. They include a number of year end accounting entries that ensure income and expenditure is presented on an accruals basis, that assets and liabilities are recorded in accordance with accounting standards and codes and that the financial implications of those assets and liabilities are adjusted such that net expenditure reflects the actual cost funded by external financing (government grants and the council tax payer). They are accompanied by accounting policies that explain how those transactions and balances have been accounted for and a set of notes that provide further detail on amounts included within the main financial statements.

2.2. Those undertaking a review of the accounts will not usually be in a position to determine whether the presented figures are correct based on a reading of the financial statements and notes. The review processes must therefore place reliance on wider sources of assurance from which it is reasonable to make a judgement that the accounts present a true and fair view. The main sources of assurance that support this process are the opinion of the Joint Chief Finance Officer (CFO), the opinion of the Head of Internal Audit (HIA) and the opinion of the Appointed Auditor. These opinions are supported by the statements made by the Joint Chief Finance Officer, on behalf of the Commissioner and Chief Constable, within the letter of representation, by the Commissioner’s Annual Governance Statements (signed by the Commissioner, the Commissioner’s Monitoring Officer and the CFO) and by the Chief Constable’s Annual Governance Statement (signed by the Chief Constable and the CFO).

2.3. **The Joint Chief Finance Officer’s (CFO) Opinion:** The CFO provides to members an annual opinion on the effectiveness of the arrangements for audit. That review, presented to members at their Meeting on 23 June 2021, concluded that “there are no material shortcomings in the effectiveness of the entirety of the Internal Audit arrangements for the year to 31 March 2021.” In previous years, further assurance of the effectiveness of internal audit was taken from the opinion provided by the external auditors. The external auditor (Grant Thornton) advised in June 2020 that they no longer use the work of internal audit to assist with their work and as such no longer provide an opinion on the work of internal audit. The assurance from the Joint Chief Finance Officer enables the Commissioner and members of the Joint Audit Committee to place reliance on the opinion of the Chief Internal Auditor and the findings of internal audit.

**Sources of Assurance**  
*“There are no material shortcomings in the effectiveness of the entirety of the Internal Audit arrangements for the year to 31 March 2021.”*  
**Joint Chief Finance**

2.4. **The opinion of the Head of Internal Audit (HIA):** The HIA provides an annual opinion on the internal control environment. The opinion is based on the audit reviews undertaken over the course of the financial year. Audits are risk based and include cyclical reviews of the material financial systems. The findings of the HIA are set out in an annual report which was presented to members at the June meeting. The HIA’s opinion for 2020/21 is that “the PCC and Chief Constable’s frameworks of governance, risk management and internal control are reasonable and audit testing has confirmed that controls are generally working effectively in practice. Where internal audit work has identified scope for improvements, the management response has been positive with agreed action plans in place to address all recommendations.

**Sources of Assurance**  
*“In my opinion, the PCC and Chief Constable’s frameworks of governance, risk management and internal control are reasonable and audit testing has confirmed that controls are generally working effectively in practice”*  
**Head of Internal Audit.**

2.5. Of the 13 audits finalised during 2020/21 all of which contributed to the Commissioner and Chief Constable's overall assurance with 11 of the 13 (85%) assurance audits achieving reasonable or substantial assurance. The findings of financial audits reported to the Joint Audit Committee and the overall opinion of the Chief Internal Auditor is further supported by annual management assurances across all financial systems that are provided to the Joint Chief Finance Officer for review. Collectively these internal controls provide assurance to members, the Chief Constable and the Commissioner on the integrity of the underlying financial transactions and their representation within the financial ledger that is used to produce the financial statements.

2.6. **The opinion of the Appointed Auditor:** The Appointed Auditor will provide an independent external opinion on the financial statements following the audit process. In forming this audit opinion they will undertake a range of audit work. This will include reconciling the figures within the accounts to the financial ledger, undertaking a computer based analytical review to validate the accuracy of material transactions and undertaking further systems based sample testing of ledger amounts back to the primary financial transactions. The external auditors will also review accounting policies and ensure accounting estimates, manual entries and the presentation of financial information is consistent with policy, financial reporting standards and codes of practice. The external audit is typically undertaken by a team of professionally qualified staff who will audit a number of public and/or private sector clients. They will have access to national technical support and quality controls at a regional and national level to support the integrity of the audit and ensure specialist advice and input is given to the treatment of complex transactions of a technical nature.

**Sources of Assurance**

*"Our anticipated audit report opinion will be unmodified, including an emphasis of matter paragraph relating to the PCC's non-specialised property assets".*

**The opinion of the Commissioner's appointed auditors, Grant Thornton.**

2.7. In forming their opinion, the external auditors give consideration to internal controls relevant to the preparation of the financial statements. The external auditors complete walkthrough tests of controls operating in areas where they consider that there is a risk of material misstatement to the financial statements. For the 2020/21 financial statements this has included, an evaluation of the PCC's and Chief Constable's internal controls environment, including its IT systems and controls; and Substantive testing on significant transactions and material account balances, including the procedures outlined in the Audit Findings report in relation to the key audit risks. The annual audit findings report of the Appointed Auditor is made to the Commissioner, Chief Constable and Members preceding this item on the agenda and presents the Appointed Auditors intention to issue an "unmodified audit opinion" on the financial statements.

- 2.8. **The Letters of Representation:** The letters of representation are provided at **Appendix B** and referenced in the main body of this report. The letters provide assurances from the Commissioner and Chief Constable to the Appointed Auditor. The letters are written on behalf of the Commissioner and Chief Constable respectively by the Joint Chief Finance Officer. That officer, as required under legislation, must be financially qualified. The Joint Chief Finance Officer, Roger Marshall is a member of the Chartered Institute of Public Finance and Accountancy (CIPFA) with a requirement to abide by codes of practice, standards and ethics. These arrangements provide assurance that members can place reliance on the representations made by the Joint Chief Finance Officer in the letters of representation on behalf of the Commissioner and Chief Constable. There have been no specific matters raised by the Commissioner or Chief Constable in the letter of representation for 2020/21 and all appropriate assurances have been provided to the external auditors.
- 2.9. **The Annual Governance Statement:** An Annual Governance Statement (AGS) for the separate entities of the Police and crime Commissioner for Cumbria and the Chief Constable for Cumbria Constabulary were presented to members on 23 June 2021 with a number of supporting governance papers. The AGS detail how the Commissioner and Chief Constable have complied with the governance framework set out within the Code. The Annual Governance Statement provides members with assurance that the Commissioner has in place appropriate arrangements for financial and wider governance matters including arrangements for managing risks and internal controls.
- 2.10. Collectively, these sources of assurance, where they are operating to the satisfaction of members, can support conclusions in respect of the extent to which the committee is reasonably able to provide the related assurance to the Police and Crime Commissioner and Chief Constable in reviewing the financial statements.

### 3. Key Challenges

#### 3.1. 2020/21 Financial Year Accounts and Audit Timetable

The most significant factor influencing the production of the statement of accounts for 2020/21 was again the Novel Coronavirus (Covid-19) global pandemic, the result of which meant that the Financial Services team has largely been working from home since early March 2020. The work to prepare the statement of accounts was undertaken remotely and although the government allowed an extension to the date for publishing the draft (subject to audit accounts) of two months to 31 July, the team were able to prepare the statements within a month of the original statutory deadline. The decision was taken to try to stick as close to original deadlines as possible to facilitate the work of the external auditors and hopefully free up capacity later in the summer to support other pieces of work within the

finance team.

This was supported by continuing the practice agreed in 2014/15 for external valuations of land and buildings to be brought forward to the end of the December. The valuer provides a statement from the as at 31<sup>st</sup> March confirming their continued accuracy.

This work was successful in delivering a sign off date for the financial statements by the Joint Chief Finance Officer on 30<sup>th</sup> June 2021.

In a change from previous years, Grant Thornton were unable to undertake an interim audit visit, with the result that all audit checking was carried out during the post year end visit between July and October.

### 3.2. [Changes to CIPFA Code of Practice 2020/21](#)

For 2020/21 there were no major changes to the code of practice. A change to the code in relation to the application of IFRS16 in relation to leases with the intention of providing increased viability in relation to commitments and to ensure more consistent financial reporting of leased assets has again been delayed. The standard was originally due to be implemented on 1 April 2020 i.e. for the 2020/21 statement of accounts, it was initially postponed for 1 year so would come into effect for the 2021/22 Accounts, it has subsequently been postponed further to 1 April 2022 (2022/23 Accounts).

### 3.3. [Public Consultation](#)

The draft statements of Accounts for the Chief Constable and PCC/Group have been published on the respective websites since 30<sup>th</sup> June 2021. The notice of publication advises readers of their rights of inspection. There have been no requests to view the financial statements or accompanying papers.

This concludes the substantive matters considered as part of the production of the statement of accounts.

Dear Sirs

#### **The Police and Crime Commissioner for Cumbria**

#### **Financial Statements for the year ended 31 March 2021**

This representation letter is provided in connection with the audit of the financial statements of The Police and Crime Commissioner for Cumbria for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the Group and Police and Crime Commissioner's financial statements are presented fairly, in all material respects in accordance with International Financial Reporting Standards, and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

#### **Financial Statements**

- i. We have fulfilled our responsibilities for the preparation of the Group and Police and Crime Commissioner's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii. We have complied with the requirements of all statutory directions affecting the Group and Police and Crime Commissioner and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The Police and Crime Commissioner has complied with all aspects of contractual agreements that could have a material effect on the Group and Police and Crime Commissioner's financial statements in the event of non-compliance. There has been no non-compliance with

requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.

- iv. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- v. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. Such accounting estimates include the valuation of the pension liability. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. We understand our responsibilities includes identifying and considering alternative, methods, assumptions or source data that would be equally valid under the financial reporting framework, and why these alternatives were rejected in favour of the estimate used. We are satisfied that the methods, the data and the significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in accordance with the Code and adequately disclosed in the financial statements.
- vi. We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- vii. Except as disclosed in the Group and Police and Crime Commissioner's financial statements:
  - a. there are no unrecorded liabilities, actual or contingent
  - b. none of the assets of the Group and Police and Crime Commissioner has been assigned, pledged or mortgaged
  - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- viii. We have considered the misclassification and disclosures changes schedules included in your Audit Findings Report. The Group and Police and Crime Commissioner's financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- ix. We have considered the unadjusted misstatements schedule included in your Audit Findings Report and attached. We have not adjusted the financial statements for these misstatements brought to our attention as they are immaterial to the results of the Group and Police and Crime Commissioner's financial position at the year-end. The financial statements are free of material misstatements, including omissions.
- ix. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- x. All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- xi. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xii. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.

- xiii. We have updated our going concern assessment and cashflow forecasts in light of the Covid-19 pandemic. We continue to believe that the Group and Police and Crime Commissioner's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that :
  - a. the nature of the Group and Police and Crime Commissioner means that, notwithstanding any intention to liquidate the Group and Police and Crime Commissioner or cease its operations in their current form, it will continue to be appropriate to adopt the going concern basis of accounting because, in such an event, services it performs can be expected to continue to be delivered by related public authorities and preparing the financial statements on a going concern basis will still provide a faithful representation of the items in the financial statements
  - b. the financial reporting framework permits the entry to prepare its financial statements on the basis of the presumption set out under a) above; and
  - c. the Group and Police and Crime Commissioner's system of internal control has not identified any events or conditions relevant to going concern.

We believe that no further disclosures relating to the Group and Police and Crime Commissioner's ability to continue as a going concern need to be made in the financial statements

#### **Information Provided**

- xiv. We have provided you with:
  - a. access to all information of which we are aware that is relevant to the preparation of the Group and Police and Crime Commissioner's financial statements such as records, documentation and other matters;
  - b. additional information that you have requested from us for the purpose of your audit; and
  - c. access to persons at the Police and Crime Commissioner via remote arrangements, in compliance with the nationally specified social distancing requirements established by the government in response to the Covid-19 pandemic. from whom you determined it necessary to obtain audit evidence.
- xv. We have communicated to you all deficiencies in internal control of which management is aware.
- xvi. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- xvii. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- xviii. We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the Group and Police and Crime Commissioner and involves:
  - a. management;
  - b. employees who have significant roles in internal control; or
  - c. others where the fraud could have a material effect on the financial statements.
- xix. We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, analysts, regulators or others.

- xx. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.
- xxi. We have disclosed to you the identity of the Group and Police and Crime Commissioner's related parties and all the related party relationships and transactions of which we are aware.
- xxii. We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.

#### **Annual Governance Statement**

- xxiii. We are satisfied that the Annual Governance Statement (AGS) fairly reflects the Police and Crime Commissioner's risk assurance and governance framework and we confirm that we are not aware of any significant risks that are not disclosed within the AGS.

#### **Narrative Report**

- xxiv. The disclosures within the Narrative Report fairly reflect our understanding of the Group and Police and Crime Commissioner's financial and operating performance over the period covered by the Police and Crime Commissioner's financial statements.

#### **Approval**

The approval of this letter of representation was minuted by the Joint Audit Committee at its meeting on 4th November 2021.

Yours faithfully

Peter McCall

Dear Sirs,

**The Chief Constable of Cumbria Constabulary**  
**Financial Statements for the year ended 31 March 2021**

Dear Sirs

This representation letter is provided in connection with the audit of the financial statements of the Chief Constable of Cumbria Constabulary for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the Chief Constable's financial statements are presented fairly, in all material respects in accordance with International Financial Reporting Standards, and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

**Financial Statements**

- i. We have fulfilled our responsibilities for the preparation of the Chief Constable's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii. We have complied with the requirements of all statutory directions affecting the Chief Constable and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The Chief Constable has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- v. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. Such accounting estimates include the valuation of the pension liability. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately

disclosed in the financial statements. We understand our responsibilities includes identifying and considering alternative, methods, assumptions or source data that would be equally valid under the financial reporting framework, and why these alternatives were rejected in favour of the estimate used. We are satisfied that the methods, the data and the significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in accordance with the Code and adequately disclosed in the financial statements.

- vi. We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- vii. Except as disclosed in the financial statements:
  - a. there are no unrecorded liabilities, actual or contingent
  - b. none of the assets of the Chief Constable has been assigned, pledged or mortgaged
  - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- viii. We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The Chief Constable's financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- ix. We have considered the unadjusted misstatements schedule included in your Audit Findings Report and attached. We have not adjusted the financial statements for these misstatements brought to our attention as they are immaterial to the results of the Council and its financial position at the year-end. The financial statements are free of material misstatements, including omissions.
- x. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- xi. All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- xii. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xiii. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiv. We have updated our going concern assessment and cashflow forecasts in light of the Covid-19 pandemic. We continue to believe that the Chief Constable's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that :
  - a. the nature of the Chief Constable means that, notwithstanding any intention to liquidate the Chief Constable or cease its operations in their current form, it will continue to be appropriate to adopt the going concern basis of accounting because, in such an event, services it performs can be expected to continue to be delivered by related public authorities and preparing the financial statements on a going concern basis will still provide a faithful representation of the items in the financial statements

- b. the financial reporting framework permits the entry to prepare its financial statements on the basis of the presumption set out under a) above; and
- c. the Chief Constable's system of internal control has not identified any events or conditions relevant to going concern.

We believe that no further disclosures relating to the Chief Constable's ability to continue as a going concern need to be made in the financial statements

### **Information Provided**

- xv. We have provided you with:
  - a. access to all information of which we are aware that is relevant to the preparation of the Chief Constable's financial statements such as records, documentation and other matters;
  - b. additional information that you have requested from us for the purpose of your audit; and
  - c. access to persons at the Chief Constable via remote arrangements, in compliance with the nationally specified social distancing requirements established by the government in response to the Covid-19 pandemic. from whom you determined it necessary to obtain audit evidence.
- xvi. We have communicated to you all deficiencies in internal control of which management is aware.
- xvii. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- xviii. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- xix. We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the Chief Constable and involves:
  - a. management;
  - b. employees who have significant roles in internal control; or
  - c. others where the fraud could have a material effect on the financial statements.
- xx. We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, analysts, regulators or others.
- xxi. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.
- xxii. We have disclosed to you the identity of the Chief Constable's related parties and all the related party relationships and transactions of which we are aware.
- xxiii. We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.

### **Annual Governance Statement**

- xxiv. We are satisfied that the Annual Governance Statement (AGS) fairly reflects the Chief Constable's risk assurance and governance framework and we confirm that we are not aware of any significant risks that are not disclosed within the AGS.

## **Narrative Report**

xxv. The disclosures within the Narrative Report fairly reflect our understanding of the Chief Constable's financial and operating performance over the period covered by the Chief Constable's financial statements.

## **Approval**

The approval of this letter of representation was minuted by the Joint Audit Committee at its meeting on 4th November 2021.

Yours faithfully

## Introduction

I am pleased to introduce the financial Statement of Accounts for the 2020/21 financial year. This financial statement sets out both the single entity statements of the Police and Crime Commissioner for Cumbria and the consolidated group position, incorporating the statements of the Chief Constable for Cumbria Constabulary. The accounts are published in accordance with the Accounts and Audit Regulations 2015.

This section of the statements is the Narrative Report. The purpose of the report is to offer readers a guide to the most significant matters reported in our statement of accounts. It sets out our overall financial position and a series of mini statements summarising and explaining the primary financial statements. It includes information on our performance and value for money. A commentary is also provided to set out the major influences impacting our income and expenditure in the current and future financial years.

By providing this information we aim to support our readers with an understandable and informative narrative on those matters most significant to our financial position and our financial and non-financial performance. This narrative report is provided as part of the overall publication of the financial statements and also as a standalone report. It can be accessed through the Commissioner's website: [www.cumbria-pcc.gov.uk](http://www.cumbria-pcc.gov.uk) together with the single entity statements of the Chief Constable.

## Statutory Framework

The Police and Crime Commissioner was established as a statutory entity under the Police Reform and Social Responsibility Act 2011 (PRSRA 2011). The PRSRA 2011 provides that there will be a Police and Crime Commissioner for each police area with responsibility for ensuring the maintenance of the police force for the area, securing that the police force is efficient and effective and holding the Chief Constable to account. The Commissioner has wider responsibilities than those solely relating to the police force. These include responsibility for the delivery of community safety and crime reduction, the enhancement of the delivery of criminal justice in their area and providing support to victims.

The PRSRA 2011 also established the Chief Constable as a separate statutory entity, distinct from the Commissioner and with operational independence. The Chief Constable is responsible for maintaining the Queen's peace and the exercise of police powers. The Chief Constable is accountable to the Commissioner for leadership of the force, the delivery of efficient and effective policing and the management of resources and expenditure.

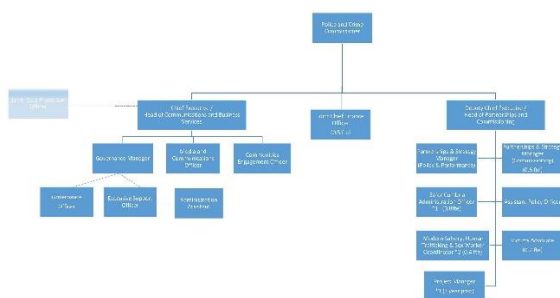

The PRSRA 2011 sets out the statutory financial framework for the Commissioner and Chief Constable. The legislation provides for the Secretary of State to issue a financial code of practice in relation to the proper administration of financial affairs. The Home Office under the legislation issues a Financial Management Code of Practice for the Police Forces of

# Joint Chief Finance Officer Narrative Report

England and Wales. The Code supports the statutory framework further setting out the financial relationships and requirements for the Commissioner and Chief Constable.

This financial framework provides that the Commissioner receives all funding, including government grants, council tax income and other sources of income related to policing and crime reduction. The Commissioner decides the budget, allocating assets and funds to the Chief Constable. This, in addition to the powers of the Commissioner to set the strategic direction for policing, appoint, and dismiss the Chief Constable, creates a subsidiary relationship between the Commissioner and the Chief Constable. As such, the Commissioner must publish a set of group accounts in addition to single entity accounts. The Chief Constable must publish single entity accounts and provide information to the Commissioner to support the publication of the group accounts.

## Our Organisation

The Police and Crime Commissioner is supported by an office of 12.3fte staff, this includes two statutory officers.

The Chief Constable is accountable to the Commissioner and has responsibilities to support the

Commissioner in the delivery of the strategy and objectives set out in the Police and Crime Plan. Both entities have appointed a Joint Audit Committee and a Joint Ethics and Integrity Panel. The Committee and Panel comprise independent members to oversee arrangements for governance, including financial reporting and the arrangements for integrity and ethical behaviour. Four Custody Visiting Panels fulfil the statutory requirement for independent review of custody. Membership of the panels at the end of 2020/21 were: Barrow 8, Kendal 10, North Cumbria 10 and West Cumbria 8.

## Our Goals

The Commissioner sets the strategic direction for policing and wider interventions within the Police and Crime Plan. The vision for our plan is that Cumbria remains a safe place to live, work and visit, where the public has a say in policing and organisations and community groups work together to address the causes of crime, as well as the consequences. Key priorities include keeping crime at low levels, reducing the impact of anti-social behaviour, bringing criminals to justice and reducing the harm caused by hate crime, domestic abuse and sexual abuse.

We work to achieve this by holding the Chief Constable to account for the delivery of effective policing and by commissioning a range of activity and interventions with the Constabulary and our wider partners. The Police and Crime Commissioner launched his Police and Crime Plan ‘Making Cumbria Even Safer’ in November 2016 setting out our future strategy and goals.

## Our People

Our people are the most important resource we have in achieving our goals. Our values commit to having an empowered staff who are high performing, professional and have high levels of satisfaction in their roles. The Commissioner's Office and Constabulary perform well in relation to the gender diversity of the workforce. At Chief Officer Level, excluding the elected Police and Crime Commissioner, 67% of the single entity Chief Officers are female as are 100% of senior managers. A breakdown by gender of the number of men and women across the organisation at the end of the financial year and the number of men and women who were managers is set out below.

Actual Employees as at 31 March 2021	PCC		Total FTE
	Male FTE	Female FTE	
<b>PCC Single Entity</b>			
Chief Officers	0.5	1.0	<b>1.5</b>
Senior Management	0.0	1.0	<b>1.0</b>
All Other Employees	0.0	9.8	<b>9.8</b>
<b>Total PCC Employees</b>	<b>0.5</b>	<b>11.8</b>	<b>12.3</b>
<b>Group</b>			
Chief Officers	7.0	2.0	<b>9.0</b>
Senior Management	11.0	5.0	<b>16.0</b>
All Other Employees	995.9	912.6	<b>1,908.5</b>
<b>Total Group Employees</b>	<b>1,013.9</b>	<b>919.6</b>	<b>1,933.5</b>

## Chief Executive Report

The Commissioner has nearly finished his fifth year in Office. The Police and Crime Commissioner elections were due to be held in May 2020, however, as a result of the Covid-19 pandemic they were postponed until May 2021.

During the year the Commissioner has been able to further embed his Police and Crime Plan with the support of the Constabulary and partners. This has helped establish effective relationships with key local government, criminal justice, health and third sector partners to develop initiatives and commission activities to reduce crime, support victims and enhance community safety and criminal justice.

The Police and Crime Plan contains the police and crime objectives, which all contribute toward achieving the Commissioner's overall aim 'to make Cumbria an even safer place'. Objectives are monitored through a performance framework and Public Accountability Conferences; a public meeting where the Commissioner holds the Chief Constable to account. This structure has been in place for a number of years and works well.

The Commissioner has continued to provide a range of services for victims and specific services for victims of sexual violence, domestic violence and perpetrator programmes. During the Covid-19 pandemic, the Commissioner also secured additional funding to help local charities supporting victims of domestic abuse and sexual violence develop and adapt the delivery of their services during the outbreak to ensure victims continued to receive the support they need.

The Commissioner has well established financial and governance frameworks necessary to fulfil statutory, regulatory and best practice requirements, supported by the relevant professional bodies for local government and policing. This benefits from continuous development to ensure the office continues to meet the highest standards. When Covid-19 was announced as a threat to public health in the

UK, the Commissioner developed an emergency plan, detailing the measures and arrangements he and his office, put in place to ensure they continued to fulfil these statutory responsibilities.

Public consultation and engagement are paramount to the Commissioner as he is the 'voice' for the people of Cumbria for policing. A wide range of diverse opportunities are available for the public to speak directly to the Commissioner, when the Commissioner is out in the community or by speaking to groups directly. This is further supported by the public contacting the Commissioner by email and letter, with more than 586 people contacting the Commissioner in this way during 2020/21. The main themes raised in this year were in relation to the overall Transport Issues (anti-social driving), quality of policing service, crime and Covid-19.

The Commissioner undertook a successful public consultation for the increase in the council tax precept for 2021/22, with 642 respondents and 69% supporting the proposal. As a result of the public consultation, the views of the Chief Constable and the unanimous support of the Police and Crime Panel, the Commissioner took the decision to increase council tax precept by £6.57 for a Band D property.

The Commissioner has continued to hold the Chief Constable to account at regular Public Accountability Conferences and weekly 1-2-1s with the Chief Constable focusing on performance in terms of crime and anti-social behaviour.

This is further supported by the independent inspectorate; Her Majesty's Inspectorate of Constabulary and Fire & Rescue Services (HMICFRS),

external and internal auditors to assist in his scrutiny of governance, finance, risks and internal control. In conjunction with the Constabulary the Commissioner also operates a Joint Audit Committee and an Ethics and Integrity Panel.

The Commissioner's staff embrace the fast-moving pace of the Office and this is evident from the work that is on-going with the Commissioner launching several key strategic campaigns in support of the Police and Crime Plan and commissioning developments. The Office is well placed to deal with the new challenges for 2021/22, in particular dealing with the on-going Covid-19 pandemic.

## Finance Review

### 2020/21 Grant Settlement and Budget

The Commissioner set a combined net revenue budget of £110.199m for 2020/21 on 19 February 2020. Funding of this amount came from the Police Grant settlement (£64.429m). and income from Council Tax (£45.770m). Government grant income increased by 7.5% from 2019/20 as a result of funding to recruit an additional 51 officers as the first phase of the Government's Uplift Programme to recruit 20,000 additional officers nationally by 2022/23. The budget represented an increase of the Council Tax precept by 3.47%, taking the Commissioner's proportion of the band D equivalent tax to £265.59 per annum. The effect of the increase is to support the medium term financial forecast and maintaining existing policing services as the grant settlement made no provision for the inflation. The budget provided funding for the Chief Constable of £132.330m comprising a £137.677m expenditure budget to support policing and an income

# Joint Chief Finance Officer Narrative Report

budget of £5.347m. The Commissioner's budget provided £2.250m for Commissioned Services, to provide funding for partnership working across the Commissioner's wider community safety, crime reduction and victim support responsibilities and £0.823m for the Office of the Police and Crime Commissioner.

The capital budget was set at £7.552m. Capital expenditure is made up broadly of expenditure on assets that have a useful life of beyond one year. Approximately 57% of the programme related to investment in ICT, with the remainder being made up estates improvements, the cyclical replacement of fleet vehicles and operational equipment. The budget was funded from a combination of capital grants (£4.0m) and direct contributions from revenue (£3.5m). The capital budget was subsequently revised upwards to £7.7m reflecting the effect of the 2019/20 capital outturn position and other changes to the planned profile of capital spend.

The table below shows the summary revenue budget for 2020/21 as set on 19 February 2020, the revised budget (taking into account budget changes made during the year) and the outturn position. The presentation below is as the figures are reported throughout the year in the management accounts. At the year-end a number of technical accounting adjustments (required by proper accounting practice) are made. For this reason, the outturn in the table below will not reconcile directly to the Summary Comprehensive Income and Expenditure statement on page 9. References to the PCC relate to the Police and Crime Commissioner.

## Summary Budget and Outturn

Summary Budget & Outturn	Base	Revised		(Under)/
	Budget	Budget	Outturn	Overspend
	2020/21	2020/21	2020/21	2020/21
	£000s	£000s	£000s	£000s
Constabulary Budget	132,435	129,348	128,732	(616)
Office of the PCC	823	812	822	10
Other PCC Budgets	11,932	13,940	14,078	138
Grants/Contributions	(34,068)	(33,271)	(33,352)	(81)
To/(From) Reserves	(923)	(630)	(81)	549
<b>Net Expenditure</b>	<b>110,199</b>	<b>110,199</b>	<b>110,199</b>	<b>0</b>
Government Grants	(64,429)	(64,429)	(64,429)	0
Council Tax	(45,770)	(45,770)	(45,770)	0
<b>Total External Funding</b>	<b>(110,199)</b>	<b>(110,199)</b>	<b>(110,199)</b>	<b>0</b>

The Constabulary gross expenditure budget is made up of funding for employee costs (£121.9m; of which Police Officers comprise £93.68m), transport costs of £2.45m and supplies/other costs of £13.38m. The Commissioner's budgets comprise the costs of running his office (£0.823m) and the net position on a range of other costs. These include estates costs (£4.45m for premises used by the Constabulary and Commissioner), Commissioned Services (£2.25m to deliver the Police and Crime Plan) and budgets to finance capital expenditure and the costs of technical accounting adjustments. PCC other budgets also include the costs of insurance and past pension costs.

## In-Year Financial Performance

Revenue Expenditure: The out-turn position for 2020/21 is an underspend of £0.503m. The overall underspend is made up of an overspend of £0.113m on the budgets managed by the Commissioner and underspend of £0.616m on those held by the Constabulary. The core underspend equates to 0.5% of

the revised net budget of £110.199m, which is comfortably within the target for the revenue expenditure to be within 1% of the budget at out-turn.

In overall terms budgets managed by Commissioner's were £67k over budget. This was attributable to a combination of a slight increase in costs of the Office of the Police and Crime Commissioner (£10k), additional premises costs (£26k) principally as a result of the enhanced cleaning regime required during the pandemic, increased insurance premiums (£52k) and reduced investment income (£81k). These were offset to some degree by increased grants, reduced support for capital and pensions contributions totalling £102k.

In 2020/21 the Constabulary was £616k under-budget. The Covid-19 pandemic has had a significant impact on the Constabulary's budget. Additional expenditure totalling £1.055m was incurred in relation to PPE, technology to facilitate home working, enforcement activities whilst income generation was also down by a further £413k. However, this was offset by a combination of Government support and savings which resulted indirectly from the pandemic, such as reduced travel and training, totalling £1.767m.

In relation to core activities, additional expenditure of £540k resulted from a decision to recruit additional officers funded by the Government through Operation Uplift at the earliest opportunity. However, this was offset by net savings on supplies and services and third party payments budgets of £800k, particularly ICT.

Of the total group underspend of £503k, £53k has been reserved to undertake committed work, which was

unable to be completed in 2020/21 due to the pandemic, with the remaining balance of £450k allocated to a Covid-19 recovery reserve. Detailed outturn reports which explain the full range of variances can be found on the budget and finance section of the Commissioner's website.

The Commissioner maintains the Police Property Act Fund. The fund has been accumulated over a period of time as a result of the disposal of property coming into the possession of the police under the Police Property Act 1987 and the Powers of the Criminal Courts Act 1973. Community groups and individuals can submit applications for funding on a quarterly basis. During 2020/21 awards totaling £12k were made. As at 31 March 2020 the Police Property Act fund balance stood at £64k.

The 2020/21 Capital Expenditure Outturn amounted to £2.8m against a revised budget of £7.7m. Whilst the variance of 65% against planned expenditure was significantly above the target of 8%, there were extenuating circumstances in 2020/21, with the pandemic impacting significantly on the ability to deliver projects internally and disrupting global supply chains. Expenditure on ICT projects was deferred pending an internal assessment of the future ICT infrastructure, in the context of advances in cloud services. Expenditure on fleet replacement has been negatively impacted by manufacturer delays in delivering vehicles. Despite, the challenges of operating in a pandemic, substantial progress has been made in the last year including replacement of business systems for finance and procurement, HR and Duties, procurement of patrol vehicles, roll out of replacement Airwave radios and replacement of Tasers.

## The Financial Statements

This section of the narrative report provides an explanation of the various parts of the financial statements alongside a high-level summary and narrative on the financial position. The aim of the statements are to demonstrate to the reader the overall financial position of the Commissioner at the end of the financial year, together with the cost of the services provided during the year and the financing of that expenditure. The reporting format is specifically designed to meet the requirements of the Code of Practice on Local Authority Accounting. A series of notes are provided to assist readers in their understanding of the statement, whilst the presentational format is designed to make for easier reading by those who access the document through the Commissioner’s website. The key financial statements are:

- The Comprehensive Income and Expenditure Statement (CIES)
- The Movement in Reserves Statement (MiRS)
- The Balance Sheet (BS)
- The Cash Flow Statement (CFS)
- The Police Officer Pension Fund Accounts

### Comprehensive Income and Expenditure Statement

The Comprehensive Income and Expenditure Statement (CIES) shows the cost of policing and other services provided in the year and the income from government grants and council tax that fund those services. The CIES is shown on page 29 of the full statement of accounts. An expenditure and income analysis that sets out what those costs are (e.g.

staffing, transport etc.) is provided in note 6 on page 48.

The table below sets out a summary CIES statement.

Summary CI&ES	Gross Expenditure 2020/21 £000s	Gross Income 2020/21 £000s	Net Expenditure 2020/21 £000s
Cost of Police Services	131,327	(14,853)	116,474
<b>Cost of Services</b>	<b>131,327</b>	<b>(14,853)</b>	<b>116,474</b>
Other Operating Expenditure	19,190	(19,365)	(175)
Financing Costs and Investment Income	32,344	(3,379)	28,965
Council Tax and Grant Income	0	(115,292)	(115,292)
<b>(Surplus)/Deficit on the Provision of Services</b>	<b>182,861</b>	<b>(152,889)</b>	<b>29,972</b>
Other Comprehensive Income and Expenditure			228,882
<b>Total Comprehensive Income and Expenditure</b>			<b>258,854</b>

The statement shows that the net cost of providing services in the year amounted to £116.474m, which is predominantly the costs of policing.

In addition to showing the cost of services, the CIES also sets out net financing costs of £28.965m. The most significant element of financing costs comprise pension charges (£28.418m). These charges are calculated in accordance with generally accepted accounting practices and do not all need to be funded in the 2020/21 financial year. Financing costs also include the costs of borrowing (capital financing). These costs are extremely low other than those that fund the Workington PFI building. This is because the capital programme is funded internally using cash reserves to reduce investment risk and reflect the relatively low interest rates available on investing such balances. At the end of the financial year £21.602m (inclusive of PFI contract) of the capital programme is funded by the use of cash backed internal reserves rather than borrowing from the open market. At some point in the future, due to a planned reduction in

# Joint Chief Finance Officer Narrative Report

reserves, the Commissioner will need to consider external borrowing.

Showing expenditure and income within this statement in accordance with generally accepted accounting practices results in expenditure exceeding income (a deficit on the provision of services) by £29.972m. A further accounting adjustment of £228.882m expenditure through the 'other comprehensive income and expenditure' line results in an overall position on the statement of a deficit of £258.854m. This is an accounting deficit surplus that is taken to Unusable Reserves. Page 7 of this summary sets out the out-turn position based on the management accounts and excluding the technical accounting entries required for the CI&ES. The management accounts show an underspend of £0.503m against the 2020/21 budget.

## Movement in Reserves Statement

This statement shows the different reserves held by the Commissioner. These are analysed into 'Usable Reserves' and 'Unusable Reserves'. Usable reserves can be used to fund expenditure. They may help to pay for future costs or reduce the amount we need to raise in council tax to meet our expenses. Unusable Reserves are principally technical accounting adjustments. The Movement in Reserves Statement shows the opening balance on all reserves at the start of the year, movements in year and the closing balance. The Movement in Reserves statement is shown on pages 31-32 in the full statement of accounts. The table below sets out a summary movement in reserves statement.

Summary Movement in Reserves	Balance 31/03/2020 £000s	Movements 2020/21 £000s	Balance 31/03/2021 £000s
Police Fund	3,000	600	3,600
Earmarked Revenue Reserves	14,332	(673)	13,659
Earmarked Capital Reserves	4,294	0	4,294
Capital Receipts	2,096	85	2,181
Capital Grants Unapplied	5,695	97	5,792
<b>Total Usable Reserves</b>	<b>29,417</b>	<b>109</b>	<b>29,526</b>
Unusable Reserves	(1,223,945)	(258,963)	(1,482,908)
<b>Total Reserves</b>	<b>(1,194,528)</b>	<b>(258,854)</b>	<b>(1,453,382)</b>

Movements in usable reserves for 2020/21 show a net balance of £0.109m. This is the cumulative position recording the amounts we have drawn down from and contribute to specific (earmarked) reserves to help fund expenditure during the year. There are separate accounts to record our receipt and use of income from the sale of property and government grants for capital expenditure. A capital receipt of £85k arose in the year as a result of the sale of surplus radio equipment.

At the end of the year, the Police Fund at 31 March 2021 stands at £3.6m and provides for unplanned financial risks. Earmarked revenue reserves are £13.659m. These reserves provide for a number of specific operational contingencies, one off budget/project costs and funding to meet future liabilities in respect of insurances and the PFI contract. The balance of capital reserves as at 31 March 2021 was £4.294m, capital reserves are those set aside to fund the capital programme, the majority of which is planned to be fully applied by 2022/23. Further detail on earmarked reserves is provided within note 8 to the statement of accounts on pages 53-54.

At the 31<sup>st</sup> March 2021 we have negative unusable reserves of **£1,484m** **£1,483m**. Unusable reserves provide a mechanism through which transactions are entered into the accounts in accordance with accounting standards. They also provide the means to manage differences in the timing and calculation of those transactions and the actual expenditure or income we need to charge to our accounts. For example, our properties are regularly re-valued. When this happens any increase in their value is shown in a revaluation reserve. The reserve 'records' the additional income we may receive when the property is sold, but it is 'unusable' until we decide to dispose of the property and achieve a sale. When we sell, the revaluation reserve will be reduced by any increase in value that was recorded before sale. The actual income we receive will be shown in our usable capital receipts reserve, where it can be used to fund new capital expenditure. The balance on our unusable reserves reflects the position following the required accounting transactions. The cumulative position for unusable reserves includes reserves of:

- £45.322m in respect of the revaluation reserve and capital adjustment account, recording accounting transactions for our capital assets.
- -£1,522m in respect of negative pensions reserves. The pensions reserves record accounting transactions for the Police and Local Government Pension Schemes. The change in the balance on these reserves in 2020/21 is negative and is as a result of changes in actuarial assumptions that have increased scheme liabilities.

## The Balance Sheet

The balance sheet shows the value as at the **balance sheet** date (31 March 2021) of the Commissioner's assets and liabilities. The **balance sheet** is shown on page 33 in the full statement of accounts. The table below sets out a summary **balance sheet**.

Summary Balance Sheet	Balance 31/03/2020 £000s	Balance 31/03/2021 £000s
Property, Plant & Equipment	65,025	64,359
Long Term Assets	3,328	2,307
Current Assets	20,920	25,639
Current Liabilities	(12,004)	(18,130)
Long Term Liabilities	(1,271,797)	(1,527,557)
<b>Net Liabilities</b>	<b>(1,194,528)</b>	<b>(1,453,382)</b>
Usable Reserves	29,417	29,526
Unusable Reserves	(1,223,945)	(1,482,908)
<b>Total Reserves</b>	<b>(1,194,528)</b>	<b>(1,453,382)</b>

The **balance sheet** shows property, plant and equipment assets, which include the Commissioner's estate, fleet of vehicles and ICT/communications equipment, with a value of £64.359m. Of this, land and buildings comprise £57.057m. Long terms assets are comprised of intangible assets (predominantly computer software) £2.307m. Current assets are principally made up of investments (£4.300m), debtors (£15.230m) and cash (£5.482m) and have a total value of £25.639m. Investments are made in accordance with the Commissioner's treasury management strategy and support the management of reserves and cash flows. Debtors' balances are primarily made up of institutional debtors, for example central government, and prepayments. This means that the risk of not receiving the debt remains low. The Commissioner has a good collection record in respect of debtor invoices raised for services provided. During 2020/21 two debtor invoices with a combined total of

£2,235 were authorised to be written off as not collectable. The provision for impaired or doubtful debts stands at £14,149 against the future risk that not all outstanding invoices will prove to be 100% collectable, this figure is reduced from previous years. The Commissioner's debtors include a share of the debtors recorded by the 6 Cumbrian District Council's in respect of council tax. This debt amounts to £3.472m and is reduced by the Commissioner's share of their respective bad debt provisions of £1.567m. See note 14 to the statement of accounts (Page 68).

Balance sheet liabilities are amounts owed by the Commissioner. They include creditors, PFI debt, pensions and finance lease liabilities. They are split between short term (current) and long term liabilities, the current liabilities being those amounts due to be paid within 1 year. The most significant element of current liabilities are short term creditors which total £17.894m. The combined short and long term liability on the PFI scheme amount to £4.403m at 31<sup>st</sup> March 2021. Long term liabilities are the most significant figure on the balance sheet, showing a balance of £1,528m (£1,272m in 2019/20). The main element of this amount is a pension's deficit of £1,522m (£1,266m in 2019/20) for the Local Government Pension Scheme (LGPS) and the Police Pension Scheme. However, this deficit will be funded over a number of years, with financial support from Central Government, meaning that the financial position of the Commissioner remains healthy.

## The Cash Flow Statement

The Cash Flow Statement shows the changes in cash held in bank accounts and changes in Money Market

funds. Money Market funds are an alternative way of depositing cash to earn interest. The cash can be withdrawn from the fund without having to give notice and they are therefore referred to as cash equivalents.

The statement shows how the Commissioner generates and uses cash and cash equivalents. Cash flows are classified within the cash flow statement as arising from operating activity, investing activity and financing activity. The statement is shown on pages 34-35 of the full statement of accounts. The table below sets out a summary cash flow statement.

<b>Summary Cash Flow Statement</b>	<b>Cash flows 2019/20 £000s</b>	<b>Cash flows 2020/21 £000s</b>
<b>Cash &amp; Cash Equivalents 1 April</b>	<b>(5,065)</b>	<b>(1,271)</b>
Net Cash Flow from:		
Operating Activity	(183)	(5,159)
Investing Activity	3,817	766
Financing Activity	160	182
<b>Cash &amp; Cash Equivalents 31 March, made up of:</b>	<b>(1,271)</b>	<b>(5,482)</b>
Bank Accounts	(469)	(684)
Money Market Funds	(802)	(4,798)

The table shows a cash inflow of £5.159m from operating activity. This is the net of our cash income including government grants, council tax and charges for services, less how much cash has been paid out, for example for salaries and goods that have been purchased. Cash flows from investing activity show an outflow of £0.766m and primarily represents the net balance of investment deposits less the amount of cash received when the investment comes to the end of its term. Investment activity provides a way to manage resources that will be used to fund future expenditure, earning interest on any balances. Investment activity also includes cash flows from the purchase and sale of

capital assets (e.g. property). Cash flows arising from financing activities show a net cash outflow of £0.182m, this being amount of cash used in relation to financing and borrowing. The Commissioner has no borrowing other than that which relates to finance leases and the PFI agreement. An amount of £182k was paid to reduce those debts during the year.

The Commissioner's cash flow statement shows an overall balance of £5.482m, compared to £1.271m in 2019/20, reflecting an increase in cash and cash equivalents of £4.211m over the year. At the end of the year £4.798m of the Commissioner's cash deposits was held in money market funds and £0.684m in banks.

## Police Officer Pension Fund Account

This statement sets out the transactions on the police officer pension fund account for the year. The statement records all the contributions that have been made during the year to the pension fund. These are primarily contributions from employees and the Constabulary as employer. Contribution rates are set nationally by the Home Office. There are also small amounts of other contributions. These are either transferred contributions, where members join the Constabulary and pension scheme during the year, through transfer from another police force, and transfer in their existing pension benefits. Other contributions also include additional payments made by the employer to cover the cost of ill-health retirements. The fund records the pensions (benefits) that are paid out of the fund to its members. Any difference between the contributions received into the fund and the amount being paid out is met by

government grant. This means the police pension fund always balances to nil.

Summary Police Pension Fund	Pension Fund A/C 2019/20 £000s	Pension Fund A/C 2020/21 £000s
Contributions - Employer	(12,793)	(13,519)
Contributions - Officers	(5,529)	(5,842)
Contributions - Other	(846)	(331)
Benefits Payable	39,083	38,862
Other Payments	27	20
<b>Net Amount Payable</b>	<b>19,942</b>	<b>19,190</b>
Contribution from Home Office	(19,942)	(19,190)
Additional Funding Payable by the Police and Crime Commissioner (2.9%)	0	0
Net Amount Payable	0	0

The statement identifies contributions into the fund of £13.519m from the Constabulary (employer) and £5.842m from police officers. Employer contribution rates in 2020/21 were at 31%. In total £38.862m of pensions have been paid out of the fund. The balance between contributions and those pensions' benefits of £19.190m has been funded by Home Office. The full police officer pension fund account is shown on pages 93 to 94 of the financial statements accompanied with a page of explanatory notes.

## Supporting Information to the Financial Statements

The key financial statements are supplemented by an explanation of the accounting policies used in preparing the statements. They also contain a comprehensive set of notes that explain in more detail a number of entries in the primary financial statements. A glossary of terms provides an explanation of the various technical accounting terms and abbreviations. The statements are published alongside the Annual Governance Statement for the Police and Crime Commissioner and the Chief Constable in accordance with the 2015 Accounts and Audit (England) Regulations.

## Business Review

During 2020/2021, the Commissioner has continued a number of programmes and initiatives working with the Constabulary and wider partners to deliver the key priorities within the Police & Crime Plan as well as responding to the Covid-19 pandemic.

A key focus for the Commissioner was to ensure on-going funding continued to flow to the services he commissioned so that victims received the vital support they needed during the Covid-19 pandemic. The impact of this outbreak has been profound, with a significant loss of life and a catastrophic effect on the economy, across the globe. It has affected every person in some way, changing how we all live, work and socialise. The Commissioner pledged to explore every opportunity to bring additional funding into the county to help organisations respond to the pandemic and continue with their offer of support to victims, securing £846,378. On top of this, the Commissioner

provided £189,105 from his own budget to help third sector organisations who were struggling to retain their support services to victims. 43 organisations received immediate short-term financial assistance (up to £5,000) to support a wide range of activity - youth outreach work, drug and alcohol recovery, counselling for young homeless people and much more.

In 2020/21, significant work has been undertaken with NHS England and three North East Police & Crime Commissioners to develop a specification for the delivery and commissioning of Sexual Assault Referral Centres (SARCs) on a regional footprint. This collaboration will provide sustainability, ensuring the current high quality of service continues to be provided to victims of sexual violence and rape in the future.

The Commissioner has continued to fund Remedi to deliver restorative justice services across Cumbria for victims of crime and provide a programme of meditation for victims of antisocial behaviour. Restorative justice gives victims the chance to explain the impact of the offence, upon them and others close to them, and ask the offender direct questions. It holds offenders to account for what they have done and helps them to take responsibility and make amends for their behaviour.

During 2020/21, the Commissioner and the Constabulary have worked collaboratively to develop a Cumbria Adult Out of Court Disposal Framework known as 'The Pathways Programme'. The programme will assess the criminogenic needs of low-level offenders and support them through a needs-led intervention to prevent reoffending. In addition, it will

signpost offenders to specialist support service to supplement and sustain the work completed from the intervention.

In July 2020, the Commissioner secured £436,99 from the Home Office Safer Streets Fund to help reduce the number of burglary offences in the Salthouse Road area of Barrow. With the funding, the Commissioner and Barrow Borough Council have supplied thousands of pounds worth of crime prevention measures and home security equipment, free of charge, to any home within the area. The equipment ranges from door chains, locks, window and letter box security, security lights for back yards and garage security, all installed by skilled local tradespeople. The funding has also provided 200 home security packs, delivered to local residents by community volunteers. Cumbria County Council has used the funding to install new street lighting in unlit back alleys and provide an upgrade of existing lighting in the front streets across the whole area.

The Commissioner has entered into a co-commissioning agreement with National Probation Service to support the pilot of a Women's Outreach Service to enable women in rurally isolated communities to access support services. This will build upon the vital support currently available through the three Women Centres based in Barrow, Carlisle and Whitehaven. The outreach pilot will provide a holistic support service for women offenders, and those at risk of offending or re-offending, victims of domestic abuse and sexual violence, and those presenting with multiple complex needs.

The Commissioner continues to lead on the implementation of the Quality Assessment Framework, to review how criminal justice agencies comply with the national Victims' Code of Practice and to drive improvements in specific areas through this process. A fourth audit has recently been carried out and the findings will be reported to the Safer Cumbria Partnership. Criminal justice partners have agreed to take forward the recommendations in the report.

Turning the Spotlight, a bespoke early intervention domestic abuse programme for perpetrators and families, continues to go from strength to strength and has now achieved full Respect Accreditation, a nationally recognised quality assurance scheme for organisations working with perpetrators of domestic abuse and violence in the UK. The Commissioner also continued to fund the Step-Up Remote programme, a child on parent/guardian violence programme, which supports adolescent perpetrators and their families to build and nurture positive relationships and change negative attitudes and behaviours to help repair the harm caused.

The Commissioner's Victims' Advocate continues to champion the cause for victims, and importantly, help drive up standards. The Victims' Advocate provides additional assurance in relation to the quality of service victims receive. This has resulted in quality work being recognised, specific actions for improvement being picked up in an action plan and contract management processes for each commissioned service being focused on pertinent issues.

The Commissioner, working with partners, delivered a safer driving Campaign, in response to what residents said is one of their main local concerns. The campaign focuses on raising awareness of the Fatal Four (no seatbelts; speeding; distracted driving and drug/drink driving). The Commissioner has delivered a rural crime campaign, which has been influenced by current issues raised by the Constabulary and National Farmers Union (NFU), with all partners working together to promote rural safety and prevent rural crime. Working with Get Safe Online, the Commissioner has continued to raise public knowledge of how to protect themselves against fraud and other crimes committed via the internet.

## Performance

The Commissioner has an open and transparent Accountability Framework to assess how well the objectives in the Police & Crime Plan are being achieved. During 2019/20, Internal Audit carried out a review of these arrangements for monitoring the delivery of the Police & Crime Plan and awarded 'Substantial Assurance'.

During 2020/21, the Police and Crime Panel has continued to facilitate effective scrutiny of delivery of the Police & Crime Plan objectives through quarterly online meetings. Thematic reports are presented to the Panel and follow terms of reference agreed in advance with the Panel Chair. The reports have been well received and provided assurance on the Commissioner's, and his office, response to Covid-19.

Within the Office of the Police & Crime Commissioner (OPCC) Strength Based Conversation Performance Reviews continue to be carried out with all staff.

During 2020/21, a review of this process was undertaken to ensure it remains appropriate and flexible. To support this, the OPCC Training Plan sets out the overall training plan for the office and cascades into individual responsibilities. In 2020/2021, specific training has been provided for staff in the areas of Code of Ethics, risk management, governance, equality, contract management, youth engagement and the budget. Individual staff have attended conferences, workshops and specific training events to help them develop within their roles.

## Performance Report

We measure our performance across a number of key themes reflecting the priorities in the Police and Crime Plan. These are Effective Policing, Community Safety, Criminal Justice, Customer/Victim Satisfaction and Finance & Value for Money.

### Effective Policing

- Her Majesty's Inspectorate of Constabulary and Fire & Rescue Services (HMICFRS) Police Effectiveness Efficiency and Legitimacy (PEEL) Inspections: The PEEL Inspections judge the efficiency, effectiveness and legitimacy of the Constabulary in keeping people safe and reducing crime. During 2020/21 HMICFRS suspended much of its inspection regime due to the Covid-19 pandemic. In the latest HMICFRS inspection which took place in 2018/19 Cumbria Constabulary was graded as 'good' in all aspects of effectiveness, efficiency and legitimacy. The Chief Constable reports to the Police and Crime Commissioner on how the Constabulary will tackle any areas

requiring improvement and her response to HMICFRS recommendations.

- For 2020/21 overall crime decreased by 19%, which equates to a decrease of 7,259 crimes over the 12 month period to 31st March 2021. The decrease is largely attributable to the pandemic lockdown.
- The crime type which experienced the greatest reduction was overall 'Violence against the person' which fell by 2,489 crimes, an indication of the impact of closing pubs and nightclubs. Within this broad category certain crime types such as homicides and death and serious injury as a result of unlawful driving rose, but are generally based on low numbers.
- In percentage terms, acquisitive crimes such as burglary (-34%), theft (-33%) and vehicle offences (-34%) all fell sharply.
- Whilst the reporting of rape and sexual offences is encouraged, reports fell by 15% in 2020/21 from 1,452 to 1,239.
- The only other crime type to experience an increase was drug offences, which rose by 23.9% from 922 to 1,142. This is an indication of more pro-active policing in this area.

## Community Safety

- Antisocial behaviour (ASB) increased during 2020/21 as a result of Covid breaches being reported to the police and recorded as ASB. There were 11,251 ASB incidents in 2020/21, up 53% from 2019/20. If ASB incidents, which were classed as Covid related are excluded, ASB incidents declined by 6% from 7,286 to 6,861.

- Hate crimes and incidents continue to be closely monitored. During 2019/20, the number of crimes with a hate marker increased from 677 to 681, which equates to a rise of 0.6%. The Constabulary and partners continue to work to encourage reporting of hate crime. Based on the latest data, Cumbria has one of the lowest rates of hate crime in the north west region and nationally.
- Work has also targeted increased reporting for domestic violence. During 2020/21 Domestic Abuse Safeguarding Referrals increased by 4% from 7,554 to 7,860.

## Criminal Justice

- All recorded offences are assigned an outcome based on a national framework for crime. Crime outcomes are classed as positive where the offender is either charged or summonsed, receives an out of court disposal or where the Crown Prosecution Service (CPS) or police determine it is not in the public interest to prosecute. In all cases the crime outcome represents positive police activity in detecting the crime. Positive crime outcome performance for 2020/21 was 20%.

## Customer and Victim Satisfaction

- Performance in customer and victim satisfaction is measured through regular independent surveys following police contact. This is supplemented by the process for police complaints that includes independent sampling of complaint files and scrutiny of local to national comparatives against complaints upheld.
- The latest figures for public confidence in the local police service was 78.5%.

- When allegations are made against the police, those resolved locally perform well against national comparative timescales.

## Finance & Value for Money

- We measure our performance against targets for achieving financial outturn within a percentage of the net budget. For 2020/21 this was set at 1% for the revenue budget and 8% for the capital budget.
- Actual performance for revenue was 0.5%, achieving well within the target.
- The capital outturn was 65% below budget, falling well outside the target. Whilst this was a disappointing result, the slippage was largely attributable to a combination of taking additional time to ensure that investment in fast moving digital technologies is spent wisely and will provide long term benefits and delays in vehicle deliveries, which were beyond our control. Stretch targets will continue to be set for capital expenditure going forward as a recognised area for performance improvement.
- Historically the budget for the Commissioner and Office of the Police and Crime Commissioner was benchmarked against HMIC Value for Money profiles. Following the inclusion of fire and rescue services under the remit of HMIC, costs for police and crime commissioners are no longer included in the VFM comparators. It has therefore not been possible to undertake a Value for Money analysis for the Office of the Police and Crime Commissioner for 2020/21.
- Her Majesty's Inspectorate of Constabulary and Fire & Rescue Services (HMICFRS) last PEEL inspection in 2018/19 assessed the Constabulary as good in respect of efficiency.

- Outcomes against wider performance measures that indicate the effectiveness of activity and interventions are strong against the priority areas of keeping crime at low levels, reducing anti-social behaviour, bringing criminals to justice and increasing reporting of hate crime and domestic and sexual abuse.
- Collectively, these indicators provide assurance of Value for Money in respect of the 2020/21 financial year.

## The Future Outlook

Following his election in 2016, Peter McCall the Police and Crime Commissioner for Cumbria launched his Police and Crime Plan covering the period to 2021. The Plan's key theme is 'Making Cumbria Even Safer' and sets the strategic direction for policing and wider aims for enhancing community safety, criminal justice and supporting victims.

The overall financial position remains strong, which is reflected in the Medium Term Financial Forecast, which sets out the revenue budget position until 2024/25 and a capital programme, which is fully funded over the same period and will support delivery of the Police and Crime Plan. The current financial position has primarily arisen as a result of positive action on behalf of the Constabulary to reduce costs in the context of reductions in government funding since 2010 this has enabled reserves to be maintained at a level that balances financial resilience and supports continued investment.

The Medium Term Financial Strategy and 2021/22 budget was approved in the context of the

Government providing additional funding for Operation Uplift, continued grant funding for increased police pension contributions and affording Commissioners' flexibility to raise council tax above inflation. However, this is accompanied by increasing cost pressures including new training requirements and ICT initiatives.

Against this background the 2021/22 budget provides £137m funding for the Chief Constable to deliver policing for Cumbria. Resources include an establishment of 1,263 Police Officers; an increase of 47 and maintenance of the establishments for Police Community Support Officers and Police Staff. The longer term 10 year capital programme envisages a total investment of £60m principally across the estate, fleet and ICT.

Whilst the position is financially resilient in the short term, there are uncertainties which have the potential to impact negatively on the budget in the medium term. Based on the MTFF assumptions, savings will need to be delivered from 2023/24 to balance the budget. The budget gap by 2024/25 is forecast as £5.1m. There are a number of continuing financial risks in relation to the adequacy and sustainability of funding beyond Operation Uplift, the cost of national policing programmes, pensions issues and the potential review of the police funding formula. These are further compounded by the long term macro-economic uncertainty arising from the Covid-19 pandemic.

To a large degree both the PCC and Constabulary have adapted to working under the restrictions imposed by

in light of Covid-19. However, it is likely that the Constabulary will continue to incur additional costs during 2021/22 as result of Covid-19, but with a guarantee of some central Government support, the impact is considered to manageable in the context of overall resources. Over the medium term there is also uncertainty with regard to future funding assumptions from both grants and council tax in the context of the negative impact of the pandemic on both Government and household budgets. Scenario modelling as to the impact on the financial position continues to take place on an on-going basis, together with development of a savings and efficiency plan involving both the OPCC and Constabulary.

In light of the financial outlook outlined above and, in the context of the MTFF and savings plans, the Commissioner and the Joint Chief Finance Officer have reviewed the going concern position of the PCC/Group and have concluded that it is appropriate to produce the Commissioner's accounts on a going concern basis.

## Financial Management Code

The Financial Management Code developed by the Chartered Institute of Public Finance and Accountancy came into effect from the 1<sup>st</sup> April 2020, with the aim of supporting good practice in financial management in local authorities including the policing sector. However, there is a recognition that due to the global pandemic, it may be difficult for authorities to demonstrate full-compliance during 2020/21. A self assessment has been undertaken, which shows that the Police and Crime Commissioner largely meets the requirements of the code, however there are some

areas where further work is required to ensure full compliance, most notably in relation to

- Demonstrating Value for Money.
- Balance sheet monitoring.
- Scheme of delegation and financial training
- Developing a financial resilience index.
- Application of formal options appraisal techniques.

A copy of the self-assessment is included as an appendix to the Annual Governance Statement (Appendix C).

## Acknowledgements

The financial statements were originally authorised for issue by me as Joint Chief Finance Officer on 30 June 2021. Following completion of the audit, they were re-

authorised by me on 04 November 2021 and were formally approved by the Police and Crime Commissioner on the same day.

In closing, it is appropriate to acknowledge the dedication and professionalism of Michelle Bellis the Deputy Chief Finance Officer, Lorraine Holme and the wider finance team in again achieving the closure of accounts and the publication of these Statements against tight deadlines and complex financial reporting standards, in particular recognising the practical working challenges presented by the pandemic.

Roger Marshall

Joint Chief Finance Officer

The accounts present a true and fair view of the position of the Police and Crime Commissioner for Cumbria Single Entity and Group Accounts as at 31 March 2021 and its income and expenditure for the year there ended.

Signatures removed for the purposes of publishing on the website

Roger Marshall CPFA

Joint Chief Finance Officer

Date: 04 November 2021

Peter McCall

The Police and Crime Commissioner for Cumbria

Date: 04 November 2021

## 1 The Commissioner's Responsibilities

The Police and Crime Commissioner (The Commissioner/PCC) is the recipient of funding relating to policing and crime reduction and has statutory responsibility for the Police Fund. The Commissioner is required to:

- make arrangements for the proper administration of his financial affairs and to secure that one of his officers has the responsibility for the administration of those affairs. In this organisation, that officer is the Joint Chief Finance Officer (CFO).
- manage his affairs to secure economic, efficient and effective use of resources and safeguard its assets.
- approve the Statement of Accounts including annexes to the Statement of Accounts.

## 2 The Chief Constable's Responsibilities

The Chief Constable (the CC) is accountable to the Police and Crime Commissioner for the management of resources and expenditure by the police force. All funding for the Chief Constable comes from the Police and Crime Commissioner. The Chief Constable is required to:

- make arrangements for the proper administration of her financial affairs and to secure that one of her officers has the responsibility for the administration of those affairs. In this organisation, that officer is the Joint Chief Finance Officer (CFO).
- manage her affairs to secure economic, efficient and effective use of resources and safeguard its assets.
- approve the Statement of Accounts including annexes to the Statement of Accounts.

## 3 The Joint Chief Finance Officer's Responsibilities

The Joint Chief Finance Officer is responsible for the preparation of the Commissioner's, Chief Constable's and Group Statement of Accounts in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom (the Code).

In preparing this Statement of Account, the CFO has:

- selected suitable accounting policies and then applied them consistently;
- made judgements and estimates that are reasonable and prudent;
- complied with the local authority code.

## Responsibilities for the Statement of Accounts

The CFO has also:

- kept proper accounting records, which were up to date
- taken reasonable steps for the prevention and detection of fraud and other irregularities.

The CFO should sign and date the Statement of Accounts, stating that it presents a true and fair view of the financial position of the organisation at the reporting date and its income and expenditure for the year ended 31 March 2021.

The Statement of Accounts includes four primary or core financial statements:

- **Comprehensive Income and Expenditure Statement** - This statement summarises the resources that have been generated and consumed in providing policing and crime reduction services during the year. It includes all day to day expenses and related income on an accruals basis, as well as transactions measuring the value of fixed assets actually consumed and the real projected value of retirement benefits earned by employees in the year.

The expenditure in the statement shows the accounting cost in the year of providing services in accordance with generally accepted accounting practices, rather than the amount to be funded from taxation. Authorities raise taxation to cover expenditure in accordance with regulations; this may be different from the accounting cost. The taxation position is shown in the movement in reserves statement.

*Due to the size of the statements, the positions for the Group and the PCC are shown in separate tables.*

- **Movement in Reserves Statement** - This statement shows the movement in the year on the different reserves held by the Commissioner, analysed into 'Usable Reserves' (i.e. those that can be applied to fund expenditure or reduce taxation) and other 'Unusable Reserves'. The Surplus (or Deficit) on the Provision of Services line shows the true economic cost of providing the Commissioner's services, more details of which are shown in the Comprehensive Income and Expenditure Statement. These are different from the statutory amounts required to be charged to the Police Fund Balance for Council Tax setting purposes. The Net Increase/Decrease before Transfers to Earmarked Reserves line shows the statutory Police Fund Balance before any discretionary transfers to or from earmarked reserves undertaken by the Commissioner.

*Due to the size of the statements, the positions for the Group and the PCC are shown in separate tables, the figures for 2020/21 and the comparators for 2019/20 are also shown in separate tables.*

- **Balance Sheet** – This statement shows the value as at the balance sheet date of the assets and liabilities recognised by the Commissioner. The net assets (assets less liabilities) are matched by the reserves held by the Commissioner. Reserves are reported in two categories.

The first category of reserves are **usable reserves**, i.e. those reserves that the Commissioner may use to provide services, subject to the need to maintain a prudent level of reserves and any statutory limitations on their use (for example the capital receipts reserve that may only be used to fund capital expenditure or repay debt).

The second category of reserves are **unusable reserves** and relate to those that the Commissioner is not able to use to provide services. This category of reserves includes reserves that hold unrealised gains and losses (for example the revaluation reserve), where amounts would only become available to provide services if the assets are sold; and reserves that hold timing differences shown in the Movement in Reserves Statement line 'Adjustments between accounting basis and funding basis under regulations'.

*The balance sheet for the Group and PCC are shown side by side and include both 2020/21 figures and 2019/20 comparators.*

- **Cash Flow Statement** - This statement shows the changes in cash and cash equivalents of the Commissioner during the reporting period. The statement shows how the Commissioner generates and uses cash and cash equivalents by classifying cash flows as operating, investing and financing activities. The amount of net cash flows arising from operating activities is a key indicator of the extent to which the operations of the Commissioner are funded by way of taxation and grant income or from the recipients of services. Investing activities represent the extent to which cash outflows have been generated from resources which are intended to contribute to the Commissioner's future service delivery. Cash flows arising from financing activities are useful in predicting claims on future cash flows by providers of capital (i.e. borrowing).

*The cash flow statement for the Group and PCC are shown side by side and include both 2020/21 figures and 2019/20 comparators.*

## Accounting Policy - Cash and Cash Equivalents

Cash is represented by cash in hand, petty cash and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. [Cash and cash equivalents](#) may also include overdrawn balances at the bank where they are an integral part of cash management. Generally, cash and cash equivalents will comprise, cash in hand, bank account balances, overnight deposits and deposits with Money Market Funds which are repayable on demand without penalty or loss of interest.

In accordance with the Commissioner's funding arrangement with the Chief Constable, the Chief Constable is funded on a cash basis, accordingly all cash and cash equivalent balances are recorded on the balance sheet of the Commissioner.

In the Cash Flow Statement, [cash and cash equivalents](#) are shown net of bank overdrafts that are repayable on demand or form an integral part of cash management.

The notes to the accounts are provided to aid the understanding of material items within the core financial statements. Where the figures provided are different for the Group and PCC Single Entity either separate notes will be provided or a single note will show the respective figures in different columns, these will be headed Group or PCC. Where the figures are the same for the group and single entity a single note is provided, this is headed up PCC/Group. As a general rule, the column showing the figures for 2020/21 will be highlighted, whilst the comparatives for 2019/20 (where provided) will not.

The notes sometimes include terms that may require further explanation. Where possible, explanations are provided within the note, otherwise explanations are provided within the “glossary of terms” in pages 95-97. Terms for which an explanation is provided will be depicted by text that is shown in teal coloured text and underlined.

## 1 Accounting Policies

There are a number of accounting policies that determine how items within the accounts are treated. Where these accounting policies relate to a particular note to the accounts, the accounting policy will now be shown alongside that note in a grey text box. Where an accounting policy is more generic and applicable across the statement accounts it will continue to be shown in a separate technical annex, **Annex A** (see pages 98-100).

## 2 Critical Judgements in Applying Accounting Policies

In applying the accounting policies as set out alongside the relevant note or in Annex A (pages 98 to 100), the Commissioner has had to make certain judgements about complex transactions or those involving uncertainty about future events. The critical judgements made in the Statement of Accounts are:

- There is a high degree of uncertainty about future levels of funding for policing. However, the Commissioner has determined that this uncertainty is not yet sufficient to provide an indication that the assets of the Commissioner might be impaired as a result of a need to close facilities and reduce levels of service provision.
- The Commissioner is deemed to control the services provided under the PFI agreement in relation to the West Cumbria TPA HQ at Workington. The accounting policies for PFI schemes and similar contracts have been applied to the arrangement. The Commissioner has a number of options regarding ownership of the PFI building beyond the initial 25 year contract period including the right to purchase the asset for half of its market value at that time. In December 2015, the PFI building at Hall Brow Workington experienced flooding for the second time in six years. The impact of the flooding on the building highlighted resilience issues for the longer term in respect of both custody and deployment. As a result, options for the future provision of the police estate in West Cumbria are under review and the capital programme for 2021/22 and beyond includes an indicative scheme which seeks to address those resilience issues and provide a longer term solution to the PFI arrangement. In accounting for the PFI contract it is assumed that there is reasonable certainty that the Commissioner will exercise the right to purchase the building. Accordingly the PFI land and building are recognised as property, plant and equipment in the Commissioner's balance sheet at full value of £7.3m. In addition, a liability for outstanding obligations to pay for the building, which includes the cost of purchasing the asset for half its market value at the end of the PFI period are also shown on the balance sheet. As the PFI contract approaches its end it may be necessary to reflect an additional liability to recognise that the market value of the asset may exceed the construction cost.

## 3 Events after the Balance Sheet Date

A post balance sheet event is an event, subsequent to the date of the financial statements, and for which International Financial Reporting Standards and the Code require adjustment or disclosure. Consideration has been given as to whether any events meet the requirement to be disclosed as a post balance sheet event and it has been concluded that no such matters require disclosure.

The Statement of Accounts was authorised for issue by the Joint Chief Finance Officer on **04 November 2021**. Events taking place after this date are not reflected in the financial statements or notes. Where events taking place before this date provided information about conditions existing at 31 March 2021, the figures in the financial statements and notes have been adjusted in all material respects to reflect the impact of this information.

### Accounting Policy - Events after the Balance Sheet Date

Events after the balance sheet date are those events, both favourable and unfavourable, that occur between the end of the reporting period and the date the Statement of Accounts is authorised for issue which have an impact on the financial statements and are treated as follows. Two types of events can be identified:

- Those that provide evidence of conditions that existed at the end of the reporting period – the Statement of Accounts is adjusted to reflect such events.
- Those that are indicative of conditions that arose after the reporting period – the Statement of Accounts is not adjusted to reflect such events, but where a category of events would have a material effect, disclosure is made in the notes of the nature of the event and their estimated financial effect.

Events taking place after the authorised for issue date are not reflected in the statement of accounts.

## 4 Assumptions made about the future and other Sources of Estimation Uncertainty

The statement of Accounts contains estimated figures that are based on assumptions made by the Commissioner about the future or that are otherwise uncertain. Estimates are made taking into account historical experience, current trends and other relevant factors. However, because balances cannot be determined with certainty, actual results could be materially different from the assumptions and estimates.

The items in the Commissioner’s group balance sheet as at 31 March 2021 for which there is significant risk of material adjustment in the forthcoming financial year are as follows:

Item	Uncertainties	Effect if Actual Results Differ from Assumptions
Property, Plant and Equipment	<p>Land and buildings assets are revalued on a two year rolling basis. Therefore the value of the assets that have not been subject to valuation in the financial year may not reflect the true value of that asset.</p> <p>Each year the valuer conducts an impairment review, whilst the valuer has concluded that there are no impairments of land and building valuations as at 31/03/21, he has noted that “as a result of the covid-19 pandemic there is ‘material valuation uncertainty’ in relation to non-specialised assets which means that there is less certainty and more caution needed with regards to the valuations”. The valuer has advised the need to keep valuations under regular review.</p> <p>At the balance sheet date 31 March 2021 the value of property, plant and equipment was £64m.</p>	<p>Revaluation gains and losses or disposal proceeds in future years may be significantly different than anticipated. However, as all land and building assets are subject to an annual impairment review, and biennial revaluations, the impact of this is thought to be immaterial. The ongoing impact of the covid-19 pandemic on property values is being monitored.</p> <p>If the useful lives of assets are reduced, depreciation will increase and the carrying amount of the asset falls. It is estimated that the annual depreciation charge for buildings, vehicles and plant would increase by approx. £551k for every year that useful lives had to be reduced. A 10% change in those assets subject to revaluation (£57m) would change the value of those assets on the Balance Sheet by £5.7m and the depreciation charge to the CIES by £114k.</p>
Pensions Liability	<p>Estimation of the net liability to pay pensions depends on a number of complex judgements relating to the discount rate used, the rate at which salaries are projected to increase, changes in retirement ages, mortality rates and expected returns on pension fund assets. Two firms of consulting actuaries are engaged to provide the Commissioner with expert advice about the assumptions to be applied for both the Police Pension Scheme (Government Actuaries Department) and the Local Government Pension Scheme (Mercer Ltd).</p> <p>At the balance sheet date, the liability in respect of the LGPS pension scheme was £75m and for the police pension scheme was £1,447m.</p> <p>In relation to the Local Government Pension Scheme there is a material estimation uncertainty around the value of property assets held in the pension scheme as a result of the global Covid-19 pandemic.</p> <p>In relation to the Police Pension Schemes there is estimation uncertainty with regards to the proposed remedy in relation to the McCloud Sergeant Judgement.</p>	<p>The effects on the net pension liability of changes in individual assumptions can be measured. Examples of the impact of changes in individual assumptions is included in the sensitivity analysis provided in the technical annex to the accounts (Annex C) Pension Disclosures (pages 107-118).</p>

## 5 Expenditure and Funding Analysis

This note shows how annual expenditure is used and funded from resources (government grants, council tax precepts) by the Commissioner in comparison with those resources consumed or earned in accordance with generally accepted accounting practices. It also shows how this expenditure is allocated for decision making purposes between subjective headings. Income and expenditure accounted for under generally accepted accounting practices is presented more fully in the Comprehensive Income and Expenditure Statement.

*Due to the size of the statements, the positions for the Group and the PCC are shown in separate tables.*

The figures for the group in 2020/21 are provided in the table below:

Expenditure and Funding Analysis (Group)	As reported for resource management	Adjustment to arrive at the net amount chargeable to the Police Fund balance (Note 5)	Group 2020/21 Net Expenditure Chargeable to the Police Fund balance	Adjustments between Funding and Accounting Basis (Note 7)	Net Expenditure in the Comprehensive Income and Expenditure Statement

# Notes to the Accounts

## 5.a Note to the Expenditure Funding Analysis

This note provides a reconciliation of the main adjustments to net expenditure chargeable to the Police Fund to arrive at the amounts in the Comprehensive Income and Expenditure Statement (pages 29-30). The relevant transfers between reserves are explained in the Movement in Reserves Statement (pages 31-32).

The figures for the Group for 2020/21 are set out in the table below:

Note to the Expenditure and Funding Analysis (Group)	Group 2020/21						
	Depreciation	Rental Income	Total to arrive at amount charged to the Police Fund	Adjustment for capital purposes (See below)	Net change for the Pensions Adjustment (See below)	Other Differences (See below)	Total Adjustment Between funding and accounting basis

## 7 Adjustments between Accounting Basis and Funding Basis under Regulations

This note details the adjustments that are made to the total comprehensive income and expenditure recognised by the Commissioner in the year in accordance with proper accounting practice to the resources that are specified by statutory provisions as being available to the Commissioner to meet future capital and revenue expenditure.

The figures for the Group for 2020/21 are set out in the table below:

Adjustments between Accounting Basis and Funding Basis Under Regulations	Note	Group Police Fund Balance £000s	Group Capital Receipts Reserve £000s	Group Capital Grants Unapplied £000s	Group Total Usable Reserves £000s
<b>Adjustments to the Revenue Resources</b>					
Amounts by which income and expenditure included in the Comprehensive Income and Expenditure Statement are different from revenue for the year calculated in accordance with statutory requirements:					
- Pensions costs (transferred to (or from) the Pensions Reserve)	20e/ Annex C	25,153	0	0	25,153
- Council tax (transfers to or from Collection Fund)	20c/28	608	0	0	608
- Holiday Pay (transfers to or from Accumulated Absences Account)	20d	1,947	0	0	1,947
- Reversal of entries included in the Surplus or Deficit on the Provision of Services in relation to capital expenditure (these items are charged to the Capital Adjustment Account)	9	5,632	0	163	5,795
<b>Total Adjustments to the Revenue Resources</b>		<b>33,340</b>	<b>0</b>	<b>163</b>	<b>33,503</b>
<b>Adjustments between Revenue and Capital Resources</b>					
- Transfer of non-current asset sale proceeds from revenue to the Capital Receipts Reserve	9e	(85)	85	0	0
- Administrative costs of non-current asset disposals (funded by a contribution from the Capital receipts Reserve)	9e	0	0	0	0
- Statutory provision for the repayment of debt (MRP) (transfer from the Capital Adjustment Account)	31	(608)	0	0	(608)
- Capital expenditure financed from revenue balances (transfer to the Capital Adjustment Account)	29a	(2,748)	0	0	(2,748)
<b>Total Adjustments between Revenue and Capital Resources</b>		<b>(3,441)</b>	<b>85</b>	<b>0</b>	<b>(3,356)</b>
<b>Adjustments to Capital Resources</b>					
- Application of capital grants to finance capital expenditure	20b	0	0	(66)	(66)
<b>Total Adjustments to Capital Resources</b>		<b>0</b>	<b>0</b>	<b>(66)</b>	<b>(66)</b>
<b>Total Adjustments</b>		<b>29,899</b>	<b>85</b>	<b>97</b>	<b>30,081</b>

# Notes to the Accounts

The comparative figures for the Group for 2019/20 are set out in the table below:

CO - Demand Risk Resourcing		0	0	0	50	50
		1,767	1,123	2,890	(512)	2,378
<b>Total Earmarked Revenue Reserves</b>		<b>8,276</b>	<b>6,056</b>	<b>14,332</b>	<b>(673)</b>	<b>13,659</b>
<b>Capital Reserves</b>	11					
General Capital Reserve		3,215	(3,215)	0	0	0
Estates North Flood Management		3,628	(3,628)	0	0	0
Estates West Flood Management		3,497	503	4,000	0	4,000
Workington Land Purchase		0	0	0	0	0
HQ adaptations		294	0	294	0	294
						0
<b>Total Earmarked Capital Reserves</b>		<b>10,634</b>	<b>(6,340)</b>	<b>4,294</b>	<b>0</b>	<b>4,294</b>

The purpose of the groups or individual reserves are as follows:

1. Insurance Reserve – to offset any insurance claims not specifically detailed in the insurance provision.
2. PFI Lifecycle Replacements – to equalise the impact on the comprehensive income and expenditure statement of changing levels of grant income and charges over the period of the PFI contract.
3. Commissioned Services Reserve – to provide resources for future expenditure on existing commitments under PCC commissioned services.
4. Chief Constables Contingency – reserve held to meet an increase in budget pressure arising in year as a result of budgeting risks taken during the budget process. The establishment of this reserve supported a reduction in the ongoing revenue budget requirement.
5. Chief Constables Operational Reserve – to provide resources to assist in funding unexpected major events, if necessary. The Home Office Financial Management Code recommends that there should be an operational contingency.
6. PCC Operational Reserve – to provide resources both to back up the annual operational contingency and, in addition, to assist in funding unexpected expenditure/budget pressures in line with the Commissioner's responsibilities. The Home Office Financial Management Code recommends that there should be an operational contingency.
7. Budget Support Reserve – to meet the medium term risks associated with balancing the budget in the context of current funding uncertainties and Covid-19.
8. Body Armour Future Roll Out – to equalise the impact on the comprehensive income and expenditure statement of changing levels of expenditure due to the cyclical nature of body armour replacement.
9. 75% Council Tax Income Guarantee Scheme – as part of the Spending Review the Government confirmed that it would compensate local authorities for 75% of irrecoverable losses in council tax and business rates income in respect of 2020/21. This grant was recognised in 2020/21 and has been transferred to reserve to be drawn down over the next 3 years to smooth the effects of the increase in council tax deficit which is being recovered from precepting bodies by district councils over a 3 year period.
10. Short Term Project Reserves – To support a variety of locally managed initiatives granted under the scheme of devolved resource management. These are primarily multi-year technology based projects or resources to provide funding for unbudgeted revenue costs within the 2020/21 or 2021/22 financial year.
11. Capital Reserves – the capital reserve holds direct contributions from the revenue budget to fund capital schemes within the capital programme.

## 9 Property, Plant and Equipment

The table below summarises the movements in Property, Plant and Equipment during the year:

Property, Plant and Equipment	Land and Buildings £000s	Vehicles £000s	PCC/Group IT and Technology £000s	Furniture Equipment & Plant £000s	Assets Under Construction £000s	Total Property, Plant & Equipment £000s	PFI Assets Included in P.P.E. £000s

The Constabulary now has 7 electric vehicles on the fleet. Five of which are liveried and 2 are currently used as unmarked pool vehicles. These vehicles are supported by a network of 14 electric vehicle charging points at HQ and the main deployment centres.

# Notes to the Accounts

The comparative figures for 2019/20 are set out in the table below:

Property, Plant and Equipment	Land and Buildings £000s	Vehicles £000s	PCC/Group IT and Technology £000s	Furniture Equipment & Plant £000s	Assets Under Construction £000s	Total Property, Plant & Equipment £000s	PFI Assets Included in P.P.E. £000s
<b>Cost or Valuation</b>							
At 1 April 2019	54,764	8,952	18,985	3,965	2,080	88,746	7,698

## Accounting Policy - Property, Plant and Equipment

Assets that have physical substance and are held for use in the production or supply of goods and services, for rental to others, or for administrative purposes and that are expected to be used during more than one financial year are classified as Property, Plant and Equipment.

The cost of services are debited with the following amounts to record the cost of holding [non-current assets](#) during the year:

- [Depreciation](#) attributable to the assets used by the relevant services.
- Revaluation and [impairment](#) losses on assets used by the services where there are no accumulated gains in the [Revaluation Reserve](#) against which the losses can be written off.
- [Amortisation](#) of non-current assets attributable to the services.

Council Tax is not required to be raised to fund depreciation, revaluation and impairment losses or amortisations. However, an annual contribution from revenue is required towards the reduction in the overall borrowing requirement equal to an amount calculated on a prudent basis and determined in accordance with statutory guidance. This contribution is known as MRP ([Minimum Revenue Provision](#)). Depreciation, revaluation and impairment losses and amortisations are therefore replaced by the contribution in the Police Fund Balance, by way of an adjusting transaction with the [Capital Adjustment Account](#) in the Movement in Reserves Statement for the difference between the two.

In accordance with the Commissioner’s funding arrangement with the Chief Constable, the Commissioner holds all non-current assets. Accordingly, all depreciation, revaluations and impairments are recorded in the Commissioner’s single entity financial statements. However, the Commissioner makes a charge to the Chief Constable for the use of non-current assets, which is equivalent to his share of depreciation.

### Recognition

Expenditure on the acquisition, creation or enhancement of Property, Plant and Equipment is capitalised on an [accruals](#) basis, provided that it is probable that the future economic benefits or service potential associated with the item will flow and the cost of the item can be measured reliably. Expenditure that maintains but does not add to an asset’s potential to deliver future economic benefits (i.e. repairs and maintenance) is charged to revenue as an expense through the Comprehensive Income and Expenditure Statement when it is incurred.

[De-minimis](#) levels have been set for capital projects at £25,000. No de-minimis level is set for individual items within capital projects.

### Measurement

Assets are initially measured at cost, comprising:

- The purchase price
- Any costs attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management

Borrowing costs incurred are not capitalised whilst assets are under construction.

Assets are then carried in the Balance Sheet using the following measurement basis:

Category	Basis of Valuation
Land and Buildings (Specialised)	Depreciated Replacement Cost
Land and Buildings (Non Specialised)	Existing Use Value
Vehicles, Plant, Furniture and Equipment	Depreciated Historic Cost (as a proxy for current value)
Assets Under Construction	Historic Cost

Assets included in the Balance Sheet at [current value](#) (i.e. not valued at historic cost) are revalued sufficiently regularly to ensure that their carrying amount is not materially different from their current value at the year-end, but as a minimum every five years.

## Measurement (continued)

Increases in valuations are matched by credits to the [Revaluation Reserve](#) to recognise unrealised gains. Gains are to be credited to the relevant function line(s) in the Comprehensive Income and Expenditure Statement where they arise from the reversal of a loss previously charged to a function up to the amount of the original loss, adjusted for [depreciation](#) (if material) that would have been charged if the loss had not been recognised.

## Depreciation

[Depreciation](#) is provided for on all Property, Plant and Equipment assets by the systematic allocation of their depreciable amounts over their useful lives. An exception is made for assets without a determinable finite useful life (i.e. freehold land) and assets that are not yet available for use (i.e. assets under construction).

Depreciation is calculated on the following bases:

- Land and Buildings - straight-line allocation over the useful life of the property as estimated by the valuer up to a maximum of 50 years
- Vehicles – straight line allocation over the estimated useful life (3 to 10 years)
- IT Equipment – straight line allocation over the estimated useful life (5 to 8 years)

No depreciation charge is made however in the year of acquisition but a full year charge is made in the year of disposal. A full year's depreciation charge is made in the year of revaluation of any asset.

Depreciation also has to be calculated on revaluation gains and is represented by the difference between depreciation calculated at current cost and depreciation calculated at historic cost. The difference between the two values is transferred each year from the [Revaluation Reserve](#) to the [Capital Adjustment Account](#).

Where an item of Property, Plant and Equipment asset has major components whose cost is significant in relation to the total cost of the item, the components are depreciated separately (see component accounting section below).

Once ICT equipment assets have been fully depreciated, at the end of their useful lives, the gross book value and accumulated depreciation for those assets will be written out of the asset register. There will be no impact on the core financial statements (balance sheet) as a result of this as the net book value will already be nil.

## Component Accounting

Under the IFRS based code, separate recognition, [depreciation](#) and de-recognition of parts of assets is required. This is often referred to as [componentisation](#). Componentisation is a change that has to be applied prospectively which means that it only needs to be considered for any [non-current assets](#), acquired, improved or revalued after 1 April 2010. A componentisation policy has been established whereby all land and building assets with a value in excess of £1m will be assessed to see if they contain a significant component. A significant component is defined in the policy as one which exceeds £200k in value and has a different life to the remainder of the asset. Where a component of a non-current asset is replaced or restored, the carrying amount of the old component shall be derecognised and the new component reflected in the carrying amount. Each significant component of an item of property, plant or equipment is depreciated separately. Depreciation is calculated on the balance brought forward at the start of each year. Depreciation on the componentised assets will therefore only become effective in the year following revaluation and subsequent split for componentisation.

Under the terms of the Commissioner's funding arrangement to the Chief Constable all property, plant and equipment is held by the Commissioner. Accordingly, all accounting entries in relation to the acquisition, enhancement, revaluation, [impairment](#), depreciation and sale of such assets are recorded in the single entity accounts of the Commissioner. The Commissioner makes a charge to the Chief Constable for the use of such assets which is equivalent to the Chief Constable's share of depreciation.

## 9.a Valuations Rolling Programme

The Commissioner carries out a rolling programme that ensures that all Property, Plant and Equipment required to be measured at current value is revalued every two years. Valuations of land and buildings are carried out on behalf of the Commissioner by Mr. C. Smith BSc MRICS, Carigiet Cowen, Telford House, Riverside, Warwick Road, Carlisle CA1 2BT and were carried out in accordance with the methodologies and bases for estimation set out in the professional standards of the Royal Institute of Chartered Surveyors (RICS). Valuations of vehicles, plant, furniture and equipment are based on historic cost as a proxy for fair value. The basis of the valuations is set out in the accounting policies. The table below sets out details of the land and buildings valuations undertaken over the two year rolling programme.

Valuations Rolling Programme	Land and Buildings	Vehicles	PCC/Group IT and Technology	Furniture Equipment & Plant	Assets Under Construction	Total Property, Plant & Equipment
	£000s	£000s	£000s	£000s	£000s	£000s
Carried at Historical Cost	260	8,982	16,979	3,838	0	30,059
Valued at Current Value as at:						
- 31 March 2021	30,754	0	0	0	0	30,754
- 31 March 2020	27,009	0	0	405	0	27,414
<b>Total Cost or Valuation</b>	<b>58,023</b>	<b>8,982</b>	<b>16,979</b>	<b>4,243</b>	<b>0</b>	<b>88,227</b>

### Accounting Policy - Valuations

Where decreases in value are identified, they are accounted for as follows:

- Where there is a balance of revaluation gains for the asset in the [Revaluation Reserve](#), the carrying amount of the asset is written down against that balance (up to the amount of the accumulated gains).
- Where there is no balance in the Revaluation Reserve or an insufficient balance, the carrying amount of the asset is written down against the relevant function lines(s) in the Comprehensive Income and Expenditure Statement.

The Revaluation Reserve contains revaluation gains recognised since 1 April 2007 only, the date of its formal inception. Gains arising before that date have been consolidated into the [Capital Adjustment Account](#). Revaluation gains and losses are not permitted to have an impact on the Police Fund. The gains and losses are therefore reversed out of the Police Fund in the Movement in Reserves Statement and posted to the Capital Adjustment Account.

### Accounting Policy – Valuations Material Estimation Techniques

IAS 1 Presentation of Financial Statements requires disclosure of any estimation techniques applied, such that if a different methodology had been used a material variance in the amounts disclosed would have been arrived at. For property valuations the only material estimation techniques used is as follows:

All operational buildings are revalued on a rolling five-year programme and the estimation techniques used are based on the “open market value in existing use” or in the case of specialised operational police properties “depreciated replacement cost” which is consistent with proper accounting practice. The professional valuer, Mr. C. Smith of Carigiet Cowen, applied these valuation methods.

## 9.b Impairment Review

The Commissioner’s professional valuer, Mr. C. Smith BSc MRICS, Carigiet Cowen, Telford House, Riverside, Warwick Road, Carlisle CA1 2BT, has made an assessment of the possible effects of material [impairment](#) to land and buildings during the financial year. His assessment was based on a number of specific criteria, which, in his opinion, could affect the valuation of assets. The outcome of the assessment process is the valuer has concluded that there are no impairments. The valuer has concluded that as a result of the ongoing covid-19 pandemic there remains ‘material valuation uncertainty’ [in relation to non-specialised assets](#) which means that there is less certainty and more caution needed with regards to the valuations. The valuer advises that the property [valuations](#) are kept under frequent review.

### Accounting Policy - Impairment

Assets are assessed at each year-end as to whether there is any indication that an asset may be impaired. Where indications exist and any possible differences are estimated to be material, the recoverable amount of the asset is estimated and, where this is less than the carrying amount of the asset, an [impairment](#) loss is recognised for the shortfall.

Where impairment losses are identified, they are accounted for as follows:

- Where there is a balance of revaluation gains for the asset in the [Revaluation Reserve](#), the carrying amount of the asset is written down against that balance (up to the amount of the accumulated gains).
- Where there is no balance in the Revaluation Reserve or an insufficient balance, the carrying amount of the asset is written down against the relevant function line(s) in the Comprehensive Income and Expenditure Statement.

Where an impairment loss is reversed subsequently by a revaluation gain, the reversal is credited to the relevant function line(s) in the Comprehensive Income and Expenditure Statement, up to the amount of the original loss, adjusted for [depreciation](#) (if material) that would have been charged if the loss had not been recognised.

Impairment losses are not a charge against Council Tax. The balance on the Comprehensive Income and Expenditure Statement arising from an impairment loss is appropriated to the [Capital Adjustment Account](#) through the Movement in Reserves Statement.

## 9.c Property, Plant and Equipment in the Ownership of the Police and Crime Commissioner

A brief analysis of the Commissioner's principal assets as at 31 March 2021 is set out below:

PCC	PCC/Group As at 31 March	
	2020 Number	2021 Number
HQ, TPA HQ & Larger Police Stations	9	9
Other Police Stations	9	9
Police Houses and other Properties	1	1
Surplus Properties/ Held for Sale/ Investment Properties	1	1
Vehicles	313	309

# Notes to the Accounts

## 9.d Effects of Changes in Estimates

There have been no material changes in estimates in the 2020/21 accounts.

## 9.e Gain / Loss on Sale of Property, Plant and Equipment

The table below analyses the (gain)/loss on sale of property, plant and equipment for the year ended 31 March 2021.

Gain/Loss on Sale of Property, Plant and Equipment	Net Book Value £000s	PCC/Group		(Gain) / Loss 2020/21 £000s
		Costs of Sale £000s	Proceeds of Sale £000s	
Land and Buildings	0	0	0	0
Vehicles	0	2	(92)	(90)
ICT Equipment	0	0	(85)	(85)
<b>Total</b>	<b>0</b>	<b>2</b>	<b>(177)</b>	<b>(175)</b>

The comparative figures for 2019/20 are set out in the table below:

Gain/Loss on Sale of Property, Plant and Equipment	Net Book Value £000s	PCC/Group		(Gain) / Loss 2019/20 £000s
		Costs of Sale £000s	Proceeds of Sale £000s	
Land and Buildings	0	0	0	0
Vehicles	0	3	(60)	(57)
<b>Total</b>	<b>0</b>	<b>3</b>	<b>(60)</b>	<b>(57)</b>

Note in 2020/21 £92k (£60k in 2019/20) of receipts from proceeds of sale included in the above table were individually below the £10k threshold for recognition as [capital receipts](#) and have therefore been treated as revenue income. This explains why the capital receipts recorded in note 7 show £85k (£0k in 2019/20) rather than £177k (£60k in 2019/20) as above.

### Accounting Policy - Capital Receipts

Amounts received for a disposal in excess of £10,000 are categorised as [Capital Receipts](#). The balance of receipts is required to be credited to the Capital Receipts Reserve, and can then only be used for new capital investment or set aside to reduce the underlying need to borrow (the [capital financing requirement](#)). Receipts are appropriated to the reserve from the Police Fund Balance in the Movement in Reserves Statement.

## 10 Assets Held for Sale

Assets held for sale relate to land and buildings assets that are available for immediate sale in their present condition subject to terms that are usual and customary for sales of such assets. The assets are being actively marketed for a sale at a price that is reasonable in relation to its current [fair value](#). The sale is expected to qualify for recognition as a completed sale within one year from the date of classification. The table below shows the movement on Assets Held for Sale in 2020/21 with comparative information for 2019/20.

Assets Held for Sale	PCC/Group	
	As at 31 March	
	2020	2021
	£000s	£000s
Balance outstanding at start of year	0	0
Newly classified as held for sale	0	259
<b>Balance outstanding at end of year</b>	<b>0</b>	<b>259</b>

*At 31 March 2021 there was one asset classified as **held for sale**: a former police house in Kendal.*

### Accounting Policy - Disposal and Non-Current Assets Held for Sale

When it becomes probable that the carrying amount of an asset will be recovered principally through a sale transaction rather than through its continuing use, it is reclassified as an Asset Held for Sale. The asset is revalued immediately before reclassification and then carried at the lower of this amount and [fair value](#) less costs to sell. Where there is a subsequent decrease to fair value less cost to sell, the loss is posted to the Other Operating Expenditure line in the Comprehensive Income and Expenditure Statement. Gains in fair value are recognised only up to the amount of any losses previously recognised in the Surplus or Deficit on Provision of Services. [Depreciation](#) is not charged on Assets held for Sale.

If assets no longer meet the criteria to be classified as Assets Held for Sale, they are reclassified back to [non-current assets](#) and valued at the lower of:

- their carrying amount before they were classified as held for sale. In this case the carrying amount is adjusted for depreciation, amortisation or revaluations that would have been recognised had they not been classified as Held for Sale.
- their recoverable amount at the date of the decision not to sell.

Assets that are to be abandoned or scrapped are not reclassified as Assets Held for Sale.

When an asset is disposed of or decommissioned, the carrying amount of the asset in the Balance Sheet (whether Property, Plant and Equipment or Assets Held for Sale) is written off to the Other Operating Expenditure line in the Comprehensive Income and Expenditure Statement as part of the gain or loss on disposal. Disposal costs are shown in other operating expenditure in the Comprehensive Income and Expenditure Statement. Receipts from disposals (if any) are credited to the same line in the Comprehensive Income and Expenditure Statement also as part of the gain or loss on disposal (i.e. netted off against the carrying value of the asset at the time of disposal). In line with Statutory Instrument 2010 No 454, disposal costs of up to 4% of the sale proceeds are financed from capital receipts. Any revaluation gains accumulated for the asset in the [Revaluation Reserve](#) are transferred to the [Capital Adjustment Account](#). The written-off value of disposals is not a charge against Council Tax, as the cost of [non-current assets](#) is fully provided for under separate arrangements for capital financing. Amounts are appropriated to the Capital Adjustment Account from the Police Fund Balance in the Movement in Reserves Statement.

## 11 Intangible Assets

The Commissioner accounts for his computer software as intangible assets, to the extent that the software is not an integral part of a particular IT system and accounted for as part of the hardware item within Property, Plant and Equipment. The intangible assets include computer software development and acquisitions. All software is given a finite useful life (5 years), based on assessments of the period that the software is expected to be of use to the Commissioner. The carrying amount of intangible assets is amortised on a straight line basis and is charged to the Comprehensive Income and Expenditure Statement.

A summary of the movements in intangible assets during the year and the position as at 31 March 2021 (with comparatives for 2019/20) is set out in the table below:

Intangible Assets	PCC/Group	
	2019/20 £000s	2020/21 £000s
Balance at start of year		
- Gross carrying amount	5,836	4,835
- Accumulated amortisation	(3,093)	(1,507)
<b>Net carrying amount at start of year</b>	<b>2,743</b>	<b>3,328</b>
Additions	1,104	50
Disposals	(2,105)	(534)
Amortisations for the period	(519)	(830)
Adjustment to Opening Balance	0	(241)
Amortisation adjustment re disposals	2,105	534
<b>Net carrying amount at end of year</b>	<b>3,328</b>	<b>2,307</b>
Comprising		
- Gross carrying amount	4,835	4,351
- Accumulated amortisation	(1,507)	(2,044)
	<b>3,328</b>	<b>2,307</b>

*Intangible Assets are those which do not have physical substance but are controlled as a result of past events (e.g. software licences) where expenditure is capitalised when it is expected that future economic benefits or service potential will flow from the asset.*

***Amortisation** is the practice of reducing the value of assets to reflect their reduced worth over time. The term means the same as depreciation.*

### Accounting Policy - Intangible Assets

Intangible assets are initially measured at cost amounts and are only revalued where the fair value of the asset can be determined by an active market. The depreciable amount of an intangible asset is amortised over its useful life (usually 5 years) to the relevant function(s) in the Comprehensive Income and Expenditure Statement. Once intangible assets have been fully amortised, at the end of their useful lives, the gross book value and accumulated amortisation for those assets will be written out of the asset register. There will be no impact on the core financial statements (balance sheet) as a result of this as the net book value will already be nil.

Where expenditure on intangible assets qualifies as capital expenditure for statutory purposes, amortisation, impairment losses and disposal gains and losses are not permitted to have an impact on the Police Fund Balance. The amortisation, impairment and gains and losses on disposal are therefore reversed out of the Police Fund in the Movement in Reserves Statement and posted to the Capital Adjustment Account and (for any sale proceeds over £10,000) the Capital Receipts Reserve. An asset is tested for impairment, whenever there is an indication that the asset might be impaired – any losses recognised are posted to the relevant service line(s) in the Comprehensive Income and Expenditure Statement.

In accordance with the terms of the Commissioner's funding arrangement with the Chief Constable, all intangible assets are held by the Commissioner.

## 12 Private Finance Initiative (PFI)

*Private Finance Initiatives (PFI) are arrangements to receive services where the responsibility for making available the property, plant and equipment needed to provide the services passes to the PFI contractor.*

There is currently one PFI scheme recognised on the Balance Sheet and this relates to the West Cumbria Territorial Policing Area HQ at Workington. Under the terms of the Commissioner's funding arrangement to the Chief Constable the Commissioner controls all property and, accordingly, the PFI building is recorded on the Balance Sheet of the Commissioner. A charge is made by the Commissioner to the Chief Constable in the Comprehensive Income and Expenditure Statement for the Chief Constable's use of the building and the services provided.

The former Police Authority entered an agreement for the construction and subsequent servicing of the building in September 2001 under a PFI arrangement. Under the agreement the PFI provider constructed the facility, and undertakes to make the building available to the Commissioner in a specified condition for a 25 year period in return for a monthly unitary charge payment made by the Commissioner. In addition the provider delivers a range of services in relation to the building which are specified in the PFI contract. At the end of the contract period the Commissioner has the right to acquire the building at 50% of its market value.

The PFI asset is recognised on the Commissioner's balance sheet along with a corresponding PFI finance lease liability which recognises the Commissioner's outstanding liability to pay for the asset. The PFI asset is depreciated and revalued in the same way as any other asset in accordance with accounting policies.

The amount paid to the PFI operator each year (known as the unitary charge payment) is now split into four elements in the accounts as follows:

- Service Charges – the fair value of the services received during the year which are debited to the relevant function in the Comprehensive Income and Expenditure Statement.
- Finance cost – an interest charge on the outstanding Balance Sheet liability, debited to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement.
- Payment towards liability – applied to write down the Balance Sheet liability towards the PFI operator (the profile of write downs is calculated using the same principles as for a finance lease). However, a corresponding increase in the [minimum revenue provision](#) is made in accordance with the Commissioner's minimum revenue provision policy.
- Lifecycle replacement costs – a proportion of the amounts payable is posted to the Balance sheet as a prepayment and then recognised as additions to Property, Plant and Equipment when the relevant works are eventually carried out.

The following information is disclosed in relation to the PFI asset.

### 12.a Movement on Fixed Assets

The value and movement in value of the asset held under the PFI agreement is analysed in note 9 above.

## 12.b PFI Finance Lease Liability

The value of Liabilities resulting from the PFI Agreement are shown in the table below:

PFI Lease Liability	PCC/Group As at 31 March	
	2020 £000s	2021 £000s
Balance at the start of the year	(4,745)	(4,585)
Repayments made during year	160	182
Balance at the end of the year	<b>(4,585)</b>	<b>(4,403)</b>
<b>Split of liability</b>		
Current Liability	(182)	(206)
Long Term Liability	(4,403)	(4,197)
	<b>(4,585)</b>	<b>(4,403)</b>

## 12.c Payments Due to be made under PFI Contract

An estimate of the future payments to be made under the PFI contract are shown in the table below. Where applicable an estimated inflation index of 2% (linked to the GDP deflator) per annum has been applied to the payments.

Payments Due under PFI Contract	PCC/Group			Total £000s
	Repayment of Liability £000s	Interest Payments £000s	Service Costs £000s	
Repayable within one year	206	538	573	<b>1,317</b>
Between two and five years	1,133	1,843	2,408	<b>5,384</b>
Between six and ten years	3,064	156	274	<b>3,494</b>
	<b>4,403</b>	<b>2,537</b>	<b>3,255</b>	<b>10,195</b>

The repayment of liability figures include a sum of £2,910k between 6 and 10 years which recognises that there is reasonable certainty that the Commissioner will exercise his right to purchase the PFI building at the end of the PFI contract period. See critical judgement note 2 (page 37) for further explanation.

### Accounting Policy - Private Finance Initiative (PFI) and Similar Contracts

PFI and similar contracts are agreements to receive services, where the responsibility for making available the property, plant and equipment needed to provide the services passes to the PFI contractor. As the services that are provided under the PFI scheme are deemed under the PFI contract to be controlled, the asset is carried on the Balance Sheet as part of Property, Plant and Equipment.

The original recognition of these assets at [fair value](#) (based on the cost to purchase the property, plant and equipment) was balanced by the recognition of a liability for amounts due to the scheme operator to pay for the capital investment.

[Non-current assets](#) recognised on the Balance Sheet are re-valued and depreciated in the same way as property, plant and equipment.

In accordance with accounting practice, lifecycle replacement costs are now recognised when they are actually incurred. The Commissioner receives specific government funding from [MHCLG](#) as a contribution to the costs of financing the scheme.

## 13 Leases

### 13.a Finance Leases

The Commissioner has no material finance leases to be disclosed.

### 13.b Operating leases

The Commissioner utilises land and buildings and equipment assets under operating leases. The land and buildings are typically short to medium term rentals of buildings. The figures do however include the lease of land at Durranhill from Carlisle City Council upon which the North [TPA](#) HQ and custody suite was constructed. This lease runs for a period of 125 years until March 2132 and the annual lease payments are currently £31k p.a. The equipment includes livescan fingerprint machines and photocopiers.

The future minimum lease payments due under non-cancellable leases in future years are:

Future Minimum Lease Payments	PCC/Group As at 31 March	
	2020	2021
	£000s	£000s
Not later than one year	215	196
Later than one year and not later than five years	124	124
Later than five years.	3,309	3,278
	<b>3,648</b>	<b>3,598</b>

The expenditure charged to the Net Cost of Police Services in relation to these leases was:

Lease Expenditure Charged to Net Cost of Police Services	PCC/Group 2019/20 £000s	PCC/Group 2020/21 £000s
Minimum Lease Payments		
- Land and Buildings	111	110
- Equipment	103	113
	<b>214</b>	<b>223</b>

North Cumbria Territorial Policing Area HQ – Carlisle

There are two categories of leases:  
**Operating leases** are where the risks and rewards of ownership stay with the lessor and the annual rental charges are charged through the CI&ES  
**Finance leases** are where the risks and rewards of ownership are transferred to the lessee and where the assets are recognised on the balance sheet of the lessee.

## Accounting Policy - Leases

Leases are classified as finance leases where the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the property, plant or equipment from the lessor to the lessee. All other leases are classified as operating leases.

Where a lease covers both land and buildings, the land and building elements are considered separately for classification. Agreements that do not have the legal status of a lease but convey a right to use an asset in return for payment are accounted for under this policy where fulfillment of the arrangement is dependent on the use of specific assets.

### Finance leases (as Lessee)

Property, plant and equipment held under finance leases is recognised on the Balance Sheet at the commencement of the lease at its [fair value](#) measured at the lease's inception (or the present value of the minimum lease payments, if lower). The asset recognised is matched by a liability for the obligation to pay the lessor. Initial direct costs are added to the carrying amount of the asset. Premiums paid on entry into a lease are applied to writing down the lease liability. Contingent rents are charged as expenses in the periods in which they are incurred.

Lease payments are apportioned between:

- A charge for the acquisition of the interest in the property, plant or equipment – applied to write down the lease liability, and
- A finance charge (debited to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement).

Property, plant and equipment recognised under finance leases is accounted for using the policies applied generally to such assets, subject to [depreciation](#) being charged over the lease term if this is shorter than the asset's estimated useful life (where ownership of the asset does not transfer at the end of the lease period).

Council tax is not required to be raised to cover depreciation or revaluation and [impairment](#) losses arising on leased assets. Instead, a prudent annual contribution is made from revenue funds towards the deemed capital investment in accordance with statutory requirements. Depreciation and revaluation and impairment losses are therefore substituted by a revenue contribution in the Police Fund balance, by way of an adjusting transaction within the [Capital Adjustment Account](#) in the Movement in Reserves Statement for the difference between the two.

### Operating Leases (as Lessee)

- Rentals paid under operating leases are charged to the Comprehensive Income and Expenditure Statement as an expense of the functions benefitting from use of the leased property, plant or equipment. Charges are made on a straight line basis over the life of the lease.

### Finance Leases (as Lessor)

- There are currently no finance leases as a lessor.

### Operating Leases (as Lessor)

- Rental income received under operating leases are credited to the other operating expenditure line within the Comprehensive Income and Expenditure Statement, except where the property has been classified as an investment property, in which case the income is shown in the financing and investment income and expenditure line.

## 14 Short-term Debtors

*Debtors reflect amounts owing to the Police and Crime Commissioner but not yet received at the end of the financial year.*

A breakdown of the amounts owing to the Commissioner as at 31 March 2021 is set out in the table below:

Short-term Debtors	PCC		Group	
	As at 31 March 2020 £000s	2021 £000s	As at 31 March 2020 £000s	2021 £000s
Trade Receivables	5,890	7,502	5,890	7,502
Prepayments/Payments in Advance	2,181	2,555	2,181	2,555
Other Receivable Amounts				
- Police Pensioners Prepayment	2,606	2,687	2,606	2,687
- Employees (accumulated compensating absences)	150	80	150	80
- Council Tax - Local Taxpayers (#)	2,764	3,472	2,764	3,472
- VAT Reimbursement	927	515	927	515
Less Impairment Allowance for Doubtful Debts:				
- Trade Receivables	(18)	(14)	(18)	(14)
- Local Taxpayers (#)	(1,239)	(1,567)	(1,239)	(1,567)
	<b>13,261</b>	<b>15,230</b>	<b>13,261</b>	<b>15,230</b>
Balances Owed From Chief Constable:				
- Re CC Share of External Creditors	9,530	13,493	0	0
- Re balance of Funding	5,155	5,605	0	0
<b>Total Debtors</b>	<b>27,946</b>	<b>34,328</b>	<b>13,261</b>	<b>15,230</b>

# The debtors in respect of Local Taxpayers represent the Commissioner's share of the debtors recorded by the six Cumbrian District Councils in respect of Council Tax. This figure is reduced by the Commissioner's share of their respective impairment allowance for doubtful debts. In a new requirement from 2018/19 the Commissioner must show the age profile of debtors in respect of local taxation. The table on the next page provides this analysis.

## Debtors for Local Taxation

The past due but not impaired amount for local taxation (council tax) can be analysed by age as follows:

Council Tax Debtors	PCC/Group	
	31 March 2020 £000s	31 March 2021 £000s
Less than Three Months	57	65
Three to Six Months	27	31
Six Months to One Year	377	551
less than One year	646	805
More than One Year	1,657	2,020
	<b>2,764</b>	<b>3,472</b>

Please note, in the above table some district councils have provided the split of debtors over the wider categories of: less than 3 months, 3 to 6 months, 6 to 12 months and over 1 year whilst others have simply provided figures for under and over 1 year.

## 15 Short-term Creditors

*Creditors reflect amounts owed by the Police and Crime Commissioner for goods and services received which had not been paid for at the end of the financial year.*

An analysis of the amounts owed by the Commissioner as at 31 March 2021 is set out in the table below:

Short-term Creditors	PCC		Group	
	As at 31 March		As at 31 March	
	2020 £000s	2021 £000s	2020 £000s	2021 £000s
Trade Payables	(3,916)	(6,234)	(3,916)	(6,234)
Receipts in Advance	(155)	(961)	(155)	(961)
Employees (accumulated compensating absences)	(3,809)	(5,687)	(3,809)	(5,687)
Council Tax - Local Taxpayers	(831)	(1,037)	(831)	(1,037)
Council Tax - District Councils	(744)	(1,526)	(744)	(1,526)
HMRC PAYE Amounts Due	(2,367)	(2,449)	(2,367)	(2,449)
	<b>(11,822)</b>	<b>(17,894)</b>	<b>(11,822)</b>	<b>(17,894)</b>
Balances Owed to Chief Constable:				
- Re CC Share of External & Employee Debtors	(4,927)	(5,317)	0	0
- Re balance of Funding	(6,781)	(9,270)	0	0
<b>Total Creditors</b>	<b>(23,530)</b>	<b>(32,481)</b>	<b>(11,822)</b>	<b>(17,894)</b>

## 16 Provisions

The Commissioner is able to maintain [provisions](#) to meet expected future liabilities. The Code of Practice on Local Authority Accounting advises that the value of any provisions be charged to the appropriate part of the Comprehensive Income and Expenditure Statement in anticipation of the liability having to be met in the future. The classification of provisions is consistent with the Code of Practice.

A brief description of the purpose of the individual provisions as at 31 March 2021 is provided below:

- Insurance liabilities – this provision has been established to meet a number of eventualities from ongoing claims which are not covered by external insurers. In particular, liability risks up to £100k per event (this figure was £25k until 1 November 2014 when the policy excess was increased from £25k to £100k) are retained by the Commissioner and met internally. The provision for insurance liabilities is subject to an actuarial review on a bi-ennial basis to determine the most appropriate level for the provision based on the circumstances at the time of the review.
- Legal Claims – this provision has been established to cover the potential costs relating to a number of legal claims that are currently ongoing.
- Employee Related – This provision was established in 2018/19 to cover the potential costs in relation to the capital ill health charge in respect of three cases where the constabulary was required to retire a police officer on ill health grounds. Whilst the initial decision was made in March 2019, a potential to appeal the decision meant that the ultimate cost would fall in to 2019/20. The provision has been utilised during 2019/20 and is now shown as having a nil balance.

The table below shows the movements during the year on each of the group provisions and the position as at 31 March 2021.

Provisions	Balance as at 01/04/20	Additional Provisions Made 2020/21	Amounts Used in 2020/21	Unused Amounts Reversed in 2020/21	Balance as at 31/03/21
	£000s	£000s	£000s	£000s	£000s
Insurance Liabilities	(362)	(95)	95	0	(362)
Legal Claims	(655)	(480)	102	0	(1,033)
<b>Total Provisions</b>	<b>(1,017)</b>	<b>(575)</b>	<b>197</b>	<b>0</b>	<b>(1,395)</b>

# Notes to the Accounts

The comparative information for year ended 31 March 2020 is as follows:

Provisions	Balance as at 01/04/19	Additional Provisions Made 2019/20	Amounts Used in 2019/20	Unused Amounts Reversed in 2019/20	Balance as at 31/03/20
	£000s	£000s	£000s	£000s	£000s
Insurance Liabilities	(279)	(210)	127	0	(362)
Legal Claims	(819)	(25)	145	44	(655)
Employee Related	(235)	0	234	1	0
<b>Total Provisions</b>	<b>(1,333)</b>	<b>(235)</b>	<b>506</b>	<b>45</b>	<b>(1,017)</b>

## Accounting Policy – Provisions

[Provisions](#) are made when an event has taken place that gives a legal or constructive obligation that probably requires settlement by transfer of economic benefits or service potential, and a reliable estimate can be made of the amount of the obligation. For instance, involvement in a court case that could eventually result in the making of a settlement or the payment of compensation.

[Provisions](#) are charged as an expense to the appropriate function line in the Comprehensive Income and Expenditure Statement in the year that awareness of the obligation arises, and are measured at the best estimate at the balance sheet date of the expenditure required to settle the obligation, taking into account the relevant risks and uncertainties. Details of provisions made during the year are shown below.

When payments are eventually made, they are charged to the provision carried on the Balance Sheet. Estimated settlements are reviewed at the end of each financial year where it becomes less than probable that a transfer of economic benefits will subsequently be required (or a lower settlement than anticipated is made), the provision is reversed and credited back to the relevant function.

Where some or all of the payment required to settle a provision is expected to be recovered from another party (e.g. from an insurance claim), this is only recognised as income for the relevant service if it is virtually certain that reimbursement will be received if the obligation is settled.

## 17 Financial Instruments

*Financial Instruments are contracts that give rise to a financial asset in one entity and a financial liability in another. The term covers both **financial assets** such as loans and receivables and **financial liabilities** such as creditors and borrowings.*

Under International Financial reporting Standards a full set of disclosure notes are required in respect of financial instruments. These notes for the PCC/Group are included in Section A of a separate technical appendix at Annex B on pages 101 to 106.

The disclosures include:

- The Categories of Financial Instrument
- Gains and Losses on Financial Instruments
- Fair value of Assets and Liabilities Carried at Amortised Cost
- Disclosure of the Nature and Extent of Risks Arising from Financial Instruments

## 18 Pensions

The PCC/Group participates in the Local Government Pension Scheme (LGPS) for Police Staff and three pensions schemes in respect of Police Officers. Under International Financial reporting Standards a full set of disclosure notes are required in respect of Pensions. These notes for the PCC/Group are included in a separate technical appendix at Annex C on pages 107 to 118.

The disclosures include:

- Details of the pension schemes
- A summary of accounting entries in respect of pensions
- Pensions assets and liabilities recognised in the balance sheet
- Reconciliation of the Fair Value of scheme assets
- Basis for estimating assets and liabilities
- A summary of principal assumptions used by the scheme actuary
- Sensitivity analysis in relation to pensions
- Impact on the Commissioner's Cash Flows

## 19 Usable Reserves

*Usable reserves result from the Commissioner's activities and are available to be spent in future years.*

In addition to the Commissioner's Police Fund, which the Commissioner aims to maintain at 3% of budgeted expenditure, the following reserves are maintained and accounted for in line with the Code of practice.

- [Capital Receipts](#) Reserve – this reserve is used to hold capital receipts until they are utilised to finance capital expenditure or reduce borrowing.
- Capital Grants Unapplied Account – this reserve is used to hold capital grants until they are utilised to finance capital expenditure.
- Capital Reserve – this reserve is a revenue backed earmarked reserve that has been set aside to fund capital expenditure.
- [Earmarked Reserves](#) - The Commissioner has a number of earmarked reserves that exist both to provide a [contingency](#) to cushion the effect of unexpected events and to provide a mechanism to build up funds to meet expected liabilities. The Commissioner's earmarked reserves have been formulated in conjunction with the [CIPFA](#) guidance on Reserves and [Provisions](#). Details of the earmarked reserves in existence and a brief description as to their purpose is included in note 8 to the accounts (see pages 53-54).

The movement in the Commissioner's Group and Single Entity Usable Reserves is detailed in the Movement in Reserves Statement (see pages 31 to 32), and the disclosure notes relating to Adjustments between the Accounting Basis and Funding Basis under regulations (Note 7) and Transfer to/from Earmarked reserves (Note 8).

### Accounting Policy - Reserves

Specific amounts are set aside as [reserves](#) for future policy purposes or to cover contingencies. Reserves are created by appropriating amounts out of the Police Fund Balance in the Movement in Reserves Statement. When expenditure to be financed from a reserve is incurred, it is charged to the appropriate function in that year to score against the Surplus or Deficit on the Provision of Services in the Comprehensive Income and Expenditure Statement. The reserve is then appropriated back into the Police Fund balance in the Movement in Reserves Statement so that there is no net charge against Council Tax for the expenditure.

Reserves are classified in the Balance Sheet and the Movement in Reserves Statement as either 'usable' (those that can be applied to fund expenditure or reduce local taxation) and 'unusable' (those held for technical accounting purposes). Under the Commissioner's funding arrangement to the Chief Constable all usable reserves are controlled by the Commissioner and recorded in the balance sheet of the Commissioner.

## 20 Unusable Reserves

*Unusable reserves derive from accounting adjustments and are not available to be spent.*

Certain reserves are kept to manage the accounting processes for [non-current assets](#), financial instruments, retirement and employee benefits and do not represent usable resources for the Commissioner.

### 20.a Revaluation Reserve

The [Revaluation Reserve](#) contains the overall gains made by the Commissioner arising from increases in the value of Property, Plant and Equipment and Intangible assets. The balance is reduced when assets with accumulated gains are:

- revalued downwards or impaired and the gains are lost,
- used in the provision of services and the gains are consumed through [depreciation](#), or
- disposed of and the gains are realised.

The Reserve records the unrealised net gain from the revaluation of non-current assets accumulated since 1 April 2007, the date that the reserve was created. Accumulated gains arising before that date are consolidated into the balance on the [Capital Adjustment Account](#). The balance is made up of individual credit balances associated with specific assets and will be equal to the difference between the current value net book value (NBV) and the historic cost NBV for all assets.

The movements on the reserve during 2020/21 and the previous year are set out in the table below:

Revaluation Reserve	PCC/Group 2019/20 £000s	PCC/Group 2020/21 £000s
<b>Balance at Start of Year</b>	<b>13,201</b>	<b>13,318</b>
Upward revaluation of assets	342	3,002
Downward revaluation of assets and impairment losses not charged to the Surplus/Deficit on the Provision of Services	(225)	(1,449)
Surplus or deficit on revaluation of non-current assets not posted to the Surplus/Deficit on the Provision of Services	117	1,553
<b>Balance at End of Year</b>	<b>13,318</b>	<b>14,871</b>

## 20.b Capital Adjustment Account

The [Capital Adjustment Account](#) (CAA) absorbs the timing differences arising from the different arrangements for accounting for the consumption of [non-current assets](#) and for financing the acquisition, construction or enhancement of those assets under statutory provisions. The Account is debited with the cost of acquisition, construction or enhancement as [depreciation](#), [impairment](#) losses and [amortisations](#) are charged to the Comprehensive Income and Expenditure Statement (with reconciling postings from the [Revaluation Reserve](#) to convert [fair value](#) figures to a historical cost basis). The account is credited with the amounts set aside by the Commissioner as finance for the costs of acquisition, construction and enhancement. The account contains revaluation gains accumulated on Property, Plant and Equipment before 1 April 2007, the date that the Revaluation reserve was created to hold such gains. Note 7 provides details of the source of all the transactions posted to the account apart from those involving the revaluation reserve.

The movements on the account during 2020/21 and the previous year are set out in the table below:

<b>Capital Adjustment Account</b>	<b>PCC/Group 2019/20 £000s</b>	<b>PCC/Group 2020/21 £000s</b>
<b>Balance at Start of Year</b>	<b>35,523</b>	<b>32,824</b>
Reversal of items relating to capital expenditure debited or credited to the Comprehensive Income and Expenditure Statement		
Charges for depreciation and impairment of non-current assets	(4,498)	(4,114)
Revaluation gains/(losses) on Property, Plant and Equipment	(1,151)	(610)
Amortisation of Intangible assets	(519)	(1,071)
	<b>(6,168)</b>	<b>(5,795)</b>
<b>Net written out amount of the cost of non-current assets consumed in the year</b>	<b>(6,168)</b>	<b>(5,795)</b>
<b>Capital financing applied in the year:</b>		
Capital grants and contributions credited to the Comprehensive Income and Expenditure Statement that have been applied to capital financing	821	66
Statutory provision for the financing of capital investment charged against the General Fund	486	608
Capital expenditure charged against the Police Fund	2,162	2,748
	<b>3,469</b>	<b>3,422</b>
<b>Balance at End of Year</b>	<b>32,824</b>	<b>30,451</b>

## 20.c Collection Fund Adjustment Account

The Collection Fund Adjustment Account manages the differences arising from the recognition of Council Tax income in the Comprehensive Income and Expenditure Statement as it falls due from Council Tax payers compared with the statutory arrangements.

The end of year balance on the account reflects the Commissioner's aggregate share of the Surplus/(Deficit) on the Collection fund operated by each of the 6 district councils (or billing authorities) that has yet to be distributed. The movements on the account during 2020/21 and the previous year are set out in the table below:

Collection Fund Adjustment Account	PCC/Group 2019/20 £000s	PCC/Group 2020/21 £000s
Balance at Start of Year	(50)	(50)
Amount by which council tax income credited to the Comprehensive Income and Expenditure Statement is different from council tax income calculated for the year in accordance with statutory requirements	0	(608)
<b>Balance at End of Year</b>	<b>(50)</b>	<b>(658)</b>

A further breakdown of the movement in year by district council, is provided in note 28 on page 88.

### Accounting Policy – Collection Fund

Council Tax is collected from local taxpayers by the billing authorities (district councils). The billing authorities in England are required by statute to maintain a separate fund, known as the **Collection Fund**, for the collection and distribution of amounts due in respect of Council Tax. The fund's key features relevant to accounting for Council Tax in the core financial statements of the billing authorities are:

- In its capacity as a billing authority the council acts as agent; it collects and distributes Council Tax income on behalf of the major preceptors (County Council and the Police and Crime Commissioner for Cumbria) and itself.
- While the Council Tax income for the year credited to the collection fund is accrued income for the year, regulations determine when it should be released from the collection fund and transferred to the general fund of the billing authority or paid out of the collection fund to major preceptors.
- Up to 2008/09 the SORP required the Council Tax income included in the Comprehensive Income and Expenditure Statement to be that which under regulation was required to be transferred from the collection Fund to the general fund of the billing authority. The Major precepting bodies were simply required to show the [precept](#) received from the billing authority during the year.

From the year commencing 1 April 2009, the Council Tax income included in the Comprehensive Income and Expenditure Statement for the year shall be the accrued income for the year. The difference between the income included in the Comprehensive Income and Expenditure Statement and the amount required by regulation to be credited to the collection fund shall be taken to the Collection Fund Adjustment Account and included as a reconciling item in the Movement in Reserves Statement.

Since the collection of Council Tax is, in substance, an agency arrangement, cash collected by the billing authority from Council Tax [debtors](#) belongs proportionately to the billing authority and the major preceptors. There will be therefore a debtor/creditor position between the billing authorities and each major preceptor to be recognised since the net cash paid to each major preceptor in the year will not be its share of cash collected from Council Taxpayers.

The Comprehensive Income and Expenditure Statement shows the share of cash collected in relation to Council Tax for the year. A transfer has been made to the collection fund adjustment account to record the amount due to/from the six districts (billing authorities) as at the year end. The debtors and [creditors](#) contained within the balance sheet now shows the share of Council Tax debtors (less an adjustment for bad and doubtful debts), Council Tax creditors, prepayments and a recognition of the amounts owed to or from the billing authorities.

## 20.d Accumulated Absences Account

The short-term accumulated absences account absorbs the differences that would otherwise arise on the Police Fund balance from accruing for compensated absences earned but not taken in the year, e.g. annual leave, flexi leave, time off in lieu and rest day entitlements carried forward at 31 March. Statutory arrangements require that the impact on the Police Fund Balance is neutralised by transfers to or from the Account.

<b>Accumulated Absences Account</b>	<b>PCC 2019/20 £000s</b>	<b>PCC 2020/21 £000s</b>	<b>Group 2019/20 £000s</b>	<b>Group 2020/21 £000s</b>
<b>Balance at Start of Year</b>	<b>(8)</b>	<b>(44)</b>	<b>(3,064)</b>	<b>(3,660)</b>
Settlement or cancellation of accrual made at the end of the preceding year	8	44	3,064	3,660
Amounts accrued at the end of the current year	(44)	(69)	(3,660)	(5,607)
Amount by which officer remuneration charged to the Comprehensive Income and Expenditure Statement on an accruals basis is different from remuneration chargeable in the year in accordance with statutory requirements	<b>(36)</b>	<b>(25)</b>	<b>(596)</b>	<b>(1,947)</b>
<b>Balance at End of Year</b>	<b>(44)</b>	<b>(69)</b>	<b>(3,660)</b>	<b>(5,607)</b>

### Accounting Policy - Employee Benefits payable during Employment

Short-term employee benefits are those due to be settled within 12 months of the year-end. They include such benefits as salaries, paid annual leave and paid sick leave, bonuses and non-monetary benefits (e.g. cars) for current employees and are recognised as an expense for functions in the year in which employees render service. An [accrual](#) is made for the cost of holiday entitlements, time off in lieu, flexi leave and rest days in lieu earned by employees but not taken before the year-end, which employees can carry forward into the next financial year. The accrual is made at the salary rate applicable at the balance sheet date. The employee accrual is then reversed out through the movement in reserves statement so that it is not charged against council tax.

## 20.e Pensions Reserve

The Pensions [Reserves](#) (LGPS and Police) absorb the timing differences arising from the different arrangements for accounting for post-employment benefits and for funding in accordance with statutory provisions. The Commissioner accounts for post-employment benefits in the Comprehensive Income and Expenditure Statement as the benefits are earned by employees accruing years of service, updating the liabilities recognised to reflect inflation, changing assumptions and investment returns on any resources set aside to meet the costs. However, statutory arrangements require benefits earned to be financed as the Commissioner makes employer's contributions to pension funds or eventually pays any pensions for which it is directly responsible. The debit balance on the Pension Reserve therefore shows a substantial shortfall in the benefits earned by past and current employees and the resources the Commissioner has set aside to meet them. The statutory arrangements will ensure that funding will have been set aside by the time the benefits come to be paid.

Pensions Reserve	PCC		Group		Group	
	LGPS Pensions		LGPS Pensions		Police Pensions	
	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21
	£000s	£000s	£000s	£000s	£000s	£000s
Balance at Start of Year	(1,384)	(1,177)	(54,038)	(63,207)	(1,296,300)	(1,203,170)
Remeasurement of the net defined pension benefit liability/asset	338	(102)	(3,570)	(7,745)	118,150	(222,690)
Reversal of items relating to retirement benefits debited or credited to the Surplus or Deficit on the Provision of Services in the Comprehensive Income and Expenditure Statement	(206)	(195)	(8,734)	(7,836)	(59,150)	(55,670)
Employer's pension contributions and direct payments to pensioners payable in the year.	75	89	3,135	3,983	34,130	34,370
<b>Balance at End of Year</b>	<b>(1,177)</b>	<b>(1,385)</b>	<b>(63,207)</b>	<b>(74,805)</b>	<b>(1,203,170)</b>	<b>(1,447,160)</b>

## 21 Related Party Transactions

The Commissioner is required to disclose material transactions with related parties – bodies or individuals that have the potential to control or influence the Commissioner or to be controlled or influenced by the Commissioner. Disclosure of these transactions allows readers to assess the extent to which the Commissioner might have been constrained in his ability to operate independently or might have secured the ability to limit another party's ability to bargain freely with the Commissioner.

### 21.a Chief Constable for Cumbria Constabulary

The Police and Crime Commissioner has direct control over the Chief Constable's finances, providing funding for all running costs and taking responsibility for funding of all pensions' liabilities. The Commissioner is responsible for setting the Police and Crime Plan. The Chief Constable retains operational independence and operates within the funding arrangement set by the Commissioner, to deliver the aims and objectives set out in the Police and Crime Plan.

### 21.b Central Government

Central government has effective control over the general operations of the Commissioner – it is responsible for providing the statutory framework within which the Commissioner operates and provides the majority of its funding in the form of grants. Grants received from government departments are set out in the Comprehensive Income and Expenditure Statement (page 29). Government Grants included within the Net Cost of Services are detailed in note 27 below, the extent to which these grants are outstanding at the end of the year is recorded in short-term [debtors](#) note 14.

### 21.c Members

The Commissioner has eight appointed Members, four who serve on the Joint Audit Committee and four who serve on the Ethics and Integrity Panel. These members are required to declare any direct financial relationship through outside bodies or companies with the Commissioner. No material transactions have been reported in respect of the 2020/21 financial year. The total members allowances paid in 2020/21 are shown in note 22.

### 21.d Officers and Employees

Employees of the Commissioner and senior officers and staff of the Constabulary were asked to declare any direct financial relationship through outside bodies or companies with the Commissioner. No material transactions have been reported in respect of the 2020/21 financial year.

### 21.e Other Public Bodies

The Commissioner's transactions with the Cumbria Local Government Pension Scheme (administered by County Council) are shown in the pension related disclosure notes included within the Technical Annex (Annex C) pages 107-118.

The amounts received in respect of council tax income from the six Cumbrian District Councils are detailed in note 28.

The Commissioner has included within the Comprehensive Income and Expenditure Statement his respective share of costs in relation to collaborative arrangements with other forces/councils. In particular these include:

- The PCC for Cheshire – North West Underwater Search Unit, Northwest Armed Policing Collaboration, Northwest Strategic Automatic Number Plate Recognition (ANPR) and Regional Emergency Services Network (ESN).
- The PCC for Merseyside – Regional Crime Unit, Regional Intelligence Unit, Prison Intelligence Unit, Technical Support Unit, Protected Persons Unit, Government Agency Intelligence Network (GAIN), Confiscation Unit, Regional Assets Recovery Team, Operational Security (OPSEY), Cyber Crime, Regional Fraud Team, Regional Insourced Forensic Science Services.

- The PCC for Lancashire – Regional Insourced Forensic Science Services and Learning & Development Collaboration which came to an end on 30 September 2019.
- Cumbria County Council – Shared Internal Audit Service.
- Durham Constabulary – ICT Collaboration in relation to development of systems.

## 22 Members Allowances and Expenses

The Code of Practice on Local Authority Accounting requires the disclosure of the total amount of members allowances paid in the year. This is set out in the table below together with a comparative figure for the previous year.

<b>Members Allowances</b>		<b>PCC/Group 2019/20 £000s</b>	<b>PCC/Group 2020/21 £000s</b>
Basic Allowance		22	47
Travel and Subsistence		7	2
		<b>29</b>	<b>49</b>
<b>Analysis by Type:</b>			
Joint Audit Committee		9	8
Ethics and Integrity Panel		7	7
Independent Custody Visitors		4	1
Misconduct Panel		9	33
		<b>29</b>	<b>49</b>

The above table includes expenses for the four appointed members of the Joint Audit Committee, the Ethics and Integrity Panel, misconduct panels together with travel allowances payable to independent custody visitors. The table above includes the total costs of members and these apply jointly between the Commissioner and Constabulary.

A full disclosure of allowances and expenses paid to individual members can be found on the Police and Crime Commissioners website at: <https://cumbria-pcc.gov.uk/finance-governance/allowances/>.

## 23 Disclosure of Remuneration for Senior Employees

The following tables set out the remuneration disclosures for Senior Officers and Relevant Police Officers whose salary is more than £50,000 per year. The first table provides the information for 2020/21 and the second provides comparatives for 2019/20.

The table below gives the PCC and Group information for 2020/21 in £000s.

Postholder Information Post Title	Note	Salary (including Fees & Allowances)	Expense Allowances	Termination Pay & Compensation for loss of office	Benefits in Kind	Other Payments (Police Officers Only)	Total Remuneration Excluding pension Contributions	Pension Contributions	Total Remuneration Including pension Contributions
<b>Shown in Single Entity Statements of Police &amp; Crime Commissioner</b>

### Notes:

- 1 Deputy Chief Constable (b) is seconded to the Police Officer Uplift Programme and associated costs are reimbursed by other forces.
- 2 The Director of Corporate Improvement was made voluntarily redundant on 28/02/21.
- 3 Superintendent Head of People (b) was temporarily promoted to the rank of ACC for the period 11/01/21 to 31/03/21.
- 4 The role of Chief Executive to the Commissioner is shared between two individuals each taking responsibility for six months of the year. For the other six month period each will act as Deputy Chief Executive.

The comparative PCC and Group figures for 2019/20 in £000s, are set out in the table below:

Postholder Information Post Title	Note	Salary (including Fees & Allowances)	Expense Allowances	Benefits in Kind	Other Payments (Police Officers Only)	Total Remuneration Excluding pension Contributions	Pension Contributions	Total Remuneration Including pension Contributions

<b>Total CC</b>		<b>1,014</b>	<b>28</b>	<b>2</b>	<b>11</b>	<b>1,055</b>	<b>260</b>	<b>1,315</b>
<b>Total Group</b>		<b>1,234</b>	<b>30</b>	<b>2</b>	<b>11</b>	<b>1,277</b>	<b>292</b>	<b>1,569</b>

## Notes:

- 1 The Assistant Chief Constable was promoted to ACC from Temporary ACC on 29/04/19.
- 2 Superintendent/Head of People (a) commenced employment with the Constabulary on 25/09/19.
- 3 Superintendent/Head of People (b) moved to be Superintendent TPA South on 08/10/19.
- 4 The role of Chief Executive to the Commissioner is shared between two individuals each taking responsibility for six months of the year. For the other six month period each will act as Deputy Chief Executive.

## 24 Employee Remuneration

The Code of Practice on Local Authority Accounting requires the disclosure of the number of employees whose remuneration, excluding pension's contributions, exceeded £50,000 and senior police officers (defined as those holding a rank **above** that of superintendent). This is set out in the table below in bands of £5,000:

Remuneration Band	2019/20				2020/21			
	PCC Police Staff	CC Police Staff	CC Snr Police Officers	Group Total	PCC Police Staff	CC Police Staff	CC Snr Police Officers	Group Total
£50,000 to £54,999	0	6	0	6	0	7	0	7
£55,000 to £59,999	0	1	0	1	0	1	0	1
£60,000 to £64,999	0	4	0	4	0	3	0	3
£65,000 to £69,999	1	3	0	4	1	5	0	6
£70,000 to £74,999	0	0	0	0	0	0	1	1
£75,000 to £79,999	2	0	0	2	0	1	0	1
£80,000 to £84,999	0	1	0	1	2	0	0	2
£85,000 to £89,999	0	3	1	4	0	3	1	4

£95,000 to £99,999	0	1	0	1	0	1	2	3
£100,000 to £104,999	0	0	0	0	0	0	0	0
£105,000 to £109,999	0	0	0	0	0	0	0	0
£110,000 to £114,999	0	0	1	1	0	0	0	0
£115,000 to £119,999	0	0	1	1	0	0	0	0
£120,000 to £124,999	0	0	0	0	0	0	2	2
£125,000 to £129,999	0	0	0	0	0	0	1	1
£130,000 to £134,999	0	0	0	0	0	0	0	0
£135,000 to £139,999	0	0	0	0	0	0	0	0
£140,000 to £144,999	0	0	0	0	0	0	0	0
£145,000 to £149,999	0	0	0	0	0	0	0	0
£150,000 to £154,999	0	0	0	0	0	0	0	0
£155,000 to £159,999	0	0	1	1	0	0	0	0
£160,000 to £164,999	0	0	0	0	0	0	1	1
£165,000 to £169,999	0	0	0	0	0	0	0	0
£170,000 to £174,999	0	0	0	0	0	0	0	0
£175,000 to £179,999	0	0	0	0	0	1	0	1
<b>Total</b>	<b>3</b>	<b>19</b>	<b>6</b>	<b>28</b>	<b>3</b>	<b>22</b>	<b>8</b>	<b>33</b>

In 2020/21 the remuneration for 171 Police Officers (108 in 2019/20) superintendent rank and below (who are not required to be disclosed in the above note under regulations) exceeded £50,000.

The table above includes those employees and senior police officers that are also required to be disclosed on a more detailed individual basis. Please see note 23 for more information.

## 25 Exit Packages/Termination Payments

The numbers of exit packages with total cost per band and a total cost of the compulsory and other redundancies are set out in the table below:

Exit package cost band (including special payments)	PCC/Group		PCC/Group		PCC/Group		PCC/Group	
	Number of Compulsory Redundancies		Number of other Departures Agreed		Total Number of Exit Packages by cost band		Total cost of exit packages in each band	
	2019/20 Headcount	2020/21 Headcount	2019/20 Headcount	2020/21 Headcount	2019/20 Headcount	2020/21 Headcount	2019/20 £000's	2020/21 £000's
£0-£20,000	1	3	3	0	4	3	42	10
£20,001 - £40,000	0	0	0	0	0	0	0	0
£40,001 - £60,000	0	0	0	0	0	0	0	0
£60,001 - £80,000	0	0	0	0	0	0	0	0
£80,001 - £100,000	0	0	0	0	0	0	0	0
£100,001 - £150,000	0	0	0	1	0	1	0	129
<b>Total</b>	<b>1</b>	<b>3</b>	<b>3</b>	<b>1</b>	<b>4</b>	<b>4</b>	<b>42</b>	<b>139</b>

During ~~2020/21~~ 2019/20 the contracts of a small number of employees were terminated incurring termination payments amounting to £139k (£42k in 2019/20). This amount is made up of exit packages paid in 2020/21.

The exit packages paid in 2020/21 amount to £139k (£42k in 2019/20). The exit packages can be further split into compensation for loss of employment £106k (£42k in 2019/20) and enhanced pension benefits £33k (£0k in 2019/20). The redundancies are as a result of the OPCC and Constabulary's change programme.

### Accounting Policy - Termination Benefits

Termination benefits are amounts payable as a result of a decision to terminate an individual's employment before the normal retirement date or an officer's decision to accept voluntary redundancy. These are charged (on an [accruals](#) basis) to the relevant service line in the Comprehensive Income and Expenditure Statement at the earlier of when the organisation can no longer withdraw the offer of those benefits or when the organisation recognises the costs for restructuring.

Where termination benefits involve enhancement of pensions, statutory provisions require the Police Fund balance be charged with the amount payable to the pension fund or pensioner in the year, not the amount calculated according to the relevant accounting standards. In the Movement in Reserves Statement, appropriations are required to and from the pensions reserve to remove the notional debits and credits for pension enhancement termination benefits and replace them with debits for the cash paid to the pension fund and any such amounts payable but unpaid at the year-end.

## 26 Audit Fees

In 2020/21 the Commissioner and Chief Constable incurred the following fees relating to external audit services provided by Grant Thornton UK LLP.

External Audit Fees	Group 2019/20 £000s	Group 2020/21 £000s
<b>Amounts Relating to The Police and Crime Commissioner</b>		
Fees payable to Grant Thornton UK LLP with regard to external audit services carried out by the appointed auditor.	29	33
	<b>29</b>	<b>33</b>
<b>Amounts Relating to The Chief Constable</b>		
Fees payable to Grant Thornton UK LLP with regard to external audit services carried out by the appointed auditor.	17	17
	<b>17</b>	<b>17</b>
<b>Other Services</b>		
Fees payable in respect of <i>other services</i> provided by Grant Thornton during	0	0
Rebate from Public Sector Audit Appointments in year.	(4)	0
<b>Total External Audit Fees for Year</b>	<b>42</b>	<b>50</b>

The above table shows the gross fees payable to the external auditor during the year. In 2019/20 rebates of audit fees of £3k for the PCC and £1k for the Chief Constable were received from Public Sector Audit Appointments.

The amounts in the table agree to the amounts recorded in the comprehensive income and expenditure statement. Since the accounts were prepared, Grant Thornton have advised that the proposed final external audit fee for 2020/21 will be £13k higher than the amount shown in the note above. Of this additional fee £10k relates to the Police and Crime Commissioner and £3k relates to the Chief Constable.

## 27 Grant Income

The Commissioner credited the following grants and contributions to the Comprehensive Income and Expenditure Statement in 2020/21.

Grant Income	PCC/Group	
	2019/20 £000s	2020/21 £000s
<b>Credited to Taxation and Non Specific Grant Income</b>		
Capital grants and contributions - General	372	163
Formula Funding (Home Office)	31,007	33,222
Council Tax Freeze & Local Council Tax Support Support (Home Office)	4,850	4,850

Police STAR Board Grant (Home Office)	0	20
Victims Services (Ministry of Justice)	576	893
Local Tax Income Guarantee Compensation (MHCLG)	0	383
Collaborations (Various)	269	286
	<b>2,727</b>	<b>8,748</b>
<b><i>Grants and Contributions - Other</i></b>		
NHS Funding (SASS)	343	315
Local Partnership	352	355
Youth Offending Team (Cumbria CC)	99	108
Safer Cumbria Delivery Board (PCC for Cumbria)	163	100
	<b>957</b>	<b>878</b>
<b>TOTAL</b>	<b>3,684</b>	<b>9,626</b>

## Accounting Policy - Government Grants and Contributions

Whether paid on account, by installments or in arrears, government grants and third party contributions and donations are recognised as due when there is reasonable assurance of:

- compliance with the conditions attached to the payments, and
- the grants or contributions will be received.

Amounts recognised as due are not credited to the Comprehensive Income and Expenditure Statement until conditions attached to the grant or contribution have been satisfied. Conditions are stipulations that specify that the future economic benefits or service potential embodied in the asset acquired using the grant or contribution are required to be consumed by the recipient as specified, or future economic benefits or service potential must be returned to the body making the grant or contribution.

Monies advanced as grants or contributions for which conditions have not been satisfied are carried on the balance sheet as [creditors](#). When conditions are satisfied, the grant or contribution is credited to the relevant function line (attributable revenue grants and contributions) or Taxation and Non-Specific Grants Income (non-ringfenced revenue grants and all capital grants) in the Comprehensive Income and Expenditure Statement.

Where capital grants are credited to the Comprehensive Income and Expenditure Statement, they are reversed out of the Police Fund Balance in the Movement in Reserves Statement. Where the grant has yet to be used to finance [capital expenditure](#), it is posted to the Capital Grants Unapplied reserve. Where it has been applied, it is posted to the [Capital Adjustment Account](#). Amounts in the Capital Grants Unapplied reserve are transferred to the Capital Adjustment Account once they have been applied to fund capital expenditure.

In accordance with the statutory responsibility of the Commissioner to maintain the Police Fund contained within the Police Reform and Social Responsibility Act 2011, all grants are recognised in the accounts of the Commissioner.

## 28 Income from Council Tax

*Precept- The demands made by the Police and Crime Commissioner on the district councils who are the billing authority in relation to the collection of council tax.*

The income from Council Tax for 2020/21 is received as precept from the six district councils as set out below:

Council Tax Income	Precept Paid 2020/21 £000s	PCC/Group Adjustment Re Debtors/ (Creditors) £000s	Income from Council Tax £000s
Allerdale District Council	8,230	(54)	8,176
Barrow Borough Council	5,282	(143)	5,139
Carlisle City Council	9,187	(169)	9,018
Copeland Borough Council	5,568	(49)	5,519
Eden District Council	5,456	10	5,466
South Lakeland District Council	12,047	(203)	11,844
	<b>45,770</b>	<b>(608)</b>	<b>45,162</b>

The comparative information for 2019/20 is as follows:

Council Tax Income	Precept Paid 2019/20 £000s	PCC/Group Adjustment Re Debtors/ (Creditors) £000s	Income from Council Tax £000s
Allerdale District Council	7,907	48	7,955
Barrow Borough Council	4,973	0	4,973
Carlisle City Council	8,753	(70)	8,683
Copeland Borough Council	5,334	13	5,347
Eden District Council	5,193	66	5,259
South Lakeland District Council	11,639	(57)	11,582
	<b>43,799</b>	<b>0</b>	<b>43,799</b>

## 29 Capital Expenditure and Capital Financing

*Capital expenditure can be defined as expenditure on the acquisition, construction or enhancement of non-current assets which adds to and not merely maintains the value of a non-current asset.*

The commissioner approves on an annual basis a capital programme for the Constabulary. The capital programme is fully funded for a four year period to tie in with the medium term financial forecast. The capital programme covers the routine cyclical replacement of ICT equipment and vehicles and also includes specific one off projects. Due to the cyclical nature of the majority of the capital programme, the programme is also modelled at a high level over a 10 year longer term horizon. The capital programme for 2019/20 was approved by the Commissioner at his Public Accountability Conference on 20 February 2020, papers for which can be found on the Commissioner's website.

The capital outturn report for 2020/21 was approved by the Commissioner on 2 June 2021 and can also be found on the Commissioner's website.

The total amount of [capital expenditure](#) incurred in the year is shown in the table below.

Capital Expenditure	PCC/Group	
	2019/20 £000s	2020/21 £000s
<b>Technology Schemes</b>		
Computer Hardware & Infrastructure	799	430
Mobility & Digitisation	25	24
Wide Area Network (WAN)	37	0
Control Room Futures	47	9
Emergency Services Network (ESN)	129	760
Other Technology Schemes	0	39
	<b>1,037</b>	<b>1,262</b>
<b>Vehicles Replacement Scheme</b>	<b>733</b>	<b>1,206</b>
<b>Building Schemes</b>		
Whitehaven Roof	0	26
Durranhill UPS	0	57
Heating, Ventilation & Colling Plant @ Durranhill	0	26
Eden Deployment Centre	3,348	0

Taser Expansion	0	68
	<b>109</b>	<b>169</b>
<b>Intangible Assets</b>	<b>1,104</b>	<b>50</b>
<b>Total Capital Expenditure</b>	<b>6,331</b>	<b>2,813</b>

## 29.a Capital Financing

The table below illustrates the resources used to finance [capital expenditure](#). Where capital expenditure is to be financed in future years by charges to revenue as assets are used by the Commissioner, the expenditure results in an increase in the [Capital Financing Requirement](#) (CFR), a measure of the capital expenditure incurred historically by the Commissioner that has yet to be financed. The CFR is analysed below:

Capital Financing Requirement	PCC/Group	
	2019/20 £000s	2020/21 £000s
Opening Capital Financing Requirement	19,348	22,210
<i>Capital investment</i>		
Property, Plant and Equipment	5,227	2,763
Intangible Assets	1,104	50
<i>Sources of Finance</i>		
Government grants and other contributions	(821)	(65)
Sums set aside from revenue:		
- Direct revenue contributions	(2,162)	(2,748)
- Minimum revenue provision	(486)	(608)
<b>Closing Capital Financing Requirement</b>	<b>22,210</b>	<b>21,602</b>
<i>Explanation of Movements in Year</i>		
Increase in underlying need to borrow (unsupported by government financial assistance)	(486)	(608)
Notional/Internal Borrowing	3,348	0
<b>Increase/(decrease) in Capital Financing Requirement</b>	<b>2,862</b>	<b>(608)</b>

## 30 Capital Commitments

The Commissioner has outstanding contractual commitments amounting to **£1,939k** in respect of a number of schemes from the 2020/21 capital programme (£1,076k in 2019/20).

Outstanding Capital Commitments	PCC/Group As at 31 March	
	2020 £000s	2021 £000s
Control Room Futures	318	175
Digital Policing	0	0
E Business	79	0
Vehicle Replacement	128	1,526
Case and Custody	0	38
CCTV and Cell Call (Durrhill)	26	0
Heating and ventilation plant	0	0
ICT Core Hardware	236	114
Eden Deployment Centre/Carpark	238	86
Other Capital Commitments	51	0
<b>Total</b>	<b>1,076</b>	<b>1,939</b>

## 31 Minimum Revenue Provision

Regulations 27 and 28 of the Capital Financing and Accounting Regulations 2003 require the Commissioner to make a provision from revenue for the repayment of any undischarged credit liabilities. This is referred to as the [Minimum Revenue Provision](#) (MRP). Additional voluntary contributions are permitted, which have the effect of reducing the Commissioner's [Capital Financing Requirement](#).

In line with the Capital Finance and Accounting regulations a Statement of MRP Policy was approved in February 2017 as part of the Treasury Management Strategy Statement. The policy states that MRP will be calculated using the regulatory method for debt incurred prior to 1 April 2008 and on the asset life basis for debt incurred after this date. In respect of PFI assets brought onto the balance sheet under the 2009 SORP, the MRP provision will match the annual principal repayment for the associated deferred liability.

The Minimum Revenue Provision charged for the year 2020/21 (and comparatives for 2019/20) is made up as follows:

<b>Minimum Revenue Provision</b>	<b>PCC/Group 2019/20 £000s</b>	<b>PCC/Group 2020/21 £000s</b>
<b>Minimum Revenue Provisions (MRP)</b>		
Core MRP	326	426
PFI MRP	160	182
<b>Total MRP for Year</b>	<b>486</b>	<b>608</b>

## 32 Accounting Standards that have been Issued but have not yet been Adopted

For 2020/21 the following accounting policy changes that need to be reported relate to:

- Definition of a Business: Amendments to IFRS3 Business Combinations.
- Interest Rate Benchmark Reform: Amendments to IFRS 9, IAS 39 and IFRS7.
- Interest Rate Benchmark Reform – Phase 2: Amendments to IFRS9, IAS 39, IFRS 7, IFRS 4 and IFRS 16.
- Implementation of IFRS 16 Leases. The aim of the standard is to provide increased visibility of lease commitments and to ensure more consistent financial reporting of leased assets. The current distinction between assets held under finance leases which go on the balance sheet and assets held under operating leases which are expensed in the CIES will largely be removed with most leases now being classified as finance leases and put on the balance sheet. The standard was originally due to be implemented on 1 April 2020 i.e. for the 2020/21 Accounts but this has now been postponed for 1 year so will come into effect for the 2021/22 Accounts. Under the new standard a right-of-use asset and lease liability will be recognised on the balance sheet. The depreciation of leased assets and interest on lease liabilities will go through the CIES. The process of collating information on leased assets is well underway but the resulting change in the balance sheet and CIES values is not yet known, however there should be a net nil impact on the Commissioners accounts as rental costs will be replaced with depreciation, MRP and interest charges at similar costs.

In the Financial Statements for 2022/23, the effect of the changes will be assessed and where necessary, the comparative figures restated.

## 33 Pension Challenge

### Legal Cases

The Chief Constable of Cumbria along with other Chief Constables and the Home Office currently has a number of claims in respect of unlawful discrimination arising from transitional provisions in the Police Pension Regulations 2015. The claims against the Police pension scheme (the Aarons case) had previously been stayed behind the McCloud/Sargeant judgement, but a case management was held in October 2019, with the resulting Order including an interim declaration that the claimants are entitled to be treated as if they had been given full transitional protection and had remained in their existing scheme after 1 April 2015. Whilst the interim declaration applied only to claimants, the Government made clear through a Written Ministerial Statement on 25 March 2020 that non-claimants would be treated in the same way.

On 16 July 2020, HM Treasury issued a consultation regarding transitional arrangements for public sector pensions to eliminate discrimination as identified through the McCloud/Sargeant cases. This consultation introduced a requirement for members to have been members of the scheme on or before 31 March 2012 and on or after 1 April to be eligible for remedy.

On 4 February 2021, HM Treasury issued their response to the consultation which confirmed the remedy arrangements set out in the consultation, and states that members would be given a choice as to whether to retain benefits from their legacy pension scheme, or their new scheme, during the remedy period (2015-2022). This choice will be deferred for members until retirement. As the findings of the original Employment Tribunal did not identify that the introduction of the new public sector pension schemes were discriminatory (rather it was the transitional provisions), the legacy schemes will be removed from April 2022 to be replaced by the new pension schemes originally introduced in 2015.

### Impact on pension liability

Allowing for all eligible members to accrue benefits from their legacy scheme during the remedy period would lead to an increase in the Police Pension Scheme liabilities. Scheme actuaries originally estimated the increase in scheme liabilities for the Chief Constable for Cumbria to be £54.63m. This was recognised in the 2018/19 accounts and covered benefits accrued to 31 March 2019. This past service cost was adjusted in 2019/20 to reflect the eligibility criteria for members set out in HM Treasury's consultation, this was recognised as a past service gain of £8.26m. Additionally in 2019/20, the estimated increase was a further £6.54m reflecting an additional years benefits from the remedy. In 2020/21, the estimated increase is a further £7.65m reflecting an additional years benefits from the remedy. Therefore the total disclosed cost of McCloud remedy, covering benefits accrued from 1 April 2015 to 31 March 2021 was £157.17m.

The impact of an increase in scheme liabilities arising from McCloud/Sargeant judgement will be measured through the pension valuation process, which determines employer and employee contribution rates. The next Police Pension valuation is due to be reported in 2023/24, although this timetable is subject to change.

The impact of an increase in annual pension payments arising from McCloud/Sargeant is determined through the Police Pension Fund Regulations 2007. These require a police authority to maintain a pension fund into which officer and employer contributions are paid and out of which pension payments to retired officers are made. If the police pension fund does not have sufficient funds to meet the cost of pensions in year the amount required to meet the deficit is then paid by the Secretary of State to the police authority in the form of a central government top-up grant.

### Compensation Claims

Claimants have lodged claims for compensation. Test cases for these claims are due to be heard by the Employment Tribunal in December 2021. Claims for financial losses are currently stayed as consideration is given to the HM Treasury consultation response. As at 31 March 2021, it is not possible to reliably estimate the extent or likelihood of these claims being successful, and therefore no liability in respect of compensation claims is recognised in these accounts.

# Police Officer Pension Fund Account

## Police Officer Pension Fund Account

This statement provides information on transactions on the Police Pension Fund Account for the 2020/21 financial year together with comparative information for 2019/20.

Police Officer Pension Fund Account	Group 2019/20 £000s	Group 2020/21 £000s

<b>Current Liabilities</b>		
Amount due to the Police & Crime Commissioner	(2,606)	(2,619)
	<b>0</b>	<b>0</b>

## Accounting Policies

The Police Pension Fund Accounts have been prepared in accordance with the requirements of the Police Pension Fund Regulations 2015 (SI 2015 No 445). The Pensions Fund Accounts are administered by the Chief Constable and have been prepared on an accruals basis.

## Operation of Police Pensions Schemes

Since 1 April 2015 the Chief Constable has operated three Pensions Schemes for Police Officers. These are unfunded schemes, meaning that there are no investment assets built up to meet the pensions liabilities, and cash has to be generated to meet actual pension payments as they fall due. The original Police Officer Pension scheme is known as the 1987 scheme. The second scheme was introduced in April 2006 with the intention that joint contributions of employers and employees would finance the full costs of pension liabilities. All Police Officers recruited from April 2006 onwards automatically become members of the 2006 scheme and the previous 1987 scheme was closed to new members. Officers who were members of the 1987 scheme were allowed by regulation to become members of the 2006 scheme if they wished. Members' contribution rates for 2020/21 and 2019/20 were between 11% and 12.75% for the 2006 scheme and between 14.25% and 15.05% for the 1987 scheme.

From 1 April 2015, a new pension scheme was introduced for Police Officers, known as the 2015 Scheme. The 2015 scheme is based on career average revalued earnings (CARE). All Police Officers recruited from 1 April 2015 will automatically become members of the new scheme and the two previous schemes (1987 and 2006) have been closed to new members from that date. Members of the two older police pension schemes will either be fully protected in those schemes, transfer to the new 2015 scheme on 1 April 2015, or will transfer on different tapering dates in the future subject to individual circumstances around age and length of service remaining. The members' contribution rates for the new scheme ranged between 12.44% and 13.78% in 2020/21 and 2019/20.

The financial statements for the Police Officer pension fund account do not take account of liabilities to pay pensions and other benefits after the period end. Details of the Chief Constable's long term pensions obligations can be found in the main accounting statements (see Balance Sheet page 33). Detailed disclosure notes regarding the Police Pension schemes can be found in the Technical Annex to the Statement of Accounts (Annex C Pensions on pages 107-118).

## Funding of Police Pension Schemes

In 2006/07 a new arrangement was established to fund Police Pensions. This revised arrangement is for both new and existing police officer schemes, but has no effect on the benefit structures of either scheme. The purpose of the change is to smooth fluctuations in costs, that would previously have been charged to the Chief Constable's Comprehensive Income and Expenditure Statement on a 'pay as you go basis', and to more clearly show the effect of the liability as opposed to current pension payments. Under the revised arrangements the liability for payment of police pensions is removed from the Chief Constable and replaced with an employers' contribution, currently set at 31% of pensionable pay, which, along with the employee contributions and any transfer values, is paid into the pensions account. The employees' and employer's contribution levels are based on percentages of pensionable pay set nationally by the Home Office and are subject to periodic revaluation by the Government Actuary's Department. Pensions are then paid from this account. The pensions account is balanced to nil annually, with any shortfall met by a top up from the Commissioner, or vice versa. However, the Home Office indemnify the Commissioner against any financial liability arising from a deficit on the Pension Account by providing a grant to the Commissioner equal to the Commissioner's top up. Similarly, any surplus on the Pension Account is ultimately repayable to the Home Office.

# Glossary of Terms

## Accruals

The concept that income and expenditure are recognised as they are earned or incurred, not when money is paid or received.

## Actuarial Valuation

A valuation of assets held, an estimate of the present value of benefits to be paid and an estimate of required future contributions, by an actuary, for example on behalf of a pension fund.

## Agency Costs

Services which are performed by or for another authority or public body, where the agent is reimbursed for the cost of the work done.

## Amortisation/Amortised Cost

The practice of reducing the value of assets to reflect their reduced worth over time. The term means the same as depreciation, though in practice amortisation tends to be used for the write-off of intangible assets, such as computer software.

## Budget

A statement of the Police and Crime Commissioner's plans in financial terms. A budget is prepared and approved by the Police and Crime Commissioner before the start of each financial year and is used to monitor actual expenditure throughout the year.

## Capital Adjustment Account

The CAA records the balance of resources set aside to finance capital expenditure (i.e. Capital Receipts, Minimum Revenue Provision (MRP), Direct Revenue Contributions (DRC) and Deferred Grants Account (DGA)) and also the consumption of resources associated with the historical cost of acquiring, creating or enhancing non-current assets over the life of those assets (i.e. depreciation/impairment).

## Capital Expenditure

As defined in section 16 of the Local Government Act 2003 and regulation 25 of the Capital Finance and Accounting Regulations 2003, but broadly expenditure on the acquisition of a non-current asset or expenditure which adds to and not merely maintains the value of an existing non-current asset.

## Capital Financing Requirement (CFR)

The CFR is a measure of the extent to which the Commissioner needs to borrow to support capital expenditure. It does not necessarily relate to the actual amount of borrowing at any point in time.

## Capital Receipt

Monies received from the sale of capital assets, which may be used to finance new capital expenditure or to repay outstanding loan debt as laid down within rules prescribed by Central Government. Capital Receipts cannot be used to finance revenue expenditure, with the exception that up to 4% of sale proceeds may be transferred to the General Fund to finance costs directly associated with the disposal of the asset.

## Cash and Cash Equivalents

Cash is represented by cash in hand and in bank accounts. Cash Equivalents include demand deposits with financial institutions which are highly liquid in that they are repayable without penalty on notice of not more than 24 hours.

## CC or Chief Constable

The Chief Constable for Cumbria Constabulary.

## CFO

The Joint Chief Finance Officer.

## CIPFA

The Chartered Institute of Public Finance and Accountancy. The main professional body for accountants working in the public services.

## Commissioner

The Police and Crime Commissioner for Cumbria.

## Componentisation

Identifying and depreciating the components of an asset separately if they have differing patterns of benefits relative to the total cost of the asset.

## Contingency

A sum set aside to meet unforeseen expenditure.

## Creditors

Amounts owed by the Police and Crime Commissioner for goods and services provided which had not been paid for at the end of the financial year.

# Glossary of Terms

## Debtors

Amounts owing to the Police and Crime Commissioner but not received at the end of the financial year.

## Depreciation

The measure of the wearing out, consumption, or other reduction in the useful economic life of a non-current asset, whether arising from use, passage of time or obsolescence through technological or other changes.

## De-minimis

In general the term means lacking in significance or importance. In terms of the accounts, a de-minimis limit is set for inclusion of projects in the capital programme, below this limit projects would be charged to revenue budgets.

## Direct Revenue Contributions (DRC)

Resources provided from the Police and Crime Commissioner's revenue budget to finance the cost of capital projects.

## Earmarked Reserves

Those elements of the Police Fund that have been set aside, "earmarked", for specific purposes.

## Fair Value

In accounting and economics, fair value is a rational and unbiased estimate of the potential market price of a good, service, or asset.

## Hedge Funds

A hedge fund is a pooled investment vehicle administered by a professional management firm, and often structured as a limited partnership/ limited liability company. Hedge funds invest in a diverse range of markets and use a wide variety of investment styles and financial instruments.

## Heritage Assets

A tangible asset with historical, artistic, scientific, technological, geophysical or environmental qualities that is held and maintained principally for its contribution to knowledge or culture.

## HMICFRS

Her Majesty's Inspectorate of Constabulary and Fire & Rescue Services who are a government agency responsible for monitoring the standards and performance of Constabularies and Fire and Rescue Services.

## Impairment/Impaired

A reduction in the value of a non-current asset below its carrying amount on the balance sheet.

## Investment Property

Property (land or building) held solely to earn rentals or for capital appreciation or both, rather than for operational reasons such as the provision of services.

## Leasing

A method of financing expenditure over a period of time. There are two main types of lease:

- Finance Lease - where the risks of ownership are transferred to the lessee and where the assets are recorded in the Police and Crime Commissioner's balance sheet at a current valuation.
- Operating Lease - where the risks of ownership stay with the leasing company and the annual rental charges are made via the Revenue Account.

## MHCLG

The Ministry of Housing, Communities and Local Government (formerly DCLG).

## Minimum Revenue Provision (MRP)

The minimum amount which must be set aside in the Revenue Account each year as a provision for credit liabilities.

## Non-current Assets

An asset, which will yield a benefit to the Police and Crime Commissioner for a period of more than one year.

## NPCC

The National Police Chiefs Council.

## PCC

The Police and Crime Commissioner for Cumbria.

## Pension actuarial gains and losses

For a defined benefit scheme, the changes in actuarial deficits or surpluses that arise because:

- events have not coincided with actuarial assumptions made for the last valuation (experience gains and losses) or
- the actuarial assumptions have changed.

# Glossary of Terms

## **Pension – current service costs**

The increase in the present value of a defined benefit's liabilities expected to arise from employee service in the current period.

## **Pension – defined benefit scheme**

A pension or other retirement benefit scheme other than a defined contribution scheme. The scheme rules define the benefits independently of the contribution payable, and the benefits are not directly related to the investments of the scheme. The scheme may be funded or unfunded.

## **Pension assets – expected rate of return**

For a funded defined benefits scheme, the average rate of return, including both income and changes in fair value but net of scheme expenses, expected over the remaining life of the related obligation on the actual assets held by the scheme.

## **Pension – interest costs**

For a defined benefit scheme, the expected increase during the period in the present value of the scheme liabilities because the benefits are one period closer to settlement.

## **Pension - past service costs**

For a defined benefit scheme, the increase in the present value of the scheme liabilities related to employee service in prior periods arising in the current period as a result of the introduction of, or improvement to, retirement benefits.

## **Police Objective Analysis (POA)**

The Police Objective Analysis (POA) is a model developed by the Home Office for analysing individual policing areas expenditure. It has been developed to support the need for understandable, accurate and consistent costing information to allow internal and inter-force comparisons.

## **Precept**

The demands made by the Police and Crime Commissioner on the district councils who are the billing authority in relation to the collection of council tax.

## **Private Equity Funds**

A private equity fund is a collective investment scheme used for making investments in various equity (and to a lesser extent debt) securities according to one of the investment strategies associated with private equity.

## **Provision**

An amount set aside to provide for a liability which is likely to be incurred, although the amount and date of that liability are uncertain.

## **Public Works Loan Board (PWLB)**

A Government agency which provides longer term loans to Local Authorities at interest rates which are only slightly higher than those at which the government itself can borrow.

## **Reserves**

An amount set aside for a specific purpose and carried forward to meet expenditure in future years. The Police Fund represents accumulated balances which may be used to support future spending.

## **Revaluation Reserve**

The revaluation reserve records the unrealised net gain from revaluation of non-current assets made after 1 April 2007. The balance is made up of individual credit balances associated with specific assets and will be equal to the difference between the current value net book value (NBV) and the historic cost NBV for all assets.

## **SERCOP**

The CIPFA Service Reporting Code of Practice. It was introduced as part of the Best Value Regime to bring about more consistent accounting treatment of costs and to facilitate more meaningful financial comparisons between Authorities.

## **The Commissioner**

The Police and Crime Commissioner for Cumbria.

## **TPA**

Territorial Policing Area.

# Annex A - Statement of Accounting Policies

## 1 General Principles

The Statement of Accounts summarises the financial transactions for the 2020/21 financial year and the financial position at the 31 March 2021. The Police and Crime Commissioner and [Chief Constable](#) are each required to prepare an annual Statement of Accounts (single entity) in accordance with the Accounts and Audit Regulations 2015 which stipulate that the statements be prepared in accordance with proper accounting practices. Those practices primarily comprise the [CIPFA/LAASAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21](#) (the Code) and the Service Reporting Code of Practice 2020/21 [SERCOP](#)), supported by International Financial Reporting Standards (IFRS) and statutory guidance issued under section 12 of the Local Government Act 2003. The [Commissioner](#) is responsible for combining the single entity statements to form a set of consolidated group accounts.

Where accounting policies relate to a particular note to the accounts, the accounting policy is shown alongside that note in a [grey text box](#), in the notes to the accounts section (see pages 36 to 92). Where an accounting policy is more generic and applicable across the statement accounts it is shown in this **Annex A**.

The accounting convention adopted in the Statement of Accounts is principally historical cost, modified by the revaluation of certain categories of [non-current assets](#).

**Historic Cost** – the amount the organisation originally paid for an item.

## 2 Accruals of Income and Expenditure

Activity is accounted for in the year that it takes place, not simply when cash payments are made or received. In particular:

- Revenue from contracts with service recipients, whether for services or the provision of goods, is recognised when (or as) the goods or services are transferred to the service recipient in accordance with the performance obligations in the contract.
- Supplies are recorded as expenditure when they are consumed – where there is a gap between the date supplies are received and their consumption, they are carried as inventories (stock) on the Balance Sheet.
- Expenses in relation to services received (including services provided by employees) are recorded as expenditure when the services are received rather than when payments are made.
- Interest receivable on investments and payable on borrowings is accounted for respectively as income and expenditure on the basis of the effective interest rate for the relevant financial instrument rather than the cash flows fixed or determined by the contract.
- Where income and expenditure have been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the Balance Sheet. Where debts may not be settled, the balance of [debtors](#) is written down and a charge made to revenue for the income that might not be collected.
- An [accrual](#) is made in respect of employee benefits payable during employment.

### Accrual Example 1

An electricity invoice received at the start of April will usually relate to the previous quarters electricity consumption (January to March) and as such this expenditure should be shown in the financial statements for the previous financial year. The invoice will actually be paid in the new year but the costs are charged to the previous year by way of an accrual.

### Accrual Example 2

The PCC/Constabulary insurance premiums are due on 1 November each year. The premium paid covers five months of the current financial year and seven months of the next. A prepayment is made in the accounts to move the cost of the seven months into the correct year.

# Annex A - Statement of Accounting Policies

## 3 Exceptional Items

When exceptional items of income and expense are **material**, their nature and value is disclosed separately, either on the face of the Comprehensive Income and Expenditure Statement or in the notes to the accounts, depending on how significant the items are to an understanding of financial performance.

**Materiality** – information is material if omitting it or misstating it could influence decisions that users make on the basis of the financial information about a specific reporting organisation. In other words, materiality is an organisation specific aspect of relevance based on the *nature or magnitude or both*, of the items to which the information relates in the context of the individual organisations financial statements.

## 4 Inventories

Inventories (stocks) are included in the balance sheet at historic cost. This is a departure from IAS2 which requires inventories to be valued at the lower of cost or net realisable value. However, for many stock items, particularly uniforms, net realisable value would be minimal and would not accurately reflect the value of holding these assets. As inventories predominantly relate to operational stocks (uniform and consumables) these are reported in the single entity statements of the Chief Constable and as such are consolidated into the Commissioner's group accounts.

## 5 Treatment of Overheads

The costs of overheads and support services are incorporated within the cost of Policing and Crime Services line of the comprehensive income and expenditure statement in accordance with the principles of the [CIPFA](#) Code of practice on Local Authority Accounting which requires costs to shown on the same basis as used for resource management.

Under the Commissioner's funding arrangement to the Chief Constable premises costs (except where they are directly attributable to the Chief Constable) are initially recorded in the accounts of the Commissioner and a recharge is made to the Chief Constable in the single entity Comprehensive Income and Expenditure Statements on an appropriate basis. Transport and supplies and services costs (except where they are directly attributable to the Commissioner) are initially recorded in the accounts of the Chief Constable and a recharge is made to the Commissioner in the single entity Comprehensive Income and Expenditure Statements on an appropriate basis.

## 6 Investment Property

Investment properties are those that are used solely to earn rentals and/or for capital appreciation. The definition is not met if the property is used in any way to facilitate the delivery of services or production of goods or is held for sale.

Investment properties are measured initially at cost and subsequently at [fair value](#), based on the amount at which the asset could be exchanged between knowledgeable parties at arm's length. As a non-financial asset, investment properties are measured at highest and best use. Properties are not depreciated but are revalued annually according to market conditions at the year-end. Gains and losses on revaluation are posted to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement. The same treatment is applied to gains and losses on disposal.

Rentals received in relation to investment properties are credited to the Financing and Investment Income line and result in a gain for the Police Fund Balance. However, revaluation and disposal gains and losses are not permitted by statutory arrangements to have an impact on the Police Fund balance. The gains and losses are

# Annex A - Statement of Accounting Policies

therefore reversed out of the police fund balance in the Movement in Reserves Statement and posted to the [Capital Adjustment Account](#) and (for any sale proceeds greater than £10,000) the [Capital Receipts](#) Reserve.

Investment assets are not generally held, however, in some circumstances where a surplus property no longer meets the strict criteria to be classified as “held for sale”, it must be classified as an investment property.

## 7 **Contingent Assets**

A contingent asset arises where an event has taken place that gives rise to a possible asset which will only be confirmed by the occurrence or otherwise of uncertain future events which cannot wholly be controlled. Contingent assets are not recognised in the Balance Sheet but disclosed in a note to the accounts where it is probable that there will be an inflow of economic benefits or service potential.

## 8 **Value Added Tax (VAT)**

VAT payable is included as an expense only to the extent that it is not recoverable from Her Majesty’s Revenue and Customs. VAT receivable is excluded from income.

# Annex B – Technical Annex – Financial Instrument Disclosures

***Financial Instruments** are contracts that give rise to a financial asset in one entity and a financial liability in another. The term covers both **financial assets** such as cash & equivalents, investments and debtors and **financial liabilities** such as creditors and borrowings.*

## Accounting Policy - Financial Instruments

### Financial Liabilities

Financial Liabilities are initially measured at [fair value](#) and carried at their [amortised cost](#). Annual charges to the Comprehensive Income and Expenditure Statement for interest payable are based on the carrying amount of the liability, multiplied by the effective rate of interest for the instrument. For borrowings this means that the amount presented on the Balance Sheet is the outstanding amount of principal repayable and interest charged to the Comprehensive Income and Expenditure Statement is the amount payable for the year in the loan agreement. Borrowing is undertaken and accounted for in accordance with the Treasury Management Strategy. Where a payable (i.e. creditor) has a maturity of less than 12 months the [fair value](#) is taken to be the principal outstanding, or the billed/invoiced amount. In accordance with the funding arrangement between the Commissioner and the Chief Constable, all financial instrument liabilities, including borrowing and trade creditors are held by the Commissioner.

### Financial Assets

Financial assets are classified based on a classification and measurement approach that reflects the business model for holding the financial assets and their cash flow characteristics. The Commissioner holds financial assets measured at amortised costs (investments, cash and cash equivalent and debtors).

Financial Assets are initially measured at [fair value](#) and carried at their [amortised cost](#). Annual credits to the Comprehensive Income and Expenditure Statement for interest receivable are based on the carrying amount of the asset multiplied by the effective rate of interest for the instrument. Where a debtor has a maturity of less than 12 months, the fair value is taken to be the principal outstanding or the billed/invoiced amount. Investments are shown in the balance sheet at cost. Where investments are fixed term deposits, accrued interest owing at the balance sheet date is included in the Comprehensive Income and Expenditure Statement.

Where assets are identified as [impaired](#) because of a likelihood arising from a past event that payments due under the contract will not be made, the asset is written down and a charge made to the Comprehensive Income and Expenditure Statement. An example of such a charge would be the adjustment made to the [debtors](#) balance as an impairment allowance for doubtful debts (see note 14, page 68).

Investments are undertaken and accounted for in accordance with the Treasury Management Strategy.

**Treasury Management** is defined as “the management of the organisation’s investments and cash flows, its banking, money market and capital market transactions; the effective control of the risks associated with those activities; and the pursuit of optimum performance consistent with those risks.’

The **Treasury Management Strategy** is produced on an annual basis and is approved by the Commissioner in February each year. The strategy contains and investment strategy which provides details of approved counterparties with whom investments can be placed and approved limits and durations for investment. The strategy also includes a borrowing strategy should this be needed and approved practices and procedures to be adopted by staff carrying out investment and borrowing activities.

In accordance with the Commissioner’s funding arrangement with the Chief Constable all financial instrument assets including investments and trade debtors are held by the Commissioner.

# Annex B – Technical Annex – Financial Instrument Disclosures

## B1 Categories of Financial Instrument

The following categories of financial instrument are carried in the balance sheet:

Categories of Financial Instruments	PCC Long Term		PCC Current		Group Long Term		Group Current

# Annex B – Technical Annex – Financial Instrument Disclosures

## B3 Fair value of Assets and Liabilities Carried at Amortised Cost

Financial liabilities and assets represented by loans, investments, cash and cash equivalents and long term [debtors](#) and [creditors](#) are carried in the balance sheet at amortised cost. Financial Instruments are to be measured at fair value. The fair value hierarchy must now be followed, whereby inputs used in the valuation techniques for assets and liabilities are prioritised to give the most accurate and appropriate measurement of fair value. Inputs to the valuation techniques in respect of assets and liabilities for which fair value is measured or disclosed in the authority's financial statements are categorised within the fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1 – unadjusted quoted prices in active markets for identical assets or liabilities
- Level 2 – inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly. For example, where the instrument is not actively marketed or measurable, quoted prices of similar assets or liabilities may be used.
- Level 3 – unobservable inputs for the asset or liability.

The fair valuation of the PCC's long term liabilities is classed as level 2 in the hierarchy.

The PCC reviews the categorisation of inputs when new formal valuations are undertaken and when trigger events occur (for example a major change of tenant of a rented property, or change in Bank of England base lending rate). The change in category is reported at the next financial year-end following the trigger event.

Their [fair value](#) can be assessed by calculating the present value of the cash flows that will take place over the remaining term of the instruments, using the following assumptions:

- No early repayment or impairment is recognised
- Where an instrument will mature in the next 12 months, carrying amount is assumed to be approximate to fair value
- The fair value of trade and other receivables is taken to be the invoiced amount.
- In calculating the fair value of the PFI a discount rate based on the returns of a zero coupon AA corporate bond have been used to discount future cash flows as this instrument has an estimated risk profile equivalent to that of public sector PFI schemes.

The fair values calculated are as follows:

Fair Values of Assets and Liabilities	PCC		PCC		Group		Group	
	31 March 2020		31 March 2021		31 March 2020		31 March 2021	
	Carrying Amount £000s	Fair Value £000s	Carrying Amount £000s	Fair Value £000s	Carrying Amount £000s	Fair Value £000s	Carrying Amount £000s	Fair Value £000s
<b>Financial Liabilities</b>								
Creditors	(23,530)	(23,530)	(32,481)	(32,481)	(11,821)	(11,821)	(17,894)	(17,894)
Other Long-term Liabilities (PFI/Finance Lease)	(4,585)	(7,631)	(4,403)	(7,567)	(4,585)	(7,631)	(4,403)	(7,567)
	<b>(28,115)</b>	<b>(31,161)</b>	<b>(36,884)</b>	<b>(40,048)</b>	<b>(16,406)</b>	<b>(19,452)</b>	<b>(22,297)</b>	<b>(25,461)</b>
<b>Financial Assets</b>								
Investments	6,010	6,010	4,300	4,300	6,010	6,010	4,300	4,300
Cash and Cash Equivalents	1,271	1,271	5,482	5,482	1,271	1,271	5,482	5,482
Debtors	27,947	27,947	34,329	34,329	13,261	13,261	15,231	15,231
	<b>35,228</b>	<b>35,228</b>	<b>44,111</b>	<b>44,111</b>	<b>20,542</b>	<b>20,542</b>	<b>25,013</b>	<b>25,013</b>

For financial assets the fair value is shown to be the same as the carrying amount as the investments are for a short period and there is no option to vary the amount or timing of repayment.

In relation to the PFI, the fair value exceeds the carrying amount as a result of the historically higher level of interest rates prevailing at the inception of the PFI arrangement and the interest rate implicit within the PFI agreement.

# Annex B – Technical Annex – Financial Instrument Disclosures

## B4 Disclosure of the Nature and Extent of Risks Arising from Financial Instruments

The Commissioner’s activities expose it to a variety of financial risks. The Commissioner’s annual Treasury Management Strategy focuses on these risks and seeks to minimise potential adverse effects on the resources available to fund services. The Commissioner provides written policies within its Treasury Management Strategy covering interest rate risk, credit risk and the investment of surplus cash balances. A copy of the current Treasury Management Strategy Statement can be found on the Police and Crime Commissioner’s website at: <https://cumbria-pcc.gov.uk/finance-governance/budget-finance/treasury-management/>

### B4 (i) Credit Risk

*Credit Risk is the possibility that other parties might fail to pay amounts due to the Commissioner.*

Credit risk arises from deposits with banks and financial institutions, as well as credit exposures to the Commissioner’s customers.

This risk is minimised through the application of policies set out in the annual Treasury Management Strategy Statement (TMSS), which requires that deposits are not made with financial institutions unless they meet identified minimum credit criteria, as laid down by Fitch and Moody’s ratings services. The annual TMSS (approved by the Commissioner in February 2020), also imposes a maximum sum to be invested with a financial institution located within each category.

The credit criteria as set out in the 2020/21 TMSS in respect of financial assets held by the Commissioner are detailed below:

Financial Asset Category	Minimum Criteria	Maximum Investment
Deposits with major UK and non UK Banks and Building Societies (Unsecured)	A- The maximum duration of investments varies according to the credit rating. The only exception to this is the NatWest bank (Currently BBB+) which provides the day to day banking services to the Commissioner	Maximum per institution or Group £2m (varies according to credit rating). Maximum of all deposits £20m.
Deposits with major UK and non UK Banks and Building Societies (Secured)	A- The maximum duration of investments varies according to the credit rating.	Maximum per institution or Group £4m (varies according to credit rating). Maximum of all deposits £20m.
Deposits with Money Market Funds/Pooled Funds	Long Term: AAA	£4m per fund. Maximum of all deposits £20m.
Deposits with Government (includes HM Treasury and other Local Authorities)	Not credit rated but are legally required to set a balanced budget.	£2m per Local Authority, unlimited with HM Treasury. Maximum of all deposits – No Limit.

## Annex B – Technical Annex – Financial Instrument Disclosures

The Commissioner's maximum exposure to credit risk in relation to its investments in banks, building societies and other Local Authority's of £4m at the balance sheet date cannot be assessed generally as the risk of any institution failing to make interest payments or repay the principal sum will be specific to each individual institution. Recent experience has shown that it is rare for such entities to be unable to meet their commitments. A risk of irrecoverability applies to all of the Commissioner's deposits, but there was no evidence at the 31 March 2021 that this was likely to happen.

The following analysis summarises the Commissioner's potential maximum exposure to credit risk, on other financial assets, based on experience of default and uncollectability over the last five financial years, adjusted to reflect current market conditions.

Potential Maximum Exposure to Credit Risk	Amount	Historical	Historical	Estimated	Comparative
	at 31/03/21 £000s	Experience of Default %	Experience Adjusted for Market Conditions at 31/03/21	maximum exposure to default and uncollectability £000s	Estimated maximum exposure at 31/03/20 £000s
Customers - Operational Debtors	9,487	0.03%	0.15%	14	18

The Commissioner does not generally allow credit for customers. At the 31 March 2021, £249k (3%) of the £9,487k balance of operational debt was past the due date for payment. This sum has increased from the balance at 31 March 2020 (£131k (2%) out of £7,565k overdue). The Commissioner has however reduced the bad debt provision as at 31 March 2021 to £14k following a detailed analysis of amounts outstanding to reflect the degree of uncertainty around a number of the longer standing debts. The past due amount can be analysed by age as follows:

Aged Debt Past Due Date	PCC/Group As at 31 March	
	2020 £000s	2021 £000s
Total Operational Debtors	7,565	9,487
<b>Aged Debt past its due date by:</b>		
1-30 Days	64	66
31-60 Days	19	25
61-90 Days	1	7
91-120 Days	0	31
91-180 Days	2	0
121-150 Days	0	42
181-360 Days	31	0
150+ Days	0	78
361+ Days	14	0
	<b>131</b>	<b>249</b>

During 2020/21 there has been a change in finance system and the new system categorises debt in different age groups which is why the figures above are not directly comparable.

### B4 (ii) Liquidity Risk

*Liquidity Risk is the possibility that the Commissioner might not have funds available to meet its commitments to make payments.*

As the Commissioner has ready access to borrowings from the PWLB and had at 31 March 2021 no actual external debt having financed a number of recent projects through internal borrowing, there is no significant risk that it will be unable to raise finance to meet its commitments under financial instruments. A more pertinent risk is that the Commissioner will be required to replenish a significant proportion of its internal borrowings at a time of unfavourable interest rates. At the balance sheet date the Commissioner is confident that it has adequate working capital principally as a result of its [reserves](#) to mitigate this risk. Nevertheless, prevailing money market rates are regularly monitored with a view to ensuring that long term debt financing decisions are made at the optimum time.

All operational liabilities are due to be repaid within one year.

### B4 (iii) Market Risk

*Market Risk is the possibility that financial loss might arise for the Commissioner as a result of changes in such measures as interest rates and stock market movements.*

The Commissioner is exposed to some risk due to movements in interest rates on its loans and investments. These potential risks are:

- An increase in interest rates will result in a fall in the fair value of borrowings and investments.
- A decrease in interest rates will result in a rise in the fair value of borrowings and investments.
- The value of interest received from investments will rise or fall depending on increases and decreases in interest rates and will impact on the Comprehensive Income and Expenditure Statement.

As all of the Commissioner's existing borrowings and investments have been placed at fixed rates, this risk has to a large extent been minimised.

Borrowings and investments are carried in the Balance Sheet at fair value, so nominal gains and losses on fixed rate financial instruments have no impact on the Comprehensive Income and Expenditure Statement.

The Commissioner carries out its borrowing and investment function within parameters set out in its Treasury Management Strategy, which assesses interest rate exposure to feed into the budget process. Forecasts are updated regularly throughout the year, which allows any significant changes to interest rates to be reflected in current budget projections.

The Treasury Management Strategy also advises on the limits for new variable and fixed-rate borrowing for the year. No new external borrowing was undertaken in 2020/21.

## C1 Pension Schemes

As part of the terms and conditions of employment of its officers and other employees, the Commissioner offers retirement benefits. Although these benefits will not actually be payable until employees retire, under IAS 19 the Commissioner must recognise its future commitment to make payments, which need to be disclosed at the time that employees earn their future entitlement. In addition, the financial statements should contain adequate disclosure of the costs of providing benefits and related gains/losses.

Individually there are three pension schemes for police officers (1987, 2006 and 2015 schemes) and a single scheme for police staff (LGPS). They are all defined benefits schemes.

- **The Local Government Pension Scheme (LGPS)**

Police staff, subject to certain qualifying criteria, are eligible to join the Local Government Pension Scheme (LGPS), which is a funded defined benefit scheme. Pensions and other retirement benefits are paid from the fund. Employers and employees make regular contributions into the fund so that the liabilities are paid for evenly over the employment period.

The LGPS for Police Staff employees, is administered by Cumbria County Council (outsourced to Lancashire County Council) – this is a funded defined benefit scheme, meaning that the Commissioner and employees pay contributions into a fund. Contributions are calculated at a level intended to balance the pensions liabilities with investment assets over the long term. In 2020/21 the Commissioner made a contribution of 18.4% of pensionable pay. The past service contribution made in 2016/17 of £1,478k (£47k for the PCC Single Entity Statements) represented a three year contribution (covering 2017/18, 2018/19 and 2019/20) which was made with the aim of reducing future contributions after the next actuarial review. For 2020/21 the past service contribution was £13k (made up of ££22k for the Chief Constable less a repayment for the PCC of £10k). The contribution rate will next be reviewed in March 2022 with a revised rate for employers contributions being applicable from April 2023.

- **The Police Pension Scheme**

There are currently three pension schemes in operation for Police Officers:

- The original Police Pension Scheme (PPS) is governed by the Police Pension Regulations 1987 (as amended) and related regulations that are made under the Police Pensions Act 1976.
- The new Police Pensions Scheme (NPPS) is also governed by the Police Pensions Act 1976 (as amended by the Police Pension Regulations 2006).
- The 2015 Police Pensions Scheme is a career average revalued earnings (CARE) scheme and is governed by the Police Pensions Scheme 2015 Regulations and related regulations under the Police Pensions Act 1976.

The Police Pension Scheme is an unfunded scheme (i.e. there are no investment assets built up to meet pension liabilities and cash has to be generated to meet actual pensions payments as they fall due). The funding arrangements for police officers' pensions changed on 1st April 2006. Before April 2006 pensions of former employees were required to be met on a 'pay as you go' basis with the cost charged to the revenue account. From April 2006 onwards the payments made during the year under the scheme are funded by a combination of employee contributions and employer contributions charged to the Comprehensive Income and Expenditure Statement with the remaining deficit funded by a specific Home Office grant. The employer's contribution rate was increased to 31% from 1<sup>st</sup> April 2019 and has remained at this level for 2020/21.

The Commissioner and employees pay contributions into a separate pensions fund account administered by the Commissioner from which on-going pensions liabilities are met. At the year-end any surplus or deficit on the pensions fund account is paid to or met by the Commissioner who then repays or is reimbursed by the Home Office.

## Annex C – Technical Annex – Pensions Disclosures

Also from 1st April 2006 legislation required the operation of a Pension Fund Account (shown on pages 93-94). The amounts that must be paid into and out of the fund are specified by regulation. Officers' contributions and the employer's contributions are paid into the pension fund account from which pension payments are made. Any shortfall on the pension fund account is met by a contribution from the Police Fund. A Home Office Grant is received to cover this contribution. Conversely, a surplus on the Pension Fund Account would result in a contribution to the police fund, which would then be recouped by the Home Office.

The principal risk to the Commissioner of the schemes are the longevity assumptions, statutory changes to the scheme, structural changes to the scheme (i.e. large-scale withdrawals from the scheme), changes to inflation, bond yields and the performance of the equity investments held by the scheme. These are mitigated to a certain extent by the statutory requirements to charge the Police Fund the amounts required by statute as described in the accounting policy.

**Defined Benefit Scheme** – A pension or other retirement benefit scheme where the scheme rules define the benefits independently of the contribution payable and the benefits are not directly related to the investments of the scheme. The scheme may be **funded** or **unfunded**.

A **funded** scheme is one where employers and employees pay contributions into a fund. The payments to pensioners are then made from this fund.

An **unfunded** scheme is one where there is no fund with investment assets built up to meet pension liabilities and cash has to be generated (from employee and employer contributions) to meet the actual pension payments as they fall due.

The Accounts show the full implementation of IAS19 (Employee Benefits). IAS19 requires organisations to recognise retirement benefits in the Comprehensive Income and Expenditure Statement when they are earned, even though the benefits will not be payable until employees retire. However, as statutory procedures require the charge against Council Tax to be based on the amounts payable to the pension fund during the year, an appropriation is made within the pensions reserve equal to the net change in the pensions liability recognised in the Comprehensive Income and Expenditure Statement. The neutralising entry is made through the Movement in Reserves Statement. The Balance Sheet discloses the net liability in relation to retirement benefits. The figures are based on the Actuary's latest estimate.

There are restricted powers to make discretionary awards of retirement benefits in the event of early retirements. Any liabilities estimated to arise as a result of an award to any member of staff are accrued in the year of the decision to make the award and are accounted for using the same policies as applied to the LGPS.

### Accounting Policy – Post-Employment Benefits – CIES Entries/Charges to the Police Fund

All accounting entries relating to the Comprehensive Income and Expenditure Statement and the subsequent liability for Police Officer pensions are wholly recorded in the single entity statements of the Chief Constable. For Police Staff all Comprehensive Income and Expenditure Statement entries and subsequent balance sheet liabilities in relation to pensions are apportioned between the Commissioner and the Chief Constable single entity statements by the scheme actuary. All accounting entries for Police Officer pensions and Police Staff pensions are consolidated in the group statements.

As outlined above, the single entity statements of the Commissioner do not include any accounting entries in relation to the Police Officer Pensions funds as these are wholly recognised by the Chief Constable. The group accounts however include all relevant accounting entries in relation to Police Pension Funds.

In relation to retirement benefits, statutory provisions require the Police Fund to be charged with the amount payable to the pension funds in the year, not the amount calculated according to the relevant accounting standards. In the Movement in Reserves Statement, this means that there are transfers to and from the Pensions reserve to remove the notional debits and credits for retirement benefits and replace them with debits for the cash paid to the pension fund and pensioners and any such amounts payable but unpaid at the year-end. The negative balance that arises on the Pension Reserve thereby measures the beneficial impact to the Police Fund of being required to account for retirement benefits on the basis of cash flows rather than as benefits are earned by employees.

The change in the net pensions liability is analysed into the following components:

- **Service cost comprising:**
  - **Current service costs** – the increase in liabilities as a result of years of service earned this year – allocated in the Comprehensive Income and Expenditure Statement to the services for which the employee worked.
  - **Past service cost** – the increase in liabilities as a result of a scheme amendment or curtailment whose effect relates to years of service earned in earlier years – debited to the Surplus or Deficit on the Provision of Services in the Comprehensive Income and Expenditure Statement as part of Non Distributed Costs.
  - Net interest on the net defined pension benefit liability (asset) – i.e. the net interest expense for the organisation – the change during the period in the net defined pension benefit liability (asset) that arises from the passage of time charged to the financing and investment income and expenditure line of the Comprehensive Income and Expenditure Statement – this is calculated by applying the discount rate used to measure the defined pension benefit obligation at the beginning of the period to the net defined pension benefit liability (asset) at the beginning of the period – taking into account any changes in the net defined pension benefit liability (assets) during the period as a result of contribution and benefit payments.
- **Remeasurements comprising:**
  - Return on plan assets-excluding amounts included in the net interest on the net defined pension liability (asset) – charged to the pensions reserve as Other Comprehensive Income and Expenditure.
  - Actuarial gains and losses – changes in the net pensions liability that arise because events have not coincided with assumptions (demographic and financial) made at the last actuarial valuation or because the actuaries have updated their assumptions –charged to the Pensions Reserve as Other Comprehensive Income and Expenditure.
- **Contributions paid to the pension fund**
  - Cash paid as employer’s contributions to the pension fund in settlement of liabilities; not accounted for as an expense.

## Annex C – Technical Annex – Pensions Disclosures

The cost of retirement benefits is recognised in the Cost of Services within the Comprehensive Income and Expenditure Statement when employees earn them, rather than when the benefits are eventually paid as pensions. However, the charge required to be made against Council Tax is based on the contributions in the year, so the real cost of retirement benefits is reversed out of the Police Fund in the Movement in Reserves Statement.

The following transactions have been made in the Group Comprehensive Income and Expenditure Statement and Movement in Reserves Statement during the year:

Pension Transactions in MiRS and Ci&Es	Group LGPS Funded Benefits		Group LGPS Unfunded Benefits		Group Police Scheme 1987 Scheme		Group Police Scheme 2006 Scheme		Group Police Scheme 2015 Scheme		Group Total Pension Schemes

# Annex C – Technical Annex – Pensions Disclosures

## C2 Pensions Assets and Liabilities Recognised in the Balance Sheet

Under IAS 19, the financial statements should reflect at [fair value](#) the assets and liabilities arising from an employer's obligation to pay retirement benefits and the funding provided.

The underlying assets and liabilities for retirement benefits attributable to the Group at 31 March 2021 are as follows:

Pension Scheme Assets & Liabilities	Group LGPS		Group LGPS		Group Police Scheme 1987 Scheme		Group Police Scheme 2006 Scheme		Group Police Scheme 2015 Scheme			
	Funded Benefits		Unfunded Benefits		2019/20		2020/21		2019/20		2020/21	
	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21
	£000s	£000s	£000s	£000s	£000s	£000s	£000s	£000s	£000s	£000s	£000s	£000s
Present value of the defined benefit obligation	(207,517)	(248,269)	(1,036)	(1,053)	(1,077,550)	(1,252,680)	(43,560)	(66,710)	(82,060)	(127,770)		
Fair value of plan assets	145,346	174,517	0	0	0	0	0	0	0	0		
<b>Net liability arising from defined benefit obligation</b>	<b>(62,171)</b>	<b>(73,752)</b>	<b>(1,036)</b>	<b>(1,053)</b>	<b>(1,077,550)</b>	<b>(1,252,680)</b>	<b>(43,560)</b>	<b>(66,710)</b>	<b>(82,060)</b>	<b>(127,770)</b>		

The liabilities in the above table show the underlying commitments that the Commissioner has, in the long run, to pay retirement benefits. The total group liability of £1.522b (£1.266b at 31 March 2020) has a substantial impact on the net worth of the Commissioner as recorded in the group balance sheet, resulting in a negative overall balance of £1.453b (£1.195b at 31 March 2020). The increase in overall liability has arisen as a result in a change in actuarial assumptions.

However, statutory arrangements for funding the deficit mean that the financial position of the group remains healthy, since:

- the deficit on the local government scheme will be made good by increased contributions and changes to benefits over the remaining working life of employees, as assessed by the scheme actuary
- finance is only required to be raised to cover police pensions when the pensions are actually paid.

The underlying assets and liabilities for retirement benefits attributable to the PCC Single Entity at 31 March 2021 are as follows:

Pension Scheme Assets & Liabilities	PCC LGPS		PCC LGPS	
	Funded Benefits		Unfunded Benefits	
	2019/20	2020/21	2019/20	2020/21
	£000s	£000s	£000s	£000s
Present value of the defined benefit obligation	(4,441)	(5,330)	(20)	(21)
Fair value of plan assets	3,284	3,966	0	0
<b>Net liability arising from defined benefit obligation</b>	<b>(1,157)</b>	<b>(1,364)</b>	<b>(20)</b>	<b>(21)</b>

## Annex C – Technical Annex – Pensions Disclosures

<b>Balance at End of Year</b>	<b>(207,517)</b>	<b>(248,269)</b>	<b>(1,036)</b>	<b>(1,053)</b>	<b>(1,077,550)</b>	<b>(1,252,680)</b>	<b>(43,560)</b>	<b>(66,710)</b>	<b>(82,060)</b>	<b>(127,770)</b>

*The liabilities under the LGPS and Police Pension Schemes have increased during 2020/21. The principal reason for these changes is in relation to changes in financial assumptions and experience gains and losses by the scheme actuaries.*

### Accounting Policy – Post-Employment Benefits – Measurement of Liabilities

The liabilities of each of the pension funds are included in the Balance Sheet on an actuarial basis using the projected unit method – i.e. an assessment of the future payments that will be made in relation to retirement benefits earned to date by employees, based on assumptions about mortality rates, employee turnover rates etc and projections of earnings for current employees. Liabilities are discounted to their value at current prices using a discount rate (see assumptions set out in C3 on page 117).

[Actuarial valuations](#) of the fund are undertaken every three years to determine the contribution rates needed to meet its liabilities.

## Annex C – Technical Annex – Pensions Disclosures

Reconciliation of present value of scheme liabilities for the PCC Single Entity:

Reconciliation of Scheme Liabilities	PCC LGPS Funded Benefits		PCC LGPS Unfunded Benefits	
	2019/20	2020/21	2019/20	2020/21

### C3 Basis for estimating assets and liabilities

Liabilities have been assessed on an actuarial basis using the projected unit credit method, which provides an estimate of the pensions that will be payable in future years using assumptions about mortality rates, salary levels, etc. William M Mercer, an independent firm of actuaries, has carried out the assessment on the Local Government Pension Scheme. These accounts are based on the [actuarial valuation](#) undertaken on 31 March 2021. The Police Scheme estimates have been compiled using a valuation model devised by the Government Actuaries Department.

#### Accounting Policy – Pensions Material Estimation Techniques

IAS 1 Presentation of Financial Statements requires disclosure of any estimation techniques applied, such that if a different methodology had been used a material variance in the amounts disclosed would have been arrived at. For pensions, the material estimation techniques used are as follows:

Where the projected unit method of valuation has been applied and which is consistent with the required methodology in IAS 19. This is a valuation method in which the scheme liabilities make an allowance for projected earnings. An accrued benefits valuation method is one in which the scheme liabilities at the valuation date relate to:

- the benefits pensioners and deferred pensioners (i.e. individuals who have ceased as active members but are entitled to benefits payable at a later date) and their dependents, allowing where appropriate for future increases, and
- the accrued benefits for members in service on the valuation date. The accrued benefits are the benefits for service up to a given point in time, whether vested or not.

For 2020/21 a discount rate based on the current rate of return on a high quality corporate bond of equivalent currency and term to scheme liabilities is to be used. The actuaries for the Police and LGPS pension funds have advised that discount rates of 2.00% for Police and 2.20% for LGPS are appropriate.

## Annex C – Technical Annex – Pensions Disclosures

The principal assumptions used by the actuary have been:

Actuarial Assumptions	LGPS		Police Scheme	
	2019/20	2020/21	2019/20	2020/21
<b>Mortality Assumptions:</b>				
Longevity at 65 for current pensioners:				
- Men	22.6	22.7	21.9	22.0
- Women	25.2	25.3	23.6	23.7
Longevity at 65 for future pensioners:				
- Men	24.2	24.3	23.6	23.7
- Women	27.1	27.2	25.2	25.3
Rate of Inflation (CPI)	2.10%	2.70%	2.00%	2.40%
Rate of increase in salaries	3.60%	4.20%	4.00%	4.15%
Rate of increase in pensions	2.20%	2.80%	2.00%	2.40%
Rate of Revaluation for CARE Pensions	-	-	3.25%	3.65%
Rate for discounting scheme liabilities	2.30%	2.20%	2.25%	2.00%

The estimation of the defined benefit obligations is sensitive to the actuarial assumptions set out in the table above. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period and assumes for each change that the assumption analysed changes while all the other assumptions remain constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be interrelated. The assumptions in longevity, for example assume that life expectancy increases or decreases for men and women. The estimations in the sensitivity analysis have followed the accounting policies for the scheme, i.e. on an actuarial basis using the projected unit credit method. The methods and types of assumptions used in preparing the sensitivity analysis below did not change from those used in the previous period.

### Sensitivity Analysis – LGPS Pension Scheme

Sensitivity Analysis - LGPS	PCC			Group		
	Impact on Defined Benefit Obligation £000s	Impact on Projected Service Cost for Next Year £000s	Impact on Projected Interest Cost for Next Year £000s	Impact on Defined Benefit Obligation £000s	Impact on Projected Service Cost for Next Year £000s	Impact on Projected Interest Cost for Next Year £000s
<b>Local Government Pension Scheme</b>						
Longevity (1 Year increase in life expectancy)	161	7	4	7,301	251	162
Rate of Inflation (increase by 0.1%)	114	5	3	5,478	221	122
Rate of Increase in Salaries (increase by 0.1%)	7	0	1	720	0	18
Rate for Discounting Scheme Liabilities (increase by 0.1%)	(112)	(5)	(1)	(5,360)	(212)	(50)
Change in 2020/21 investment Returns (increase by 1%)	0	0	0	0	0	(37)
Change in 2020/21 investment Returns (reduce by 1%)	0	0	1	0	0	39

## Annex C – Technical Annex – Pensions Disclosures

### Sensitivity Analysis – Police Pension Schemes

Sensitivity Analysis - Police Pensions	Police Pensions 1987 Scheme	Group Police Pensions 2006 Scheme	Police Pensions 2015 Scheme
	£000s	£000s	£000s
<b>Assumption Sensitivity</b>			
Longevity (1 Year increase in life expectancy)	43,000	2,000	4,000
Rate of Increase in Pensions (increase by 0.5%)	100,000	7,000	24,000
Rate of Increase in Salaries (increase by 0.5%)	9,000	4,000	0
Rate for Discounting Scheme Liabilities (increase by 0.5%)	(106,000)	(10,000)	(21,000)

The above tables include the impact of an increase in assumptions, a reduction in assumptions will produce approximately an equal and opposite change.

#### C4 Impact on the Commissioner's Cash Flows

The objectives of the LGPS scheme are to keep employers' contributions at as constant a rate as possible. The Commissioner has agreed a strategy with the scheme's actuary to achieve a funding level of 100% over the next 13 years. Funding levels are monitored on an annual basis. The latest triennial valuation took place during 2019/20 based on the position at 31 March 2019. The revaluation resulted in an increase in contribution rates from 15.4% to 18.4% which took effect from 1 April 2020.

The pension schemes will need to take account of the national changes to the scheme under the Public Pensions Services Act 2013. Under the Act, the LGPS and the other main existing public service schemes in England and Wales (which includes the Police Pension schemes) may not provide benefits in relation to service after 31 March 2014 (after 31 March 2015 for other main public service schemes e.g. Police Pension Schemes). This means that the LGPS ceased to be a final salary pension scheme from 31 March 2014 and the Police Pension Scheme ceased to be a final salary pension scheme from 31 March 2015. The Act provides for scheme regulations to be made within a common framework, to establish new career average revalued earnings schemes to pay pensions and other benefits to certain public servants.

The total group contributions expected to be made to the Local Government Pension Scheme by the Commissioner in the year to 31 March 2022 are £4,210k (PCC single entity £105k). Expected contributions for the Police Pension Scheme in the year to 31 March 2022 are £14,064k.

The weighted average duration of the defined benefit obligation for scheme members is shown in the table below:

Weighted Average Duration of the Defined benefit Obligation	2019/20 Years	2020/21 Years
<b>Pensions Scheme</b>		
Local Government Pension Scheme - PCC	21	21
Local Government Pension Scheme - CC	22	22

# Annex D – Annual Governance Statement

Police and Crime Commissioner for Cumbria

Annual Governance Statement 2020/21

## Police and Crime Commissioner for Cumbria

## Annual Governance Statement 2020/21

### INTRODUCTION AND SCOPE OF RESPONSIBILITIES

The Police and Crime Commissioner for Cumbria (the Commissioner) is responsible for ensuring business is carried out in accordance with the law and proper standards, that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

To meet this overall responsibility, the Commissioner has put in place proper arrangements for overseeing what we do. This is what we mean by governance. These arrangements are intended to make sure that we do the right things, in the right way and are fair, open, honest and accountable.

Our arrangements for governance are set out within a Code of Corporate Governance ('The Code'). The Code explains the way the Commissioner governs and the frameworks that are in place to support the overall arrangements for fulfilling his functions. The Code of Corporate Governance is published alongside the Annual Governance Statement on the Commissioner's website at [www.cumbria-pcc.gov.uk](http://www.cumbria-pcc.gov.uk)

This Annual Governance Statement (AGS) describes how the Commissioner has followed The Code. It also meets the requirements of regulation 6(1) and 10(1) of the Accounts and Audit Regulations 2015. The regulations say that we must prepare and publish an Annual Governance Statement (AGS) to accompany the Commissioner's statement of accounts.

### REVIEW OF EFFECTIVENESS

The key systems and processes that comprise the Commissioner's governance arrangements for 2020/21 have been guided by the seven core principles of Corporate Governance from the CIPFA/Solace Governance Framework applicable to the 2020/21 financial year. This is the standard against which all local government bodies, including police, should assess themselves.

The Commissioner has responsibility for conducting, at least annually, a review of the effectiveness of his governance framework including the system of internal control. The review of effectiveness is informed by the work of Chief Officers and senior managers who have

responsibility for the development and maintenance of the governance environment. The review process comprises:

- A cyclical detailed review of the key documents within the Commissioner's governance framework.
- A review of the governance arrangements in place to support each core principle, culminating in an updated Code of Corporate governance.
- A review of what has happened during the past year to evidence how the governance framework has been complied with.
- A review of the effectiveness of the arrangements for Internal Audit. The review is supported by consideration of the opinion of the Chief Internal Auditor, as set out in his annual report.
- A review of the effectiveness of the Joint Audit Committee against CIPFA guidance on Audit Committees for Police.

The following Annual Governance Statement demonstrates how the Commissioner has complied with the governance framework set out within the Code, to

meet of each of the seven governance principles. The Annual Governance Statement is published alongside the Statement of Accounts and also incorporates an action plan of planned future improvements for governance arrangements.

Principle A: Behaving with integrity, Demonstrating strong commitment to ethical values, and respecting the rule of law

#### REVIEW OF REQUIREMENTS AND ARRANGEMENTS

##### Ethics and Integrity

The Commissioner has in place arrangements for antifraud and corruption, which are reviewed on a 3-year cyclical basis, the last time being 2019/20 by the Governance Manager. The conclusions of this review were reported to the Joint Audit Committee in November 2019. The review concluded that arrangements are effective. Whilst fraud risk remains low within the OPCC

office, matters of integrity are re-enforced including enhanced arrangements in respect of recording gifts and hospitality and/or supplier contact. The anti-fraud and corruption arrangements also highlight mechanisms for confidential reporting and whistleblowing.

The process of commissioning services and awarding of grants present a potentially high risk with regards to integrity. Grant Regulations are in place to ensure that grant awards are made in a fair, transparent and consistent manner and that appropriate conditions are attached to safeguard public money. The grant regulations were reviewed in 2020 and the conclusions were reported to the Joint Audit Committee in November 2020.

A fraud risk assessment undertaken by the Joint Chief Finance Officer in compliance with International Financial Reporting Standards did not reveal serious concerns.

In respect of the arrangements for standards, ethics and integrity, one complaint has been received against the Commissioner with none against members of his office in relation to matters of integrity.

Despite the lockdown and tier restrictions of the COVID-19 pandemic, during 2020/21 the Ethics and Integrity Panel have carried out dip sample processes and thematic inspections for a number of different areas of business including, adherence with the Code of Ethics and Code of Conduct, public complaints, police misconduct and staff misconduct cases, all of which were found to support high standards of ethics and integrity. This enabled the Police and Crime Commissioner to fulfil his statutory duty to have oversight of the Constabulary's complaints and misconduct processes.

The scope of the Panel's work has developed during 2020/21 through the completion of six thematic inspections, in relation to Mental Health Detention, the use of Spit Guards, the use of TASER, the use of Stop and Stop/Search, the use of Body Worn Video, the Constabulary's Communications Centre and the issuing of Fixed Penalty Notices during the COVID-19 pandemic and lockdown or tier restrictions. The findings of the Panel's work, including recommendations, have been reported to the Commissioner's Public Accountability Conference to improve transparency and support public scrutiny and published on the OPCC's website.

The Joint Audit Committee received the 2020 annual report of the Ethics & Integrity Panel at their meeting on 23 June 2021 to support assurances in respect of arrangements for standards and ethical governance.

From 1 February 2020 the OPCC has been responsible for reviews of public complaints. It appointed an independent reviewing officer to carry out the reviews assessing the complaint handling and whether the outcome provided was reasonable and proportionate. During 2020 the OPCC received 32 requests for a review and by using an independent person provides openness and transparency to the process.

#### Respecting the rule of law

Officers within the OPCC receive updates on changes in legislation through their professional bodies, APACCE, PACTS, the APCC and from the government. The Commissioner provides funding to the Constabulary's Legal Services Department, who deliver support to the OPCC on legal matters.

During the year formal reviews have been undertaken of the role of the Commissioner's Chief Finance Officer and the Head of Internal Audit (HIA) and the Joint Audit

Committee against the respective CIPFA statements, which concluded there was full compliance.

## Principle B: Ensuring openness and Comprehensive stakeholder engagement

### REVIEW OF REQUIREMENTS AND ARRANGEMENTS

#### Openness

Openness is a key element of the role of the Commissioner and is not just about publishing information but listening and influencing as well. The Commissioner operates in accordance with the Elected Local Policing Bodies (Specified Information) Orders of 2011, 2012, 2013 and the guidance provided by the Information Commissioner. This is demonstrated, documented, and communicated through an information publication scheme that ensures the openness of all key information to the public. Examples of information that is published includes agendas and reports of public

meetings, guidance on the Commissioner's funds, freedom of information requests, financial information, and details of key decisions. The OPCC this year was awarded a transparency award from Policing Insight because of the website meeting their transparency criteria.

The Commissioner is highly committed to be the voice of the people of Cumbria. This is demonstrated through a wide range of engagement opportunities for the public to make contact, so their views are heard and responded to.

Despite Covid-19, a range of engagement opportunities have continued to be made available to the public. Examples include online focus groups with community groups, charities, and partners, online public surgeries and Facebook live, covering general and themed issues.

To promote openness and transparency, all Public Accountability Conferences have continued to be advertised to allow members of the press and public to attend, and all minutes arising from these meetings are published subsequently. An Annual Report, outlining the work of the Commissioner, is published.

In general terms, the engagement over the last five years has been comprehensive and had been flexible to develop to meet the changing needs of how people like to communicate and especially the impact of social media. Work has started on the new three-year communication and engagement strategy and this will be finalised following the PCC elections.

#### Engaging Comprehensively with Institutional Stakeholders

The Commissioner is actively engaged with a wide range of bodies to encourage a multi-agency approach to matters within his remit. For example, he chairs the Safer Cumbria Partnership Delivery Board, which is both the county-wide Community Safety Partnership and Criminal Justice Board for Cumbria, and the Blue Light Executive Board. In response to Covid-19, the Commissioner has also been a member of the county's Senior Outbreak Management Board and Cumbria Leaders Board, as well as maintained regular briefing and co-ordination meetings with County Members of Parliament (MPs) on the Covid response. The Commissioner continues to work with the Cumbria District Leaders to co-ordinate and manage Covid related matters.

During 2020/21 the Commissioner has continued to lead a range of partnership working initiatives to deliver his Commissioning Strategy and ensure arrangements are in place for victims support services. When Covid-19 was announced as a threat to public health in the UK, the Commissioner developed an emergency plan, detailing the measures and arrangements he and his office, put in place to support the Constabulary, partner agencies and local communities during the pandemic. The Commissioner was committed to ensuring that funding continued to flow to the services he commissions and pledged to explore every opportunity to secure additional funding to support organisations and victims during this difficult time. The Commissioner successfully secured over £1 million.

#### Engaging Stakeholders Effectively including Citizens and Service Users

The Policing Protocol Order highlights the accountability of the Police and Crime Commissioner to local people. This responsibility is delivered through the OPCC to ensure a wide range of engagement approaches so that the Commissioner actively listens, considers, and

effectively uses the view of the people of Cumbria to influence decisions.

The Commissioner is directly involved in all of the engagement activities and encourages the Commissioner's ethos of 'we, not they' to emphasis that communities, stakeholders and partners need to all work together to help deliver the Police and Crime Plan, to make Cumbria even safer.

During 2020/21, COVID-19 safe engagement included:

- Public surgeries online for members of the public to submit questions or speak to the PCC.
- Numerous focus groups from a diverse range of community groups.
- Media engagements set up over the phone, Microsoft Teams, Zoom or in person following COVID-19 regulations.
- Public consultation on setting the council tax precept and joint annual survey with the Constabulary on policing response to COVID-19.
- The Commissioner's website.
- Social media: Twitter, Facebook and Youtube.

- Video Blogs.
- Campaigns focussing on anti-social driving, rural crime, cyber-crime, and victims.

In February 2021, the PCC launched a Hate Crime survey to find out more about hate crime in Cumbria and identify gaps in victims' services for those affected.

The Commissioner, via online tools, met with various projects that had been supported by the Community COVID-19 Recovery Fund and Property Fund in supporting local community groups and often diversion activities for young people.

The Commissioner's calendar of events was due to reduce in March 2020 because of the pending PCC Elections. As a result of the COVID-19 pandemic, the PCC Elections were postponed until May 2021. However, due to the Government restrictions the Commissioner has not been undertaking face-to-face public engagement events but has undertaken a greater social media presence including Microsoft Teams meetings.

The Commissioner launched public consultation on the proposal to increase the policing part of the council tax precept for 2020/21. 69% of the respondents (642) agreed with raising council tax, which for a Band D property would represent an increase of 55p per month.

The OPCC logs all quality of service issues that are raised with the Commissioner, which are tracked and escalated with the Chief Constable where appropriate. This feedback is also used by the Constabulary to assess what lessons can be learned from examples of poor or unsatisfactory service, to make improvements. In summary, the engagement with all stakeholders allows the Commissioner to develop a vision for policing services, which in turn influences decisions and is incorporated within the Police and Crime Plan.

Principle C: Defining outcomes in terms of sustainable economic, social, and environmental benefits

REVIEW OF REQUIREMENTS AND ARRANGEMENTS

Defining Outcomes

The Police Reform and Social Responsibility Act (PR&SRA) requires the Commissioner to produce a Police and Crime Plan setting the vision and strategic direction for policing, crime reduction and community safety. A Police and Crime Plan was launched in November 2016, following the appointment of a new Police and Crime Commissioner for Cumbria. The Police and Crime Plan contains the police and crime objectives which all contribute toward achieving the Commissioner's overall aim 'to make

Cumbria an even safer place'. The priorities within the plan are:

- 1 Your Priorities For Cumbria
- 2 A Visible and Effective Police Presence
- 3 Tackle Crime and Anti-Social Behaviour
- 4 Ensure Offenders Face A Consequence For Their Crime
- 5 Always Put Victims First
- 6 Focus our Police on Online and Sexual Crime
- 7 Spend your Money Wisely
- 8 Supporting Young People

Following the outbreak of the Covid-19 pandemic and the subsequent postponement of the 2020 Police & Crime Commissioner (PCC) elections, the Commissioner determined that his priorities set out in the Police & Crime Plan would remain the same for 2020/21. To underpin this, the Commissioner developed an Action Plan, detailing the key work streams to be delivered during this period, as well as support the Constabulary and local communities across Cumbria during the Covid-19 emergency. Delivery of this Action Plan has continued to be in partnership with the statutory and third sector

partners, with the fundamental principle of 'We, Not They'. A comprehensive Accountability Framework is in place to assess how well the priorities are being achieved. In addition, where grants have been awarded by the Commissioner, the awards are made against agreed timescales and milestones for delivery and include success criteria or performance measures. In 2019/20, Internal Audit provided substantial assurance against the OPCC governance arrangements for monitoring the delivery of the Police & Crime Plan.

During 2020/21, the Police and Crime Panel has continued to facilitate effective scrutiny of delivery of the plan's objectives through quarterly online meetings. Thematic reports are presented to the Panel and follow terms of reference agreed in advance with the Panel Chair.

The Chief Constable is held to account for delivery of policing objectives through the Commissioners Public Accountability Conferences (PACs). These meetings are divided into two key areas of business: performance and finance. A reporting schedule for these meetings is agreed annually with the Constabulary and ensures the Commissioner monitors performance against a number of areas of policing identified in the Police and Crime Plan. During 2020/21 thematic reports provided assurance on

the Constabulary's response to the Covid-19 emergency, community policing, child sexual exploitation and abuse, and victims. In addition, reports were also received covering financial monitoring, crime data and ethics.

Her Majesty's Inspectorate of Constabulary and Fire & Rescue Services (HMICFRS) Inspections further support the Commissioner in holding the Chief Constable to account for performance of the force.

The Police and Crime Act 2017 conferred a duty on Commissioners to collaborate on the delivery of emergency services. In 2020/21 the Commissioner continued to chair the Blue Light Executive Board which manages shared areas of collaboration between the Police, Fire and Ambulance.

The Commissioning Strategy sets out the processes by which the Commissioner will identify and fund services to support his priorities. This was reviewed and updated in 2020/21.

#### Sustainable economic, social and environmental benefits

The Head of Partnerships and Commissioning ensures that the services commissioned are consistent with the PCC's

objectives as set out in the Police and Crime Plan. During 2020/21 the Commissioner has committed funding to projects and initiatives aimed at reducing offending and re-offending and supporting victims of crime. A significant proportion of that funding has been committed to supporting victims of domestic abuse and sexual violence during the pandemic.

To support procurement and commissioning activity, the OPCC & Constabulary have in place Joint Procurement Regulations and a Social Value Policy, incorporating a modern slavery statement.

**Principle D: Determining the interventions necessary to optimise the achievement of the intended outcomes.**

#### REVIEW OF REQUIREMENTS AND ARRANGEMENTS

##### Planning and Determining Interventions

During the course of 2020/21 the Commissioner's continued to hold the Chief Constable to account through his Public Accountability Conferences, held virtually.

Through this forum, the Commissioner received Constabulary assurance covering a range of areas of performance including Her Majesty's Inspectorate of Constabulary and Fire & Rescue Services (HMICFRS) performance recommendations. Crime data and police performance have also been regularly monitored. The Commissioner also scrutinised the Constabulary's response to the pandemic, including policing issues raised by the Government's emergency measures such as social distancing, travel and exercise.

The Commissioner has supported the Chief Constable in helping to keep the public safe during the coronavirus outbreak. At the start of the pandemic, the Commissioner developed an emergency plan detailing his response. Principally this involved working with the Chief Constable to understand the policing, crime and victim's needs as a direct result of Covid-19 and ensuring sufficient resource in place to enable the Constabulary to deal effectively with the virus. Initially this focused on ICT to facilitate remote working and the provision of personal, protective equipment to ensure the safety of officers and staff. Alongside this, the Commissioner secured additional funding helping organisations to provide an immediate

response to the pandemic to ensure victims continued to receive the vital support they need.

The Cumbria 'Out of Court (OoCDs) Disposal Scrutiny Panel' is chaired the Head of Partnerships and Commissioning. The OoCDs allow the police to deal quickly and proportionately with low level, often first time, offending, which can be appropriately resolved without a prosecution at court. The Panel seeks to increase the public's understanding and confidence in how the Constabulary uses OoCDs. During 2020, meetings have been held virtually. The Panel has met three times and scrutinised up to 90 randomly selected and anonymised cases. Following each Panel meeting feedback is given to officers and decision makers, which highlights good practice or contributes towards training and improvements to the Constabulary's policies.

During the last year, the Commissioner has continued to build on partnership working to address priorities in the Police and Crime Plan and respond to the Covid-19 pandemic. Projects have included:

- Working with Barrow Borough Council and Cumbria County Council to deliver the Safer Streets Project in

Salthouse Road, Barrow. This project has provided thousands of pounds worth of crime prevention measures, home security equipment and street lighting across the area.

- In partnership with the Constabulary to develop and procure a Cumbria Adult Out of Court Disposal Framework, known as 'The Pathways Programme'.
- Working with Get Safe Online to raise public knowledge of how to protect themselves against fraud and other crimes committed via the internet.
- Working with the Constabulary and through Safer Cumbria, to develop a better understanding of modern slavery and human trafficking across all partner agencies in Cumbria.
- Working with partners to deliver a Safer Driving Campaign, in response to what local residents said is one of their main local concerns. The campaign focuses on raising awareness of the Fatal Four (no seatbelts; speeding; distracted driving and drug/drink driving). In addition, delivery of a rural crime campaign, which has been influenced by current issues raised by the Constabulary and

National Farmers Union (NFU), with all partners working together to promote rural safety and prevent rural crime.

- Developing a co-commissioning agreement with National Probation Service to pilot a Women's Outreach Service to enable women in rurally isolated communities to access support services.
- Continued to lead on the implementation of the Quality Assessment Framework to review and improve how criminal justice and support agencies comply with national standards for victims of crime.
- The Commissioner continues to chair the Blue Light Collaboration Executive Leaders Board, which oversees joint work-streams between the Police, Fire and Ambulance.

During the pandemic the Commissioner has continued to work with partners to adapt existing mechanisms and structures so they can provide the provision of important services. He has administered the Ministry of Justice Extraordinary Covid-19 Fund to help local charities supporting victims of domestic abuse and sexual violence develop and adapt the delivery of their services during the

pandemic to ensure victims continued to receive the support they need. In June 2020, the Commissioner also launched his own Covid-19 Community Recovery Fund to provide immediate short-term financial assistance (of up to £5,000) to local charities, community and voluntary groups who were struggling to retain their offer of vital support to victims or looking at different ways of working to continue to achieve their aims. The fund closed in September 2020, with a total of £182,105 awarded to 43 groups, supporting youth outreach work, drug and alcohol recovery, vulnerable older people isolated due to the pandemic, counselling for young homeless people and much more.

The Commissioner has held regular one-to-one meetings with the Chief Constable during the pandemic, maintaining a good oversight of how the Constabulary has continued to work in partnership, locally, regionally and nationally, to provide an efficient and effective local response to Covid-19 and support Cumbria's recovery back to normal life. The Commissioner also liaises closely with the Chief Officer Team as the Constabulary chairs the Cumbria Strategic Co-ordination Group (SCG) that brings together key agencies to lead the county response to this national emergency. This enables the Commissioner to

have oversight of the multi-agency emergency plans developed to mitigate the impact of Covid-19 and to use this information to shape his communication with the public, and engagement with partners.

The Safer Cumbria Partnership remains the primary vehicle by which community safety and criminal justice are delivered and national contingency plans are translated into local actions. The OPCC has worked with the partnership to review its key strategic priorities to ensure they reflect the main issues, risks and threats likely to impact upon crime and community safety in Cumbria from 2021 onwards, especially in response to Covid-19. The Partnership's overarching Strategy has been updated to reflect these changes.

The policing grant settlement, received in December 2020 provided £3.4m in additional grant funding for 2021/22, principally to support the second phase of Operation Uplift; the Government's plan to recruit 20,000 new officers by 2023. The settlement also provided Commissioners with a degree of flexibility to levy above inflation council tax increases. Following a public consultation exercise, the Commissioner approved the 2021/22 budget in February 2021 based on a council tax

increase of 2.47%. The additional funding provided to the Constabulary will allow existing services to be maintained and has facilitated planned recruitment of an additional 60 officers in 2021/22. This is slightly above its target of recruiting 47 officers in the second phase of Operation Uplift and will put the Constabulary into a good position to achieve its overall recruitment target over the three years of the Uplift programme. In consultation with the Commissioner, the additional officers will be deployed by the Chief Constable to areas, which will support the Police and Crime Plan's principal objective of keeping Cumbria safe.

The Government grant funding provided for Operation Uplift and the increase in council tax for 2021/22, in combination with the public sector pay freeze for 2021, have eased the immediate financial pressure to deliver savings to balance the budget. Nevertheless, financial risks, specifically in relation to the Government's funding model post Operation Uplift, the cost of implementing the Emergency Services Network, pension cost pressures, any potential review of the Police Funding Formula and the negative impact of the Covid-19 pandemic on public finances mean that the Commissioner's financial prospects remain uncertain over the medium term.

Against this background, modelling of a range of financial scenarios, through the Medium Term Financial Planning process, have been undertaken jointly by the OPCC and Constabulary. This work has continued to inform wider business planning and develop savings proposals, as a means of balancing the budget over the medium term.

### Optimising Achievement of Intended Outcomes

All planning is undertaken in the context of a four-year medium term financial strategy, incorporating financial modelling, operational plans and capital strategies.

Following the outbreak of the Covid-19 and the subsequent postponement of the 2020 PCC elections Recommendations, the Commissioner determined that his priorities set out in the current Police & Crime Plan would remain the same for 2020/21 and developed a supporting Action Plan to provide a clear focus of activity for the PCC and partners' to keep victims safe and at the heart of the Criminal Justice system. During, the last year, the Commissioner has continued to:

- Provided restorative services, enabling victims to inform offenders of the impact a crime/antisocial behaviour incident has had on them.
- Worked with partners to develop proposals to pilot a Women's Outreach Service.
- Together with Cumbria County Council, continued to fund an Integrated Independent Domestic Abuse & Sexual Abuse Crisis Support Service.
- Provide a victim service, which integrates support for people who have experienced all types of crime working with the County Council, NHS and other local authority partners.
- Commissioned Victim Support to provide emotional, practical, advocacy and signposting services.
- Fund the Bridgeway Sexual Assault Support Services, including a therapeutic service to help people who have experienced sexual abuse and sexual assault to cope and recover.
- Fund a county-wide Domestic Abuse Perpetrator Programme "Turning the Spotlight" and "Step Up" for families experiencing child-on-parent or guardian violence.

- Provide financial support to numerous projects working with victims across Cumbria through his Property Fund and Covid-19 Community Recovery Fund.
- Support his Victims' Advocate to champion the cause for victims, and importantly, help drive up standards.

Principle E: Developing the entity's capacity, including the capability of its leadership and the individuals within it

### REVIEW OF REQUIREMENTS AND ARRANGEMENTS

#### Developing the entity's capacity

The key functions and roles of the Commissioner and the Chief Constable are set out in the Police Reform and Social Responsibility Act 2011 (PRSA). The PRSA also sets out the function and roles of statutory officers, namely the Monitoring Officer (Chief Executive) and the Chief Finance

Officer (CFO). The monitoring officer has specific legal, financial and governance duties in addition to a statutory responsibility for the lawfulness of decision making. The functions and roles set out in legislation and guidance are codified in the Commissioner's scheme of delegation.

During 2020/21 there have been no major changes to the structure of the OPCC. The OPCC is a small team and works together to address any issues arising from staff turnover.

The Chief Executive and Deputy Chief Executive rotate roles on a six monthly basis and this provides a cost effective approach as well as offering greater resilience. This arrangement continues to work well.

The Commissioner and Chief Constable have agreed to a shared Chief Finance Officer arrangement. A protocol and range of safeguards have been put in place to handle potential conflicts of interest arising from the joint role. A review of the operation of the Joint Chief Finance Officer arrangement has been conducted aligned to the CIPFA statement on the Role of the Chief Finance Officer. This exercise has shown full compliance and has not revealed any significant issues.

### Developing the entity's leadership

The Chief Executive receives support through the Association of Police and Crime Commissioner Chief Executives (APACCE), while the Chief Finance Officer continues to receive support from the Police and Crime Commissioner's Treasurer's Society (PaCCTS) and the associated technical information service. During 2020/21 the Chief Finance Officer and wider finance team have actively participated in the 'Achieving Financial Excellence in Policing' programme developed by the Chartered Institute of Public Finance and Accountancy. Central to this programme was a self-assessment of financial management involving consultation with a wide range of stakeholders. The result of the self assessment exercise was a grading of 4 out of 5. An action plan has now been developed to address areas for improvement.

During 2020/21 development activity for members of the Joint Audit Committee was limited by the pandemic, however sessions took place remotely in relation to treasury management and the Commissioner / Constabulary's budget and medium term financial forecast. A formal review of effectiveness of the Committee against the new CIPFA guidance for Audit

Committees evidenced compliance with CIPFA guidance and elements constituting best practice. The full report of the Committee can be found on the Commissioner's website at:

*<http://www.cumbria-pcc.gov.uk/governancetransparency/audit-committee.aspx>*

The four Independent Custody Visiting Panels operated on a revised basis as the Commissioner continued to suspend the scheme in its current format to protect all those involved and to prevent the spread of coronavirus. The OPCC has implemented a temporary arrangement that will still enable it to maintain oversight and assurance. This initially took the format of dip sampling of custody records on a weekly basis to assess; and now involves the volunteers speaking to detainees via the telephone to check on their welfare.

Developments during the year included:

- Virtual four monthly panel meetings on social media platforms to remain connected with the volunteers.
- Recruitment campaigns to attract new candidates have been placed on hold but contact with those who

have expressed an interest in joining the scheme has taken place during 2020.

- Delivery of on-going ICVA thematic training packages for existing members. In 2020/21 the theme was Children and Young People.
- Membership of the Independent Custody Visitors Association (ICVA).
- Attendance at virtual national conferences
- The Scheme Administrator joins the Constabulary's Custody Forum meetings to advise on the scheme and keep up to day with developments in custody.
- Under the Animal Welfare Scheme, monthly visits to Cumbria Constabulary and the Civil Nuclear Constabulary have been prevented from taking place due to the pandemic.
- Work is being undertaken to have an agreement with the Dogs Trust to provide Animal Welfare Visitors from the OPCC's scheme to carry out visits for them.

### Developing the capability of individuals within the entity

A comprehensive OPCC Training Plan has been developed. This sets out the overall training plan for the office and cascades into individual responsibilities.

During 2020/21 arrangements to support staff in tasking and performance have been embedded and are working well:

- Weekly tasking meetings attended by all staff.
- Monthly team meetings focused on policy and procedures.
- 12 weekly Strength Based Conversations and supporting 1-2-1s.

A monthly informal team catch-up also takes places where staff can share information about their role or themselves in a less formal environment.

Principle F: Managing risks and performance through robust internal control and strong public financial management

### REVIEW OF REQUIREMENTS AND ARRANGEMENTS

#### Managing risk

The Commissioner's Risk Management Strategy is reviewed on a 3-year cyclical basis and was reviewed in 2020. The conclusions of this review were reported to the Joint Audit Committee in March 2020. A high-level review is undertaken annually to ensure that the strategy reflects the current risk environment. Any changes are presented to the Joint Audit Committee. Risk has become embedded within the everyday work of the OPCC, staff continually assess risks within their roles. Both strategic and operational risks are reviewed on a quarterly basis and appropriate updates made. The Commissioner also provides scrutiny of the Constabulary's management of strategic risks.

The strategic risk register is updated on a quarterly basis and currently incorporates risks in relation to future funding, financial and operational risks relating to the implementation of the Emergency Services Network, commissioning of services with partner agencies for the Sexual Assault Referral Centre (SAR) from 2022 onwards.

The Commissioner's arrangements for Risk Management include procedures for Business Continuity, which are regularly reviewed and tested throughout the year. Throughout the COVID-19 pandemic the Business Continuity Plan has been utilised and where necessary updated to reflect the changing environment.

### Managing Performance

The Public Accountability Conferences facilitate arrangements for the scrutiny of quarterly thematic reports from the Constabulary around priority areas of policing including its response to the Covid-19 pandemic. In addition, six monthly performance reports provide an understanding of the demand placed on the Constabulary, how it addresses this demand and improves outcomes for victims. The Commissioner also receives updates on how the Constabulary is supporting victims of crime and antisocial behaviour and monitors

the implementation of actions and recommendations arising from inspections, including those undertaken by HMICFRS. This is supported by regular one to one meetings between the Chief Constable and Commissioner. Senior officers within the OPCC also attend Constabulary meetings to provide challenge and oversight of the arrangements that support decision making, delivery of key areas of business and the allocation of resources.

All Police and Crime Panel meetings are held in public, providing an open and transparent process for scrutinising the decisions and work of the Commissioner. During 2020/21 the Panel has placed a significant focus on monitoring delivery of the Police and Crime Plan and underpinning Action Plan, receiving thematic reports against these at each meeting. The Panel has also unanimously supported the Commissioner's proposed precept for 2021/22.

### Robust Internal Control

During 2020/21 a number of areas of the corporate governance framework have been subject to cyclical review and update. This process is supported by the professional advice of the Joint Audit Committee. During

2020/21 the Committee has considered and provided scrutiny of the Financial Regulations and Rules, the OPCC Grant Regulations and Procedures, the Commissioner's the Code of Corporate Governance, the Internal Audit Charter, the PCC Scheme of Delegation, the PCC's Arrangements for Anti-Fraud and Corruption activities, the Treasury Management Strategy, Statement of Accounts and Annual Governance Statement.

Internal controls have also been reviewed through the annual process of management assurances and the annual internal audit plan. As a result of the emergence of Covid-19 at the end of 2019/20, internal audit work had to be temporarily suspended, however, audits recommenced from June 2020 and, aside from one audit review, the full audit plan for 2020/21 has been delivered. This has allowed the Head of Internal audit to provide 'Reasonable Assurance' on the PCC's arrangements for risk management, governance and internal control. Overall, of the thirteen audits completed in 2020/21 covering the activities of the OPCC and Constabulary, 85% provided either substantial or reasonable assurance. Management have put in place to address all audit recommendations.

## Managing Data

The OPCC operates within the parameters of legislation governing the protection of data, ensuring that all data is appropriately stored and shared where necessary. Information is provided to members of the public under the Freedom of Information Act, with requests and responses published on the Commissioner's website. The Ethics and Integrity Panel provide additional assurance in this respect. Physical data within the OPCC is held securely with appropriate office and cabinet security provided. The OPCC is reliant upon Cumbria Constabulary in relation to some business functions and regular meetings are held to monitor compliance and developments. Regular meetings are held with the Constabulary to assess the continued compliance and any affect on the OPCC.

The OPCC has a joint Data Protection Officer with Cumbria Constabulary. Any identified data breaches notified to, or within, the OPCC are highlighted to the Joint DPO to assess and advise of any course of action to be taken.

## Strong Public Financial Management

At the Public Accountability Conference on the 19<sup>th</sup> February 2020, the Commissioner set the 2021/22 annual

budget and precept in the context of a medium-term financial strategy 2021-2025. In line with his duty to maintain the police force the Commissioner agreed a net revenue budget of £136.9m and a capital budget of £4.5m for the Chief Constable for the 2021/22 financial year and a funding arrangement that codifies the terms for that funding, including arrangements for financial management. The budget for 2021/22 also included £0.85m for the operation of the Office of the Police and Crime Commissioner and £2.2m funding within a commissioned services budget for victims, community safety and crime reduction.

During 2020/21 the Commissioner received regular financial reports including the revenue and capital budgets, in year monitoring of expenditure against budget and treasury management. A summary format of financial reports incorporating tables and graphs, wherever appropriate, is used to improve accessibility. Financial reports are published on the Commissioner's website.

The outcome of all audits of financial arrangements during 2020/21 was an opinion that provided either reasonable or substantial assurance.

Whilst Government grant funding provided for Operation Uplift and the increase in council tax for 2021/22, have eased the immediate financial pressures on the budget, financial sustainability over the medium term has remained on the Commissioner's strategic risk register. The potential impact of the pandemic on public finances has compounded existing uncertainties in relation to the Government's model for police funding beyond Operation Uplift, the funding of police pensions and the cost of the Emergency Services Network. A number of mitigation measures have been put in place including the detailed medium-term financial forecast, financial scenario planning, use of reserves and development of savings plans in conjunction with the Constabulary.

During 2020/21 the finance team have actively participated in the Achieving Financial Excellence in Policing programme promoted by the Chartered Institute of Public Finance and Accountancy. The central element of the initiative has been completion of a self-assessment of all aspects of financial management in the force involving consultation with a comprehensive range of stakeholders. The overall outcome of this work was positive, with a grading of 4 out of 5. An action plan to address areas for

improvement has been developed and will be progressed in 2021/22.

The Financial Management Code developed by the Chartered Institute of Public Finance and Accountancy came into effect from the 1<sup>st</sup> April 2020, with the aim of supporting good practice in financial management in local authorities including the policing sector. However, there is a recognition that due to the global pandemic, it may be difficult for authorities to demonstrate full-compliance during 2020/21. A self-assessment has been undertaken, which shows that the Commissioner largely meets the requirements of the code, however there are some areas where further work is required to ensure full compliance, most notably in relation to

- Demonstrating Value for Money.
- Balance sheet monitoring.
- Scheme of delegation and financial training
- Developing a financial resilience index.
- Application of formal options appraisal techniques.

A copy of the self-assessment is included as an appendix to the Annual Governance Statement (Appendix C).

## Principle G: Implementing good practices in transparency, reporting and audit to deliver effective accountability.

### REVIEW OF REQUIREMENTS AND ARRANGEMENTS

#### Implementing good practice in transparency

The Commissioner is committed to good transparency. Every opportunity is taken to demonstrate the good work that the Commissioner is involved with especially around the support to third-parties and commissioned services. This is further reinforced by publishing information from across the OPCC using different formats to allow people to access information in range of forms. The Commissioner's website remains the central place for all information to be accessed.

Throughout the year the Commissioner has published regular financial monitoring information in a short and succinct format that aims to increase the transparency

and accessibility of financial information. Further to this, the statutory financial statements for 2019/20, published in June 2020, include the Chief Finance Officers' Narrative Report. The Narrative report incorporates a more accessible summary of the statements and financial and performance information, alongside a business review.

#### Implementing good practices in reporting

The Commissioner's activities, performance and achievements have been published in an annual report, which can be found on the Commissioner's website at [www.cumbria-pcc.gov.uk](http://www.cumbria-pcc.gov.uk). It highlights the commissioner's key achievements during his fifth year in office, including:

- Continuation of funding for many community projects and support services to tackle the key priorities in the Police and Crime Plan and maintain vital services for victims.
- Setting the policing budget for 2021/22, maintaining the additional 45 police officers secured over the Commissioner's term of office and increasing by a further 111 police officers through the first two phases of the Government's Operation Uplift

Programme to recruit an additional 20,000 officers nationally.

- Improved youth engagement through the work of the Cumbria Youth Commission, Mini Police and Cadets.
- Prioritised and supported work to address the top public concerns raised with him namely, police visibility, safer driving, cyber-crime and rural crime.

An updated Code of Corporate Governance was adopted in line with the 2016 CIPFA/Solace Good Governance Framework for Local Government.

A review of the arrangements for internal audit have confirmed that the service meets the requirements of the Public Sector Internal Audit Standards (PSIAS) during 2020/21.

The Commissioner's unaudited financial statements for 2019/20 were released in June, with the final version published in November, meeting the deadlines for financial reporting, which were less stringent than in previous year in cognisance of the difficulties presented by the Covid-19 pandemic.

### Assurance and effective accountability

The external auditors gave an unqualified opinion for the Commissioner's Financial Statements for 2019/20, confirming that they provided a true and fair view of the financial position and that they have been properly prepared in accordance with the Code of Practice on Local Authority Accounting. The auditors further confirmed in their Annual Audit Letter that that the Commissioner had proper arrangements in place for securing economy, efficiency and effectiveness in the use of resources.

Implementation of recommendations arising from the internal audit plan, external audit reports and HMICFRS are monitored by the Joint Audit Committee.

The Ethics and Integrity Panel monitors and reports on some specific areas of activity, such as complaint handling and ethical issues. During the pandemic the Panel will provide assurance around the Constabulary's use of the emergency powers by conducting dip-samples of the Fixed Penalty Notices issued relating to Covid-19 restrictions and the Governments Guidelines.

### Impact of the Coronavirus Pandemic

During 2020/21 the work of the Office of the Police and Crime Commissioner has been impacted by the Covid-19 pandemic. For the most part staff have been working remotely, but have been able to continue business as usual. Meetings and engagement activities have been moved on-line and have operated effectively.

#### FURTHER INFORMATION

Further information on the arrangements for Governance can be found on the Commissioner's website under the tab headed Governance and Transparency.

## Appendix A Update on 2020/21 Development and Improvement Plan

Ref	B/fwd from 2019/20 (ref)	Action	Lead Officer	Implementation by	Action Update 31 October 2020	Revised Implementation Date	Status
<b>Core Principle A: Focusing on behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law.</b>							
CPA/1	N/A	Embed the Complaint Regulation changes within the OPCC and develop a review oversight procedure for the Ethics and Integrity Panel.	Head of Communications and Business Services	31st December 2020	The process is now well embedded into working practices. As part of their dip sample programme the Ethics Panel are looking at the review files on a six monthly basis. The first time was on 29 October 2020		Completed
<b>Core Principle B: Focusing on ensuring openness and comprehensive stakeholder engagement.</b>							
CPB/1	N/A	Establish a stronger link between individual QSPIs and work with the Constabulary to influence strategic actions with a view to improving the policing service in the county.	Head of Communications and Business Services	31st October 2020	All issues raised are fed into the local policing teams by the Staff Office to understand the issues and identify resolutions where possible. At Collaborative Board the OPCC Exec Team will raise re-occurring trends and themes to enable strategic input and oversight. Ethics Panel receive six monthly reports on complaints and QSPI's		Completed
CPB/2	CPB/2	Arising from the review of communications and engagement, develop an Engagement Strategy 2020-2024	Head of Communications and Business Services	30th June 2020	The PCC elections were postponed until May 21 as a result this action should be moved to June 2021.	30th June 2021	Ongoing (original timescale extended)
CPB/3	N/A	Develop a communications and engagement strategy for 20/21 that reflects the government COVID-19 restrictions at the time and embraces new ways of communicating. Timescale Oct 20	Head of Communications and Business Services	31st October 2020	This strategy has been completed however, it is a dynamic document due to the changes in government legislation as a result of COVID-19.		Completed
<b>Core Principle C: Focusing on defining outcomes in terms of sustainable, economic, social and environmental benefits</b>							
CPC/1	N/A	Produce a plan to outline what the Commissioner and the OPCC are doing to support communities and the Constabulary during the Covid-19 emergency.	Partnerships and Strategy Manager (Performance)	31st May 2020	A Plan has been developed outlining how the Commissioner and his team are supporting the countywide response to the Covid-19 pandemic. Chief Officers and the Police & Crime Panel have all been sighted on the Plan		Completed
CPC/2	N/A	Review the Commissioning Strategy and implement recommendations.	Partnerships and Strategy Manager (Performance)	30th September 2020	The Commissioning Strategy has been reviewed and approved by Executive Team (05.11.2020). No recommendations arising from this review		Completed
CPC/3	N/A	Review the Grant Regulations and implement recommendations.	Assistant Policy Officer	30th September 2020	The Grant Regulations have been reviewed and approved by Executive Team (05.11.2020). This review was informed by findings / recommendations arising from a recent internal review of our contract management arrangements conducted by the Partnerships & Commissioning Team.		Completed

## Appendix A Update on 2020/21 Development and Improvement Plan

Ref	B/fwd from 2019/20 (ref)	Action	Lead Officer	Implementation by	Action Update 31 October 2020	Revised Implementation Date	Status
<b>Core Principle D: Focusing on determining the interventions necessary to optimise the achievement of intended</b>							
CPD/1	N/A	Review the Accountability Framework to ensure that the Commissioner is assured that the Constabulary is responding to the Covid-19 pandemic in a measured and consistent way.	Partnerships and Strategy Manager (Performance)	30th June 2020	Although, the Accountability Framework has been reviewed and changes have been incorporated to ensure the Commissioner is assured that the Constabulary is responding to the pandemic, this revised framework has not yet been signed off by Executive Team. The Commissioner receives weekly updates from the Chief Constable in his one to one meetings, and has received further assurance through his Public Accountability Conferences (on 20th May 2020 and 6th October 2020).	30th November 2020	Completed
CPD/2	N/A	Continue to work in collaboration with Cleveland, Northumbria and Durham OPCCs and NHS England / NHS Improvement to jointly commission an integrated Sexual Assault Referral Centre (SARC) model across these areas.	Partnerships and Strategy Manager (Commissioning)	31st January 2021	The North East collaboration with NHS England has continued to evolve despite a failed procurement for an all aged SARC in Cumbria. A second procurement is due to take place in summer 2021.		carry forward 2021-2022
<b>Core Principle E: Focusing on developing the entity's capacity, including the capability of its leadership and the individuals within it.</b>							
CPE/1	N/A	Review the impact of the Covid-19 lockdown on the OPCC and implement recommendations to help shape the future of the organisation. Identify what has worked well, what can be improved and what the organisation can stop doing.	Chief Executive	30th September 2020	At the beginning of the pandemic the OPCC invoked its Business Continuity Plan and staff worked from home. The OPCC has changed the way in which it works and is still able to fulfil all its statutory and other functions. IT connection was initially a problem, however this has now been resolved and recently laptops have been upgraded which has provided greater connectivity.		Completed
CPE/2	CPE/2	Review contract management arrangements and implement recommendations.	Partnerships and Strategy Manager (Performance)	30th November 2020	The review has been completed and recommendations implemented. Subsequently, Internal Audit have given substantial assurance		Completed

## Appendix A Update on 2020/21 Development and Improvement Plan

Ref	B/fwd from 2019/20 (ref)	Action	Lead Officer	Implementation by	Action Update 31 October 2020	Revised Implementation Date	Status
<b>Core Principle F: Focusing on managing risks and performance through internal control and strong public financial management.</b>							
CPF/1	CPF/1	Scope the approach and put in place arrangements to support the development of the Police & Crime Plan 2020/2024 following postponement of the PCC elections in May 2020 and the outbreak of coronavirus.	Partnerships and Strategy Manager (Performance)	31st March 2021	Following postponement of the Police & Crime Commissioner elections, the Commissioner has determined that his priorities set out in the current Police & Crime Plan will remain in place for the next year. To support this, an Action Plan has been developed to sit alongside the Police & Crime Plan, setting out the key pieces of work that will be delivered during this extended period of time. The Action Plan is a living document that will be updated, as required, to ensure it reflects emerging trends and issues arising both locally and nationally from the Covid-19 pandemic. It is also possible, following Police & Crime Commissioner elections in May 2021, that the lifespan of the Action Plan is extended to drive business until March 2022.		Completed
CPF/2	N/A	Develop a new Covid-19 Fund to assist voluntary and community groups to either carry on providing existing services or launch new projects to help people during the Covid-19 lockdown period or afterwards when restrictions are relaxed.	Partnerships and Strategy Manager (Performance)	30th June 2020	At the start of June 2020, the Commissioner launched the Covid-19 Community Recovery Fund to provide short-term financial assistance of up to £5,000 to local charities, community and voluntary groups to help them to continue to offer vital support to victims or to look at different ways of working to continue to achieve their aims. The fund ended on the 30th September 2020 but those in receipt on the funding have until 31st March 2021 to spend the money they received in its entirety.		Completed
CPF/3	N/A	Implement the revised Safer Cumbria governance structure and work collaboratively to deliver its overarching strategy and joint initiatives.	Partnerships and Strategy Manager (Performance)	31st July 2020	The revised Safer Cumbria governance structure commenced April 2020. The overarching strategy was presented at the Safer Cumbria Board in August 2020 and will provide strategic direction for the Partnership to 2025.		Completed

Appendix B 2021/22 Development and Improvement Plan

Ref	B/fwd from 2020/21 (ref)	Action	Lead Officer	Implementation by
<b>Core Principle A: Focusing on behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law.</b>				
CPA/1		Develop a succession plan to ensure resilience and continuity of the membership and skills of the Ethics & Integrity Panel.	Governance Manager	28 February 2022
<b>Core Principle B: Focusing on ensuring openness and comprehensive stakeholder engagement.</b>				
CPB/1	CPB2	Develop a communications and engagement strategy for 2021-24	Communications and Engagement Officers.	30 June 2021
<b>Core Principle C: Focusing on defining outcomes in terms of sustainable, economic, social and environmental benefits</b>				
CPC/1		Work with the newly elected Police & Crime Commissioner to develop a new Police & Crime Plan for 2021-2024	Partnership & Strategy Manager	31 December 2021
<b>Core Principle D: Focusing on determining the interventions necessary to optimise the achievement of intended outcomes.</b>				
CPD/1		Develop a holistic approach for women services through the Women Centres.	Project Manager	31 March 2022
CPD/2		Working with the Constabulary to reduce reoffending through the implementation of an Out of Courts Disposal Framework through the Pathways project.	Project Manager	31 March 2022
CPD/3		Continue to deliver the Government's policy around Safer Streets	Safer Streets Co-ordinator	31 March 2022
CPD/4		Develop and commission an intervention for perpetrators of Hate Crime.	Partnership & Strategy Manager	31 October 2021
CPD/5	CPD/2	Continue to work in collaboration with Cleveland, Northumbria and Durham OPCCs and NHS England / NHS Improvement to jointly commission an integrated Sexual Assault Referral Centre (SARC) model across these areas.	Partnerships and Strategy Manager	31 December 2021

Appendix B 2021/22 Development and Improvement Plan

Ref	B/fwd from 2020/21 (ref)	Action	Lead Officer	Implementation by
		<b>Core Principle E: Focusing on developing the entity's capacity, including the capability of its leadership and the individuals within it.</b>		
CPE/1		Internal Audit of the OPCC's Agile Working arrangements.	Governance Manager	30 September 2021
CPE/2		Implement the recommendations from the 2021 PCC review	Chief Executive	31 March 2022
		<b>Core Principle F: Focusing on managing risks and performance through internal control and strong public financial management.</b>		
CPF/1		Review of governance structure and processes in preparation for the outcome of PCC Reviews.	Governance Manager	31 December 2021
CPF/2		Consider the implications of local government re-organisation on the Office of the Police & Crime Commissioner and make recommendations to the Police & Crime Commissioner.	Chief Executive	31 August 2021
CPF/3		Develop partnership arrangements with the Youth Endowment Fund to ensure access to future funding streams that helps to prevent the criminalisation of children	Partnership & Strategy Manager	31 March 2021
CPF/4		Complete a self-assessment against the CIPFA Good Governance Guide for the Safer Cumbria Partnership to drive recommendations for improvement	Safer Cumbria Co-ordinator	30 November 2021

## Appendix C CIPFA Financial Management Code Self-Assessment

Question	Answer	RAG	Areas for Improvement
Does the authority have a clear and consistent understanding of what value for money means to it and to its leadership team?	We have clear references to achieving VFM in the annual financial strategy, the Procurement Strategy and the Force Strategic Plan	Yellow	Review documentation to make VFM more explicit
Does the authority have suitable mechanisms in place to promote value for money at a corporate level and at the level of individual services?	A corporate framework of management procedures and rules for securing value for money is incorporated into key joint governance documents including the Procurement and Financial Regulations.  The HMICFRS VFM profiles are considered and reported to senior management. These are used as a basis for identifying areas where there is potential to make savings.  The Deputy Chief Constable chairs a monthly Management Board to analyse performance and consider improvement plans. The Constabulary has an efficiency	Yellow	Develop an enhanced savings and efficiencies plan, to incorporate benefits management.
Is the authority able to demonstrate the action that it has taken to promote value for money and what it has achieved?	Actions are taken from the DCC Management Board. Recommendations from this board HMICFRS and audit are rigorously followed up  Procurement savings are reported to Blue Light Commercial on a quarterly basis  Contract management is undertaken by service stakeholders, with strategic oversight from the Procurement department  Cash savings removed from the annual revenue budget are monitored for delivery. An enhanced benefits management process has been agreed and is currently being embedded.	Yellow	
Is the authority's CFO a key member of the leadership team, involved in, and able to bring influence to bear on, all material business decisions?	For the Constabulary, the Joint CFO is a member of the Chief Officer Group which is the main decision making body for the Constabulary and meets on a weekly basis.  For the PCC, the Joint CFO is a member of the PCC Executive Team which is the main decision making body for the OPCC and meets on a weekly basis.	Green	
Does the CFO lead and champion the promotion and delivery of good financial management across the authority? Is the CFO suitably qualified and experienced?	Yes, The Joint CFO champions and leads the promotion and delivery of good financial management in the Constabulary and OPCC.  Yes, the Joint CFO is a member of CIPFA and is suitable qualified, experienced and committed to Continuing Professional Development.  The Joint CFO is supported by a Deputy CFO who is also a member of CIPFA and is suitable qualified, experienced and committed to Continuing Professional Development.	Green	
Is the finance team suitably resourced and fit for purpose?	The Financial Services Team are a shared support service providing the full range of financial services to the PCC and Constabulary. The team has recently been provided with growth of 1.6 FTE posts to support a hump of activity around a financial system implementation, operation uplift, increasing demands from external audit and a number of other workload pressures. Once these additional resources are recruited the team will be properly resourced in terms of capacity and capability. There is an aspiration for development and succession planning within the team. The internal and external audit opinions over many years demonstrate that the Financial Services Team is fit for purpose.	Green	
Has the authority identified the elements of its balance sheet that are most critical to its financial sustainability?	Balances such as reserves, debtors, creditors and provisions are monitored closely by Financial Services on a monthly basis. Reserves, debtors, creditors and accumulated leave balances are reported to senior management at the year end. Reserves are given particular focus in the budget setting and MTFP process.  Cashflow, short and long-term borrowing, investments and the use of reserves and balances are also monitored by Financial Services and are reported to the PCC Public Accountability Conference and Joint Audit Committee in the quarterly update on treasury management activity	Yellow	A more systematic approach to balance sheet risk reporting and sensitivity analysis will be put in place.
Has the authority put in place suitable mechanisms to monitor the risk associated with these critical elements of its balance	Balances such as reserves, debtors, creditors and provisions are monitored closely by Financial Services on a monthly basis	Green	
Is the authority taking action to mitigate any risks identified?	Yes, as risks are identified action is taken e.g. regular reviews of legal claims and supplier information including credit checks is undertaken regularly.	Green	
Does the authority report unplanned use of its reserves to the leadership team in a timely manner?	Revenue and capital monitoring reports are presented to Chief Officer Group and the PCCs Executive Team on a regular basis.  Formal budget monitoring reports are presented on a quarterly basis to the PCCs Public Accountability Conference and then to the public meeting of the Police and Crime Panel. Any variation to the planned use of reserves is reported, with a formal recommendation to the PCC should any significant changes to the planned use of reserves arise	Green	
Is the monitoring of balance sheet risks integrated into the authority's management accounts reporting processes?	This is not well developed and principally takes place at the year end and during the budget setting process.	Yellow	

## Appendix C CIPFA Financial Management Code Self-Assessment

Question	Answer	RAG	Areas for Improvement
Has the authority sought to apply the principles, behaviour and actions set out in the Framework to its own governance?	Yes, as evidenced through the Annual Governance Statement		
Does the authority have in place a suitable local code of governance?	Yes, the PCC and Chief Constable each publish on an annual basis a Code of Corporate Governance. This is reviewed by the Joint Audit Committee at the start of each financial year.		
Does the authority have a robust assurance process to support its AGS?	The AGS for the Constabulary is produced by the Chief Officer Group, which comprises senior police officers and staff from the Constabulary.  The AGS for the OPCC is produced by the PCC Executive Team, which comprises senior staff from the OPCC.  A draft version of each AGS is presented to the Joint Audit Committee before publication alongside the annual Statement of Accounts.		
Is the authority's CFO aware of their responsibilities in terms of the preparation of the annual financial statements?	Yes, the Joint CFO is fully aware of his responsibilities in this area.		
Are these responsibilities included in the CFO's role description, personal objectives and other relevant performance management mechanisms?	Specific responsibility for the Joint CFO to secure delivery of the financial statements is included in the job description and is recognised as a key task.		
Have the authority's financial statements hitherto been prepared on time and in accordance with the requirements of the Code of Practice on Local Authority Accounting in the United Kingdom?	Yes, Cumbria has a good track record of early closedown and external audit sign-off.		
Is the authority's leadership team provided with a suitable suite of reports on the authority's financial outturn and on significant variations from budget?	An outturn report is presented to the Chief Officer Group and the PCC Executive Team in May each year with clear explanations provided for each variation against budget.		
Is the information in these reports presented effectively?	Yes. This information is provided on the same format of the monthly/quarterly management accounts to aid consistency and understanding. A reconciliation is provided in the statutory statement of accounts to aid transparency.		
Are these reports focused on information that is of interest and relevance to the leadership team?	Yes, it provides information on the full revenue budget and highlights variances which are both one-off and those that have an ongoing financial implications.		
Does the leadership team feel that the reports support it in making strategic financial decisions?	Yes		
How has the authority sought to engage with key stakeholders in developing its long-term financial strategy, its medium-term financial plan and its annual budget?	The Constabulary and PCC liaise closely in agreeing the budget. The Constabulary consults comprehensively with budget holders during the budget process to assess service pressures through a 'Star Chamber' process. The PCC undertakes public consultation on his proposed council tax precept increase as and when required. Commissioning budgets are developed in close consultation with relevant delivery partners.  The PCC's annual budget and precept proposals are subject to scrutiny by the independent Police and Crime Panel, on behalf of the public. Members of the Joint Audit Committee are briefed on the budget.		
How effective has this engagement been?	Internal consultation has both identified savings and areas where additional resourcing is required.  In recent years the PCC has consulted the public regarding his proposed increase in council tax precept. The response has always been positive.  In recent years the Police and Crime Panel has approved the PCCs proposed increase in council tax precept		
What action does the authority plan to take to improve its engagement with key	The PCC and Constabulary are continually open to exploring ways of improving the budget setting and consultation process.		
Does the authority have a documented option appraisal methodology that is consistent with the guidance set out in IFAC/PAIB publication 'Project and Investment Appraisal for Sustainable Value Creation: Principles in Project and Investment Appraisal'?	The Constabulary and PCC include options appraisal as a standard requirement in its business case template. The exact methodology and options appraisal techniques used are not always consistent as it can be difficult to adapt these to a public sector setting where quality of service is more important than pure financial return. Benefits measurement can be subjective and have a tendency to be over optimistic.		Develop guidance for options appraisal and ensure it is applied systematically including post implementation review.
Does the authority offer guidance to officers as to when an option appraisal should be undertaken?	Staff developing business cases particularly in relation to technology are Prince 2 trained and well versed in options appraisal techniques. Finance staff provide support where required.		
Does the authority's approach to option appraisal include appropriate techniques for the qualitative and quantitative assessment of options?	Where appropriate, qualitative and quantitative measures are included		
Does the authority's approach to option appraisal include suitable mechanisms to address risk and uncertainty?	Risks are considered as part of the business case preparation, particularly for significant investments.		
Does the authority report the results of option appraisals in a clear, robust and informative manner that gives clear recommendations and outlines the risk associated with any preferred option(s)?	Yes, particularly in relation to significant investments. However, post implementation reviews are not carried out systematically.		

## Appendix C CIPFA Financial Management Code Self-Assessment

Question	Answer	RAG	Areas for Improvement
Has the authority prepared a suitable capital strategy?	Yes, a Capital Strategy document is prepared which is an overarching publication covering the Treasury Management Strategy Statement (TMSS) and Capital Programme. The Capital Programme covers a longer 10 year period. The Capital Strategy, Capital Programme and TMSS are presented to the Public Accountability Conference in February each year as part of the budget setting process and are approved by the PCC. The documents are published on the PCCs website as part of the Key Financial Publications section.		
Has the authority set prudential indicators in line with the Prudential Code?	Yes, these are included in the Annual Capital Strategy and Treasury Management Strategy Statement.		
Does the authority have in place suitable mechanisms for monitoring its performance against the prudential indicators that it has set?	Yes, these are monitored by Financial Services staff and reported to the PCC Public Accountability Conference and Joint Audit Committee in the quarterly TM update reports.		
Is the authority aware of its statutory obligations in respect of the budget-setting process?	Yes, initial budget reports are presented to the public meeting of the Police and Crime Panel as part of the precept setting meeting in January.  The formal budget reports including the Joint CFO statement on the robustness of the budget and the council tax requirement are presented to the PCC Public Accountability Conference in February each year.		
Has the authority set a balanced budget for the current year?	Yes, as endorsed by the PCC at the budget setting meeting in February.		
Is the authority aware of the circumstances under which it should issue a Section 114 notice and how it would go about doing so?	Yes, the Joint CFO is fully aware of the s114 requirements but Cumbria is not remotely close to needing to issue one in the near future.		
Does the authority's most recent budget report include a statement by the CFO on the robustness of the estimates and a statement of the adequacy of the proposed financial reserves?	Yes		
Does this report accurately identify and consider the most significant estimates used to prepare the budget, the potential for these estimates being incorrect and the impact should this be the case?	Not specifically, although a separate risk assessment is produced which explains and quantifies the impact of variations to key budget assumptions		Review the S25 report to see what improvements can and should be made
Does the authority have sufficient reserves to ensure its financial sustainability for the foreseeable future?	Yes, a separate Reserves Strategy is produced to accompany the annual budget report, Medium Term Financial Forecast (MTFF) and Capital Strategy. The Reserves Strategy covers planned use of reserves over a 10 year timeframe to match the Capital Strategy. This Reserves Strategy is also published on the PCCs website in the <u>Key Financial Publications section of the website.</u>		
Does the report set out the current level of the authority's reserves, whether these are sufficient to ensure the authority's ongoing financial sustainability and the action that the authority is to take to address any shortfall?	Yes, the Reserves Strategy provides a forecast for the next 10 years which is fully compatible with the 4 year MTFF and longer term 10 year capital Strategy.		

## Appendix C CIPFA Financial Management Code Self-Assessment

Question	Answer	RAG	Areas for Improvement
Does the leadership team espouse the Nolan principles?	Yes, the code of ethics is a key feature for all police officers and staff and is promoted during induction training and refresher courses. This is supported by the work of the Professional Standards Department who promote ethical standards through a supported learning approach. All force policies and procedures embed the key principles from the Code of Ethics		
Does the authority have in place a clear framework for governance and internal	Yes, the PCC and Chief Constable review and update their respective Codes of Corporate Governance on an annual basis.		
Has the leadership put in place effective arrangements for assurance, internal audit and internal accountability?	Good behaviour is discussed during all staff and officer Strengths Based Conversations (SBCs)  The arrangements for anti-fraud and corruption include a whistleblowing policy which is managed and reports investigated by the Professional Standards Department (PSD)  The PCC and Chief Constable have a joint managed internal audit service which is currently provided by the County Council. All audit reports receive Chief Officer/Director sign off and all audit reports are reported to the Joint Audit Committee (JAC). The Head of Internal Audit provides regular updates against the audit plan to meetings of the Joint Audit Committee. All audit reports (internal and external) are published on the PCC website.  Internal accountability is through individual SBCs with breaches being investigated through PSD  Business interests are approved and recorded by PSD and then reviewed as part of the SBC process and at year end through the related parties evaluation exercise  Both the Constabulary and OPCC have a policy on gifts and hospitality, which is managed and promoted by PSD and the OPCC.		
Does the leadership team espouse high standards of governance and internal control?	All key decisions are taken collectively by the Chief Officer Group with a full audit trail for all decisions made.  All key PCC decisions of significant public interest are published on his website including full supporting documentation  Codes of Corporate Governance are in place in line with CIPFA Good Governance principles. Codes of conduct & business interests are in place as part of anti-fraud and corruption arrangements. Governance documents including financial and procurement regulations are in place and are reviewed periodically.		
Does the leadership team nurture a culture of effective governance and robust internal control across the authority?	Yes, see arrangements above and regular interventions to ensure that the organisations operate effectively. This is supported by the HMICFRS assessment of Good across all areas of business and outstanding for Crime Data Recording and the Head of Internal Audit's assessment that the arrangements for risk management, governance and internal control are robust.		
Has the authority undertaken a Financial Resilience Assessment?	As part of the Achieving Financial Excellence in Policing Programme (AFEP) a template set of Financial Resilience Indicators has been developed. A piece of work is currently underway to apply these to Cumbria circumstances and develop a Financial Resilience Self Assessment that can be undertaken and reported on an annual basis.		Cumbria Financial Resilience Indicators to be agreed, calculated and reported to Chief Officers & OPCC.
Has the Assessment tested the resilience of the authority's financial plans to a broad range of alternative scenarios?	As above		
Has the authority taken appropriate action to address any risks identified as part of the assessment	As above		
Does the authority provide the leadership team with an appropriate suite of reports that allows it to identify and to correct emerging risks to its budget strategy and financial sustainability?	For the Constabulary, the Chief Officer Group is provided with a monthly monitoring report which highlights emerging risks and issues. These are acted upon as necessary. Any matters needing to be notified to the PCC are managed through the regular PCC Executive Team meetings.  Formal reports are presented to the PCC on a quarterly basis at the Public Accountability Conference. The quarterly reports are also presented to the public meetings of the Police and Crime Panel.  Board meetings such as Business Board, Operations Board, Digital Board and Workforce Boards receive high level financial updates at monthly meetings. The Senior Leadership Teams of relevant departments will receive and update from Financial Services Officers in relation to their own budgets on a monthly basis.		
Do the reports cover both forward and backward looking information in respect of financial and operational performance?	Yes		
Are there mechanisms in place to report the performance of the authority's significant delivery partnerships such a contract monitoring data?	The Commercial Department are actively developing contract management across the organisation. The OPCC have a performance framework for Commissioned Services designed to ensure that contracts are delivered effectively.		Continue to develop a contract management culture led by the Commercial Department.
Are the reports provided to the leadership team in a timely manner and in a suitable format?	Yes, produced monthly/quarterly as required and are in a clear format which draws out the key messages.		
Is the leadership team happy with the reports that it receives and with its ability to use these reports to take appropriate action?	Yes		

## Appendix C CIPFA Financial Management Code Self-Assessment

Question	Answer	RAG	Areas for Improvement
Does the authority have in place an effective framework of financial accountability?	Yes, through the framework of corporate governance, including the Funding Arrangement, Scheme of Delegation, Budget Protocols, Financial Regulations, Financial Rules and Joint Procurement Regulations. These documents are reviewed on a cyclical basis and are reported to the Joint Audit Committee		
Is the authority committed to continuous improvement in terms of the economy, efficiency, effectiveness and equity of its services?	The Constabulary has an Efficiency and Productivity Strategy, which incorporates specific reviews of services, savings targets and consideration of HMICFRS VFM indicators. However, this has been relatively low profile in during Covid.		Re-invigorate the Efficiency Strategy with a systematic approach, including benefits realisation.
Does the authority's finance team have appropriate input into the development of strategic and operational plans?	For the Constabulary, the Joint Chief Finance Officer is a member of the Chief Officer Group who meet on a weekly basis and have ultimate decision making responsibility for the Constabulary.  For the OPCC, the Joint Chief Finance Officer is a member of the PCC Executive Team who meet on a weekly basis and have ultimate decision making responsibility for the PCC.  In addition, the Joint CFO is part of the Management Board (in relation to CC activity) and the Collaborative Board which is a joint board made up of senior members of the OPCC and Constabulary.  Senior finance representatives sit on all key decision making and informative boards e.g. Workforce, Business, Operations, Digital and Programme Boards		
Do managers across the authority possess sufficient financial literacy to deliver services cost effectively and to be held accountable for doing so?	Each key stakeholder/budget holder in the organisation has a named finance contact. The Financial Services Team are well qualified and a business partnering approach is being promoted.  A more systematic approach to ensuring that Budget holders have the appropriate financial management skills is being considered.		Develop the business partnering approach between finance and business areas. Implement a systematic training plan for non finance staff.
Has the authority sought an external view on its financial style, for example through a process of peer review?	Not specifically, but the Financial Services team recently undertook the CIPFA Achieving Financial Resilience Financial Management Self Assessment and as a result an action plan has been developed. The self assessment sought the views of chief officers, senior managers and external partners (JAC, internal and external audit) on a number areas of financial management. The self assessment resulted in a score of 4 out of 5 for Financial Management.		Complete the AFEP action plan.
Do individuals with governance and financial management responsibilities have suitable delegated powers and appropriate skills and training to fulfil these responsibilities?	Yes, as set out in Scheme of Delegation, Budget protocols, Financial Regulations, Financial Rules and Joint Procurement Regulations.  In relation to financial skills, budget holders are supported by named Financial Services Officers who support their particular areas of business. Training to non-financial managers is currently ad-hoc and is provided on a one to one basis by finance staff. A more formal in-house training programme is to be developed as part of the AFEP action plan.		as above
Does the authority have a sufficiently robust understanding of the risks to its financial sustainability?	The key risks are highlighted in the annual budget and medium term financial forecast.		
Does the authority have a strategic plan and long-term financial strategy that address adequately these risks?	Yes, we have a medium term financial forecast which is produced annually, although the main focus is for a 4 year MTFE timeframe, the report includes commentary on future estimation uncertainty and considers risks to funding and budget setting. We also publish a separate longer term Capital Programme and Reserves Strategy which cover a 10 year timeframe.		The MTFE will be reviewed to ascertain whether it needs to be enhanced and extended.
Has the authority sought to understand the impact on its future financial sustainability of the strategic, operational and financial challenges that it might face (e.g. using a technique such as scenario planning)?	Scenario planning is used internally within Financial Services to formulate the medium term financial plan.  Published budget reports include a risk assessment/sensitivity analysis which highlights the financial risk to key budget assumptions e.g. changes in future pay awards, precept levels etc.		
Has the authority reported effectively to the leadership team and to members its prospects for long-term financial sustainability, the associated risks and the impact of these for short- and medium-term decision making?	Regular reports to the Chief Officer Group and PCC Executive Team during the budget preparation process highlight the various risks and possible scenarios. The key strategic issues are then reported to the PCC Public Accountability Conference at the annual budget setting meeting. All documents associated with the budget process are published on the PCC website as part of the Key Financial Publications section.  During the year regular revenue and capital monitoring reports will highlight changes in significant risks and issues, and suggest appropriate action		
Does the authority have in place an agreed medium-term financial plan?	Yes, the Medium Term Financial Forecast covering the period 2021/22 to 2024/25 was published in February 2021 alongside the annual revenue budget.		
Is the medium-term financial plan consistent with and integrated into relevant service plans and its capital strategy?	Yes		
Has the medium-term financial plan been prepared on the basis of a robust assessment of relevant drivers of cost and demand?	Yes, the Chief Officer Group (COG) consider information on current and future demand pressures (as currently known) including the implications for new technology and equipment  The Constabulary also considers relevant NPCC guidance and best practice e.g. stop & search, body worn video.  Across COG, members are engaged in national forums which enables the potential financial implications of new national systems and changes to national guidelines and procedures to be identified early		
Has the medium-term financial plan been tested for resilience against realistic potential variations in key drivers of cost and demand?	Yes, but in an emergency service employing omnicompetent police officers changes in demand can be accommodated by deployment policies and priorities.  Cost drivers and sensitivity analysis to changes in cost, income and demand are included in the MTFE.		
Does the authority have in place a suitable asset management plan that seeks to ensure that its property, plant and equipment including infrastructure assets contribute effectively to the delivery of services and to the achievement of the authority's strategic aims?	Yes, there are separate asset management plans/strategies for Estates, Fleet and Digital Data and Technology. The plans are developed to coincide with the PCC term of office and an annual update is provided through the Corporate Support Strategy Update which is considered alongside the budget at the February meeting of the Public Accountability Conference. The last published individual asset management strategies cover the period 2019 to 2021. New strategies for the period 2021 to 2024 will be developed in September 2021.

Statement of Accounts 2020/21

## About this Publication

This publication contains the single entity financial statements for the Chief Constable of Cumbria Constabulary. All funding for the Constabulary comes from the Police and Crime Commissioner for Cumbria (the Commissioner). For an overall (group) financial position please see the Commissioner's Statement of Accounts which incorporates those of the Chief Constable.

The Statement of Accounts for 2020/21 is available on the Constabulary's website at [www.cumbria.police.uk](http://www.cumbria.police.uk)

The corresponding accounts for the Police and Crime Commissioner can be found on the Commissioner's website at: [www.cumbria-pcc.gov.uk](http://www.cumbria-pcc.gov.uk).

The Statement of Accounts is also available in printed format from the office of the Police and Crime Commissioner for a nominal fee of £10 per copy.

## Alternative Formats

## Introduction

I am pleased to introduce the financial Statement of Accounts for the 2020/21 financial year. This financial statement sets out the single entity statements of the Chief Constable of Cumbria Constabulary. The Police and Crime Commissioner for Cumbria (the Commissioner) has also produced group accounts, which consolidate the single entity statements of the Chief Constable and the Commissioner. The accounts are published in accordance with the Accounts and Audit Regulations 2015.

The statement provides a breakdown of net spending during the year and shows the overall financial position of the Chief Constable as at 31 March 2021. The reporting format is specifically designed to meet the requirements of the Code of Practice on Local Authority Accounting. A series of notes are provided to assist readers in their understanding of the statement, whilst the presentational format is designed to make for easier reading by those who access the document through the Chief Constable's website: [www.cumbria.police.uk](http://www.cumbria.police.uk)

The narrative statement provides a simplified summary of the financial statements with expanded information on the objectives, activities, performance and future financial prospects of the Constabulary. This aims to give the reader greater understanding of the context in which the financial statements are set. The narrative statement is also available as a stand-alone document on the same website. The Commissioner's consolidated financial statements showing the group position can be accessed from the Commissioner's website: <https://cumbria-pcc.gov.uk/>

## Statutory Framework

The Chief Constable was established as a statutory entity under the Police Reform and Social Responsibility Act 2011 (PRSRA 2011). The PRSRA 2011 provides that there will be a Police and Crime Commissioner for each police area with responsibility for ensuring the maintenance of the police force for the area, securing that the police force is efficient and effective and holding the Chief Constable to account. The Commissioner has wider responsibilities than those solely relating to the police force. These include responsibility for the delivery of community safety and crime reduction, the enhancement of the delivery of criminal justice in their area and providing support to victims.

The PRSRA 2011 established the Chief Constable as a separate statutory entity, distinct from the Commissioner and with operational independence. The Chief Constable is responsible for maintaining the Queen's peace and the exercise of police powers. The Chief Constable is accountable to the Commissioner for leadership of the force, the delivery of efficient and effective policing and the management of resources and expenditure for the police force.

The PRSRA 2011 sets out the statutory financial framework for the Commissioner and Chief Constable. The legislation provides for the Secretary of State to issue a financial code of practice in relation to the proper administration of financial affairs. The Home Office, under the legislation, issues a Financial

Management Code of Practice for the Police Forces of England and Wales. The Code supports the statutory framework further setting out the financial relationships and requirements for the Commissioner and Chief Constable.

This financial framework provides that the Commissioner receives all funding, including government grants, council tax income and other sources of income related to policing and crime reduction. All funding for the Chief Constable must come from the Commissioner. This, in addition to the powers of the Commissioner to set the strategic direction for policing and appoint and dismiss the Chief Constable, creates a subsidiary relationship between the Commissioner and the Chief Constable. As such, the Commissioner must publish a set of group consolidated accounts in addition to single entity accounts. The Chief Constable must publish single entity accounts and provide information to the Commissioner to support the publication of group accounts.

## Organisational Structure

The Chief Constable is supported by a Deputy Chief Constable and Assistant Chief Constable who are responsible for a portfolio of functions within the organisation. During 2020/21 operational policing was re-structured to emerging policing challenges.

Operational policing is now split into three commands, which report to the Assistant Chief Constable.

The Operations, Engagement and Neighbourhood Policing Command is responsible for local policing, response and public engagement including management of calls for service. The command is

structured in three geographic areas.

The Crime, Safeguarding and Specialist Capabilities Command is responsible for investigating crime and includes specialist units for gathering intelligence, major crime investigation, countering serious and organised crime, public protection and scientific support. Specialist functions, which provide shared support to Neighbourhood Policing teams such as roads, firearms, dogs and criminal justice have recently been transferred to this command.

The Insight, Performance and Policing Futures Command performs a number of strategic functions including responsibility for management information, performance management, business change and benefits management.

There are also two support directorates both of which report to the Deputy Chief Constable.

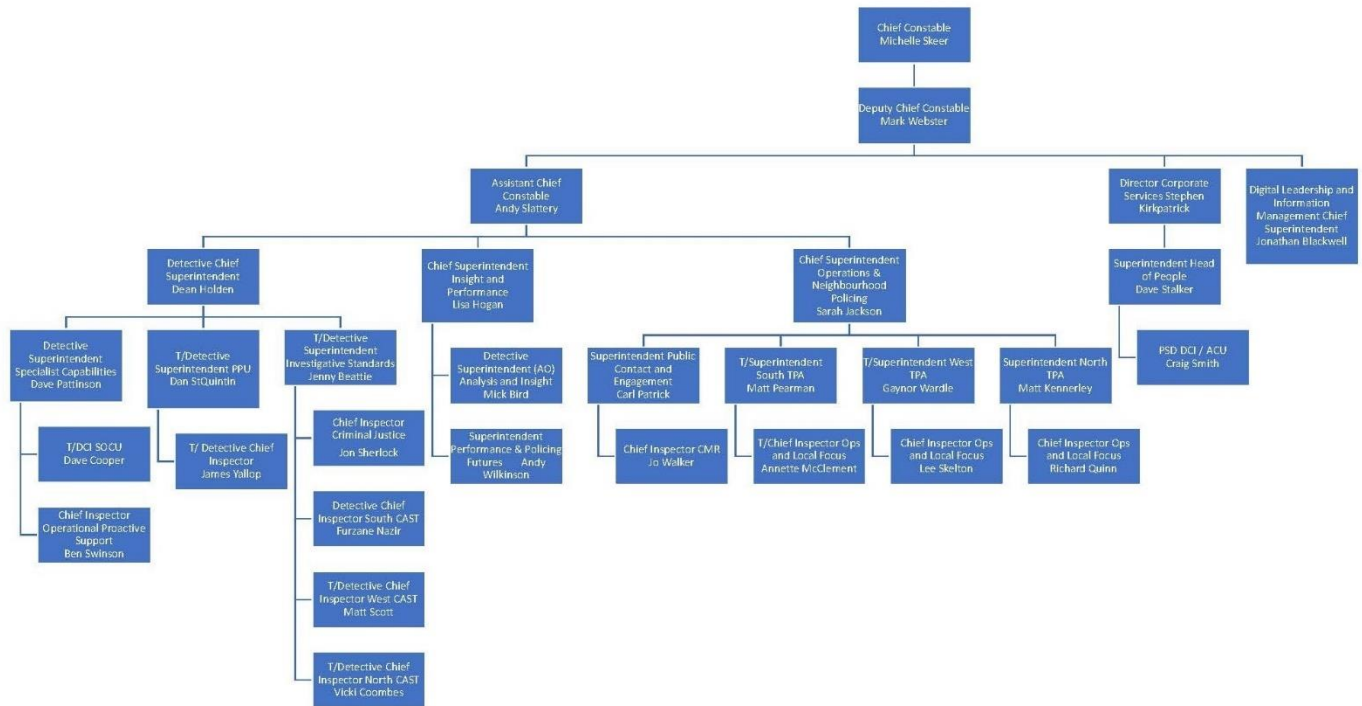

The Corporate Support Directorate includes finance, people, estates, fleet, learning & development, commercial and central services. In overall terms, the Corporate Support directorate aims to provide cohesive and integrated support for operational policing.

The Digital, Data and Technology Directorate is responsible for all aspects ICT development and data management.

Legal Services is a small specialist function, which operates independently from the main directorate structure and provides services to the Chief Constable and Commissioner.

# Joint Chief Finance Officer Narrative Report

A diagram showing the Constabulary's organisational structure is shown below:

## Strategic Objectives

For 2020/21, the Chief Constable determined the strategic direction for the Constabulary, which is ‘To Deliver an Outstanding Police Service to Keep Cumbria Safe’. Following consultation with a range of stakeholders, the annual review of the Constabulary’s Strategic Assessment (based on operational intelligence), demand and resource analysis, performance results, recommendations from independent inspections and audits and a review of the organisation’s strategic risks, the Chief Constable developed the core operational priorities for reducing threat, risk and harm and tackling our communities’ concerns as follows:

- Responding to the public
- Prevention and deterrence
- Investigation
- Protecting vulnerable people
- Monitoring dangerous and repeat offenders
- Disrupting organised crime

- Responding to major incidents

The Commissioner approved these key objectives and incorporated them into his Police & Crime Plan to complement his aims.

The priorities also support delivery of the Constabulary’s Vision 25 Strategy which seeks to provide a roadmap to transform policing to meet the challenges of delivering an effective service for communities into the mid 20s.

Cumbria Vision 25 has five key themes

- Local Policing
- Specialist Capabilities
- Digital Policing
- Workforce
- Business Support

Each work-stream has a delivery plan and professional lead. Governance processes are also aligned to the themes.

## Chief Constable's Report

In terms of crime and disorder, Cumbria remains one of the safest places to live, work and visit in England and Wales. Cumbria has the third lowest volume of crime and anti-social behaviour, and traffic incidents have steadily reduced over the past three years. The people of Cumbria remain supportive of the service we provide.

As with the rest of the world, the work of the Constabulary was hugely impacted by the Covid-19 pandemic during 2020/21. As soon as the threat posed by the virus was identified, the Constabulary acted quickly to ensure that its officers and staff were safe and that arrangements were put in place to ensure that an effective service to the public could be maintained. Wherever possible officers and staff were dispersed to work remotely. This was accompanied by the rapid development of enhanced ICT capability to facilitate home working. Despite global shortages in the early stages of the pandemic, a supply of PPE was secured to protect officers in public facing roles. To date these actions have been successful in limiting staff absence and have enabled the Constabulary to continue to provide a normal policing service.

The pandemic also represented a unique challenge to the legitimacy of the police service as a whole, in enforcing regulations, which restricted civil liberties to an unprecedented level. This issue was particularly acute in Cumbria, where the limitations on foreign travel, meant that the Lake District attracted much higher than normal visitor numbers. By adopting a constructive approach centred around the 4Es of Engage, Explain, Encourage with Enforcement only

used as a last resort, we have been largely successful in maintaining public support and confidence.

In relation to levels of crime, because of the lockdowns, 2020/21 cannot really be compared with other years. Whilst most types of recorded crime experienced significant falls during the year, the Constabulary is very alive to the fact that there may be significant hidden crime in areas such as domestic violence and cyber crime, which will need to be countered as restrictions are lifted. We constantly review our demand to inform our resourcing options, making sure that we address changing criminality.

The other major challenge faced by the Constabulary during 2020/21 was to maintain impetus on the local implementation of the Government's Operation Uplift Programme, to recruit an additional 20,000 officers nationally by 2023. Cumbria's target in the first phase was to recruit an additional 51 officers by the end of 2020/21. Under the leadership of the Deputy Chief Constable, Cumbria has embraced this challenge and achieved its target by June 2020, almost a year ahead of schedule. Recruitment of the second phase of a further 47 officers is now well advanced.

The Constabulary remains at the forefront in the use of digital technology in the fight against crime and is recognised nationally as being at the leading edge in rolling out mobile technology. Despite the challenges presented by working remotely during 2020/21, all officers were issued with replacement Airwave radio sets. An innovative approach to developing mobile phone applications through PowerApps was pioneered, which will be extended to other areas of business in 2020/21. In collaboration with Durham Constabulary, work to exploit advances in technology

such as Cloud services are planned in 2021/22 to support operational policing and provide an improved service to the public.

The Constabulary is inspected and graded as part of a regime known as PEEL (Police Efficiency, Effectiveness and Legitimacy) by Her Majesty's Inspectorate of Constabulary and Fire and Rescue Services (HMICFRS). The Covid-19 pandemic forced HMICFRS to suspend much of its inspection activity in 2020/21. At its last inspection in 2018/19, the Constabulary was graded good in respect of all services. In addition, Cumbria received a thematic inspection in relation to its Crime Data Integrity, for which it was rated as 'Outstanding' and is one of only two forces to receive this grading on first inspection. We continue to work with HMICFRS to address the small number of areas, which were identified as areas for improvement.

The Cumbria 2025 Plan remains pivotal to the delivery of a policing service to meet the future needs of the county. It seeks to bring together business and change planning into a single cohesive plan, which is aligned to the national policing vision. During 2020/21, in addition to the continued development of operational ICT systems previously highlighted, we have:

- Implemented the new Post Education Qualification Framework for new recruit training in conjunction with the University of Central Lancashire
- Continued a plan to deploy officers from rural stations to provide more visibility and an enhanced level of service in these locations.
- Commenced a Covid-19 Recovery and Renewal Plan, which will seek to maximise the benefits

from new ways of working arising from the pandemic.

- Put in place new Investigative Standards and Disclosure rules and a Safeguarding Excellence Plan, which provide a framework to ensure victims are supported and receive a high quality service.

The plan will continue to be developed during 2021/22 under the leadership of the Chief Officer team.

Whilst the favourable grant funding for Operation Uplift and flexibility afforded to Commissioners to increase the precept in 2020/21 and 2021/22, is appreciated and has allowed officer numbers to increase, this takes place in the context of uncertainty regarding the longer term financial outlook. The unprecedented level of Government financial support to the economy in the Covid-19 crisis will weigh heavily on national finances for many years to come and is likely to constrain funding levels in the public sector. This will compound existing financial risks regarding the sustainability of funding, the financial burden of national policing initiatives, pensions costs and potential changes to the police funding formula. In the meantime, the Constabulary will continue to operate as efficiently as possible and deliver savings to balance the budget.

In summary, despite the challenges, I will continue to work with the Commissioner and partners across the county to deliver on our core mission of Delivering an Outstanding Policing Service to Keep Cumbria Safe.

## 2020/21 Grant Settlement and

### Budget

Under the provisions of the Police and Social Responsibility Act 2011, the Commissioner receives external funding, principally in the form of central government grants and council tax. The Commissioner is responsible for setting the budget and maintaining the force through the provision of funding to the Chief Constable. Details of the 2020/21 grant settlement, the Commissioner's overall budget and the level of Council Tax levied are provided in the Commissioner's combined financial statements.

In summary, the Government provided significant additional grant funding in 2020/21, which was directed towards the achievement of the first phase of Operation Uplift; the Government's programme to recruit 20,000 officers nationally by 2022/23. The principal challenge presented from the grant settlement was the lack provision to meet the rising cost of providing existing services. To this end, Police and Crime Commissioners were afforded flexibility to increase council tax above inflation to make up the shortfall. Following public consultation, the Commissioner increased the precept by £8.91 for a band D property, which is equivalent to 3.47%. This enabled services to be maintained, offsetting the effect of pay and price increases and other unavoidable commitments, whilst the additional grant has allowed the Constabulary to proceed with rapid recruitment of the its Uplift target of an additional 51 officers.

## Business Activity

In addition to the day to day work of Protecting the People of Cumbria, the Constabulary, through its change programme and business strategies, has sought to identify savings and innovative ways to increase the productivity of its officers and staff. During 2020/21 we have made the following changes to enhance services:

- Undertook extensive analysis of current and future demand to support the production of a Force Management Statement for submission to HMICFRS as a means of shaping future service delivery.
- Audits of stop and search and the use of Body Worn Video to provide feedback to officers and improve services.
- Undertook a range of compliance and knowledge checks again to improve services across the operational policing portfolio including victims code of practice, released under investigation, domestic abuse quality of service, crime recording and handling of drugs offences.
- Continued development of the crime system 'Red Sigma' in collaboration with Durham Police.
- Modernised digital interview recording.
- Rolled out replacement Airwave radios to all officers.
- Developed a covid- safe working hub in Kendal and new community bases in the county.
- Developed an 'in-house' vehicle conversion capacity.
- Replaced business systems for finance, procurement and duties.
- Worked on refinement of the benefits management and delivery model.

# Joint Chief Finance Officer Narrative Report

## Performance

### Summary Budget and Outturn

The Chief Constable's budget amounting to £132.4m is based upon the funding agreement with the Commissioner.

The table below shows the summary budget for 2020/21 as set on 20 February 2020, the revised budget (taking into account budget changes made during the year) and the outturn position.

Summary Budget & Outturn	Base Budget 2020/21 £000s	Revised Budget 2020/21 £000s	Outturn 2020/21 £000s	(Under)/Overspend 2020/21 £000s
Police Officers	93,674	88,239	89,129	890
PCSOs	2,272	2,272	2,334	62
Police Staff	24,259	24,387	24,527	140
Other Employee	1,745	2,085	1,981	(104)
Transport	2,454	1,995	1,916	(79)
Supplies & Services	11,200	13,529	11,943	(1,586)
Third Party Related	2,178	2,270	2,494	224
<b>Total Expenditure</b>	<b>137,782</b>	<b>134,777</b>	<b>134,324</b>	<b>(453)</b>
Income	(5,347)	(5,429)	(5,592)	(163)
<b>Total Constabulary</b>	<b>132,435</b>	<b>129,348</b>	<b>128,732</b>	<b>(616)</b>

The presentation above is as the figures are reported throughout the year in the management accounts. At the year-end a number of technical accounting adjustments (required by proper accounting practice) are made. For this reason, the outturn in the table above will not reconcile directly to the summary Comprehensive Income and Expenditure Statement.

The budget is predominantly made up of funding for employee costs, amounting in total to £121.95m, which is broken down into Police Officers £93.67m, PCSO's £2.7m, Police Staff £24.26m and other employee costs of £1.75m. The remainder of the

budget relates to non-staff costs including, transport costs of £2.45m and supplies/other costs of £13.38m. Income of £5.35m, which is generated through policing activities, is also shown within the Chief Constable's budget.

### In-Year Financial Performance

**Revenue Expenditure:** The Chief Constable's final expenditure position for 2020/21, compared to the revised budget is an underspend of £0.616m, which represents 0.48% of the budget.

During 2020/21 the Covid-19 pandemic had a significant impact on the Constabulary's budget. Additional expenditure totalling £1.055m was incurred in relation to PPE, technology to facilitate home working and enforcement activities, whilst income generation was also down by a further £413k. However, this was offset by a combination of Government support and savings which resulted indirectly from the pandemic, such as reduced travel and training, totalling £1.767m.

In relation to core activities, additional expenditure of £540k resulted from a decision to recruit additional officers funded by the Government through Operation Uplift at the earliest opportunity. However, this was offset by net savings on supplies and services and third party payments budgets of £800k, particularly ICT.

**Capital Expenditure:** Under the terms of the funding arrangement between the Commissioner and the Chief Constable, all non-current assets are under the control of the Commissioner. Details of capital expenditure and funding in relation to the acquisition and enhancement of assets, which amounted to £2.813m

in 2020/21 are shown in the financial statements of the Commissioner. This figure was significantly less than capital budget of £7.677m, however there were extenuating circumstances for this due to the impact of Covid-19 on project working and global supply chains. Expenditure on ICT related schemes comprised the largest area of expenditure, amounting to £1.321m. During the year replacement Airwave radios were issued to all officers and work to modernise the digital interview capability of the Constabulary was completed. A significant project to replace the core ICT infrastructure was deferred, pending work to evaluate the most beneficial future roadmap, including consideration of cloud services. Similarly, planned work to integrate the Control Room technology has been delayed by slippage in the national project to implement the Emergency Services Network (ESN). A further £1.206m was expended on the cyclical replacement of the vehicle fleet. Despite, orders being placed in good time, problems in the global supply chain have resulted in significant delays to vehicle deliveries which has resulted in almost £1.9m of planned expenditure slipping to 2021/22. Smaller area of expenditure included modifications to the Estate and replacement of Tasers.

## Organisational Performance

The Constabulary operates a comprehensive framework of performance measures to ensure it is meeting its objectives and support the Commissioner in delivering his Police and Crime Plan. The following section provides a summary of performance in relation to crime, incidents and other outcomes for 2020/21.

- Overall crime reduced by 19% (7,259) crimes. This was largely attributable to the pandemic lockdown.
- The crime type with the largest reduction was overall 'Violence against the person', which experienced a fall of 2,489 crimes. This is reflective of the fact that pubs and nightclubs were closed for much of the year. However, within this broad category, certain crime types such as homicides and death and serious injury from unlawful driving rose but based on very low numbers.
- Acquisitive crimes such as burglary, theft and car crime all fell by one third compared with the previous year.
- We encourage the reporting of rape and sex offences; however this reduced by 15% (213 offences) compared to the previous year.
- The only other crime type to experience a rise was drug offences, which rose by 23.9% from 922 to 1,144. This is an indication of more pro-active policing in this area.
- Antisocial behaviour (ASB) increased during 2020/21 as a result of Covid breaches being reported to the police and recorded as ASB. There were 11,251 ASB incidents in 2020/21, up 53% from 2019/20. If ASB incidents, which were classed as Covid related are excluded, ASB incidents declined by 6% from 7,286 to 6,861.
- Work has also targeted increased reporting for domestic violence. During 2020/21 Domestic Abuse Safeguarding Referrals increased by 4% from 7,554 to 7,860.
- Cumbria generally has a low level of hate crime compared to other forces both nationally and in the North West, the latest figures for crimes with a

# Joint Chief Finance Officer Narrative Report

hate indicator show an annual increase of 4 crimes, which represents an increase of 0.6%.

- The latest figures for public confidence in the local police service was 78.5%.

The table below summarises the Constabulary's performance indicators.

	Number of Crimes 2020/21	% Change from previous year
<b>All Crime</b>	<b>30,949</b>	<b>-19%</b>
Violence against the person	13,546	-15%
Homicide	9	125%
Death or Serious Injury - Unlawful Driving	19	6%
Stalking and Harassment	4,635	-7%
Violence with injury	3,565	-26%
Assault - cause serious harm	190	-6%
Assault with injury	3,354	-27%
Other violence with Injury	21	-25%
Violence without injury	5,318	-14%
Assault without injury	4,490	-18%
Assault without injury on a Constable	337	11%
Other violence without injury	491	30%
Rape and sexual offences	1,242	-15%
Robbery	120	-15%
Theft offences	3,716	-33%
Burglary	1,426	-34%
Vehicle offences	705	-34%
Criminal damage and arson offences	4,247	-26%
Drugs offences	1,144	24%
Public order offences	3,900	-8%
Miscellaneous Crimes Against Society	664	-4%
Possession of weapons offences	239	-13%

During 2020/21 Her Majesty's Inspector of Constabulary Fire and Rescue Services (HMICFRS) suspended much of its inspection programme against the background of the global pandemic. At its last inspection in 2018/19 HMICFRS graded the Constabulary as providing a good service across all aspects of the Police, Efficiency, Effectiveness and Legitimacy. Areas inspected included:

- Preventing crime and tackling anti-social behaviour.
- Crime investigation and reducing re-offending.
- Protecting vulnerable people.
- Tackling serious and organised crime.
- Armed Policing

- Meeting current demand and Use of resources.
- Planning future demand.
- Treating people it serves fairly.
- Ethical behaviour of the workforce
- Treating the workforce with fairness and respect.

The Constabulary was also graded as outstanding in a thematic inspection of crime data integrity, one of only two forces to receive this grade on first inspection.

## People

The Constabulary recognises that its workforce is its most important asset and that maintaining healthy, engaged and motivated officers and staff is critical to the delivery of effective services.

During 2020/21, the Constabulary built on its People Strategy which was last updated in 2018/19, which brings together the key themes of:

- health, safety and well-being
- workforce planning, recruitment and talent management
- employee relations
- reward and recognition
- managing workforce change
- learning and development

There is a particular focus on wellbeing with work undertaken in 2020/21 seeking to promote and embed:

- Provision of ICT to facilitate home working during the pandemic, keeping the workforce safe.
- An occupational health assessment for all staff working remotely.

# Joint Chief Finance Officer Narrative Report

- Participation in the national Oscar Kilo programme to promote well-being in the workplace.
- Investment in further Wellbeing initiatives in the Constabulary and the training of Mental Health First Aiders who can signpost staff for early help and support. A Bronze better health at work award was achieved and work is proceeding towards a silver award, which is expected to be achieved in 2021
- Provision of psychological screening for an additional 100 officers in high risk roles.
- Working as a pilot force for inclusion working in collaboration with Durham University and 10 other forces.
- Investment in a streamlined Strength Based Conversation model that promotes a coaching approach by managers and helps to build resilience in our employees.
- Development of a spotlight scheme to shape future leaders in the Constabulary
- Streamlined processes in duty management so staff can access automated leave systems
- Investment in anti-corruption software and resources to safeguard the safety and wellbeing of the workforce.

At the 31<sup>st</sup> March 2021 the Constabulary employed:

- 1,244 Police Officers
- 62 PCSOs
- 616 Police staff (all expressed in full time equivalents)

As part of the Commissioner’s council tax pledge in 2020/21 the police officer establishment was increased by 51 FTE, from 1,165 to 1,216, which represented the

Constabulary’s share of the first phase of the national Operation Uplift programme. The achievement of the Uplift target was made a high priority by the Constabulary, with the result that the increased officer numbers were in place in early 2020/21; almost a year ahead of schedule. By the end of the year over half of the 2<sup>nd</sup> phase of officers were successfully recruited. Over 2019/20 the numbers of police staff and PCSOs operated slightly below establishment, partly because of the need to train additional officers.

The table below provides a breakdown of the Constabulary workforce (expressed in full time equivalents (FTE)) by gender.

Actual Employees as at 31 March 2021	CC		Total FTE
	Male FTE	Female FTE	
Directors/Chief Officers	6.5	1.0	7.5
Senior Managers	11.0	4.0	15.0
All Other Employees	995.9	902.8	1,898.7
<b>Total CC Employees</b>	<b>1,013.4</b>	<b>907.8</b>	<b>1,921.2</b>

The 2020/21 average percentage of working time lost due to sickness reduced for both officers and staff compared with the previous year. The police officer rate reduced from 4.33% to 3.93% (approx. 8 working days), whilst police staff reduced from 4% to 3.51% (7 working days). An attendance action plan is in place with a wide range of actions to pro-actively manage sickness.

The Constabulary is committed to promoting a workforce which reflects our communities and a culture that respects and celebrates all aspects of diversity. Achieving this aim will also lead to a working environment that is free from discrimination, harassment, bullying and victimisation. The

Constabulary's diversity strategy in 2020/21 had three objectives:

- 1) To provide an equitable, responsive and appropriate service to all communities in Cumbria, encouraging and supporting the reporting of crime, appropriate use of services and promotion of health and well-being.
- 2) To engage with communities and stakeholders internally and externally, improving communication and building confidence and trust in the public sector in Cumbria, to ensure that all communities have a voice. Embedding equality into everyday business and processes to ensure all staff contribute to meeting these objectives.
- 3) Building an inclusive and supportive working environment that encourages development, progression and retention of staff. Creating a culture where all staff feel valued and where people want to work.

The Constabulary recognises the importance of developing the skills and knowledge of its workforce. The Constabulary's has an annual training plan, which aims to ensure that officers, PCSOs and staff are equipped with the requisite skills to perform their role, including mandatory accreditation for specialist responsibilities. During 2020/21, particular training resource was directed to:

- Police Educational and Qualification Framework for new officers (developing apprenticeship and degree entry training programmes in conjunction with the University of Central Lancashire)
- Leadership and skills courses for sergeants and inspectors.

- Specialist crime training including an in house developed Investigative Manager course for detective supervisors.
- A Digital Leadership Programme to improve the digital capabilities of all officers and staff.

## Sustainability

Sustainability is at the heart of the Constabulary's approach to change and business improvement, with the focus on streamlining processes and emphasising quality by putting in systems to get things right first time. In addition, the Constabulary's Demand Strategy delivers sustainability by looking at how demand can be managed down through preventative and collaborative working with other public agencies.

In relation to the Commissioner's estate sustainability is promoted both in day to day management of the assets and in new capital developments. The capital programme promotes sustainability within design and strives to better the requirements of the current building regulations by 10%. Specific holistic design targets are set, encouraging use of natural ventilation and sustainable renewable technology where possible. Previous projects have set specific BREEAM energy efficiency targets of a minimum of very good.

Procurement of sustainable goods and services is encouraged with targets set for local labour and supply of materials. Larger specifications of work include a percentage of 'green' and where possible recycled products. Tender evaluation considers whole life costing, including running costs for the life of the building and a sustainability / environmental assessment. These measures are consistent with the social value policy.

The estate is served by a force wide building management system which is used for:

- Regular monitoring and control of consumption.
- Controlling mechanical building services.
- Monitoring faults for timely repair.

Both new and refurbishment work include specific specifications for low energy technology. A move to LED lighting installations and low emission air conditioning across the estate is the standard.

As a result of the pandemic a high proportion of staff have moved to working remotely. A more flexible approach to home working will be encouraged on a permanent basis as it delivers sustainability benefits reduced travel between sites, improve space efficiency, reduces estate footprint and drives down the energy and environmental footprint at a number of sites.

For many years the Constabulary has operated a recycling policy.

In line with the national fleet strategy, the Constabulary still operates a mostly diesel fleet, with the strategy being continually reviewed as technology advances. There are now a number of petrol vehicles in the fleet, reflecting the technological improvements in these engines. In addition, there is now a small electric fleet, a mix of both unmarked and marked operational vehicles.

In 2019 a web of electric chargers was fitted throughout the estate to provide infrastructure support to these and future electric vehicles.

The fleet includes vehicles of many different types, which are required to perform a number of roles. Each

role has specific targets for emissions and the purchasing criteria for new vehicles dictates that they must be within these limits. Where appropriate arrangements exist vehicles are purchased on a national framework, which includes sustainability and environmental criteria. The maintenance of vehicles is carried out at garages located strategically throughout the county, reducing downtime and transportation. Parts are bought locally and make use of the wider local supply chain where possible.

In a geographically large county staff are encouraged to make use of virtual meetings as an alternative to physical meetings and the transport time and costs, which that entails. Where journeys are essential, public transport via travel plans, car sharing and cycle to work schemes are promoted.

## The Financial Statements

This section of the financial summary provides an explanation of the various parts of the financial statement. The aim of the financial statements are to demonstrate to the reader the overall financial position of the Chief Constable at the end of the financial year, together with the cost of the services provided during the year and the financing of that expenditure.

The key financial statements are:

- The Comprehensive Income and Expenditure Statement (CIES)
- The Movement in Reserves Statement (MiRS)
- The Balance Sheet (BS)
- The Cash Flow Statement (CFS)
- The Police Officer Pension Fund Accounts

## Comprehensive Income and Expenditure Statement

This statement shows the accounting cost in the year of providing services in accordance with generally accepted accounting practices, rather than the amount to be funded from taxation. The Chief Constable prepares this statement in accordance with the expenditure analysis as prescribed by Code of Practice on Local Authority Accounting issued by the Chartered Institute of Public Finance and Accountancy (CIPFA). The CIES is shown on page 27 of the full statement of accounts.

The table below sets out a summary CIES statement.

Summary CI&ES	Gross Expenditure 2020/21 £000s	Gross Income 2020/21 £000s	Net Expenditure 2020/21 £000s
Cost of Police Services	124,120	(458)	123,662
Funding Provided by PCC to CC	0	(125,085)	(125,085)
<b>Cost of Services</b>	<b>124,120</b>	<b>(125,543)</b>	<b>(1,423)</b>
Financing Costs and Investment Income	31,680	(3,288)	28,392
<b>(Surplus)/Deficit on the Provision of Services</b>	<b>155,800</b>	<b>(128,831)</b>	<b>26,969</b>
Other Comprehensive Income and Expenditure			230,333
<b>Total Comprehensive Income and Expenditure</b>			<b>257,302</b>

The statement shows that the gross cost of providing policing services amounted to £123.662m in 2020/21. This figure included the costs of neighbourhood policing, incident response, crime investigation, roads policing, communication with the public, criminal justice arrangements and a range of support services.

In addition, the CIES also records a number of technical adjustments including 'financing costs & investment income' £28.392m and 'other comprehensive income & expenditure' net expenditure of £230.333m. These adjustments principally relate to changes to future

pensions obligations over the year based on proper accounting practices. The overall effect of the cost of providing services and the pensions adjustment is to produce an accounting deficit of £257.302m for the year, which largely impacts on unusable pensions reserves. The analysis on page 9 of this summary, based on the management accounts, shows an underspend of £0.616m.

An Income and Expenditure analysis that sets out what those costs are (e.g. staffing, transport etc.) is provided in the note 6 to the statement of accounts on page 36.

## Movement in Reserves Statement

This statement shows the different reserves held by the Chief Constable analysed into 'Usable Reserves', which can be applied to fund expenditure and other 'Unusable Reserves', which are principally accounting adjustments. It shows the opening balance on each reserve at the start of the year, movements in year and the closing balance.

The Chief Constable's statement of movements in reserves is shown on page 28 in the full statement of accounts.

The table below sets out a summary movement in reserves statement.

Summary Movement in Reserves	Balance 31/03/2020 £000s	Movements 2020/21 £000s	Balance 31/03/2021 £000s
Police Pensions Reserve	(1,203,170)	(243,990)	(1,447,160)
LGPS Pensions Reserve	(62,030)	(11,390)	(73,420)
Accumulated Absences Reserve	(3,616)	(1,922)	(5,538)
<b>Total Reserves</b>	<b>(1,268,816)</b>	<b>(257,302)</b>	<b>(1,526,118)</b>

The reserves shown above on the Chief Constable's movement in reserves statement are all classed as

# Joint Chief Finance Officer Narrative Report

'unusable' and provide a mechanism through which accounting adjustments can be made to present the accounts in accordance with proper accounting practices, whilst allowing the statutory amounts required to be charged for council tax purposes.

The Chief Constable's movements in reserves statement principally records the Chief Constable's negative reserves in relation to the Police and Local Government Pension Schemes, reflecting the requirement to record pension assets and liabilities as they are earned rather than when they become due for payment. During 2020/21, the overall negative balance on the police pension scheme and the local government pension scheme have increased, largely as a result of changes to actuarial assumptions.

All usable reserves are controlled by the Commissioner and are recorded in the balance sheet of the Commissioner, who formally recognises the need to provide contingencies to meet unplanned and planned expenditure in the future. The Commissioner's usable reserves include a general reserve of £3.6m to meet unplanned risks and earmarked reserves of £18m for specific revenue and capital purposes. During 2020/21, a total of £0.7m has been drawn down from the Commissioner's earmarked reserves to fund revenue expenditure in the year and to increase the police fund (general reserve).

## The Balance Sheet

The **balance sheet** shows the value as at the balance sheet date (31 March 2021) of the Chief Constable's assets and liabilities.

The table below sets out the summary balance sheet for the Chief Constable.

Summary Balance Sheet	Balance	Balance
	31/03/2020	31/03/2021
	£000s	£000s
Current Assets	12,086	14,955
Current Liabilities	(14,685)	(19,098)
Long Term Liabilities	(1,266,217)	(1,521,975)
<b>Net Liabilities</b>	<b>(1,268,816)</b>	<b>(1,526,118)</b>
Unusable Reserves	(1,268,816)	(1,526,118)
<b>Total Reserves</b>	<b>(1,268,816)</b>	<b>(1,526,118)</b>

The Chief Constable's current assets (£15.0m) are comprised of the Chief Constable's share of short-term debtors and the balance of funding between the Commissioner and the Chief Constable. Current liabilities (£19.1m) reflect amounts owed by the Chief Constable. They include the Chief Constable's share of short-term creditors and the balance of funding between the Chief Constable and the Commissioner. Long-term liabilities (£1,522m) represent the Chief Constable's share of the pensions deficit together with a small number of provisions to meet future liabilities. The net assets (assets less liabilities) are matched on the balance sheet by the Chief Constable's reserves. The balance sheet reserves reflect the position at year end and therefore match the final position shown in the movement in reserves statement. The balance sheet is shown on page 29 in the full statement of accounts.

The Chief Constable's 2020/21 balance sheet shows a combined pensions deficit of £1,521m (£1,265m in 2019/20) for the LGPS and the Police Pension Scheme to which its employees and former employees belong. However, statutory arrangements for funding the deficit, through increased contributions over a period designed to balance the pensions account and central

# Joint Chief Finance Officer Narrative Report

government funding mean that the financial position of the Chief Constable remains healthy.

## The Cash Flow Statement

The Cash Flow Statement shows the changes in cash and cash equivalents of the Chief Constable during the reporting period. Under the terms of the funding arrangement between the Commissioner and the Chief Constable, all cash and cash equivalents are held by the Commissioner and as such, the Chief Constables cash flow statement simply reflects the surplus or deficit from the provision of services less adjustments for non-cash movements. The statement is shown on page 30 of the full statement of accounts.

The table below provides a summary of the cash flow statement:

Summary Cash Flow Statement	Cash flows 2019/20 £000s	Cash flows 2020/21 £000s
<b>Cash &amp; Cash Equivalents 1 April</b>	<b>0</b>	<b>0</b>
Net (Surplus)/Deficit on the provision of services	31,048	26,969
Adjustments for Non-cash Movements	(31,048)	(26,969)
<b>Net Cash Flows from Operating Activities</b>	<b>0</b>	<b>0</b>
<b>Cash &amp; Cash Equivalents 31 March</b>	<b>0</b>	<b>0</b>

## Police Officer Pension Fund Account

This statement sets out the transactions on the Police Officer pension fund account for the year. The statement records all of the contributions that have been made to the pension fund during the year. These are primarily contributions from employees and the Constabulary, as employer. Contribution rates are set

nationally by the Home Office. There are also small amounts of other contributions, either from officers joining the scheme in the year and transferring in existing pensions benefits or additional contributions from the employer to cover the cost of ill-health retirements.

The fund also records the benefits paid out of the fund to its members. Any difference between the contributions received into the fund and amount paid out is met by government grant, paid through the Commissioner. This means that the police pension fund always balances to nil.

A summary of the pension fund is shown below.

Summary Police Pension Fund	Pension Fund A/C 2019/20 £000s	Pension Fund A/C 2020/21 £000s
Contributions - Employer	(12,793)	(13,519)
Contributions - Officers	(5,529)	(5,842)
Contributions - Other	(846)	(331)
Benefits Payable	39,083	38,862
Other Payments	27	20
<b>Net Amount Payable</b>	<b>19,942</b>	<b>19,190</b>
Contribution from Home Office	(19,942)	(19,190)
Additional Funding Payable by the Constabulary (2.9%)	0	0
Net Amount Payable	0	0

The statement identifies contributions made in 2020/21 totaling £19.70m. The pension benefits that are payable from the fund, together with other payments amounted to £38.89m. The balance between contributions and pensions' benefits paid of £19.19m has been funded by the Home Office via the Police and Crime Commissioner. The full pensions fund

accounts and note can be found on pages 52-53 of the full statement of accounts.

## Supporting Information to the Financial Statements

The key financial statements are supplemented by an explanation of the accounting policies used in preparing the statements which are shown alongside the relevant note in the accounts or in Annex A where they are generic to the accounts as a whole. They also contain a comprehensive set of notes that explain in more detail a number of entries in the primary financial statements. A glossary of terms provides an explanation of the various technical accounting terms and abbreviations. The statements are published alongside the Annual Governance Statement for the Chief Constable in accordance with the 2015 Accounts and Audit (England) Regulations.

*The Annual Governance Statement of the Chief Constable can be found in (Annex D) of this Statement of Accounts on pages AGS 1- 31 or on the Constabulary website at: [www.cumbria.police.uk](http://www.cumbria.police.uk).*

## The Financial Outlook

The financial statements provide a breakdown of net spending during the year with the balance sheet showing the strong overall financial position of the Commissioner and Chief Constable as at 31 March 2021. This has primarily arisen as a result of positive action on behalf of the Constabulary to manage costs in the context of past and potential future reductions in government funding. A reserves policy has been

developed, which seeks to balance pro-actively utilising reserves to support current policing services with maintaining reserves at a level that provides some financial resilience.

To date, with the support of Government, the Constabulary has been able to manage the cost of its response to the Covid-19 pandemic with no adverse effect on its budget.

Looking forward, the Government has continued to be true to its word in the 2021/22 grant settlement by providing further additional grant of £3.4m to fund the recruitment of additional officers in phase 2 of the Operation Uplift programme. Commissioners were also given continued flexibility to levy above inflation increases in council tax. In combination with a public sector pay freeze in 2021, this has enabled the budget for 2021/22 to be balanced.

To date, with the support of Government, the Constabulary has been able to manage the cost of its response to the Covid-19 pandemic with no adverse effect on its budget. However, the medium term financial impact of the current Covid-19 pandemic on the national Government finances is likely to be serious. The potential adverse effect on the ability of forces to raise future funding at both a national and local funding has the potential to compound existing financial risks regarding the sustainability of a funding model, post Operation Uplift, which relies on local taxpayers to meet increases in the cost of providing services, the funding of pensions, costs of national policing initiatives such as the Emergency Services Network and the potential re-distribution of policing resources in any review of the Police Funding Formula. Whilst the short term financial position has improved

the medium term outlook for the Constabulary remains potentially challenging.

The Constabulary's budget is set in the context of a four year medium term financial forecast (MTFF), which is based on prudent assumptions and continued funding restraint. Based on the MTFF, which was prepared in February, annual savings of the order of £5m will be required to balance the budget by the end of the forecast period in 2024/25.

The Commissioner and Chief Constable recognise that, having already delivered £26m of savings since 2010, future savings will be hard won. They continue to work towards developing and implementing organisational changes that will improve the efficiency of the Constabulary and seek to address the future gap between expenditure and income. The judicious use of reserves will also be considered as a means of balancing the budget as an interim measure. Against this background, the level of required savings highlighted in the MTFF are considered to be achievable.

In light of the financial outlook presented above and in the context of the MTFF and savings plans, the Chief Constable and the Chief Finance Officer have reviewed the going concern position of the Constabulary and have concluded that it is appropriate to produce the Chief Constable's accounts on a going concern basis.

## Risks

The primary focus of the Constabulary's strategic risk register is closely aligned with the financial challenges faced by the Constabulary outlined above and the

consequential impact of implementing change across the organisation.

The Constabulary's joint highest scoring strategic risk relates to the potential reduction in service delivery, safety and ultimately public confidence, which could result from a real terms loss of funding.

The other highest scoring risk recognises the potential threat to performance and additional cost implications of implementing the Emergency Services Network, which is a national system to replace the force's radio communications. This is likely to remain until the project is implemented, which is now scheduled for 2026.

The difficulties of providing a normal policing service if there are high levels of absences due to the Covid-19 pandemic remains a significant risk, although most officers have now been vaccinated.

Other strategic risks recognise the heavy reliance of the service on digital technology and the potential for failure due to technical complexity or cyber-crime, the lack of resilience in the Crime Command due to a shortage of trained detectives and the capacity of the organisation to deliver the level of change in Vision 2025.

Wherever possible the Constabulary actively mitigates and manages its strategic risks.

## Change Programme

The Constabulary's Efficiency Plan remains pivotal in identifying and delivering potential savings, it now forms an integral part of the Cumbria 2025 vision project to ensure that a holistic approach to service delivery linked to changing service demand is adopted.

Current work-streams include:

- Undertaking a Capabilities Review to inform the design of a workforce to meet future policing requirements.
- Realising benefits from investments in digital technology in operational policing.
- Use of business analytics and intelligence to improve management information and generate efficiencies.
- Greater emphasis on income generation.
- Extending the concept of consolidation of operational resources into hubs, including locality based multi-agency working, with the aim of improving productivity and capacity.
- Improving the efficiency of business systems and procedures to better support operational policing.
- Exploiting opportunities for collaboration with other partners.
- A more systematic benefits realisation monitoring process.
- Use of benchmarking and Value for Money indicators to inform resourcing decisions.
- Specific reviews of business activities.

## Financial Management Code

The Financial Management Code developed by the Chartered Institute of Public Finance and Accountancy came into effect from the 1<sup>st</sup> April 2020, with the aim of supporting good practice in financial management in local authorities including the policing sector. However, there is a recognition that due to the global pandemic, it may be difficult for authorities to demonstrate full-compliance during 2020/21. A self assessment has been undertaken, which shows that the Constabulary largely meets the requirements of the code, however there are some areas where further work is required to ensure full compliance, most notably in relation to

- Demonstrating Value for Money.
- Balance sheet monitoring.
- Scheme of delegation and financial training
- Developing a financial resilience index.
- Application of formal options appraisal techniques.

A copy of the self-assessment is included as an appendix to the Annual Governance Statement (Appendix C).

## Acknowledgements

The financial statements were originally authorised for issue by me as Joint Chief Finance Officer, on 30 June 2021. Following completion of the audit, they were re-authorised by me on 04 November 2021 and were formally approved by the Chief Constable on the same day.

In closing, it is appropriate to acknowledge the dedication and professionalism of Michelle Bellis Deputy Chief Finance Officer, Lorraine Holme, and the wider finance team in again achieving the closure of accounts and the publication of these statements against tight deadlines and in challenging working circumstances due to the pandemic.

**Roger Marshall**

**Joint Chief Finance Officer**

The accounts present a true and fair view of the position of the Chief Constable of Cumbria Constabulary as at 31 March 2021 and its income and expenditure for the year there ended.

Date: 04 November 2021

# Responsibilities for the Statement of Accounts

## 1 The Chief Constable's Responsibilities

The Chief Constable is accountable to the Police and Crime Commissioner for the management of resources and expenditure by the police force. All funding for the Chief Constable comes from the Police and Crime Commissioner. The Chief Constable is required to:

- make arrangements for the proper administration of his financial affairs and to secure that one of his officers has the responsibility for the administration of those affairs. In this organisation, that officer is the Joint Chief Finance Officer (CFO).
- manage his affairs to secure economic, efficient and effective use of resources and safeguard its assets.
- approve the Statement of Accounts including annexes to the Statement of Accounts.

## 2 The Joint Chief Finance Officer's Responsibilities

The CFO is responsible for the production of the Statement of Accounts for the Chief Constable, Commissioner and Group. The CFO is responsible for the preparation of the Statement of Accounts in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom (the Code).

In preparing this Statement of Account, the CFO has:

- selected suitable accounting policies and then applied them consistently;
- made judgements and estimates that are reasonable and prudent;
- complied with the local authority code.

The CFO has also:

- kept proper accounting records, which were up to date
- taken reasonable steps for the prevention and detection of fraud and other irregularities.

The CFO should sign and date the Statement of Accounts, stating that it presents a true and fair view of the financial position of the organisation at the reporting date and its income and expenditure for the year ended 31 March 2021.

# A more detailed analysis of the figures that make up the “Cost of Policing and Crime Services” can be found in the Expenditure and Funding Analysis (Note 5) and in the Expenditure and Income Analysed by Nature note (Note 6).

# Movement in Reserves Statement

This statement shows the movement in the year on the different reserves held by the Chief Constable, analysed into 'Usable Reserves' (i.e. those that can be applied to fund expenditure) and other 'Unusable reserves'. The Surplus (or Deficit) on the Provision of Services line shows the true economic cost of providing the Chief Constable's services, more details of which are shown in the Comprehensive Income and Expenditure Statement.

The figures for the Chief Constable in 2020/21 are provided in the table below:

Movement in Reserves Statement (CC) Figures for 2020/21								
	Note	Balance at 1 April 2020	Surplus/(deficit) on the provision of services	Other comprehensive income and expenditure	Total comprehensive income and expenditure	Adjustment between accounting basis and funding basis under regulations (Note 7)	Increase/(decrease) in 2020/21	Balance at 31 March 2021
		£000s	£000s	£000s	£000s	£000s	£000s	£000s
<b>Usable Reserves</b>								
Chief Constable's Constabulary Fund	-	0	(26,969)	0	(26,969)	26,969	0	0

# Cash Flow Statement

The Cash Flow statement shows the changes in cash and cash equivalents of the Chief Constable during the reporting period. Under the funding arrangement between the Police and Crime Commissioner and the Chief Constable, the Chief Constable does not engage in investment and financing activities therefore all cash flows are classified as operating activities.

Cash Flow Statement (CC)		CC 2019/20 £000s	CC 2020/21 £000s
	Net (Surplus) or Deficit on the provision of services	31,048	26,969
	Adjustment to net surplus or deficit on the provision of services for non-cash movements	CF1 (31,048)	(26,969)
	<b>Net cash (inflow)/ outflow from Operating Activities</b>	<b>0</b>	<b>0</b>
	<b>CF1 - The Adjustment to net surplus or deficit on the provision of services for non-cash movements are made up as follows:</b>		
	Pension Liability (Contributions to/from Pensions Reserve)	(30,488)	(25,047)
	Debtors - Adjustment re CC Share of Debtors	692	390
	Debtors - Adjustment re Balance of Funding due from PCC to CC	(823)	2,489
	Creditors - Adjustment re CC Share of Creditors	(45)	(3,963)
	Creditors - Adjustment re Balance of Funding due from CC to PCC	(805)	(450)

The notes to the accounts are provided to aid the understanding of material items within the core financial statements. As a general rule, the column showing the figures for 2020/21 will be highlighted, whilst the comparatives for 2019/20 (where provided) will not.

The notes sometimes include terms that may require further explanation. Where possible, explanations are provided within the note, otherwise explanations are provided within the “glossary of terms” in pages 54-56. Terms for which an explanation is provided will be depicted by text that is shown in teal coloured text and underlined.

# Notes to the Accounts

## 1 Accounting Policies

There are a number of accounting policies that determine how items within the accounts are treated. Where these accounting policies relate to a particular note to the accounts, the accounting policy is shown alongside that note in a grey text box. Where an accounting policy is more generic and applicable across the statement accounts it will continue to be shown in a separate technical annex, **Annex A** (see pages 57-60).

## 2 Critical Judgements in Applying Accounting Policies

In applying the accounting policies as set out alongside the relevant note or in Annex A (pages 57 to 60), the [Chief Constable](#) has had to make certain judgements about complex transactions or those involving uncertainty about future events. The critical judgements made in the Statement of Accounts are:

- There is a high degree of uncertainty about future levels of funding for policing. However, the Chief Constable and Commissioner have determined that this uncertainty is not yet sufficient to provide an indication that the assets of the [Commissioner](#) might be impaired as a result of a need to close facilities and reduce levels of service [provision](#).

## 3 Events after the Balance Sheet Date

A post balance sheet event is an event, subsequent to the date of the financial statements, and for which International Financial Reporting Standards and the code require adjustment or disclosure. Consideration has been given as to whether any events meet the requirement to be disclosed as a post balance sheet event and it has been concluded that no such matters require disclosure.

The Statement of Accounts was authorised for issue by the Joint Chief Finance Officer on **04 November 2021**. Events taking place after this date are not reflected in the financial statements or notes. Where events taking place before this date provided information about conditions existing at 31 March 2021, the figures in the financial statements and notes have been adjusted in all material respects to reflect the impact of this information.

### Accounting Policy - Events after the Balance Sheet Date

Events after the balance sheet date are those events, both favourable and unfavourable, that occur between the end of the reporting period and the date the Statement of Accounts is authorised for issue which have an impact on the financial statements and are treated as follows. Two types of events can be identified:

- Those that provide evidence of conditions that existed at the end of the reporting period – the Statement of Accounts is adjusted to reflect such events.
- Those that are indicative of conditions that arose after the reporting period – the Statement of Accounts is not adjusted to reflect such events, but where a category of events would have a material effect, disclosure is made in the notes of the nature of the event and their estimated financial effect.

Events taking place after the authorised for issue date are not reflected in the statement of accounts.

# Notes to the Accounts

## 4 Assumptions made about the future and other Sources of Estimation Uncertainty

The statement of Accounts contains estimated figures that are based on assumptions made by the [Chief Constable](#) about the future or that are otherwise uncertain. Estimates are made taking into account historical experience, current trends and other relevant factors. However, because balances cannot be determined with certainty, actual results could be materially different from the assumptions and estimates.

The items in the Chief Constable’s balance sheet as at 31 March 2021 for which there is significant risk of material adjustment in the forthcoming financial year are as follows:

Item	Uncertainties	Effect if Actual Results Differ from Assumptions
Pensions Liability	<p>Estimation of the net liability to pay pensions depends on a number of complex judgements relating to the discount rate used, the rate at which salaries are projected to increase, changes in retirement ages, mortality rates and expected returns on pension fund assets.</p> <p>Two firms of consulting actuaries are engaged to provide the Chief Constable with expert advice about the assumptions to be applied for both the Police Pension Scheme (Government Actuaries Department) and the Local Government Pension Scheme (Mercer Ltd).</p> <p>In relation to the Local Government Pension Scheme there is a material estimation uncertainty around the value of property assets held in the pension scheme as a result of the global Covid-19 pandemic.</p> <p>In relation to the Police Pension Schemes there is estimation uncertainty with regards to the proposed remedy in relation to the McCloud Sergeant Judgement.</p>	<p>The effects on the net pension liability of changes in individual assumptions can be measured. Examples of the impact of changes in individual assumptions is included in the sensitivity analysis provided in the technical annex to the accounts Annex C, Pensions on pages 63-72.</p>

# Notes to the Accounts

## 5 Expenditure and Funding Analysis

The Expenditure and Funding Analysis shows how annual expenditure is used and funded from resources (government grants, council tax precepts) by the Chief Constable in comparison with those resources consumed or earned in accordance with generally accepted accounting practices. It also shows how this expenditure is allocated for decision making purposes between subjective headings. Income and Expenditure accounted for under generally accepted accounting practices is presented more fully in the Comprehensive Income and Expenditure Statement.

The figures for the Chief Constable in 2020/21 and comparatives for 2019/20 are provided in the table below:

Expenditure and Funding Analysis (CC)	Net Expenditure Chargeable to the Police Fund balance and as reported for resource management	CC 2019/20 Adjustments between Funding and Accounting Basis (Note 5 & 7)	Net Expenditure in the Comprehensive Income and Expenditure Statement	Net Expenditure Chargeable to the Police Fund balance and as reported for resource management	CC 2020/21 Adjustments between Funding and Accounting Basis (Note 5 & 7)	Net Expenditure in the Comprehensive Income and Expenditure Statement

<b>Total Expenditure</b>	<b>0</b>	<b>0</b>
<b>(Surplus)/Deficit on the Provision of Services</b>	<b>0</b>	<b>0</b>

# Notes to the Accounts

## 7 Adjustments between Accounting Basis and Funding Basis under Regulations

This note details the adjustments that are made to the total comprehensive income and expenditure recognised by the [Chief Constable](#) in the year in accordance with proper accounting practice to the resources that are specified by statutory [provisions](#) as being available to the Chief Constable to meet future expenditure.

The figures for 2020/21 are set out in the table below:

Adjustments between Accounting Basis and Funding Basis Under Regulations	Note	CC Constabulary Fund Balance £000s	CC Police Pension Reserve £000s	CC LGPS Pension Reserve £000s	CC Accumulated Absences Account £000s
<b>Adjustments to the Revenue Resources</b>					
Amounts by which income and expenditure included in the Comprehensive Income and Expenditure Statement are different from revenue for the year calculated in accordance with statutory requirements:					
- Pensions costs (transferred to (or from) the Pensions Reserve)	<b>Annex C</b>	25,047	(21,300)	(3,747)	<b>0</b>
- Holiday Pay (transfers to or from Accumulated Absences Account)	<b>14b</b>	1,922	0	0	<b>(1,922)</b>
<b>Total Adjustments</b>		<b>26,969</b>	<b>(21,300)</b>	<b>(3,747)</b>	<b>(1,922)</b>

The comparative figures for 2019/20 are set out in the table below:

Adjustments between Accounting Basis and Funding Basis Under Regulations	Note	CC Constabulary Fund Balance £000s	CC Police Pension Reserve £000s	CC LGPS Pension Reserve £000s	CC Accumulated Absences Account £000s
<b>Adjustments to the Revenue Resources</b>					
Amounts by which income and expenditure included in the Comprehensive Income and Expenditure Statement are different from revenue for the year calculated in accordance with statutory requirements:					
- Pensions costs (transferred to (or from) the Pensions Reserve)	<b>Annex C</b>	30,488	(25,020)	(5,468)	<b>0</b>
- Holiday Pay (transfers to or from Accumulated Absences Account)	<b>14b</b>	560	0	0	<b>(560)</b>
<b>Total Adjustments</b>		<b>31,048</b>	<b>(25,020)</b>	<b>(5,468)</b>	<b>(560)</b>

# Notes to the Accounts

## 8 Audit Fees

In 2020/21 the [Chief Constable](#) incurred the following fees relating to external audit services provided by Grant Thornton UK LLP.

External Audit Fees	CC	CC
	2019/20	2020/21
	£000s	£000s
<b>Amounts Relating to The Chief Constable</b>		
Fees payable to Grant Thornton UK LLP with regard to external audit services carried out by the appointed auditor.	17	17
<b>Total External Audit Fees for Year</b>	<b>17</b>	<b>17</b>

The above table shows the gross fees payable to the external auditor during the year. In 2019/20 a rebate of audit fees of £1k was received from Public Sector Audit Appointments. The amounts in the table agree to the amounts recorded in the comprehensive income and expenditure statement. Since the accounts were prepared, Grant Thornton have advised that the proposed final external audit fee for 2020/21 will be £3k higher than the amount shown in the note above.

## 9 Financial Instruments

*Financial Instruments are contracts that give rise to a financial asset in one entity and a financial liability in another. The term covers both **financial assets** such as loans and receivables and **financial liabilities** such as creditors and borrowings.*

Under International Financial reporting Standards a full set of disclosure notes are required in respect of financial instruments. These notes for the Chief Constable are included in a separate technical appendix at Annex B on pages 61 to 62.

The disclosures include:

- The Categories of Financial Instrument
- Gains and Losses on Financial Instruments
- Fair value of Assets and Liabilities Carried at Amortised Cost
- Disclosure of the Nature and Extent of Risks Arising from Financial Instruments

# Notes to the Accounts

## 10 Short-term Debtors

A breakdown of the amounts owing to the [Chief Constable](#) as at 31 March 2021 with comparative information for the previous year is set out in the table below:

Short-term Debtors	CC	
	As at 31 March	
	2020 £000s	2021 £000s
<b>Balance Owed from PCC re CC Share of External Debtors</b>		
- Trade Receivables	95	111
- Police pensions prepayment	2,606	2,687
- Prepayments/Payments in Advance	2,076	2,439
	<b>4,777</b>	<b>5,237</b>
Balance Owed from Employees (re accumulated Absences)	150	80
Balance Owed from PCC re Balance of Funding	6,781	9,270
<b>Total Debtors</b>	<b>11,708</b>	<b>14,587</b>

## 11 Short-term Creditors

An analysis of the amounts owed by the [Chief Constable](#) as at 31 March 2021 with comparative information for the previous year is set out in the table below:

Short-term Creditors	CC	
	As at 31 March	
	2020 £000s	2021 £000s
<b>Balance Owed to PCC re CC Share of External Creditors</b>		
- Trade Payables	(3,412)	(5,443)
- HMRC PAYE Amounts Due	(2,352)	(2,432)
	<b>(5,764)</b>	<b>(7,875)</b>
Balance owed to Employees (re accumulated absences)	(3,766)	(5,618)
Balance owed to PCC re balance of Funding	(5,155)	(5,605)
<b>Total Creditors</b>	<b>(14,685)</b>	<b>(19,098)</b>

## 12 Provisions

The [Chief Constable](#) is able to maintain [provisions](#) to meet expected future liabilities. The Code of Practice on Local Authority Accounting advises that the value of any provisions be charged to the appropriate part of the Comprehensive Income and Expenditure Statement in anticipation of the liability having to be met in the future. The classification of provisions is consistent with the Code of Practice.

A brief description of the purpose of the individual provisions as at 31 March 2021 is provided below:

**Insurance liabilities** – this provision has been established to meet a number of eventualities from ongoing claims which are not covered by external insurers. In particular, liability risks up to £100k per event (this figure was £25k until 1 November 2014 when the policy excess was increased from £25k to £100k) are retained by the Chief Constable and met internally. The provision for insurance liabilities is subject to an actuarial review on a biennial basis to determine the most appropriate level for the provision based on the circumstances at the time of the review.

**Legal Claims** – this provision has been established to cover the potential costs relating to a number of legal claims that are currently ongoing.

**Employee Related** – This provision was established in 2018/19 to cover the potential costs in relation to the capital ill health charge in respect of three cases where the Constabulary was required to retire a police officer on ill health grounds. Whilst the initial decision was made in March 2019, a potential to appeal the decision meant that the ultimate cost would fall in to 2019/20. The provision was fully utilised during 2019/20.

### Accounting Policy – Provisions

[Provisions](#) are made when an event has taken place that gives a legal or constructive obligation that probably requires settlement by transfer of economic benefits or service potential, and a reliable estimate can be made of the amount of the obligation. For instance, involvement in a court case that could eventually result in the making of a settlement or the payment of compensation.

Provisions are charged as an expense to the appropriate function line in the Comprehensive Income and Expenditure Statement in the year that awareness of the obligation arises, and are measured at the best estimate at the balance sheet date of the expenditure required to settle the obligation, taking into account the relevant risks and uncertainties.

When payments are eventually made, they are charged to the provision carried on the Balance Sheet. Estimated settlements are reviewed at the end of each financial year. Where it becomes less than probable that a transfer of economic benefits will subsequently be required (or a lower settlement than anticipated is made), the provision is reversed and credited back to the relevant function.

Where some or all of the payment required to settle a provision is expected to be recovered from another party (e.g. from an insurance claim), this is only recognised as income for the relevant service if it is virtually certain that reimbursement will be received if the obligation is settled.

## Notes to the Accounts

The table below shows the movements during the year on each of the provisions and the position as at 31 March 2021.

Provisions	Balance as at 01/04/20	Additional Provisions Made 2020/21	Amounts Used in 2020/21	Unused Amounts Reversed in 2020/21	Balance as at 31/03/21
	£000s	£000s	£000s	£000s	£000s
Insurance Liabilities	(362)	(95)	95	0	(362)
Legal Claims	(655)	(480)	102	0	(1,033)
<b>Total Provisions</b>	<b>(1,017)</b>	<b>(575)</b>	<b>197</b>	<b>0</b>	<b>(1,395)</b>

The comparative information for year ended 31 March 2020 is as follows:

Provisions	Balance as at 01/04/19	Additional Provisions Made 2019/20	Amounts Used in 2019/20	Unused Amounts Reversed in 2019/20	Balance as at 31/03/20
	£000s	£000s	£000s	£000s	£000s
Insurance Liabilities	(279)	(210)	127	0	(362)
Legal Claims	(819)	(25)	145	44	(655)
Employee Related	(235)	0	234	1	0
<b>Total Provisions</b>	<b>(1,333)</b>	<b>(235)</b>	<b>506</b>	<b>45</b>	<b>(1,017)</b>

### 13 Pensions

The Chief Constable participates in the Local Government Pension Scheme (LGPS) for Police Staff and three pensions schemes in respect of Police Officers. Under International Financial reporting Standards a full set of disclosure notes are required in respect of Pensions. These notes for the Chief Constable are included in a separate technical appendix at Annex C on pages 63 to 72.

The disclosures include:

- Details of the pension schemes
- A summary of accounting entries in respect of pensions
- Pensions assets and liabilities recognised in the balance sheet
- Reconciliation of the Fair Value of scheme assets
- Basis for estimating assets and liabilities
- A summary of principal assumptions used by scheme actuary
- Sensitivity analysis in relation to pensions
- Impact on the Chief Constable's Cash Flows

# Notes to the Accounts

## 14 Unusable Reserves

*Unusable reserves derive from accounting adjustments and are not available to be spent.*

Certain [reserves](#) are kept to manage the accounting processes for retirement and employee benefits and do not represent usable resources for the [Chief Constable](#).

### Accounting Policy – Reserves

Under the terms of the funding arrangement between the Commissioner and the Chief Constable, all usable reserves i.e. those reserves that may be used to provide services, subject to the need to maintain a prudent level of reserves and any statutory limitations on their use, are controlled by the Commissioner and are recorded in the balance sheet of the Commissioner. However, the Chief Constable does hold certain unusable reserves in relation to pensions and accumulated employee absences, which arise from Constabulary activities and are not covered by the funding arrangement and are shown on the Chief Constable's balance sheet.

### 14.a Pensions Reserve

The Pensions Reserves (LGPS and Police) absorb the timing differences arising from the different arrangements for accounting for post-employment benefits and for funding in accordance with statutory provisions. The [Chief Constable](#) accounts for post-employment benefits in the Comprehensive Income and Expenditure Statement as the benefits are earned by employees accruing years of service, updating the liabilities recognised to reflect inflation, changing assumptions and investment returns on any resources set aside to meet the costs. However, statutory arrangements require benefits earned to be financed as the Chief Constable makes employer's contributions to pension funds or eventually pays any pensions for which it is directly responsible. The debit balance on the Pension Reserve therefore shows a substantial shortfall in the benefits earned by past and current employees and the resources the Chief Constable has set aside to meet them. The statutory arrangements will ensure that funding will have been set aside by the time the benefits come to be paid.

Pensions Reserve	CC LGPS Pensions		CC Police Pensions	
	2019/20 £000s	2020/21 £000s	2019/20 £000s	2020/21 £000s
Balance at Start of Year	(52,654)	(62,030)	(1,296,300)	(1,203,170)
Remeasurement of the net defined pension benefit liability/asset	(3,908)	(7,643)	118,150	(222,690)
Reversal of items relating to retirement benefits debited or credited to the Surplus or Deficit on the Provision of Services in the Comprehensive Income and Expenditure Statement	(8,528)	(7,641)	(59,150)	(55,670)
Employer's pension contributions and direct payments to pensioners payable in the year.	3,060	3,894	34,130	34,370
<b>Balance at End of Year</b>	<b>(62,030)</b>	<b>(73,420)</b>	<b>(1,203,170)</b>	<b>(1,447,160)</b>

# Notes to the Accounts

## 14.b Accumulated Absences Account

The accumulated absences account absorbs the differences that would otherwise arise on the Police Fund balance from accruing for compensated absences earned but not taken in the year, e.g. annual leave, flexi leave, time off in lieu and rest day entitlements carried forward at 31 March. Statutory arrangements require that the impact on the Police Fund Balance is neutralised by transfers to or from the Account.

<b>Accumulated Absences Account</b>	CC 2019/20 £000s	CC 2020/21 £000s
<b>Balance at Start of Year</b>	(3,056)	<b>(3,616)</b>
Settlement or cancellation of accrual made at the end of the preceding year	3,056	3,616
Amounts accrued at the end of the current year	(3,616)	(5,538)
Amount by which officer remuneration charged to the Comprehensive Income and Expenditure Statement on an accruals basis is different from remuneration chargeable in the year in accordance with statutory requirements	<b>(560)</b>	<b>(1,922)</b>
<b>Balance at End of Year</b>	<b>(3,616)</b>	<b>(5,538)</b>

### Accounting Policy - Employee Benefits Payable during Employment

Short-term employee benefits are those due to be settled within 12 months of the year-end. They include such benefits as salaries, paid annual leave and paid sick leave, bonuses and non-monetary benefits (e.g. cars) for current employees and are recognised as an expense for functions in the year in which employees render service. An [accrual](#) is made for the cost of holiday entitlements, time off in lieu, flexi leave and rest days in lieu earned by employees but not taken before the year-end, which employees can carry forward into the next financial year. The accrual is made at the salary rate applicable at the balance sheet date. The employee accrual is then reversed out through the movement in reserves statement so that it is not charged against council tax.

## Notes to the Accounts

### 15 Members Allowances and Expenses

The Code of Practice on Local Authority Accounting requires the disclosure of the total amount of members allowances paid in the year. This is set out in the table below together with a comparative figure for the previous year.

Members Allowances	CC	CC
	2019/20 £000s	2020/21 £000s
Basic Allowance	22	47
Travel and Subsistence	7	2
	<b>29</b>	<b>49</b>
<b>Analysis by Type:</b>		
Joint Audit Committee	9	8
Ethics and Integrity Panel	7	7
Independent Custody Visitors	4	1
Misconduct Panel	9	33
	<b>29</b>	<b>49</b>

The above table includes expenses for the four appointed members of the Joint Audit Committee, the Ethics and Integrity Panel, misconduct panels together with travel allowances payable to independent custody visitors. The table above includes the total costs of members and these apply jointly between the Commissioner and Constabulary.

A full disclosure of allowances and expenses paid to individual members can be found on the Police and Crime Commissioners website at: <https://cumbria-pcc.gov.uk/finance-governance/allowances/>.

# Notes to the Accounts

## 16 Disclosure of Remuneration for Senior Employees

The following table sets out the remuneration disclosures for Senior Officers and Relevant Police Officers whose salary is more than £50,000 per year.

The tables include members of the Extended Chief Officer Group which is the formal decision making body for the Constabulary.

The table below gives the information for 2020/21 in £000s.

Postholder Information Post Title	Note	Salary (including Fees & Allowances)	Expense Allowances	Termination Pay & Compensation for loss of office	Benefits in Kind	Other Payments (Police Officers Only)	Total Remuneration Excluding pension Contributions	Pension Contributions	Total Remuneration Including pension Contributions
Chief Constable - Michelle Skeer		160	7	0	0	3	170	2	172
Deputy Chief Constable (a)		122	7	0	0	0	129	38	167
Deputy Chief Constable (b)	1	126	0	0	0	3	129	0	129
Assistant Chief Constable		119	7	0	0	3	129	36	165

Chief Superintendent - Territorial Policing		92	1	0	1	3	97	28	125
Temporary Chief Superintendent - Crime Command		73	1	0	1	0	75	22	97
Superintendent - Head of People (a)		92	2	0	1	3	98	28	126
Superintendent - Head of People (b) (Temp ACC)	3	89	2	0	0	0	91	25	116
Director of Legal Services		88	1	0	1	0	90	16	106
<b>Total Chief Constable</b>		<b>1,216</b>	<b>28</b>	<b>97</b>	<b>4</b>	<b>15</b>	<b>1,360</b>	<b>274</b>	<b>1,634</b>

### Notes

- Deputy Chief Constable (b) is seconded to the Police Officer Uplift Programme and associated costs are reimbursed by other forces.
- The Director of Corporate Improvement was made voluntarily redundant on 28/02/21.
- Superintendent/Head of People (b) was temporarily promoted to the rank of ACC for the period 11/01/21 to 31/03/21.

# Notes to the Accounts

The table below gives the comparative information for 2019/20 in £000s.

Postholder Information Post Title	Note	Salary (including Fees & Allowances)	Expense Allowances	Benefits in Kind	Other Payments (Police Officers Only)	Total Remuneration Excluding pension Contributions	Pension Contributions	Total Remuneration Including pension Contributions
Chief Constable - Michelle Skeer		157	7	0	3	167	48	215
Deputy Chief Constable		119	7	0	0	126	37	163
Assistant Chief Constable	1	110	8	0	3	121	34	155

<b>Total Chief Constable</b>		<b>1,014</b>	<b>28</b>	<b>2</b>	<b>11</b>	<b>1,055</b>	<b>260</b>	<b>1,315</b>

## Notes:

- 1 The Assistant Chief Constable was promoted to ACC from Temporary ACC on 29/04/19.
- 2 Superintendent/Head of People (a) commenced employment with the Constabulary on 25/09/19.
- 3 Superintendent/Head of People (b) moved to be Superintendent TPA South on 08/10/19.

# Notes to the Accounts

## 17 Employee Remuneration

The Code of Practice on Local Authority Accounting requires the disclosure of the number of employees whose remuneration, excluding pension's contributions, exceeded £50,000 and senior police officers (defined as those holding a rank **above** that of superintendent). This is set out in the table below in bands of £5,000:

Remuneration Band	2019/20			2020/21		
	CC Police Staff	CC Snr Police Officers	CC Total	CC Police Staff	CC Snr Police Officers	CC Total
£50,000 to £54,999	6	0	6	7	0	7
£55,000 to £59,999	1	0	1	1	0	1
£60,000 to £64,999	4	0	4	3	0	3
£65,000 to £69,999	3	0	3	5	0	5
£70,000 to £74,999	0	0	0	0	1	1
£75,000 to £79,999	0	0	0	1	0	1
£80,000 to £84,999	1	0	1	0	0	0
£85,000 to £89,999	3	1	4	3	1	4
£90,000 to £94,999	0	2	2	0	0	0
£95,000 to £99,999	1	0	1	1	2	3
£100,000 to £104,999	0	0	0	0	0	0
£105,000 to £109,999	0	0	0	0	0	0
£110,000 to £114,999	0	1	1	0	0	0
£115,000 to £119,999	0	1	1	0	0	0
£120,000 to £124,999	0	0	0	0	2	2
£125,000 to £129,999	0	0	0	0	1	1
£130,000 to £134,999	0	0	0	0	0	0
£135,000 to £139,999	0	0	0	0	0	0
£140,000 to £144,999	0	0	0	0	0	0
£145,000 to £149,999	0	0	0	0	0	0
£150,000 to £154,999	0	0	0	0	0	0
£155,000 to £159,999	0	1	1	0	0	0
£160,000 to £164,999	0	0	0	0	1	1
£165,000 to £169,999	0	0	0	0	0	0
£170,000 to £174,999	0	0	0	0	0	0
£175,000 to £179,999	0	0	0	1	0	1
<b>Total</b>	<b>19</b>	<b>6</b>	<b>25</b>	<b>22</b>	<b>8</b>	<b>30</b>

In 2020/21 the remuneration for 171 Police Officers (108 in 2019/20) superintendent rank and below (who are not required to be disclosed in the above note under regulations) exceeded £50,000.

The table above includes those employees and senior police officers that are also required to be disclosed on a more detailed individual basis. Please see note 16 for more information.

# Notes to the Accounts

## 18 Exit Packages/Termination Payments

The numbers of exit packages with total cost per band and a total cost of the compulsory and other redundancies are set out in the table below:

Exit package cost band (including special payments)	Number of Compulsory Redundancies		Number of other Departures Agreed		Total Number of Exit Packages by cost band		Total cost of exit packages in each band	
	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21
	Headcount	Headcount	Headcount	Headcount	Headcount	Headcount	£000's	£000's
£0-£20,000	1	3	3	0	4	3	42	10
£20,001 - £40,000	0	0	0	0	0	0	0	0
£40,001 - £60,000	0	0	0	0	0	0	0	0
£60,001 - £80,000	0	0	0	0	0	0	0	0
£80,001 - £100,000	0	0	0	0	0	0	0	0
£100,001 - £150,000	0	0	0	1	0	1	0	129
<b>Total</b>	<b>1</b>	<b>3</b>	<b>3</b>	<b>1</b>	<b>4</b>	<b>4</b>	<b>42</b>	<b>139</b>

During ~~2020/21~~ 2019/20 the contracts of a small number of employees were terminated incurring termination payments amounting to £139k (£42k in 2019/20). This amount is made up of exit packages paid in 2020/21.

The exit packages paid in 2020/21 amount to £139k (£42k in 2019/20). The exit packages can be further split into compensation for loss of employment £106k (£42k in 2019/20) and enhanced pension benefits £33k (£0k in 2019/20). The redundancies are as a result of the OPCC and Constabulary's change programme. The Exit Packages table above provides details of the number and total cost of exit packages per band and include those exit packages paid in 2020/21.

### Accounting Policy - Termination Benefits

Termination benefits are amounts payable as a result of a decision to terminate an officer's employment before the normal retirement date or an officer's decision to accept voluntary redundancy. These are charged (on an accruals basis) to the relevant service line in the Comprehensive Income and Expenditure Statement at the earlier of when the organisation can no longer withdraw the offer of those benefits or when the organisation recognises the costs for restructuring.

Where termination benefits involve enhancement of pensions, statutory provisions require the Police Fund balance be charged with the amount payable to the pension fund or pensioner in the year, not the amount calculated according to the relevant accounting standards. In the Movement in Reserves Statement, appropriations are required to and from the pensions reserve to remove the notional debits and credits for pension enhancement termination benefits and replace them with debits for the cash paid to the pension fund and any such amounts payable but unpaid at the year-end.

## 19 Related Party Transactions

The [Chief Constable](#) is required to disclose material transactions with related parties – bodies or individuals that have the potential to control or influence the Chief Constable or to be controlled or influenced by the Chief Constable. Disclosure of these transactions allows readers to assess the extent to which the Chief Constable might have been constrained in his ability to operate independently or might have secured the ability to limit another party's ability to bargain freely with the Chief Constable.

### 19.a Police and Crime Commissioner

The Police and Crime Commissioner has direct control over the Chief Constable's finances, providing funding for all running costs. [The Commissioner](#) is responsible for setting the Police and Crime Plan. The Chief Constable retains operational independence and operates within the funding agreement set by the Commissioner, to deliver the aims and objectives set out in the Police and Crime Plan.

### 19.b Central Government

Central government has effective control over the general operations of the Chief Constable – it is responsible for providing the statutory framework within which the Chief Constable operates and provides the majority of its funding via [the Commissioner](#).

### 19.c Officers and Employees

Senior officers and staff of the Constabulary were asked to declare any direct financial relationship through outside bodies or companies with the Chief Constable. No material transactions have been reported in respect of the 2020/21 financial year.

### 19.d Other Public Bodies

The Chief Constable's transactions with the Cumbria Local Government Pension Scheme (administered by County Council) are shown in the pension related disclosure notes included within the Technical Annex (Annex C) pages 63-72.

The Chief Constable has included within the Comprehensive Income and Expenditure Statement his respective share of costs in relation to collaborative arrangements with other forces/councils. In particular these include:

- The PCC for Cheshire – North West Underwater Search Unit, Northwest Armed Policing Collaboration, Northwest Strategic Automatic Number Plate Recognition (ANPR) and Regional Emergency Services Network (ESN).
- The PCC for Merseyside – Regional Crime Unit, Regional Intelligence Unit, Prison Intelligence Unit, Technical Support Unit, Protected Persons Unit, Government Agency Intelligence Network (GAIN), Confiscation Unit, Regional Assets Recovery Team, Operational Security (OPSEY), Cyber Crime, Regional Fraud Team, Regional Insourced Forensic Science Services.
- The PCC for Lancashire – Regional Insourced Forensic Science Services and Learning & Development Collaboration which came to an end on 30 September 2019.
- Cumbria County Council – Shared Internal Audit Service.
- Durham Constabulary – ICT Collaboration in relation to development of systems.

## 20 Pension Challenge

### Legal Cases

The Chief Constable of Cumbria along with other Chief Constables and the Home Office currently has a number of claims in respect of unlawful discrimination arising from transitional provisions in the Police Pension Regulations 2015. The claims against the Police pension scheme (the Aarons case) had previously been stayed behind the McCloud/Sargeant judgement, but a case management was held in October 2019, with the resulting Order including an interim declaration that the claimants are entitled to be treated as if they had been given full transitional protection and had remained in their existing scheme after 1 April 2015. Whilst the interim declaration applied only to claimants, the Government made clear through a Written Ministerial Statement on 25 March 2020 that non-claimants would be treated in the same way.

On 16 July 2020, HM Treasury issued a consultation regarding transitional arrangements for public sector pensions to eliminate discrimination as identified through the McCloud/Sargeant cases. This consultation introduced a requirement for members to have been members of the scheme on or before 31 March 2012 and on or after 1 April to be eligible for remedy.

On 4 February 2021, HM Treasury issued their response to the consultation which confirmed the remedy arrangements set out in the consultation, and states that members would be given a choice as to whether to retain benefits from their legacy pension scheme, or their new scheme, during the remedy period (2015-2022). This choice will be deferred for members until retirement. As the findings of the original Employment Tribunal did not identify that the introduction of the new public sector pension schemes were discriminatory (rather it was the transitional provisions), the legacy schemes will be removed from April 2022 to be replaced by the new pension schemes originally introduced in 2015.

### Impact on pension liability

Allowing for all eligible members to accrue benefits from their legacy scheme during the remedy period would lead to an increase in the Police Pension Scheme liabilities. Scheme actuaries originally estimated the increase in scheme liabilities for the Chief Constable for Cumbria to be £54.63m. This was recognised in the 2018/19 accounts and covered benefits accrued to 31 March 2019. This past service cost was adjusted in 2019/20 to reflect the eligibility criteria for members set out in HM Treasury's consultation, this was recognised as a past service gain of £8.26m. Additionally in 2019/20, the estimated increase was a further £6.54m reflecting an additional years benefits from the remedy. In 2020/21, the estimated increase is a further £7.65m reflecting an additional years benefits from the remedy. Therefore the total disclosed cost of McCloud remedy, covering benefits accrued from 1 April 2015 to 31 March 2021 was £157.17m.

The impact of an increase in scheme liabilities arising from McCloud/Sargeant judgement will be measured through the pension valuation process, which determines employer and employee contribution rates. The next Police Pension valuation is due to be reported in 2023/24, although this timetable is subject to change.

The impact of an increase in annual pension payments arising from McCloud/Sargeant is determined through the Police Pension Fund Regulations 2007. These require a police authority to maintain a pension fund into which officer and employer contributions are paid and out of which pension payments to retired officers are made. If the police pension fund does not have sufficient funds to meet the cost of pensions in year the amount required to meet the deficit is then paid by the Secretary of State to the Commissioner in the form of a central government top-up grant.

### Compensation Claims

Claimants have lodged claims for compensation. Test cases for these claims are due to be heard by the Employment Tribunal in December 2021. Claims for financial losses are currently stayed as consideration is given to the HM Treasury consultation response. As at 31 March 2021, it is not possible to reliably estimate the extent or likelihood of these claims being successful, and therefore no liability in respect of compensation claims is recognised in these accounts.

## Notes to the Accounts

### 21 Accounting Standards that have been Issued but have not yet been Adopted

For 2020/21 the following accounting policy changes that need to be reported relate to:

- Definition of a Business: Amendments to IFRS3 Business Combinations.
- Interest Rate Benchmark Reform: Amendments to IFRS 9, IAS 39 and IFRS7.
- Interest Rate Benchmark Reform – Phase 2: Amendments to IFRS9, IAS 39, IFRS 7, IFRS 4 and IFRS 16.
- Implementation of IFRS 16 Leases. The aim of the standard is to provide increased visibility of lease commitments and to ensure more consistent financial reporting of leased assets. The current distinction between assets held under finance leases which go on the balance sheet and assets held under operating leases which are expensed in the CIES will largely be removed with most leases now being classified as finance leases and put on the balance sheet. The standard was originally due to be implemented on 1 April 2020 i.e. for the 2020/21 Accounts but this has now been postponed for 1 year so will come into effect for the 2021/22 Accounts. Under the new standard a right-of-use asset and lease liability will be recognised on the balance sheet. The depreciation of leased assets and interest on lease liabilities will go through the CIES. The process of collating information on leased assets is well underway but the resulting change in the balance sheet and CIES values is not yet known, however there should be a net nil impact on the Commissioners accounts as rental costs will be replaced with depreciation, MRP and interest charges at similar costs.

In the Financial Statements for 2022/23, the effect of the changes will be assessed and where necessary, the comparative figures restated.

# Police Officer Pension Fund Account

## Police Officer Fund Account

This statement provides information on transactions on the Police Pension Fund Account for the 2020/21 financial year together with comparative information for 2019/20.

Police Officer Pension Fund Account	CC 2019/20 £000s	CC 2020/21 £000s
<b>Contributions Receivable</b>

	<b>0</b>	<b>0</b>

# Notes to the Police Officer Pension Fund Account

## Accounting Policies

The Police Pension Fund Accounts have been prepared in accordance with the requirements of the Police Pension Fund Regulations 2015 (SI 2015 No 445). The Pensions Fund Accounts are administered by the Chief Constable and have been prepared on an accruals basis.

## Operation of Police Pensions Schemes

Since 1 April 2015 the Chief Constable has operated three Pensions Schemes for Police Officers. These are unfunded schemes, meaning that there are no investment assets built up to meet the pensions liabilities, and cash has to be generated to meet actual pension payments as they fall due. The original Police Officer Pension scheme is known as the 1987 scheme. The second scheme was introduced in April 2006 with the intention that joint contributions of employers and employees would finance the full costs of pension liabilities. All Police Officers recruited from April 2006 onwards automatically become members of the 2006 scheme and the previous 1987 scheme was closed to new members. Officers who were members of the 1987 scheme were allowed by regulation to become members of the 2006 scheme if they wished. Members' contribution rates for 2020/21 and 2019/20 were between 11% and 12.75% for the 2006 scheme and between 14.25% and 15.05% for the 1987 scheme.

From 1 April 2015, a new pension scheme was introduced for Police Officers, known as the 2015 Scheme. The 2015 scheme is based on career average revalued earnings (CARE). All Police Officers recruited from 1 April 2015 will automatically become members of the new scheme and the two previous schemes (1987 and 2006) have been closed to new members from that date. Members of the two older police pension schemes will either be fully protected in those schemes, transfer to the new 2015 scheme on 1 April 2015, or will transfer on different tapering dates in the future subject to individual circumstances around age and length of service remaining. The members' contribution rates for the new scheme ranged between 12.44% and 13.78% in 2020/21 and 2019/20.

The financial statements for the Police Officer pension fund account do not take account of liabilities to pay pensions and other benefits after the period end. Details of the Chief Constable's long term pensions obligations can be found in the main accounting statements (see Balance Sheet page 29). Detailed disclosure notes regarding the Police Pension schemes can be found in the Technical Annex to the Statement of Accounts (Annex C Pensions on pages 63-72).

## Funding of Police Pension Schemes

In 2006/07 a new arrangement was established to fund Police Pensions. This revised arrangement is for both new and existing police officer schemes, but has no effect on the benefit structures of either scheme. The purpose of the change is to smooth fluctuations in costs, that would previously have been charged to the Chief Constable's Comprehensive Income and Expenditure Statement on a 'pay as you go basis', and to more clearly show the effect of the liability as opposed to current pension payments. Under the revised arrangements the liability for payment of police pensions is removed from the Chief Constable and replaced with an employers' contribution, currently set at 31% of pensionable pay, which, along with the employee contributions and any transfer values, is paid into the pensions account. The employees' and employer's contribution levels are based on percentages of pensionable pay set nationally by the Home Office and are subject to periodic revaluation by the Government Actuary's Department. Pensions are then paid from this account. The pensions account is balanced to nil annually, with any shortfall met by a top up from the Commissioner, or vice versa. However, the Home Office indemnify the Commissioner against any financial liability arising from a deficit on the Pension Account by providing a grant to the Commissioner equal to the Commissioner's top up. Similarly, any surplus on the Pension Account is ultimately repayable to the Home Office.

# Glossary of Terms

## Accruals

The concept that income and expenditure are recognised as they are earned or incurred, not when money is paid or received.

## Actuarial Valuation

A valuation of assets held, an estimate of the present value of benefits to be paid and an estimate of required future contributions, by an actuary, for example on behalf of a pension fund.

## Agency Costs

Services which are performed by or for another authority or public body, where the agent is reimbursed for the cost of the work done.

## Amortisation/Amortised Cost

The practice of reducing the value of assets to reflect their reduced worth over time. The term means the same as depreciation, though in practice amortisation tends to be used for the write-off of intangible assets, such as computer software.

## Budget

A statement of the Police and Crime Commissioner's plans in financial terms. A budget is prepared and approved by the Police and Crime Commissioner before the start of each financial year and is used to monitor actual expenditure throughout the year.

## Capital Adjustment Account

The CAA records the balance of resources set aside to finance capital expenditure (i.e. Capital Receipts, Minimum Revenue Provision (MRP), Direct Revenue Contributions (DRC) and Deferred Grants Account (DGA)) and also the consumption of resources associated with the historical cost of acquiring, creating or enhancing non-current assets over the life of those assets (i.e. depreciation/impairment).

## Capital Expenditure

As defined in section 16 of the Local Government Act 2003 and regulation 25 of the Capital Finance and Accounting Regulations 2003, but broadly expenditure on the acquisition of a non-current asset or expenditure which adds to and not merely maintains the value of an existing non-current asset.

## Capital Financing Requirement (CFR)

The CFR is a measure of the extent to which the Commissioner needs to borrow to support capital expenditure. It does not necessarily relate to the actual amount of borrowing at any point in time.

## Capital Receipt

Monies received from the sale of capital assets, which may be used to finance new capital expenditure or to repay outstanding loan debt as laid down within rules prescribed by Central Government. Capital Receipts cannot be used to finance revenue expenditure, with the exception that up to 4% of sale proceeds may be transferred to the General Fund to finance costs directly associated with the disposal of the asset.

## Cash and Cash Equivalents

Cash is represented by cash in hand and in bank accounts. Cash Equivalents include demand deposits with financial institutions which are highly liquid in that they are repayable without penalty on notice of not more than 24 hours.

## CC or Chief Constable

The Chief Constable for Cumbria Constabulary.

## CFO

The Joint Chief Finance Officer.

## CIPFA

The Chartered Institute of Public Finance and Accountancy. The main professional body for accountants working in the public services.

## Commissioner

The Police and Crime Commissioner for Cumbria.

## Componentisation

Identifying and depreciating the components of an asset separately if they have differing patterns of benefits relative to the total cost of the asset.

## Contingency

A sum set aside to meet unforeseen expenditure.

## Creditors

Amounts owed by the Police and Crime Commissioner for goods and services provided which had not been paid for at the end of the financial year.

# Glossary of Terms

## Debtors

Amounts owing to the Police and Crime Commissioner but not received at the end of the financial year.

## Depreciation

The measure of the wearing out, consumption, or other reduction in the useful economic life of a non-current asset, whether arising from use, passage of time or obsolescence through technological or other changes.

## De-minimis

In general the term means lacking in significance or importance. In terms of the accounts, a de-minimis limit is set for inclusion of projects in the capital programme, below this limit projects would be charged to revenue budgets.

## Direct Revenue Contributions (DRC)

Resources provided from the Police and Crime Commissioner's revenue budget to finance the cost of capital projects.

## Earmarked Reserves

Those elements of the Police Fund that have been set aside, "earmarked", for specific purposes.

## Fair Value

In accounting and economics, fair value is a rational and unbiased estimate of the potential market price of a good, service, or asset.

## Hedge Funds

A hedge fund is a pooled investment vehicle administered by a professional management firm, and often structured as a limited partnership/ limited liability company. Hedge funds invest in a diverse range of markets and use a wide variety of investment styles and financial instruments.

## Heritage Assets

A tangible asset with historical, artistic, scientific, technological, geophysical or environmental qualities that is held and maintained principally for its contribution to knowledge or culture.

## HMICFRS

Her Majesty's Inspectorate of Constabulary and Fire & Rescue Services who are a government agency responsible for monitoring the standards and performance of Constabularies and Fire and Rescue Services.

## Impairment/Impaired

A reduction in the value of a non-current asset below its carrying amount on the balance sheet.

## Investment Property

Property (land or building) held solely to earn rentals or for capital appreciation or both, rather than for operational reasons such as the provision of services.

## Leasing

A method of financing expenditure over a period of time. There are two main types of lease:

- Finance Lease - where the risks of ownership are transferred to the lessee and where the assets are recorded in the Police and Crime Commissioner's balance sheet at a current valuation.
- Operating Lease - where the risks of ownership stay with the leasing company and the annual rental charges are made via the Revenue Account.

## MHCLG

The Ministry of Housing, Communities and Local Government (formerly DCLG).

## Minimum Revenue Provision (MRP)

The minimum amount which must be set aside in the Revenue Account each year as a provision for credit liabilities.

## Non-current Assets

An asset, which will yield a benefit to the Police and Crime Commissioner for a period of more than one year.

## NPCC

The National Police Chiefs Council.

## PCC

The Police and Crime Commissioner for Cumbria.

## Pension actuarial gains and losses

For a defined benefit scheme, the changes in actuarial deficits or surpluses that arise because:

- events have not coincided with actuarial assumptions made for the last valuation (experience gains and losses) or
- the actuarial assumptions have changed.

# Glossary of Terms

## **Pension – current service costs**

The increase in the present value of a defined benefit's liabilities expected to arise from employee service in the current period.

## **Pension – defined benefit scheme**

A pension or other retirement benefit scheme other than a defined contribution scheme. The scheme rules define the benefits independently of the contribution payable, and the benefits are not directly related to the investments of the scheme. The scheme may be funded or unfunded.

## **Pension assets – expected rate of return**

For a funded defined benefits scheme, the average rate of return, including both income and changes in fair value but net of scheme expenses, expected over the remaining life of the related obligation on the actual assets held by the scheme.

## **Pension – interest costs**

For a defined benefit scheme, the expected increase during the period in the present value of the scheme liabilities because the benefits are one period closer to settlement.

## **Pension - past service costs**

For a defined benefit scheme, the increase in the present value of the scheme liabilities related to employee service in prior periods arising in the current period as a result of the introduction of, or improvement to, retirement benefits.

## **Police Objective Analysis (POA)**

The Police Objective Analysis (POA) is a model developed by the Home Office for analysing individual policing areas expenditure. It has been developed to support the need for understandable, accurate and consistent costing information to allow internal and inter-force comparisons.

## **Precept**

The demands made by the Police and Crime Commissioner on the district councils who are the billing authority in relation to the collection of council tax.

## **Private Equity Funds**

A private equity fund is a collective investment scheme used for making investments in various equity (and to a lesser extent debt) securities according to one of the investment strategies associated with private equity.

## **Provision**

An amount set aside to provide for a liability which is likely to be incurred, although the amount and date of that liability are uncertain.

## **Public Works Loan Board (PWLB)**

A Government agency which provides longer term loans to Local Authorities at interest rates which are only slightly higher than those at which the government itself can borrow.

## **Reserves**

An amount set aside for a specific purpose and carried forward to meet expenditure in future years. The Police Fund represents accumulated balances which may be used to support future spending.

## **Revaluation Reserve**

The revaluation reserve records the unrealised net gain from revaluation of non-current assets made after 1 April 2007. The balance is made up of individual credit balances associated with specific assets and will be equal to the difference between the current value net book value (NBV) and the historic cost NBV for all assets.

## **SERCOP**

The CIPFA Service Reporting Code of Practice. It was introduced as part of the Best Value Regime to bring about more consistent accounting treatment of costs and to facilitate more meaningful financial comparisons between Authorities.

## **The Commissioner**

The Police and Crime Commissioner for Cumbria.

## **TPA**

Territorial Policing Area.

# Annex A - Statement of Accounting Policies

## 1 General Principles

The Statement of Accounts summarises the financial transactions for the 2019/20 financial year and the financial position at the 31 March 2021. The Police and Crime Commissioner and Chief Constable are each required to prepare an annual Statement of Accounts (single entity) in accordance with the Accounts and Audit Regulations 2015 which stipulate that the statements be prepared in accordance with proper accounting practices. Those practices primarily comprise the [CIPFA/LAASAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21](#) (the Code) and the Service Reporting Code of Practice 2020/21 (SERCOP), supported by International Financial Reporting Standards (IFRS) and statutory guidance issued under section 12 of the 2003 Act. The Police and Crime Commissioner is responsible for combining the single entity statements to form a set of consolidated group accounts.

Where accounting policies relate to a particular note to the accounts, the accounting policy is shown alongside that note in a [grey text box](#), in the notes to the accounts section (see pages 31 to 51). Where an accounting policy is more generic and applicable across the statement accounts it is shown in this **Annex A**.

## 2 Accruals of Income and Expenditure

Activity is accounted for in the year that it takes place, not simply when cash payments are made or received. In particular:

- Supplies are recorded as expenditure when they are consumed – where there is a gap between the date supplies are received and their consumption, they are carried as inventories (stock) on the Balance Sheet.
- Expenses in relation to services received (including services provided by employees) are recorded as expenditure when the services are received rather than when payments are made.
- Where income and expenditure have been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the Balance Sheet.
- An [accrual](#) is made in respect of employee benefits payable during employment

### Accrual Example 1

An electricity invoice received at the start of April will usually relate to the previous quarters electricity consumption (January to March) and as such this expenditure should be shown in the financial statements for the previous financial year. The invoice will actually be paid in the new year but the costs are charged to the previous year by way of an accrual.

### Accrual Example 2

The PCC/Constabulary insurance premiums are due on 1 November each year. The premium paid covers five months of the current financial year and seven months of the next. A prepayment is made in the accounts to move the cost of the seven months into the correct year.

## 3 Cash and Cash Equivalents

In accordance with the terms of [the Commissioner's funding arrangement to the Chief Constable](#), the Chief Constable is funded on a cash basis, accordingly all [cash and cash equivalent](#) balances are recorded on the balance sheet of the Commissioner.

# Annex A - Statement of Accounting Policies

## 4 Exceptional Items

When exceptional items of income and expense are **material**, their nature and value is disclosed separately, either on the face of the Comprehensive Income and Expenditure Statement or in the notes to the accounts, depending on how significant the items are to an understanding of financial performance.

**Materiality** – information is material if omitting it or misstating it could influence decisions that users make on the basis of the financial information about a specific reporting organisation. In other words, materiality is an organisation specific aspect of relevance based on the *nature or magnitude or both*, of the items to which the information relates in the context of the individual organisations financial statements.

## 5 Charges to Revenue for Non-Current Assets

In accordance with the terms of [the Commissioner's](#) funding arrangement to the [Chief Constable](#), the Commissioner holds all [non-current assets](#). Accordingly, all [depreciation](#), revaluations and [impairments](#) are recorded in the Commissioner's single entity statement. However, the Commissioner makes a charge to the Chief Constable in the Comprehensive Income and Expenditure Statement for the use of non-current assets, which is equivalent to his share of depreciation.

## 6 Government Grants and Contributions

In accordance with the statutory responsibility of the [Commissioner](#) to maintain the Police Fund outlined in the Police and Social Responsibility Act 2011, all grants and contributions are attributable to the Commissioner and recorded in his accounts.

## 7 Intangible Assets

In accordance with the terms of the [Commissioner's](#) funding arrangement to the [Chief Constable](#) all intangible assets are held by the Commissioner.

## 8 Inventories

Inventories (stocks) are included in the balance sheet at historic cost. This is a departure from IAS2 which requires inventories to be valued at the lower of cost or net realisable value. However, for many stock items, particularly uniforms, net realisable value would be minimal and would not accurately reflect the value of holding these assets.

## 9 Leases

Leases are classified as finance leases where the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the property, plant or equipment from the lessor to the lessee. All other leases are classified as operating leases.

Where a lease covers both land and buildings, the land and building elements are considered separately for classification.

Agreements that do not have the legal status of a lease but convey a right to use an asset in return for payment are accounted for under this policy where fulfilment of the arrangement is dependent on the use of specific assets.

# Annex A - Statement of Accounting Policies

The [Chief Constable](#) does not hold any finance leases (either as lessee or lessor) or operating leases (as lessor or lessee).

## 10 Treatment of Overheads

The costs of overheads and support services are incorporated within the cost of Policing and Crime Services line of the comprehensive income and expenditure statement in accordance with the principles of the [CIPFA](#) Code of practice on Local Authority Accounting, which requires costs to be shown on the same basis as used for resource management.

Under the [Commissioner's](#) funding arrangement to the [Chief Constable](#) premises costs (except where they are directly attributable to the Chief Constable) are initially recorded in the accounts of the Commissioner and a recharge is made to the Chief Constable in the single entity comprehensive income and expenditure statements on an appropriate basis.

Under the Commissioner's funding arrangement to the Chief Constable transport, supplies and services costs and those for police staff supporting both the Commissioner and Chief Constable (except where they are directly attributable to the Commissioner) are initially recorded in the accounts of the Chief Constable and a recharge is made to the Commissioner in the single entity comprehensive income and expenditure statements on an appropriate basis.

## 11 Property, Plant and Equipment

Assets that have physical substance and are held for use in the production or supply of goods and services, for rental to others, or for administrative purposes and that are expected to be used during more than one financial year are classified as Property, Plant and Equipment. Under the terms of the [Commissioner's](#) funding arrangement to the [Chief Constable](#) all property, plant and equipment is held by the Commissioner. Accordingly, all accounting entries in relation to the acquisition, enhancement, revaluation, [impairment](#), [depreciation](#) and sale of such assets are recorded in the single entity accounts of the Commissioner. As noted in policy 5 above, the Commissioner makes a charge to the Chief Constable for the use of such assets which is equivalent to the Chief Constable's share of depreciation.

## 12 Private Finance Initiative (PFI) and Similar Contracts

PFI and similar contracts are agreements to receive services, where the responsibility for making available the property, plant and equipment needed to provide the services passes to the PFI contractor. As the services that are provided under the PFI scheme are deemed under the PFI contract to be controlled, the asset is carried on the Balance Sheet as part of Property, Plant and Equipment.

There is currently one PFI scheme and this relates to the West Cumbria [TPA](#) HQ at Workington. Under the terms of the [Commissioner's](#) funding arrangement to the [Chief Constable](#), the Commissioner controls all property and accordingly the PFI building is recorded on the balance sheet of the Commissioner. A charge is made by the Commissioner to the Chief Constable in the comprehensive income and expenditure statement for the Constabulary's use of the building and the services provided.

## 13 Contingent Assets

A contingent asset arises where an event has taken place that gives rise to a possible asset which will only be confirmed by the occurrence or otherwise of uncertain future events which cannot wholly be controlled.

Contingent assets are not recognised in the Balance Sheet but disclosed in a note to the accounts where it is probable that there will be an inflow of economic benefits or service potential.

# Annex A - Statement of Accounting Policies

## 14 Material Estimation Techniques

IAS 1 Presentation of Financial Statements requires disclosure of any estimation techniques applied, such that if a different methodology had been used a material variance in the amounts disclosed would have been arrived at. The only material estimation techniques used is in relation to pensions disclosures as set out in the technical annex, Annex B.

## 15 Value Added Tax (VAT)

VAT payable is included as an expense only to the extent that it is not recoverable from Her Majesty's Revenue and Customs. VAT receivable is excluded from income.

# Annex B – Technical Annex – Financial Instrument Disclosures

## B1 Categories of Financial Instrument

The following categories of financial instrument are carried in the balance sheet:

Categories of Financial Instruments	CC	
	Current	
	31 March 2020	31 March 2021
	£000s re-stated	£000s
<b>Financial Assets</b>		
<b>Debtors</b>		
Debtors held at Amortised Cost	78	91
Items not classified as Financial Instruments	11,630	14,496
<b>Total Financial Assets</b>	<b>11,708</b>	<b>14,587</b>
<b>Financial Liabilities</b>		
<b>Creditors</b>		
Creditors held at Amortised Cost	(3,412)	(5,443)
Items not classified as Financial Instruments	(11,273)	(13,655)
<b>Total Financial Liabilities</b>	<b>(14,685)</b>	<b>(19,098)</b>

*Financial Instruments are contracts that give rise to a financial asset in one entity and a financial liability in another. The term covers both **financial assets** such as debtors and **financial liabilities** such as creditors and borrowings.*

### Accounting Policy – Financial Instruments

**Financial liabilities** are initially measured at [fair value](#) and carried at their [amortised cost](#). Where payable (i.e. a creditor) has a maturity of less than 12 months the fair value is taken to be the principal outstanding, or the billed / invoiced amount.

**Financial assets** are initially measured at [fair value](#) and carried at their amortised cost. Where a financial asset (i.e. a debtor) has a maturity of less than 12 months, the fair value is taken to be the principal outstanding or the billed / invoiced amount.

Where assets are identified as [impaired](#) because of a likelihood arising from a past event that payments due under contract will not be made, the asset is written down and a charge made to the Comprehensive Income and Expenditure Statement. An example of such a charge would be an adjustment made to the [debtors](#) balance as a [provision](#) for bad debt.

### B2 Fair value of Assets and Liabilities Carried at Amortised Cost

Financial liabilities and assets represented by long term [debtors](#) and [creditors](#) are carried in the balance sheet at amortised cost. Their [fair value](#) can be assessed by calculating the present value of the cash flows that will take place over the remaining term of the instruments, using the following assumptions:

- The fair value of trade and other receivables is taken to be the invoiced amount.

As the [Chief Constable](#) only holds debtors and creditors as financial instruments, the fair value is estimated to be the same as the carrying amount as set out in the table above.

### B3 Disclosure of the Nature and Extent of Risks Arising from Financial Instruments

The [Chief Constable's](#) activities expose him to a variety of financial risks:

- Credit Risk – the possibility that other parties might fail to pay amounts due to the Chief Constable.
- Liquidity Risk – the possibility that the Chief Constable might not have funds available to meet its commitments to make payments.

#### **Credit Risk**

*Credit Risk is the possibility that other parties might fail to pay amounts due to the Chief Constable.*

As the [Chief Constable](#) is funded by the [Commissioner](#), the Chief Constable's credit risk arises indirectly through the Commissioner's deposits with banks and financial institutions, as well as credit exposures to the Commissioner's customers.

This risk is minimised through the application of policies set out in the annual Treasury Management Strategy Statement (TMSS), which requires that deposits are not made with financial institutions unless they meet identified minimum credit criteria, as laid down by Fitch and Moody's ratings services. The annual TMSS (approved by the Commissioner in February 2020), also imposes a maximum sum to be invested with a financial institution located within each category.

#### **Liquidity Risk**

*Liquidity Risk is the possibility that the Chief Constable might not have funds available to meet his commitments to make payments.*

Under the terms of the funding arrangement between the Commissioner and the Chief Constable the Commissioner provides funding to the Chief Constable on a cash basis. As the Commissioner has ready access to borrowings from the Public Works Loans Board (PWLB) and had at 31 March 2021 no actual external debt, having financed a number of recent projects through internal borrowing, there is no significant risk that it will be unable to raise finance to meet its commitments to the Chief Constable within the terms of the funding arrangement.

## C1 Pension Schemes

As part of the terms and conditions of employment of its officers and other employees, the [Chief Constable](#) offers retirement benefits. Although these benefits will not actually be payable until employees retire, under IAS 19 the Chief Constable must recognise its future commitment to make payments, which need to be disclosed at the time that employees earn their future entitlement. In addition, the financial statements should contain adequate disclosure of the costs of providing benefits and related gains/losses.

Individually, there are three pension schemes for police officers (1987, 2006 and 2015 schemes) and a single scheme for police staff. They are all defined benefits schemes.

- **The Local Government Pension Scheme (LGPS)**

Police staff, subject to certain qualifying criteria, are eligible to join the LGPS, which is a funded defined benefit scheme. Pensions and other retirement benefits are paid from the fund. Employers and employees make regular contributions into the fund so that the liabilities are paid for evenly over the employment period.

The LGPS for Police Staff employees is administered by Cumbria County Council (outsourced to Lancashire County Council) – this is a funded [defined benefit scheme](#), meaning that the Chief Constable and employees pay contributions into a fund. Contributions are calculated at a level intended to balance the pensions liabilities with investment assets over the long term. In 2020/21 the Chief Constable made a contribution of 18.4% of pensionable pay. The past service contribution made in 2016/17 of £1,431k represented a three year contribution (covering 2017/18, 2018/19, 2019/20) which was made with the aim of reducing future contributions after the next actuarial review. In 2020/21 the Chief Constable made a contribution of £22k. The contribution rate was last reviewed in March 2019 with a revised rate for employers contributions of 18.4% being applicable from April 2020.

- **The Police Pension Scheme**

There are currently three pension schemes in operation for Police Officers:

- The original 1987 Police Pension Scheme is governed by the Police Pension Regulations 1987 (as amended) and related regulations that are made under the Police Pensions Act 1976.
- The 2006 Police Pensions Scheme is also governed by the Police Pensions Act 1976 (as amended by the Police Pension Regulations 2006).
- The 2015 Police Pensions Scheme is a career average revalued earnings (CARE) scheme and is governed by the Police Pensions Scheme 2015 Regulations and related regulations under the Police Pensions Act 1976.

The Police Pension Scheme is an unfunded scheme (i.e. there are no investment assets built up to meet pension liabilities and cash has to be generated to meet actual pensions payments as they fall due). The funding arrangements for police officers' pensions changed on 1st April 2006. Before April 2006 pensions of former employees were required to be met on a 'pay as you go' basis with the cost charged to the revenue account. From April 2006 onwards the payments made during the year under the scheme are funded by a combination of employee contributions and employer contributions charged to the Comprehensive Income and Expenditure Statement with the remaining deficit funded by a specific Home Office grant. The employer's contribution was increased to 31% from 1<sup>st</sup> April 2019.

The Chief Constable and employees pay contributions into a separate pensions fund account administered by the Chief Constable from which on-going pensions liabilities are met. At the year-end any surplus or deficit on the pensions fund account is paid to or met by the Commissioner who then repays or is reimbursed by the Home Office.

## Annex C – Technical Annex – Pension Disclosures

Also from 1st April 2006 legislation required the operation of a Pension Fund Account (shown on pages 52-53). The amounts that must be paid into and out of the fund are specified by regulation. Officers' contributions and the employer's contributions are paid into the pension fund account from which pension payments are made. Any shortfall on the pension fund account is met by a contribution from the police fund. A Home Office Grant is received to cover this contribution. Conversely, a surplus on the Pension Fund Account would result in a contribution to the police fund, which would then be recouped by the Home Office. As the Commissioner is responsible for maintaining the police fund the receipt of Home Office pension grant and corresponding contribution to the Police Pension Fund Account are shown in the accounts of the Commissioner.

**Defined Benefit Scheme** – A pension or other retirement benefit scheme where the scheme rules define the benefits independently of the contribution payable and the benefits are not directly related to the investments of the scheme. The scheme may be **funded** or **unfunded**.

A **funded** scheme is one where employers and employees pay contributions into a fund. The payments to pensioners are then made from this fund.

An **unfunded** scheme is one where there is no fund with investment assets built up to meet pension liabilities and cash has to be generated (from employee and employer contributions) to meet the actual pension payments as they fall due.

The Accounts show the full implementation of IAS19 (Employee Benefits). IAS19 requires organisations to recognise retirement benefits in the Comprehensive Income and Expenditure Statement when they are earned, even though the benefits will not be payable until employees retire. However, as statutory procedures require the charge against Council Tax to be based on the amounts payable to the pension fund during the year, an appropriation is made within the pensions reserve equal to the net change in the pensions liability recognised in the Comprehensive Income and Expenditure Statement. The Balance Sheet discloses the net liability in relation to retirement benefits. The figures are based on the Actuary's latest estimate.

There are restricted powers to make discretionary awards of retirement benefits in the event of early retirements. Any liabilities estimated to arise as a result of an award to any member of staff are accrued in the year of the decision to make the award and are accounted for using the same policies as applied to the LGPS.

## Annex C – Technical Annex – Pension Disclosures

The cost of retirement benefits is recognised in the Cost of Services within the Comprehensive Income and Expenditure Statement when employees earn them, rather than when the benefits are eventually paid as pensions.

The following transactions have been made in the Comprehensive Income and Expenditure Statement and Movement in Reserves Statement during the year:

Pension Transactions in MiRS and CIES	CC LGPS Funded Benefits		CC LGPS Unfunded Benefits		CC Police Scheme 1987 Scheme		CC Police Scheme 2006 Scheme		CC Police Scheme 2015 Scheme		CC Total Pension Schemes

### Accounting Policy - Post-Employment Benefits – CIES Entries/Charges to the Police Fund

All accounting entries in relation to the Comprehensive Income and Expenditure Statement and the subsequent liability for police officers pensions are wholly recorded in the [Chief Constable's](#) accounts. For police staff all Comprehensive Income and Expenditure Statement entries and subsequent balance sheet liabilities in relation to pensions are apportioned between [the Commissioner](#) and the Chief Constable single entity statements by the scheme actuary.

In relation to retirement benefits, statutory provisions require the Police Fund to be charged with the amount payable to the pension funds in the year, not the amount calculated according to the relevant accounting standards. In the Movement in Reserves Statement, this means that there are transfers to and from the Pensions reserve to remove the notional debits and credits for retirement benefits and replace them with debits for the cash paid to the pension fund and pensioners and any such amounts payable but unpaid at the year-end. The negative balance that arises on the Pension Reserve thereby measures the beneficial impact to the Police Fund of being required to account for retirement benefits on the basis of cash flows rather than as benefits are earned by employees.

### Accounting Policy - Post-Employment Benefits - CIES Entries

The change in the net pensions liability is analysed into the following components:

- **Service cost comprising:**
  - [Current service costs](#) – the increase in liabilities as a result of years of service earned this year – allocated in the Comprehensive Income and Expenditure Statement to the services for which the employee worked.
  - [Past service cost](#) – the increase in liabilities as a result of a scheme amendment or curtailment whose effect relates to years of service earned in earlier years – debited to the Surplus or Deficit on the Provision of Services in the Comprehensive Income and Expenditure Statement as part of Non Distributed Costs.
  - Net interest on the net defined pension benefit liability (asset) – i.e. the net interest expense for the organisation – the change during the period in the net defined pension benefit liability (asset) that arises from the passage of time charged to the financing and investment income and expenditure line of the Comprehensive Income and Expenditure Statement – this is calculated by applying the discount rate used to measure the defined pension benefit obligation at the beginning of the period to the net defined pension benefit liability (asset) at the beginning of the period – taking into account any changes in the net defined pension benefit liability (assets) during the period as a result of contribution and benefit payments.
- **Remeasurements comprising:**
  - Return on plan assets-excluding amounts included in the net interest on the net defined pension liability (asset) – charged to the Pensions Reserve as Other Comprehensive Income and Expenditure.
  - Actuarial gains and losses – changes in the net pensions liability that arise because events have not coincided with assumptions (demographic and financial) made at the last actuarial valuation or because the actuaries have updated their assumptions –charged to the Pensions Reserve as Other Comprehensive Income and Expenditure.
- **Contributions paid to the pension fund**
  - cash paid as employer’s contributions to the pension fund in settlement of liabilities; not accounted for as an expense.

## Annex C – Technical Annex – Pension Disclosures

### C2 Assets and Liabilities in relation to Retirement Benefits

Under IAS 19, the financial statements should reflect at [fair value](#) the assets and liabilities arising from an employer's obligation to pay retirement benefits and the funding provided.

The underlying assets and liabilities for retirement benefits attributable to the [Chief Constable](#) at 31 March 2021 with comparative information for the previous year are as follows:

Pension Scheme Assets & Liabilities	CC LGPS Funded Benefits		CC LGPS Unfunded Benefits		CC Police Scheme 1987 Scheme		CC Police Scheme 2006 Scheme		CC Police Scheme 2015 Scheme	
	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21	2019/20	2020/21
	£000s	£000s	£000s	£000s	£000s	£000s	£000s	£000s	£000s	£000s
Present value of the defined benefit obligation	(203,076)	(242,939)	(1,016)	(1,032)	(1,077,550)	(1,252,680)	(43,560)	(66,710)	(82,060)	(127,770)
Fair value of plan assets	142,062	170,551	0	0	0	0	0	0	0	0
<b>Net liability arising from defined benefit obligation</b>	<b>(61,014)</b>	<b>(72,388)</b>	<b>(1,016)</b>	<b>(1,032)</b>	<b>(1,077,550)</b>	<b>(1,252,680)</b>	<b>(43,560)</b>	<b>(66,710)</b>	<b>(82,060)</b>	<b>(127,770)</b>

The liabilities in the above table show the underlying commitments that the Chief Constable has, in the long run, to pay retirement benefits. The total liability of £1.521b (£1.265b in 2019/20) has a substantial impact on the net worth of the Chief Constable as recorded in the balance sheet, resulting in a negative overall balance of £1.526b (£1.269b in 2019/20). The increase in overall liability has arisen as a result in a change in actuarial assumptions.

However, statutory arrangements for funding the deficit mean that the financial position of the Constabulary remains healthy, since:

- the deficit on the local government scheme will be made good by increased contributions and changes to benefits over the remaining working life of employees, as assessed by the scheme actuary
- finance is only required to be raised to cover police pensions when the pensions are actually paid.

<b>Balance at End of Year</b>	<b>(203,076)</b>	<b>(242,939)</b>	<b>(1,016)</b>	<b>(1,032)</b>	<b>(1,077,550)</b>	<b>(1,252,680)</b>	<b>(43,560)</b>	<b>(66,710)</b>	<b>(82,060)</b>	<b>(127,770)</b>

*The liabilities under the LGPS and Police pension Schemes have increased during 2020/21. The principal reason for these changes is in relation to changes in financial and experience gain/loss assumptions by the scheme actuaries.*

## Accounting Policy - Post-Employment Benefits – Measurement of Liabilities

The liabilities of the pension fund are included in the Balance Sheet on an actuarial basis using the projected unit method – i.e. an assessment of the future payments that will be made in relation to retirement benefits earned to date by employees, based on assumptions about mortality rates, employee turnover rates etc and projections of earnings for current employees. Liabilities are discounted to their value at current prices using a discount rate (see assumptions set out in C3 on page 71).

Actuarial valuations of the fund are undertaken every three years to determine the contribution rates needed to meet its liabilities.

## Annex C – Technical Annex – Pension Disclosures

Reconciliation of [fair value](#) of the scheme assets:

Reconciliation of Scheme Assets	CC LGPS Funded Benefits		CC LGPS Unfunded Benefits	
	2019/20	2020/21	2019/20	2020/21

### C3 Basis for estimating assets and liabilities

Liabilities have been assessed on an actuarial basis using the projected unit credit method, which provides an estimate of the pensions that will be payable in future years using assumptions about mortality rates, salary levels, etc. William M Mercer, an independent firm of actuaries, has carried out the assessment on the Local Government Pension Scheme. These accounts are based on the [actuarial valuation](#) undertaken on 31 March 2021. The Police Scheme estimates have been compiled using a valuation model devised by the Government Actuaries Department.

#### Accounting Policy – Pensions Material Estimation Techniques

Where the projected unit method of valuation has been applied and which is consistent with the required methodology in IAS 19. This is a valuation method in which the scheme liabilities make an allowance for projected earnings. An accrued benefits valuation method is one in which the scheme liabilities at the valuation date relate to:

- the benefits pensioners and deferred pensioners (i.e. individuals who have ceased as active members but are entitled to benefits payable at a later date) and their dependents, allowing where appropriate for future increases, and
- the accrued benefits for members in service on the valuation date. The accrued benefits are the benefits for service up to a given point in time, whether vested or not.

For 2020/21 a discount rate based on the current rate of return on a high quality corporate bond of equivalent currency and term to scheme liabilities is to be used. The actuaries for the Police and LGPS pension funds have advised that discount rates of 2.00% for Police and 2.20% for LGPS are appropriate.

## Annex C – Technical Annex – Pension Disclosures

The principal assumptions used by the actuary have been:

Actuarial Assumptions	LGPS		Police Scheme	
	2019/20	2020/21	2019/20	2020/21
Mortality Assumptions:				
Longevity at 65 for current pensioners:				
- Men	22.6	22.7	21.9	22.0
- Women	25.2	25.3	23.6	23.7
Longevity at 65 for future pensioners:				
- Men	24.2	24.3	23.6	23.7
- Women	27.1	27.2	25.2	25.3
Rate of Inflation (CPI)	2.10%	2.70%	2.00%	2.40%
Rate of increase in salaries	3.60%	4.20%	4.00%	4.15%
Rate of increase in pensions	2.20%	2.80%	2.00%	2.40%
Rate of Revaluation for CARE Pensions	-	-	3.25%	3.65%
Rate for discounting scheme liabilities	2.30%	2.20%	2.25%	2.00%

The estimation of the defined benefit obligations is sensitive to the actuarial assumptions set out in the table above. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period and assumes for each change that the assumption analysed changes while all the other assumptions remain constant. The assumptions in longevity, for example assume that life expectancy increases or decreases for men and women. In practice, this is unlikely to occur, and changes in some of the assumptions may be interrelated. The estimations in the sensitivity analysis have followed the accounting policies for the scheme, i.e. on an actuarial basis using the projected unit credit method. The methods and types of assumptions used in preparing the sensitivity analysis below did not change from those used in the previous period.

### Sensitivity Analysis – LGPS Pension Scheme

Sensitivity Analysis - LGPS	CC		
	Impact on Defined Benefit Obligation £000s	Impact on Projected Service Cost for Next Year £000s	Impact on Projected Interest Cost for Next Year £000s
<b>Local Government Pension Scheme</b>			
Longevity (1 Year increase in life expectancy)	7,140	244	158
Rate of Inflation (increase by 0.1%)	5,364	216	119
Rate of Increase in Salaries (increase by 0.1%)	713	0	17
Rate for Discounting Scheme Liabilities (increase by 0.1%)	(5,248)	(207)	(49)
Change in 2020/21 investment Returns (increase by 1%)	0	0	(37)
Change in 2020/21 investment Returns (reduce by 1%)	0	0	38

## Annex C – Technical Annex – Pension Disclosures

### Sensitivity Analysis – Police Pension Schemes

Sensitivity Analysis - Police Pensions	Police	CC	Police
	Pensions	Pensions	Pensions
	1987	2006	2015
	Scheme	Scheme	Scheme
	£000s	£000s	£000s
<b>Assumption Sensitivity</b>			
Longevity (1 Year increase in life expectancy)	43,000	2,000	4,000
Rate of Increase in Pensions (increase by 0.5%)	100,000	7,000	24,000
Rate of Increase in Salaries (increase by 0.5%)	9,000	4,000	0
Rate for Discounting Scheme Liabilities (increase by 0.5%)	(106,000)	(10,000)	(21,000)

The above tables include the impact of an increase in assumptions, a reduction in assumptions will produce approximately an equal and opposite change.

#### C4 Impact on the Chief Constable's Cash Flows

The objectives of the LGPS scheme are to keep employers' contributions at as constant a rate as possible. The [Chief Constable](#) has agreed a strategy with the scheme's actuary to achieve a funding level of 100% over the next 13 years. Funding levels are monitored on an annual basis. The latest triennial valuation took place during 2019/20 based on the position at 31 March 2019. The revaluation resulted in an increase in contribution rates from 15.4% to 18.4% which took effect from 1 April 2020.

The pension schemes will need to take account of the national changes to the scheme under the Public Pensions Services Act 2013. Under the Act, the LGPS and the other main existing public service schemes in England and Wales (which includes the Police Pension schemes) may not provide benefits in relation to service after 31 March 2014 (after 31 March 2015 for other main public service schemes e.g. Police Pension Schemes). This means that the LGPS ceased to be a final salary scheme from 31 March 2014 and the Police Pension Scheme ceased to be a final salary pension scheme from 31 March 2015. The Act provides for scheme regulations to be made within a common framework, to establish new career average revalued earnings schemes to pay pensions and other benefits to certain public servants.

The total contributions expected to be made to the Local Government Pension Scheme by the Chief Constable in the year to 31 March 2022 are £4.105m. Expected contributions for the Police Pension Scheme in the year to 31 March 2022 are £14.064m.

The weighted average duration of the defined benefit obligation for scheme members is shown in the table below:

Weighted Average Duration of the Defined benefit Obligation	2019/20	2020/21
	Years	Years
<b>Pensions Scheme</b>		
Local Government Pension Scheme - CC	22	22
Police Pension -1987 Scheme	19	18
Police Pension -2006 Scheme	37	33
Police Pension -2015 Scheme	37	36

The Chief Constable of Cumbria Constabulary

Annual Governance Statement 2020/21

## The Chief Constable of Cumbria Constabulary

### Annual Governance Statement 2020/21

#### INTRODUCTION AND SCOPE OF RESPONSIBILITIES

The Chief Constable of Cumbria Constabulary (the Chief Constable) is responsible for ensuring business is conducted in accordance with the law and proper standards, that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

In discharging this overall responsibility, the Chief Constable is responsible for putting in place proper arrangements for the governance of affairs and facilitating the exercise of functions, which includes arrangements for the management of risk.

The key elements of the system and processes that comprise the Chief Constable's governance arrangements are detailed in this document. The elements are based on the seven core principles of Corporate Governance from the CIPFA/Solace Governance Framework, the standard against which all local government bodies, including police, should assess themselves.

The Chief Constable has approved and adopted a Code of Corporate Governance 'The Code'. The Code gives clarity to the way the Chief Constable governs and sets out the frameworks that are in place to support the overall arrangements that are in place for fulfilling the Chief

Constable's functions. This statement explains how the Chief Constable has complied with The Code. It also meets the requirements of regulation 6(1) and 10(1) of the Accounts and Audit (England) Regulations 2015 in relation to the publication of an annual governance statement, which must accompany the Chief Constable's statement of accounts.

#### THE REVIEW OF EFFECTIVENESS

The Chief Constable has responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the work of Chief Officers and senior managers within the organisation who have responsibility for the development and maintenance of the governance environment. The review comprises:

- A cyclical detailed review of the key documents within the Chief Constable's governance framework e.g. Financial Regulations.
- An overarching review of the governance arrangements in place to support each core principle within the CIPFA Solace guidance.
- A review of what has happened during the past year to evidence how the Code has been complied with, which is articulated in the Annual Governance Statement.

- A review of the effectiveness of the arrangements for internal audit against the Public Sector Internal Audit Standards and the Internal Audit Charter.
- Formal reviews of the role of the Chief Constable's Chief Finance Officer and the Head of Internal Audit (HIA) against the respective CIPFA statements, which demonstrated full compliance. A review of the effectiveness of the Joint Audit Committee against CIPFA guidance.

The following paragraphs constitute the Annual Governance Statement, demonstrating how the Chief Constable has complied with the governance framework, set out within the Code, to meet each of the seven governance principles. The Annual Governance Statement is published alongside the Statement of Accounts and also incorporates an action plan of planned future improvements for governance arrangements.

**Michelle Skeer**

Chief Constable

04 November 2021

**Roger Marshall**

Joint Chief Finance Officer

**Core Principle A: Behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law.**

#### REVIEW OF REQUIREMENTS AND ARRANGEMENTS Ethics and Integrity & Respecting the Rule of Law

During 2020/21 the Constabulary continued to take a proactive approach to communicating and promoting the highest standards of integrity in all elements of its business. Work has continued to embed and develop ethical behaviour based on:

- The Constabulary's Corporate Values
- The College of Policing Code of Ethics
- Preventing the abuse of authority for sexual gain.
- The Constabulary's Anti-Fraud and Corruption Policy and Procedures.

These arrangements are supported by the Director of Legal Services, who is a qualified solicitor and acts as the Chief Constable's 'Monitoring Officer', providing advice to the Constabulary on all legal matters and is consulted on all strategic decisions to ensure that laws are not contravened. The Constabulary's Professional Standards Department is central to the maintenance of high

standards of conduct and behaviour within the organisation. The priorities of the Constabulary's Professional Standards Department are shaped by a Strategic Assessment of threats and risks, which reflects the Regional Strategic Threat Assessment.

The People Control Strategy is broken down into four main areas, people we know, areas we go, standards of professional behaviour and systems we use.

Key priorities which are currently identified are:-

- People – employee vulnerability (associations, financial matters, wellbeing), abuse of position for sexual purposes and vetting.
- Areas – security
- Standards -disclosure of information / confidentiality and discreditable conduct.
- Systems – misuse of force systems and social media.

Regular internal meetings are held to deliver these priorities, based on a framework of :-

#### Pursue

- Intelligence development relating to officers and staff behaviour towards vulnerable members of the community.

- Creation of operational packages for adoption by ACU operations concentrating efforts towards the four priority areas.
- Implementation of with-cause drug testing of officers in response to intelligence

- Engaging with partners regarding Abuse of Position for a Sexual Purpose/Sexual Harassment and highlighting the reporting mechanisms relating to employee behaviour should they have concerns

process, where the above 4 areas will be expanded to provide a more specific assessment.

#### Prevent

- Integrity interviews with officers or staff where concerns are raised relating to behaviour that does not meet the threshold for misconduct.
- Force Reputational Panels in response to developed intelligence identifying vulnerable associations.
- Review and collation of force policy linked to corruption

The Professional Standards Department operate a preventative approach designed to ensure all officers and staff are aware of their responsibilities and potential consequences if their conduct falls below required professional standards. This includes the issue of PASS newsletters, which provide guidance on matters of integrity. Subjects covered in 2020/21 have included advice on:-

- Standards of driving of force vehicles.
- Use of discriminatory language.
- Compliance with Covid 19 regulations
- Submission of portfolio work for police qualifications.
- Sharing of Police information
- Power of entry.

In relation to complaints, the Constabulary remains committed to delivering effective customer service. Following introduction of the new regulations in relation to complaints, Police (Complaints and Misconduct) Regulation 2020), which came into force on 01/02/20, the process for handling complaints has been revised. All complaints are now logged and handled by a member of Professional Standards who attempts Service Recovery. If this is not possible the complaint is formally recorded for either Reasonable and Proportionate Enquiries, or Investigation. Only the most serious complaints are investigated. Complaints can also be dealt with “There and Then” by Area but are still logged to ensure compliance with reporting requirements

#### Prepare

- Training, advice, engagement and guidance provided to HQ and Area based courses on priorities linked to standards of professional behaviour.
- Attendance and input at Digital Policing Board to futureproof new ICT systems and force software systems.

The key areas of vulnerability remain as:-

- Abuse of Position for a sexual purpose/ Sexual misconduct
- Disclosure of Information
- Neighbour/ Associate Issues
- Drugs misuse.

Following introduction of the new regulations the Constabulary has adopted Reflective Practice Review Process (RPRP) which is progressed via the Strength Based Conversation (SBC) process utilising Practice Requires Improvement (PRI). An internal audit of RPRP in late 2020/21 gave only ‘partial assurance’. A management action plan has agreed to address the audit recommendations and ensure that the new process is embedded.

However, the National Police Chiefs’ Council are currently reviewing national guidance around a more in-depth

#### Protect

- Meetings held with BIU to seek improvement in terms of officers use and deployment of Body Worn Video (BWV)

The Constabulary demonstrates a progressive attitude towards failure / mistakes. A key element of any PSD investigation is to highlight any actions which could prevent similar mistakes being repeated. To this end, following every investigation the lead officer carries out a rigorous assessment to determine key actions and lesson, examples of what are:-

- Mistakes/sub-optimal conduct – Practice Requires Improvement (PRI), via RPRP
- Systemic breakdown – change in policy/ reminder to all staff via a PASS newsletter.
- Serious Misconduct (defined as misconduct that would justify a Written Warning or above) - Official misconduct proceedings.

In the interests of openness and transparency, police gross misconduct hearings are held in public. Four public misconduct hearings took place in 2020/21; as a result of which one police staff member was dismissed without notice and one police officer was dismissed for gross misconduct. All such hearings are presided over by a legally qualified chair. The outcomes of misconduct hearings are publicised on the Constabulary website.

The Ethics and Integrity Panel continue to provide independent oversight for the OPCC and Constabulary in relation to standards, ethics and integrity. The Panel also

reviews 'Quality of Service and Policing Issues' raised by members of the public including public complaints, police misconduct and staff misconduct cases. The Panel's work is reported to the Commissioner's Public Accountability Conference to improve transparency and support public scrutiny. Whilst the Panel's conclusions provide assurance regarding high standards of ethics and integrity, where applicable, recommendations to enhance or improve the level of service provided by the Constabulary have been made.

Core Principle B: Ensuring openness and comprehensive stakeholder engagement.

## REVIEW OF REQUIREMENTS AND ARRANGEMENTS

### Openness

To support transparency and ensure that the Chief Constable's vision is clearly communicated, the Chief Officer Group continue to hold strategy days for senior management and online virtual road shows across the county, for all officers and staff. This has been supported by a range of communications across the force particularly via O365 tools, utilising Teams Live Events, Teams meetings as well as the internal intranet site and noticeboards. The Constabulary continues to use and

develop Yammer, which is an internal social media platform to increase the potential and effectiveness of internal engagement. The platform enables interactions across the whole organisation - such as Ask the Force, staff notice board, wellbeing support- as well as specialist interest groups, which cover a wide range of areas. Examples include:- support, information and feedback on specific projects, such as roll-out of Smartphones and origin duties system; Social Media support; a mechanism to provide feedback to senior management; workforce wellbeing, giving advice and support; and a research hub that offers best practice advice. The force proactively use Stream – a video aid supporting learning, development and engagement across the force.

### Engaging Effectively with Institutional Stakeholders

The Constabulary works closely with the Office of the Police and Crime Commissioner (OPCC) through formal mechanisms (such as Public Accountability Conferences and Collaborative Board meetings) and informally through one to one meetings with senior staff from both organisations.

The Constabulary continues to work with partners as this can deliver a more effective policing service to the public and meet the aims of the Commissioner's Police and Crime Plan. Accordingly, the Constabulary actively participates in a range of partnership activities and

functions in collaboration with other agencies, both at a strategic and tactical level, which have been key during the pandemic. Examples include:

- the Local Resilience Forum (major incident planning)
- the CRASH partnership (road safety)
- the Safer Cumbria Action Board
- the Local Safeguarding Board (child protection)
- Community Safety Partnerships
- The Cumbria Alcohol Board (countering alcohol abuse)
- Combating anti-social behaviour
- County Council
- Further development of links with criminal justice and mental health agencies and other blue-light partners.
- Local Focus Hubs in each area, where the Constabulary works closely with a range of local agencies to prevent and solve problems at the earliest opportunity.
- Collaborations with Durham Constabulary (ICT and Information Management)

In accordance with the Joint Financial Regulations and Rules, arrangements are in place to ensure that for significant partnerships and joint working relationships there is appropriate governance including, a legal power to engage, appropriate approval by the Chief Constable and Commissioner, clear objectives, documentation of

financial and other resource commitments and risk assessment.

#### [Engaging stakeholders effectively, including citizens and service users](#)

The Constabulary has a Community Engagement and Consultation Strategy, which co-ordinates all on-going consultation activities and is refreshed on an annual basis to understand the needs of service users. During the year, the Constabulary consulted with the public to find their policing priorities, how confident they felt, how they would like to be engaged with and their areas of concern. These informed the development of the Constabulary's and Commissioner's plans.

The Constabulary has developed a marketing and communications strategy which establishes clear channels of communication with all sections of the community, providing crime prevention and safety advice as well as information about services.

Neighbourhood Policing Teams, within the Local Focus hubs now develop digital monthly newsletters, giving access to information to their communities, covering crime and antisocial behaviour issues relevant to local communities, provide information and advice, a local messaging service and also detailed statistics for the

parish councils. These digital newsletters are available for members of the public to subscribe . The current number of subscribers has doubled over the last year to 20,171. These complement the Forcewide, North, South and West newsletters to which 28,391 people subscribe and these now also included additional information on Covid 19, with direct messages from the Chief Officers.

The Constabulary's e-community has grown and is now at more than 295,000 followers, an increase of over 40,000 for the second year running. Officers within the Neighbourhood Policing teams are using their facebook account to engage with the local community about policing issues important to them in their locality.

Engagement with the public is pivotal to the work of Neighbourhood Policing Teams (NPTs) embedded in Local Focus Hubs in determining local priorities. This is achieved through Community Engagement Plans, which detail contact with all stakeholders particularly those that are hard to reach or with protected characteristics. The Community Engagement Strategy includes our key principles of consultation and engagement, which are:

- Officers, staff and volunteers being responsible for and having a targeted, visible presence in neighbourhoods.

- A clearly defined and transparent purpose for engagement activities.
- Regular formal and informal contact with communities.
- Working with partners, such as sharing opportunities for engagement.
- Making information available about local crime and policing issues to communities.
- Engagement that recognises and is tailored to the needs and challenges of different communities.
- Using engagement to identify local priorities and inform problem solving.
- Officers, staff and volunteers providing feedback and being accountable to communities.
- Officers, staff and volunteers supporting communities, where appropriate, to be more active in the policing of their local areas.
- Local focus teams use social media and other digital tools to engage with on-line communities.
- Officers, staff and volunteers working closely with the Constabulary's Marketing and Communications department to engage with members of the media to highlight work conducted to tackle local issues.
- Specific types of engagement are set out in our minimum standards of engagement.

- Senior leaders will ensure support for officers in attendance at suitable training or CPD activities.

These arrangements are supported by a toolkit, which is available to officers.

The Constabulary has a Diversity, Equality and Inclusion Strategy, which seeks to both support diversity and inclusion within the workforce and to work with partners and the community to provide an effective policing service for a diverse community. The Covid pandemic has made face to face meetings virtually impossible to engage with communities but to adapt to the current situation a number of initiatives have been developed including

- Encouragement for Neighbourhood Policing Teams to engage with local businesses from diverse backgrounds, especially around significant dates e.g. Chinese New Year
- On-line events to promote inclusion for recruitment, women in policing, positive action, LGBTQ, Disability.
- On-line events to highlight areas of concern e.g. Domestic Violence
- Advertising significant dates via social media
- Engaging with different Community Groups e.g. Anti-Racism Cumbria, Multicultural Cumbria etc and encouraging them to work with us

- Increasing the Diversity of the Strategic Independent Advisory Group
- Media campaigns around Hate Crime including working with Carlisle United.

The Constabulary has also been active in trying to promote diversity in the recruitment of officers and staff and to provide support for existing employees from diverse backgrounds. Specific actions have included :

- Putting dedicated staff in place to support the forces vision to attract, recruit and retain staff and officers from under- represented groups. A number of recruitment events have been held, which have attracted officers from outside the area and we have increased our under represented officers by 2%.
- Established an Inclusion hub, this is a central repository that staff can access to support them with any wellbeing challenges or to seek help from any of staff support groups. This includes officers who can provide lived experience advice.
- As part of Operation Uplift the Constabulary is first in the country in relation to the percentage of female officers recruited at 42%.

The Constabulary uses Community Impact Assessments to identify issues that may affect a community's confidence in the ability of the police to

respond effectively to their needs, thereby enhancing the police response, particularly after major incidents.

The impact of Covid 19 has required significantly enhanced marketing and communications services, internally and externally. For the public, this involved providing information and explanation about the changes in legislation and how the police deal with it on social media and a weekly newsletter. The management of questions and feedback from the public relating to policing the county, as well as regular direct messages from the Chief Constable and Assistant Chief Constable to the public.

Internally, frequent bulletins from the Chief Constable and the Assistant Chief Constable have communicated important messages to the workforce. This includes key information on the new legislation and our approach to policing it, practical advice and guidance on changes to working practices in the criminal justice system and other agencies, use of PPE, and advice and guidance on keeping safe, both at work and home.

## Core Principle C: Defining outcomes in terms of sustainable economic, social and environmental benefits.

### REVIEW OF REQUIREMENTS AND ARRANGEMENTS

#### Defining Outcomes

The Chief Constable determined the strategic direction for the Constabulary, which is 'to deliver an outstanding police service to *Keep Cumbria Safe*', which is set out in the Plan on a Page. This plan outlined the Constabulary's core policing priorities:

- Responding to the public
- Prevention and deterrence
- Investigation
- Protecting vulnerable people
- Monitoring dangerous and repeat offenders
- Disrupting organised crime
- Responding to major incidents

Each key function or specialism within those priorities are the responsibility of a Professional Leads at senior level and improvement actions are included in the

Constabulary's Improvement Plan, along with recommendations from HMICFRS.

The Commissioner approved these key objectives and incorporated them into his Police & Crime Plan to complement his aims.

In addition, the Plan on a Page identifies our values, our approach (how we will support officers and staff to deliver), the principles which underpin plans to transform the organisation and future challenges, which are outlined in Vision 25.

The Plan on a Page shows how everyone in the organisation contributes to the overall aim of *Keeping Cumbria Safe* and improves knowledge and understanding pay by linking strategic objectives to operational and business daily activity on the ground and maintaining performance.

#### Sustainable economic, social and environmental benefits

During 2020/21, work continued to deliver Vision 25, which complements the Constabulary's priorities, builds on achievements to date and provides a roadmap to transform policing to meet the challenges of delivering an effective service for communities into the mid 2020s.

Cumbria Vision 25 has five key themes:

- Local Policing
- Specialist Capabilities
- Digital Policing
- Workforce
- Business Support

Each theme has an accompanying work programme outlined in the Vision 25 document. Vision 25 workstreams and actions are recorded and progress monitored through the Cumbria Constabulary Improvement Plan (CCIP).

Business planning and governance boards have been re-organised, to better align to Vision 25. Each board is headed by a senior business lead and is responsible for monitoring delivery and performance of Vision 25 priorities.

During 2020/21 the Commissioner incorporated the Constabulary's budget proposals into his 2021/22 budget in the context of a medium term financial forecast (MTFF) covering four years to 2024/25.

The policing grant settlement, received in December 2020 provided £3.4m in additional grant funding for 2021/22, principally to support the second phase of Operation Uplift; the Government's plan to recruit 20,000 new officers by 2023. The settlement also provided Commissioners with a degree of flexibility to levy above inflation council tax increases. Following a public

consultation exercise, the Commissioner approved the 2021/22 budget in February 2021 based on a council tax increase of 2.47%. The additional funding provided to the Constabulary will allow existing services to be maintained and has facilitated planned recruitment of an additional 60 officers in 2021/22. This is slightly above its target of recruiting 47 officers in the second phase of Operation Uplift and will put the Constabulary into a good position to achieve its overall recruitment target over the three years of the Uplift programme. In consultation with the Commissioner, the additional officers will be deployed by the Chief Constable to areas, which will support the Police and Crime Plan's principal objective of keeping Cumbria safe.

The Government grant funding provided for Operation Uplift and the increase in council tax for 2021/22, in combination with the public sector pay freeze for 2021, have eased the immediate financial pressures on the Constabulary to deliver savings to balance the budget. Nevertheless, financial risks, specifically in relation to the Government's funding model post Operation Uplift, the cost of implementing the Emergency Services Network, pension cost pressures, any potential review of the Police Funding Formula and the negative impact of the Covid-19 pandemic on public finances mean that the Constabulary's

financial prospects remain uncertain over the medium term.

Against this background, modelling of a range of financial scenarios through the Medium Term Financial Planning process, undertaken jointly by the OPCC and Constabulary, have continued to inform wider business planning. An ongoing theme of each of the Cumbria Vision 2025 workstreams is to develop savings options and realise business benefits, particularly in areas where investment in new technology has been made, as a means of balancing the budget over the medium term.

During 2020/21 the Constabulary has continued to develop its business planning aligned to the MTFF. Workplans to support existing strategies in relation to people, ICT, fleet, estates and procurement have been produced. Progress during the year, together with future plans, have been reported to the Commissioner. In some instances work has been re-prioritised or deferred to enable the Constabulary to deal with the impact of the Covid-19 pandemic.

A critical priority for the Data, Digital and Technology (DDaT) Command in 2020/21 has been the development of a digital infrastructure, which has enabled the Constabulary to operate efficiently and effectively when

a significant proportion of the workforce have been working remotely as a result of the pandemic.

Elsewhere the force has been ambitious in progressing its DDaT Strategy with a particular focus on creating in house applications to replace costly supplier led products and creating a capability for future PowerApps to transform the way in which it delivers digital innovations.

A wide range of digital projects have continued during 2020/21 including the delivery of digital interview recording and roll out of replacement Airwave radios to officers. Work has continued to develop the future vision for major elements of the DDaT Strategy including the underlying digital infrastructure, control room futures, Red Sigma collaboration with Durham Constabulary and engagement in national programmes such as the National Enabling Programme and rollout of Office 365.

Recognising that technology is central to all aspects of Policing, the Constabulary has developed a Digital Leadership Programme which has been delivered to all managers and supervisors across the organisation with the aim of ensuring that the benefits offered by technology are recognised and embedded within working practice.

Work began on refinement of the benefits management and delivery model, linking in with revised governance structures to ensure that productivity gains and financial benefits result from the investment in all the programmes of work in Vision 25. There has been a deferment of this work due to Covid 19, but it will be embedded during 2021.

In relation to Estates, the priority in the last year has been to provide a safe working environment for staff during the pandemic, including enhanced cleaning and the provision of a Covid secure agile working hub in Kendal. In addition, a number of Community Bases have been developed to support a renewed emphasis on Local Policing.

During 2020/21 the fleet replacement programme has largely been maintained, however, this has proved challenging as a result of supply chain difficulties arising from the pandemic. This has necessitated the development of new ways including in-house vehicle conversions and ensuring a resilient supply of parts. With a view to sustainability, a small number of electric vehicles are currently being trialled for operational use.

Despite the challenges of remote working the Financial Services, Central Services and Commercial teams have

implemented a new finance and procurement system as part of a wider Business Transformation Programme aimed at streamlining processes in enabling functions. In support of this objective a system of a system of no purchase order, no pay' has been introduced in 2020/21. The Commercial Dept has also been instrumental in ensuring a supply of Personal, Protective, Equipment in 2020/21 to protect frontline officers and staff.

The People Strategy, developed in 2018/19, was extended by a further year in the context of the pandemic. During 2020/21 significant effort within the HR Department has been directed to recruit the Constabulary's target of an additional 51 officers in the first phase of Operation Uplift, which was achieved almost a year ahead of schedule. A further critical activity during the year has been to ensure that the welfare needs of staff working from home have been met including an individual needs assessment by the occupational health department. Work that has been continued on the other main themes of the strategy has included :

- Participation in the national Oscar Kilo programme to promote well-being in the workplace.
- Investment in further Wellbeing initiatives in the Constabulary and the training of Mental Health First Aiders who can signpost staff for early help and

support. A Bronze better health at work award was achieved and work is proceeding towards a silver award, which is expected to be achieved in 2021

- Provision of psychological screening for an additional 100 officers in high risk roles.
- Working as a pilot force for inclusion working in collaboration with Durham University and 10 other forces.
- Investment in a streamlined Strength Based Conversation model that promotes a coaching approach by managers, and helps to build resilience in our employees.
- Development of a spotlight scheme to shape future leaders in the Constabulary
- Streamlined processes in duty management so staff can access automated leave systems
- Investment in anti-corruption software and resources to safeguard the safety and wellbeing of the workforce.
- Revision of the grievance and mediation handling services to that the constabulary can positively support staff in the workplace.

## Core Principle D: Determining the interventions necessary to optimise the achievement of intended outcomes.

### REVIEW OF REQUIREMENTS AND ARRANGEMENTS

#### Planning Interventions

The Chief Officer Group is the Constabulary's strategic decision making forum. In the last 12 months reports key decisions have included considering and approving reports in relation to :

- The response to Covid 19 and subsequent recovery and renewal.
- Organisational re-structuring
- Business strategies
- Resource allocation
- Financial updates (including the budget proposal)
- Risk management updates.
- Governance documents
- Business cases in relation to operational and support functions and investment in ICT systems.
- Public satisfaction and staff well-being surveys.
- Development of the Constabulary website.
- Collaboration arrangements
- Digital Leadership

All decisions support delivery of the Chief Constable's vision. Decisions are minuted and subject to scrutiny by the Commissioner. To improve communication and transparency all COG decisions are published on a decision log, which is made available to key stakeholders. Members of the Chief Officer Group have also attended meetings of the Police and Crime Panel to provide context to Commissioner's precept proposal.

The Chief Officer Group is supported by a number of other boards, which are aligned to Vision 25, this includes a Management Board with responsibility for scrutiny and performance management.

#### Determining Interventions & Optimising Outcomes

The Constabulary has worked with the Office of the Police and Crime Commissioner (OPCC) to develop the performance framework. This set of measures and targets to support delivery of the Police and Crime Plan and is the mechanism used by the Commissioner to hold the Chief Constable to account. Progress against these measures has been reported to the Commissioner every six months at the Public Accountability Conference.

Performance for all crime types, antisocial behaviour, road collisions, user satisfaction and productivity is monitored through the performance management

conference arrangements, where issues are identified and discussed. Potential solutions and actions required are developed and allocated to individuals to implement.

This is supported by thematic reports for specific areas of activity, which are discussed at the Commissioner's Public Accountability Conference. Reports in 2020/21 included child sexual abuse and exploitation, supporting victims, community policing, roads policing, the policing response to Covid-19.

In the operational environment, on a monthly basis, senior police officers carry out a full assessment of operational risk, harm and threat to communities and an assessment of performance changes and their root causes. This encompasses consideration of vulnerable people, repeat offenders, vulnerable missing from home, significant domestic abuse, prison issues, organised crime groups, threats to life, crime and anti-social behaviour trends. Action has been taken and resources tasked to deal with the operational issues raised.

Every day, officers in each Territorial Policing Area hold a Daily Management Meeting, which identifies the crimes and incidents that have occurred over the previous 24 hours and any vulnerable or high profile

incidents. A supporting force-wide Daily Operational Review Meeting ensures that resources are directed to meet strategic priorities across the county.

As part of the Constabulary's work on managing demand, the principles of THRIVESC (threat, harm, risk, investigative opportunity, vulnerability, engagement, safeguarding and ethical crime recording) have been introduced within the communications room when grading calls for service. Acting within the framework of the National Decision Making Model, this informs decisions as to

- Whether to deploy officers to incidents.
- The types of officers to deploy, including specialist resources.
- A proportionate, reasonable and effective response.
- Whether to resolve the call in the control room at the first point of contact.
- Refer to partner agencies.

During 2020/21 the Constabulary has put in place new Investigative Standards and Disclosure rules and a Safeguarding Excellence Plan, which provide a framework to ensure victims are supported and receive a high quality service.

**Core Principle E: Developing entity's capacity including the capability of its leadership and the individuals within it.**

## REVIEW OF REQUIREMENTS AND ARRANGEMENTS

### Developing the Entity's capacity & leadership

The key functions and roles of the Chief Constable and the Police and Crime Commissioner are set out in the Police Reform and Social Responsibility Act 2011 (PRSRA) and the Policing Protocol Order 2011 (PPO). The Chief Constable's statutory responsibilities for maintaining the Queen's Peace are set out in various Police Acts. Both the Chief Constable and Commissioner are statutorily required to employ a Chief Finance Officer.

The arrangement for the Commissioner and Chief Constable to operate with a shared Chief Finance Officer is now well embedded. To date no issues have been identified, however, a protocol and range of safeguards remain in place to handle potential conflicts of interest arising from the joint role. A review of the operation of the Joint Chief Finance Officer arrangement has been conducted and aligned to the CIPFA statement on the Role

of the Chief Finance Officer. This exercise has shown full compliance and has not revealed any significant issues.

The Constabulary has used HMICFRS Value for Money profiles and Police Objective Analysis to inform its Change Programme and applied zero based budgeting, with robust financial challenge to budget holders, to secure maximum value from the resources available. Although there are difficulties in ensuring true comparisons, in general, the VFM work has shown the Constabulary to benchmark well, although, in some instances costs may appear to be relatively high when measured per head of population. This is principally attributable to the logistics of providing an effective policing service over such a geographically sparse county.

#### Developing the Capability of Individuals within the entity

The Constabulary's annual training plan for mandatory training was developed in March 2021 in conjunction with operational leadership teams in the context of best practice guidance from the National Police Chief's Council. Following the conclusion of a collaboration with Lancashire, the L&D department have continued to develop and refine courses for 'in house' delivery, including the newly established Investigative Manager course for Detective Supervisors.

Leadership continues to be a key priority for the Constabulary's People Department with aspiring Sgts and Inspectors attending bespoke training programs prior to starting their new role. Elements of these courses are also open to police staff supervisors. It is important that this focus on development does not stop for experienced leaders and the Constabulary has delivered a series of development workshops for staff and officers across a range of ranks and grades, featuring a variety of specialist inputs ranging from presentation skills to hostage negotiation.

Work has continued to ensure the Departmental intranet site remains current, with a focus on meaningful, practical and accessible learning support available to all. The Constabulary is soon to launch its Spotlight Programme, aimed at shining a light on those individuals who display authentic leadership abilities, by providing a framework underpinned by the Code of Ethics, to identify, develop, support, nurture and attract talented individuals at all levels. The Spotlight launch will be coordinated with a virtual leadership event, featuring high profile speakers who will examine Leadership from a variety of perspectives.

The force has successfully applied to become a Supporting Provider for Apprenticeships, which enables the

Constabulary to recoup some of the apprenticeship levy paid to the government by working in collaboration with the Education Skills Funding Agency (ESFA) and local education providers. An apprenticeship strategy has been agreed, which sets out the Constabulary's commitment to identify skills gaps and increase the capabilities both of our current and future workforce. The application of this strategy is monitored through a dedicated governance process.

The Constabulary had made significant strides in designing, developing and delivering a Police Constable Degree Apprenticeship (PCDA) and a Degree Holder Entry Programme (DHEP) in conjunction with the University of Central Lancashire. These programs sit under the Police Education & Qualifications Framework which details the qualification requirements for all new officers. The Constabulary's first PCDA and DHEP cohorts started early in 2020 and we have successfully enrolled 108 student officers (as of March 2021). This means that all new officers will receive a mixture of delivery covering law, practical and academic skills in preparation for their new careers. A direct entry Detective pathway has been developed to address a shortage of officers in this area. This will be rolled out in 2021/22.

The Constabulary continues to utilise the strengths-based conversations approach to Performance Development Review (PDR). The approach is based on the national College of Policing model focusing on personal responsibility for development built around a central competency framework (including individual objectives). This initiative has received national recognition winning two prizes at the 2019 Training Journal awards in London.

**Core Principle F: Managing risks and performance through robust internal controls and strong public sector management.**

#### REVIEW OF REQUIREMENTS AND ARRANGEMENTS Managing risk

The Constabulary has a risk management strategy, which stresses that it is the responsibility of all officers and staff to identify and manage risk. This is supported by a horizon scanning exercise, which is conducted monthly, and circulated to key individuals within the Constabulary to help identify other potential risks.

Risk management is a standing agenda item on all Constabulary boards, including programme and project management boards. Mitigating actions are identified and tracked to ensure that risks are minimised. Key strategic risks are managed by Chief Officers.

The Risk management policy was reviewed and updated during 2019/20 in line with our policy management arrangements.

During 2020/21 specific risks associated with the potential reduction in funding, the introduction of the Emergency Services Network, the Constabulary's capacity to implement change, and the potential impact of Covid-19 on policing services, continue to feature prominently on the Constabulary's strategic risk register.

In addition, emerging risks in relation to ICT in terms of service failure becoming ever more significant as the infrastructure, hardware, software and third-party providers underpinning digital, data and technology services becomes ever more complex has been added to the Strategic Risk Register, as has a risk in relation to Crime Command resilience.

During 2020/21 a revised policy governance framework was created to take account of the Data Protection Impact Assessment (DPIA). The policy and procedure template has also been amended to reflect this change.

#### Managing performance

A performance strategy is embedded within the Constabulary. This is achieved mainly through the use of:

- Specific focus on performance in relation to protecting vulnerable people through the Vulnerability Board.
- Performance Development Conferences, based on thematic, every other month as part of Management Board, where all functions are held accountable for performance. This also now includes time for feedback to provide reassurance to chief officers that improvements are being made.
- Reviewing delivery of specific work streams at Strategy Days.
- Metrics have been developed to support Operation Uplift, the Constabulary's response to Covid 19 and a range of dashboards developed as part of the Business Intelligence Programme of work
- Performance reports for Vision 25 work programme.
- A formal process for all officers and staff based on strengths based conversations, to identify areas for development. During 2020/21 this was updated to incorporate more focus on personal objectives.

The Constabulary has a 'Delivering Excellence' Strategy, which aims to embed continuous improvement across the Constabulary and has four key areas of work:

- Development of Business Improvement Plans based on our priorities and all HMICFRS recommendations
- Improving on standards and quality across policing activities known as the Quality Counts initiative.
- Harnessing ideas and suggestions for improvement
- Developing and delivering the Change Programme

During 2020/21 work on the Cumbria Constabulary Improvement Plan, which aims to improve its effectiveness in ensuring that priorities and recommendations from inspection bodies are being progressed through reality checking, has been impeded by the need to re-direct resources to ensuring business continuity during the pandemic. Nevertheless, work undertaken in 2020/21 has included

- understanding of current and future demand upon the Constabulary, which has supported the completion of the Force Management Statement. This is a self-assessment that chief constables prepare and provide to HMICFRS every year and explains; current and future demand over four years, performance of the force, improvement activity and the money the force expects to have to deliver policing services.

- Auditing all 'stop and search' completed in the Constabulary, providing feedback to officers and supervisors, together with an assessment as to whether the Constabulary appropriately uses stop and search powers, to ensure police powers are being used proportionately.
- In conjunction with the Professional Standards Department, an audit of officers' use of force, involving the reviewing of Body Worn Video, providing direct feedback to officers and supervisors, undertaking improvement measures and broader performance monitoring through the Constabulary Use of Force Board, and the Cumbria Strategic Independent Advisory Group.
- Audits of compliance with the Victims Code of Practice, and for the operation of the released under investigation processes.
- An audit and inspection of Released under Investigation volume, process and quality of investigation to inform an improvement plan and support outcomes work
- Ongoing Domestic Abuse quality of service audits, to ensure that officers are adhering to investigative standards, safeguarding practices and the victims code of practice. Individual feedback is provided to officers and their supervisors where necessary.

- Ongoing daily National Crime Recording Standards audits of high risk crimes (sexual offence, violence, domestic incidents). This is real time audit allowing us to rectify issues under the recovery process.
  - Reviews of fast track crime allocations.
  - Audit of Community Resolutions.

#### Robust internal control

The Constabulary maintains robust internal controls systems. Assurance with regard to internal controls is provided by:

- A risk based internal audit plan. Although audit work had to be suspended in the early part of 2020/21 as a result of the Covid-19 pandemic, all but one of planned audits were completed. Overall, 85% of audits completed in 2020/21, including all those relating to finance, were graded as providing either substantial or reasonable assurance. Robust management action plans have been put in place to address all internal audit recommendations.
- The Head of Internal Audit's overall opinion was that there is a reasonable level of assurance in relation to the Chief Constable's frameworks for governance, risk and internal control.

- Action plans to respond to recommendations, the implementation of which are monitored by the Joint Audit Committee.
- A Joint Audit Committee, which is self-assessed against CIPFA guidance, and is judged as being highly effective in its role.

### Managing Data

During 2020/21, progress has been made to embed a distinct Information Management Department to report alongside ICT and Business Development. This has brought data, information, technology and innovation together.

The review of the existing structure and Information Management workstreams has continued, this includes investment in both transactional and governance activities. This supports a cohesive approach to the multifaceted dimensions of Information Governance. This will improve how data and information assets are valued and managed across the Force to improve services.

Governance board arrangements have been adjusted to widen the scope to highlight and address; information related risks, issues, opportunities and threats at a strategic level by introducing a cross functional Information Management Board.

The formation of a Data Ethics Consultation Group and supporting framework to address ethical considerations relating to the collection, use and intended use of personal data, in particular the use of technology, is currently in its early stages.

### Strong public financial management

Strong financial management provides a framework for all business decision making and planning within the Constabulary. This includes the Joint Chief Finance Officer being a member of the leadership team and finance representation at all significant decision making forums. Regular financial reporting, clear budget ownership and responsibilities (as set out in the Chief Constable's Scheme of Delegation and scheme of budget management) and consideration of the medium term financial position in all strategic decision making are also key features of the financial management framework within the force.

The Constabulary's unaudited financial statements for 2019/20 were released in June, with the final version published in November, meeting the deadlines for financial reporting, which were less stringent than in previous year in cognisance of the difficulties presented by the Covid-19 pandemic. The External Auditor's Audit Findings report gave an unqualified audit opinion.

During 2020/21 the finance team have actively participated in the Achieving Financial Excellence in Policing programme promoted by the Chartered Institute of Public Finance and Accountancy. The central element of the initiative has been completion of a self-assessment of all aspects of financial management in the force involving consultation with a comprehensive range of stakeholders. This self-assessment gave a positive conclusion with an overall rating of 4 out of 5. The assessment did identify areas for improvement particularly in relation to the role of finance in transforming the business. An action plan has been developed, which will focus on

- Development of an enhanced Value for Money Strategy across the Constabulary, including benchmarking.
- Changes to the Scheme of Delegation in relation to financial management to provide greater empowerment and accountability for budget-holders.
- Development of the business partnering approach to support budget-holders.
- Provision of training for non-finance staff.
- Delivering benefits from the new finance system, which has recently been implemented.

The Financial Management Code developed by the Chartered Institute of Public Finance and Accountancy came into effect from the 1<sup>st</sup> April 2020, with the aim of supporting good practice in financial management in local authorities including the policing sector. However, there is a recognition that due to the global pandemic, it may be difficult for authorities to demonstrate full-compliance during 2020/21. A self assessment has been undertaken, which shows that the Constabulary largely meets the requirements of the code, however there are some areas where further work is required to ensure full compliance, most notably in relation to

- Demonstrating Value for Money.
- Balance sheet monitoring.
- Scheme of delegation and financial training
- Developing a financial resilience index.
- Application of formal options appraisal techniques.

A copy of the self-assessment is included as an appendix to the Annual Governance Statement (Appendix C).

## Principle G: Implementing good practices in transparency, reporting and audit to deliver effective accountability.

### REVIEW OF REQUIREMENTS AND ARRANGEMENTS

#### Implementing good practice in Transparency & Reporting

The principal means by which the Constabulary reports to the public are through themed presentations to the Commissioner's Public Accountability Conferences, which are open to the public. Reports are also available through the Commissioner's website.

The external auditor's opinion for the 2019/20 financial year was that the Chief Constable's Financial Statements provided a true and fair view of the financial position and that they have been properly prepared in accordance with the Code of Practice on Local Authority Accounting. The auditors further confirmed in their Annual Audit Letter that the Chief Constable had proper arrangements in place for securing economy, efficiency and effectiveness in the use of resources.

#### Assurance & Effective Accountability

During 2020/21 the Constabulary has been inspected by HMICFRS in relation to national thematic inspections on counter terrorism and integrated offender management.

The improvements identified from these inspections for Cumbria are logged on the HMICFRS portal to monitor progress in addressing them, and form part of the regular discussions and insight visits undertaken by HMICFRS personnel to provide assurance of service.

At the previous inspections, the Constabulary was rated as good for all aspects efficiency, effectiveness and legitimacy. Areas inspected included:

- Preventing crime & tackling ASB
- Investigating crime
- Protecting vulnerable people
- Tackling serious and organised crime
- Armed policing
- Meeting current demands and using resources
- Planning for the future
- Treating the public fairly
- Ethical and lawful workforce behaviour
- Treating the workforce fairly

During 2020/21 the Chief Constable received assurances with regard to the Constabulary's arrangements for risk management, internal control and governance from a number of sources which included:

- The CFOs annual review of internal audit.
- The Head of Internal Audit and Joint CFO's assessment of the internal audit service against Public Sector Internal Audit Standards.
- The Head of Internal Audit's opinion on the framework of governance, risk management and internal control.
- A review of the effectiveness of the Joint Audit Committee against CIPFA guidelines.
- Monitoring of the implementation of actions in response to HMICFRS, internal and external audit recommendations through the Joint Audit Committee.
- Management assurances in respect of financial systems and processes.
- The CFO's fraud risk assessment.

All of the sources above indicated that systems and processes are operating effectively and have raised no significant concerns

## Appendix 1 Response to the Coronavirus Pandemic

The Constabulary's response to Coronavirus over 2020/21 has been in four phases:

Phase 1 – Initial Response - Cumbria Constabulary Coronavirus Business Continuity Plan.

Phase 2 – Lockdown Eases – 4<sup>th</sup> July - Cumbria Constabulary Coronavirus Business Continuity plan (Version 7).

Phase 3 – Preparation for the Second Wave – Cumbria Constabulary Winter Preparedness Plan

Phase 4 – Easing of third Lockdown - Cumbria Constabulary COVID-19 Spring Response Plan

Throughout these phases the Constabulary has continued to utilise the Gold, Silver, and Bronze (Strategic, Tactical and Operational) command structure in response to the Coronavirus pandemic – Operation Lectern. The Constabulary continued to utilise its the Cumbria Constabulary Coronavirus Business Continuity plan (of which there have been three versions). Which utilised the Constabulary's business continuity impact assessment, with functions and roles within the Constabulary were prioritised based on the critical activity performed and were graded and colour coded as follows:

Green – Not critical activity which could be stopped but with some manageable impact.

Amber – 'Desirable' critical activity, which could be stopped with significant impact.

Red – 'Essential' critical activity, which must not stop.

The Constabulary Business Continuity plan was implemented, and other work commissioned and generated by Op Lectern's Gold, Silver, and Bronze meetings, together with the ever evolving threat from Coronavirus resulted in the following:

- Twice weekly Op Lectern Gold meetings, moving to weekly from the 19/05/21.
- Daily Op Lectern Silver meetings, reduced to three times a week once effective management arrangements were established and the impact of the Coronavirus on resources was understood and controlled. This reduced to weekly meetings over the summer.
- Daily Departmental Op Lectern Bronze meetings as part of the Constabulary Daily Management Meetings.
- Cumbria Constabulary Coronavirus Business Continuity Plan was reviewed on six occasions between April and June 2020 and changes implemented. The plan identified the tipping

points that move the organisation from blue (business as usual) to black (critical impact).

- Cumbria Constabulary Guidance to all Officers Staff and Volunteers on the Constabulary approach to COVID-19 was approved at the same meeting and was circulated to everyone in the Constabulary.
- Revised infrastructure was created in March 2020 to support Gold, Silver and the wider Constabulary response, and continued to be used through-out 2020/21 including:
  - Op Lectern Business Continuity Resourcing Cell, whose role is to coordinate all of the operational and business actions required to deliver the Gold objectives, support Silver and manage actions. The size of this team has varied depending of the level of risk and activity.
  - Op Lectern Data Cell, whose role is to provide daily accurate data on the impact of the coronavirus on the workforce available and police demand, and to respond to the numerous external requests for information.

- Op Lectern Information Cell, whose role is to ensure that the Constabulary is operating with the latest guidance. This is achieved by gathering in all information from a wide range of sources, recording it and allocating to a professional lead for review and progression as appropriate.
- All Op Lectern actions are managed from one plan using Microsoft Teams Planner to ensure robust accountability and effective risk management.
- A COVID-19 Wellbeing group continued.

rooms in two HQ sites and one Durrhill site. Training courses have been delivered for the reserve workforce required in the room to provide business continuity.

- New incident categories were created to identify C19 Risk (a risk of COVID-19 being present), C19 Related (incident caused by circumstance for example disagreement in a supermarket) C19 Reported (contact from the public relating to breach of legislation).
- Patrol Officers continued to deploy from ten main deployment bases together with a number of smaller sites. This was supported by an accelerated implementation of handheld mobile devices, and Dex ICT systems.
- Detectives have adopted a duty rota scheme enabling the balance between home working and servicing the demand from newly recorded crimes. This was supported by the introduction of a new Crime Allocation Procedure, moving from eight to three categories.
- Implementation of an Investigative Support Group, which consisted of officers who were 'shielding' utilising the Dex ICT system to work remotely to remove demand from CMR and Patrol. This builds on the THRIVESE assessment

and General Infection Risk Assessment questions which CMR use.

- A countywide patrol plan continued been put in place, with all spare capacity focused on supporting this approach. Daily reporting is being provided to the operational management meetings held across the county which informs this patrol plan.
- A comprehensive wellbeing site has been established, and there are services available to undertake the testing of officers and staff or a family member to facilitate early return to work for those not suffering from Covid 19.
- PPE usage and safe systems of work were adopted in line with national guidance as the understanding of coronavirus developed.
- Safe systems of work were reviewed in May 2020 – with an internal inspection undertake.

#### **Phase 1 - Initial Response - Cumbria Constabulary Coronavirus Business Continuity Plan.**

- A number of functions moved to a 7 day week working; HR, Resource Co-ordination (duties), ICT, Marketing and Communications, Op Lectern Resourcing Cell, Information Cell and Data Cell.
- People working from home, supported by enhanced ICT and the relocation of key functions across the estate continued to be maintained
- The Command and Control Room was moved from one room at HQ to working over three

#### **Phase 2 - Cumbria Constabulary Coronavirus Business Continuity plan (Version 7) (July – September 2020)**

- The Constabulary continued to utilise an amended Cumbria Constabulary Coronavirus Business Continuity plan (Version 7). Continuing to utilise the Operation Lectern, Gold, Silver and

Bronze response, and the supporting infrastructure.

- The Constabulary implemented an Operation Lectern Public Order Public Safety Strategy and Plan to manage the easing of the Lockdown.
- Implementation of a Cumbria Constabulary Track and Trace system and team.
- The Constabulary developed its approach to recovery under a Recovery & Renewal Plan. This supported future change and maximise opportunities and new ways of working that have been developed during this incident. This included engagement with the workforce to find out what has worked or not worked for them and managers to make sure that we capture all ideas and changes. The Recovery & Renewal work was paused in September 2020 due to the impending risks of a second wave of Coronavirus.
- All NPT staff moved off of the VSA shift pattern.
- Home working, and in work Covid Safe system of work were maintained and continued.

### **Phase 3 - Cumbria Constabulary Winter Preparedness Plan (October 2020 – March 2021)**

- The Constabulary created and implemented a ‘Winter Preparedness Plan’ on the 27/10. This saw the Constabulary implementing measures to minimise the risk from the Second Wave of Coronavirus, together with other pieces of work commissioned by Operation Lectern Gold, Silver and Bronze meetings as follows:
  - Command and Control Room moving from working over three rooms in two HQ sites and one Durranhill site to two bespoke Command and Control Rooms at the HQ site.
  - Enhanced internal track and trace procedures, providing an on call capability.
  - Undertaking a flu vaccination programme based on the Constabulary’s critical activity.
  - Introducing Lateral Flow Testing for all Officers and Staff, which was implemented between December – February.
  - Continuing to deploy officers to smaller deployment sites in rural locations.

- Committing additional resources to the Occupational Health Unit.

- The Constabulary created and chaired a Multi-Agency Compliance and Enforcement Group made up of 12 partner agencies to maximise opportunities to reduce the spread of the virus. This was supported by:
  - Continuing to utilise the Covid Patrol Plan
  - Utilisation of £250,000 of additional COVID-19 funding to ensure compliance and enforcement.

### **Phase 4 – Cumbria Constabulary COVID-19 Spring Response Plan (March 2021 – cont.)**

- The Constabulary created and implemented a Cumbria Constabulary COVID-19 Spring Response Plan. This managed the internal response to the Governments road map to easing the lockdown, and also the external response to manage the pandemic including:
  - Continuing to use the Operation Lectern Gold, Silver and Bronze structure, proportionately reducing the frequency of meetings in line with the

implementation of the Governments Covid-19 Response – Spring 2021 plan, and associated risk of Covid-19, whilst mainstreaming many Operation Lectern activities into business as usual. Maintaining proportionate activity within Data Cell and Information Cell.

- Maintaining an effective system to reduce the risk of absenteeism due to

COVID-19, the NHS COVID-19 App, physical and mental wellbeing through:

- Continuing Lateral Flow Testing, transitioning to home testing as soon as practicable.
- Maintaining internal Track and Trace system.
- Maintaining safe systems of work in the Constabulary estate including;

continuing enhanced cleaning, social distancing measures and risk assessments.

- Maintaining home working.
- Maintaining the current approach to PPE usage in accordance with College of Policing / NPCC Guidance.
- The Constabulary is reviewing its Recovery and Renewal plan

## Appendix A Update on 2020/21 Development and Improvement Plan

Ref	B/fwd from 2019/20 (ref)	Action	Lead Officer	Implementation by	Action Update as at 31 October 2020	Revised Implementation Date	Status
Core Principle A: Focusing on behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law.							
CPA/1	N/A	Implementation of New Police Conduct Regulations	Head of People	31st July 2020	Completed, regs fully embedded, Cumbria is a beacon force for the new regs, we've had in excess of 15 forces visiting us for guidance and to review our procedure.		Completed
CPA/2	N/A	Implementation of electronic Business Interest registration process	Head of People	31st July 2020	Completed, fully working embedded into the workforce.		Completed
CPA/3	N/A	Consider the development of a Digital Ethics Panel	Head of ICT & Information Management	31st March 2021	The terms of reference for the digital ethics board have been agreed with both Chief Officers and the OPCC, the process has been delayed through Covid, work ongoing to recruit the panel, but is expected to be implemented in the next three months.	31/07/2021	Ongoing (original timescale extended)
Core Principle B: Focusing on ensuring openness and comprehensive stakeholder engagement.							
CPB/1	CPB/1	Review and recommend the approach required to update and improve the Constabulary's website.	Director of Corporate Improvement	30 December 2020	Requirements have been drawn up and a joint business case with Durham has been approved. A project to update the website has been set up in collaboration with Durham to be implemented in the first half of 2021/22. Further work to integrate with the national Single On-line at home programme to provide on-line reporting is planned for 2022/23.		Completed
CPB/2	CPB/2	Understand the lessons learned from the pilot of the new policy management arrangements, make adjustments as required. Implement a prioritised plan for all Constabulary policies.	Director of Corporate Improvement	31st March 2021	This work has been delayed by the pandemic, however it is now underway with HR piloting the new approach.	30/09/2021	Ongoing (original timescale extended)
CPB/3	N/A	Undertake a review of ForceNet (the Constabulary's intranet) to improve productivity and accessibility of the information the workforce needs to deliver policing services	Director of Corporate Improvement	31st March 2021	The review of the Constabulary's intranet requirements has been completed and an update planned for the second half of 2021/22.		Completed
Core Principle C: Focusing on defining outcomes in terms of sustainable economic, social and environmental benefits							
CPC/1	CPC/1	Develop a Strategy for the affordable storage of Digital Data	Head of ICT & Information Management	31st March 2021	This forms part of the infrastructure strategy review and forms part of major supplier discussions that are ongoing at the present time, which include Microsoft and AWS amongst others. The review is ongoing and due to report in mid-December 2020, with a view to trialling a concept in the early part of 2021. The data strategy is being developed by the joint Chief Information Officer, which will impact on how data is managed and retained going forward. UPDATE - 10/05/2021 - we are moving forward to the pilot stage now. COG paper submitted and approved. Staff being allocated to the pilot and TOR produced.	31/12/2021	Ongoing (original timescale extended)
CPC/2	CPC/2	Conduct an options evaluation for future Estates provision in West Cumbria	Head of Estates and Fleet	31st March 2021	This work has been delayed by the Covid-19 pandemic. Initial discussions have taken place with the COG, Director of Corporate Support and Head of Estates and Fleet to determine a route forward for the West Cumbria, including exploring options, timescales, dependencies and collaboration opportunities. The Head of Estates and Fleet has also undertaken an exercise to review the current PFI contract, in consultation with the Home Office. A project team has now been established and is planning to present costed options by end of 2021.	31/12/2021	Ongoing (original timescale extended)
Core Principle D: Focusing on determining the interventions necessary to optimise the achievement of intended outcomes.							
CPD/1	CPD/1	Continue Re-design business processes in relation to the Control Room as part of the implementation of the SAFE system to deliver business benefits.	Superintendent - Organisational Business Delivery	31st March 2021	A significant upgrade of the SAFE system within the control room took place in November but the business enhancements including webchat, call back and email are taking longer than anticipated to implement. A review of business processes in the Control Room will continue in 2021/22 including the implementation of enhanced functionality.	31/12/2021	Ongoing (original timescale extended)

## Appendix A Update on 2020/21 Development and Improvement Plan

Ref	B/fwd from 2019/20 (ref)	Action	Lead Officer	Implementation by	Action Update as at 31 October 2020	Revised Implementation Date	Status
CPD/2	CPD2 +	Undertake further analysis of current and future demand to inform strategic business planning, the Force Management Statement and the resource allocation process for 2020/21 and 2021/22.	Director of Corporate Improvement	31st October 2020 then 31 March 2021	Analysis of current and future demand has taken place as part preparing the Force Management Statement. This work has informed a Resource Allocation Model, which has been agreed by COG. Work will continue in 2021/22 to refine and embed this process to respond effectively to the new and regularly changing demands the Constabulary faces particularly in the current fluid situation.	31st March 2021	Completed
CPD/3	CPD/4	Plan and implement actions to demonstrate increased visibility to communities. The original work will be extended to incorporate the deployment of additional officers recruited through Operation Uplift	Deputy Chief Constable / Director of Corporate Improvement	30th September 2020	Additional staff recruited through UPLIFT have allowed for the opening of a number of rural deployment stations which has increased visibility. Much positive local media comment on this development. Staffing levels on shifts in more urban areas are in excess of that last year which has enabled a 'task force' approach to various crime issues which has been also highly visible to the public.		Completed
CPD/4	N/A	Develop a Covid-19 Recovery Plan to exploit any opportunities arising from changes to working practices during the Covid-19 Pandemic.	Deputy Chief Constable	30th September 2020	Recovery & Renewal group meets regularly to use the response to COVID as a means of driving adaptation to the current operating context and wider organisational change. Records of actions, opportunities and progress are held in meeting records and teams actions for that meeting, along with a force-wide Microsoft Teams live event and associated papers. Convened Gold Recovery and Renewal Group – identified the key principles for Recovery and Renewal. Staff survey conducted to garner Officer and Staff experiences and feedback following the Constabulary response to COVID. In depth analysis of the staff survey results which identified the key issues and improvements, these were then aligned to the key principles, created 'pots' of work and actioned. Challenge and Support session lead by Chief Officers with external scrutiny – listened to prototypes of ideas and their potential benefits. Identified the Top 10 learning points to focus and capitalise on.		Completed
Core Principle E: Focusing on developing the entity's capacity, including the capability of its leadership and individuals within it.							
CPE/1	CPE/1	Develop and deliver the strategy to improve digital capability in the organisation and, deliver improvements to productivity	Head of ICT & Information Management	31st March 2021	The Constabulary has worked with Durham Constabulary to jointly develop and launch a Digital Leadership Programme, which will be an ongoing programme. This will build Digital Competence through knowledge, embed digital capability through skills. It will empower leaders and build digital confidence through professional development, and ensure leaders and teams demonstrate compliance and legitimacy in all they do.  It is being delivered at three levels: Gold, Silver & Bronze. To date it has been delivered to 39 people in Cumbria(38 in Durham). The first cohort complete the 15 week programme week commencing 15/12/20. The programme will deliver 227 Digital Leaders(193 Sgts and 63 Inspectors in Cumbria). UPDATE 10/05/2021 - Over 300 Sgts and Inspectors across both organisations (Cumbria nd Durham Constabularies) have now enrolled on the Bronze operational programme. We have also delivered a bronze organisational programme and recently a silver DLP. In partnership with UCLan, our contracted delivery partner, the Constabulary has successfully completed University validation and College of Policing quality assurance for the PCDA (Police Constable Degree Apprenticeship) and the DHEP (Degree Holders Entry Programme). The Constabulary has successfully recruited Police Officers onto the PEQF Programmes: PCDA and DHEP. For both programmes the Initial Teaching block has been developed, delivered and assessed successfully, with the first cohort of student Officers recently completing their operational tutor phase. The development of the PCDA Module 3 at the end of year 1 is underway, as is the DHEP Module 2. Both of these modules will be delivered solely online; as a result Police Trainers are currently developing curriculum materials to support online delivery and gaining experience in using the technology. The second year of the programmes have three core policing placements, CAST, Traffic and Community Hub which are currently being developed with the appropriate departments. The University is in the process of applying to be the End Point Assessment (EPA) organisation for the degree apprenticeship synoptic EPA, which is at the end of the third year.	31/12/2021	Ongoing (original timescale extended)
CPE/2	N/A	In conjunction with Higher Education partners, implement the new PEQF arrangements for new officer recruits.	Head of Learning & Development	30th September 2020	In partnership with UCLan, our contracted delivery partner, the Constabulary has successfully completed University validation and College of Policing quality assurance for the PCDA (Police Constable Degree Apprenticeship) and the DHEP (Degree Holders Entry Programme). The Constabulary has successfully recruited Police Officers onto the PEQF Programmes: PCDA and DHEP. For both programmes the Initial Teaching block has been developed, delivered and assessed successfully, with the first cohort of student Officers recently completing their operational tutor phase. The development of the PCDA Module 3 at the end of year 1 is underway, as is the DHEP Module 2. Both of these modules will be delivered solely online; as a result Police Trainers are currently developing curriculum materials to support online delivery and gaining experience in using the technology. The second year of the programmes have three core policing placements, CAST, Traffic and Community Hub which are currently being developed with the appropriate departments. The University is in the process of applying to be the End Point Assessment (EPA) organisation for the degree apprenticeship synoptic EPA, which is at the end of the third year.		Completed

## Appendix A Update on 2020/21 Development and Improvement Plan

Ref	B/fwd from 2019/20 (ref)	Action	Lead Officer	Implementation by	Action Update as at 31 October 2020	Revised Implementation Date	Status
Core Principle F: Focusing on managing risks and performance through internal control and strong public financial management.							
CPF/1	N/A	Review the current risk management arrangements to ensure relevance and effectiveness	Director Corporate Improvement	31st December 2020	Given the support provided to the Constabulary's Covid response from the individual who oversees risk management, this action has been deferred until early 2021/22.	30/09/2021	Ongoing (original timescale extended)
CPF/2	N/A	Develop the Constabulary's performance dashboard to reflect the National Outcomes Dashboard which is required to support Operation Uplift	Director of Corporate Improvement	31st October 2020	A dashboard is presented to COG weekly, based on the first iteration of the National Outcomes Dashboard as presented. Obviously, the internal product is continuously evolving as required.		Completed
CPF/3	CPF/3	Further develop the strategic resource management performance framework to drive improvements in our use of resources, and ensure that the benefits of significant investment in change and ICT are delivered.	Director of Corporate Improvement	31st March 2020	The benefits strategy has been developed further to include widening scope of benefits' identification, tracking (using existing processes), and reality on the ground. This process is currently being rolled out.	30/06/2021	Ongoing (within original timescale)
CPF/4	CPF/4 & CPF/6	Further develop an information management strategy incorporating GDPR, MOPI and RRD.	Head of ICT & Information Management	31st March 2021	Work is ongoing to implement decisions previously taken by COG arising from the review of information management functions within the Constabulary. A separate, but intrinsically linked piece of work, is also underway to review existing information management policies and procedures with a view to ensuring these support a wider Information Management Strategy which reflects available resources, the Constabulary's appetite for risk and legislative and national police policy requirements. This work is being overseen by the Joint Chief Information Officer and the Implementation Manager appointed to implement the decisions taken by COG in June 2020. UPDATE 10/05/2021 - Ongoing. Review of IM underway and is at the formal consultation stages. Role profiles rewritten to ensure they reflect the modern DDaT strategy and requirements of the future.	31/12/2021	Ongoing (original timescale extended)
CPF/4	N/A	Undertake an audit of No Further Action crime outcomes, which will inform improvement work on both the appropriate use of outcomes and improvement in the quality of investigation for victims.	Director of Corporate Improvement	30th September 2020	The audit has been completed and results have informed the quality of investigation improvement work		Completed
CPF/5	N/A	Continue to develop and implement the Recovery and Renewal Plan which has resulted from the police response to the Coronavirus pandemic	DCC	31st March 2021	Duplication with CPD/4 – suggest this action is amalgamated with the above.		Completed
CPF/6	N/A	Arising from the 'Achieving Financial Excellence in Policing' self assessment and linked to the Business Transformation Programme develop an action plan to improve financial management and accountability within the Constabulary.	Joint Chief Finance Officer	31st March 2021	The AFEP self assessment has been completed and a report presented to the Chief Officer Group. The report includes a draft action plan and presented this to COG. This will be delivered in 2021/22.		Completed
CPF/7	N/A	Enhance the Medium Term Financial scenario modelling in light of the potential financial impact of the Covid-19 Pandemic.	Joint Chief Finance Officer	31st March 2021	Re-modelling of the MTFP has taken place, with focus on the potential implications of the pandemic on the future financial position, as part of the budget setting process for 2021/22. This will continue to be monitored as part of the on-going Medium Term Financial Planning process.		Completed

Appendix B 2021/22 Development and Improvement Plan

Ref	B/fwd from 2020/21 (ref)	Action	Lead Officer	Implementation by
		<b>Core Principle A: Focusing on behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law.</b>		
CPA/1	CPA/3	Finalise setting up of a Digital Ethics Panel and embed its operation.	Chief Superintendent DDaT	31st March 2022
		<b>Core Principle B: Focusing on ensuring openness and comprehensive stakeholder engagement.</b>		
CPB/1		Implement a new Constabulary website	Head of Marketing and Communications	30th September 2021
CPB/2		Implement an enhanced Constabulary intranet site	Head of Marketing and Communications	31st March 2022
CPB/3	CPB/2	Understand the lessons learned from the pilot of the new policy management arrangements, make adjustments as required. Implement a prioritised plan for all Constabulary policies.	Superintendent Performance and Policing Futures.	30th September 2021
		<b>Core Principle C: Focusing on defining outcomes in terms of sustainable economic, social and environmental benefits</b>		
CPC/1	CPC/1	Develop a Strategy for the affordable storage of digital data.	Chief Superintendent DDaT	31st December 2021
CPC/2	CPC/2	Conduct an options evaluation for and decide on future Estates provision in West Cumbria	Director of Corporate Support and Head of Estates and Fleet	31st December 2021
CPC/3		Implement a Covid Recovery and Renewal Programme to improve efficiency and exploit new ways of working arising from the pandemic.	Deputy Chief Constable / Chief Superintendent DDaT.	31st March 2022
		<b>Core Principle D: Focusing on determining the interventions necessary to optimise the achievement of intended outcomes.</b>		
CPD/1		Implement the Out of Court Disposal Framework including the Pathways Project	Chief Inspector Criminal Justice Unit.	31st March 2022
CPD/2	CPD/1	Review systems and processes within the Control Room with a view to improving the quality of service including implementation of Call Back and Webchat functionality	Superintendent -Public Contact & Engagement	31st December 2021
CPD /3		Implement an evidence based Performance Management process, linked to a harm index with the aim of maximising the benefits from additional Op Uplift officers. This work will include development of greater analytical capability.	Deputy Chief Constable / Assistant Chief Constable	31st March 2022

Appendix B 2021/22 Development and Improvement Plan

Ref	B/fwd from 2019/20 (ref)	Action	Lead Officer	Implementation by
Core Principle E: Focusing on developing the entity's capacity, including the capability of its leadership and individuals within it.				
CPE/1	CPE/1	Continue delivery of the strategy to improve digital capability in the organisation and, deliver improvements to productivity	Chief Superintendent DDaT	31st March 2022
CPE/2		In conjunction with Higher Education partners, continue implementation the new PEQF arrangements for new officer recruits, with particular focus on developing year 2 and 3 programmes and a pre-join entry route for recruits with a Policing degree.	Head of Learning & Development	31st March 2022
Core Principle F: Focusing on managing risks and performance through internal control and strong public financial management.				
CPF/1	CPF/1	Review the current risk management arrangements to ensure relevance and effectiveness	Superintendent Performance and Policing Futures.	31st December 2021
CPF/2	CPF/4	Implement Information Management Strategy and complete re-structure of the function.	Chief Superintendent DDaT	31st December 2021
CPF/3	CPF/3	Further develop the strategic resource management performance framework to drive improvements in our use of resources, and ensure that the benefits of significant investment in change and ICT are delivered.	Chief Superintendent Insight & Analysis	31st December 2021
CPF/4		Introduce a revised Scheme of Delegation to empower managers.	Joint Chief Finance Officer	30th June 2021
CPF/5		Implement the recommendations of the Achieving Financial Excellence in Policing action plan.	Joint Chief Finance Officer	31st March 2022
CPF/6		Implement recommendations arising from the Financial Management Code of Practice self assessment.	Joint Chief Finance Officer	31st March 2022

## Appendix C CIPFA Financial Management Code Self-Assessment

FM Code Standard	Question	Answer	RAG	Areas for Improvement
<b>Theme - Leadership</b>				
A) The leadership team is able to demonstrate that the services provided by the authority provide value for money	Does the authority have a clear and consistent understanding of what value for money means to it and to its leadership team?	We have clear references to achieving VFM in the annual financial strategy, the Procurement Strategy and the Force Strategic Plan	Yellow	Review documentation to make VFM more explicit
	Does the authority have suitable mechanisms in place to promote value for money at a corporate level and at the level of individual services?	A corporate framework of management procedures and rules for securing value for money is incorporated into key joint governance documents including the Procurement and Financial Regulations.  The HMICFRS VFM profiles are considered and reported to senior management. These are used as a basis for identifying areas where there is potential to make savings.  The Deputy Chief Constable chairs a monthly Management Board to analyse performance and consider improvement plans. The Constabulary has an efficiency		Develop an enhanced savings and efficiencies plan, to incorporate benefits management.
	Is the authority able to demonstrate the action that it has taken to promote value for money and what it has achieved?	Actions are taken from the DCC Management Board. Recommendations from this board HMICFRS and audit are rigorously followed up  Procurement savings are reported to Blue Light Commercial on a quarterly basis  Contract management is undertaken by service stakeholders, with strategic oversight from the Procurement department  Cash savings removed from the annual revenue budget are monitored for delivery. An enhanced benefits management process has been agreed and is currently being embedded.		
B) The authority complies with the CIPFA Statement on the Role of the Chief Finance Officer in Local Government	Is the authority's CFO a key member of the leadership team, involved in, and able to bring influence to bear on, all material business decisions?	For the Constabulary, the Joint CFO is a member of the Chief Officer Group which is the main decision making body for the Constabulary and meets on a weekly basis.  For the PCC, the Joint CFO is a member of the PCC Executive Team which is the main decision making body for the OPCC and meets on a weekly basis.	Green	
	Does the CFO lead and champion the promotion and delivery of good financial management across the authority?	Yes, The Joint CFO champions and leads the promotion and delivery of good financial management in the Constabulary and OPCC.		
	Is the CFO suitably qualified and experienced?	Yes, the Joint CFO is a member of CIPFA and is suitable qualified, experienced and committed to Continuing Professional Development.  The Joint CFO is supported by a Deputy CFO who is also a member of CIPFA and is suitable qualified, experienced and committed to Continuing Professional Development.		
	Is the finance team suitably resourced and fit for purpose?	The Financial Services Team are a shared support service providing the full range of financial services to the PCC and Constabulary. The team has recently been provided with growth of 1.6 FTE posts to support a hump of activity around a financial system implementation, operation uplift, increasing demands from external audit and a number of other workload pressures. Once these additional resources are recruited the team will be properly resourced in terms of capacity and capability. There is an aspiration for development and succession planning within the team. The internal and external audit opinions over many years demonstrate that the Financial Services Team is fit for purpose.		
O) The leadership team monitors the elements of its balance sheet which pose a significant risk to its financial sustainability	Has the authority identified the elements of its balance sheet that are most critical to its financial sustainability?	Balances such as reserves, debtors, creditors and provisions are monitored closely by Financial Services on a monthly basis. Reserves, debtors, creditors and accumulated leave balances are reported to senior management at the year end. Reserves are given particular focus in the budget setting and MTFF process.  Cashflow, short and long-term borrowing, investments and the use of reserves and balances are also monitored by Financial Services and are reported to the PCC Public Accountability Conference and Joint Audit Committee in the quarterly update on treasury management activity	Yellow	A more systematic approach to balance sheet risk reporting and sensitivity analysis will be put in place.
	Has the authority put in place suitable mechanisms to monitor the risk associated with these critical elements of its balance	Balances such as reserves, debtors, creditors and provisions are monitored closely by Financial Services on a monthly basis		
	Is the authority taking action to mitigate any risks identified?	Yes, as risks are identified action is taken e.g. regular reviews of legal claims and supplier information including credit checks is undertaken regularly.		
	Does the authority report unplanned use of its reserves to the leadership team in a timely manner?	Revenue and capital monitoring reports are presented to Chief Officer Group and the PCCs Executive Team on a regular basis.  Formal budget monitoring reports are presented on a quarterly basis to the PCCs Public Accountability Conference and then to the public meeting of the Police and Crime Panel. Any variation to the planned use of reserves is reported, with a formal recommendation to the PCC should any significant changes to the planned use of reserves arise		
	Is the monitoring of balance sheet risks integrated into the authority's management accounts reporting processes?	This is not well developed and principally takes place at the year end and during the budget setting process.		

## Appendix C CIPFA Financial Management Code Self-Assessment

FM Code Standard	Question	Answer	RAG	Areas for Improvement
<b>Theme - Accountability</b>				
D) The authority applies the CIPFA/SOLACE Delivering Good Governance in Local Government: Framework (2016)	Has the authority sought to apply the principles, behaviour and actions set out in the Framework to its own governance?	Yes, as evidenced through the Annual Governance Statement		
	Does the authority have in place a suitable local code of governance?	Yes, the PCC and Chief Constable each publish on an annual basis a Code of Corporate Governance. This is reviewed by the Joint Audit Committee at the start of each financial year.		
	Does the authority have a robust assurance process to support its AGS?	The AGS for the Constabulary is produced by the Chief Officer Group, which comprises senior police officers and staff from the Constabulary.  The AGS for the OPCC is produced by the PCC Executive Team, which comprises senior staff from the OPCC.  A draft version of each AGS is presented to the Joint Audit Committee before publication alongside the annual Statement of Accounts.		
P) The Chief Finance Officer has personal responsibility for ensuring that the statutory accounts provided to the local authority comply with the Code of Practice on Local Authority Accounting in the United Kingdom	Is the authority's CFO aware of their responsibilities in terms of the preparation of the annual financial statements?	Yes, the Joint CFO is fully aware of his responsibilities in this area.		
	Are these responsibilities included in the CFO's role description, personal objectives and other relevant performance management mechanisms?	Specific responsibility for the Joint CFO to secure delivery of the financial statements is included in the job description and is recognised as a key task.		
	Have the authority's financial statements hitherto been prepared on time and in accordance with the requirements of the Code of Practice on Local Authority Accounting in the United Kingdom?	Yes, Cumbria has a good track record of early closedown and external audit sign-off.		
Q) The presentation of the final outturn figures and variations from budget allow the leadership team to make strategic financial decisions	Is the authority's leadership team provided with a suitable suite of reports on the authority's financial outturn and on significant variations from budget?	An outturn report is presented to the Chief Officer Group and the PCC Executive Team in May each year with clear explanations provided for each variation against budget.		
	Is the information in these reports presented effectively?	Yes. This information is provided on the same format of the monthly/quarterly management accounts to aid consistency and understanding. A reconciliation is provided in the statutory statement of accounts to aid transparency.		
	Are these reports focused on information that is of interest and relevance to the leadership team?	Yes, it provides information on the full revenue budget and highlights variances which are both one-off and those that have an ongoing financial implications.		
	Does the leadership team feel that the reports support it in making strategic financial decisions?	Yes		
<b>Theme - Transparency</b>				
L) The authority has engaged where appropriate with key stakeholders in developing its long term financial strategy, medium term financial plan and annual budget	How has the authority sought to engage with key stakeholders in developing its long-term financial strategy, its medium-term financial plan and its annual budget?	The Constabulary and PCC liaise closely in agreeing the budget. The Constabulary consults comprehensively with budget holders during the budget process to assess service pressures through a 'Star Chamber' process. The PCC undertakes public consultation on his proposed council tax precept increase as and when required. Commissioning budgets are developed in close consultation with relevant delivery partners.  The PCC's annual budget and precept proposals are subject to scrutiny by the Independent Police and Crime Panel, on behalf of the public. Members of the Joint Audit Committee are briefed on the budget.		
	How effective has this engagement been?	Internal consultation has both identified savings and areas where additional resourcing is required.  In recent years the PCC has consulted the public regarding his proposed increase in council tax precept. The response has always been positive.  In recent years the Police and Crime Panel has approved the PCCs proposed increase in council tax precept		
	What action does the authority plan to take to improve its engagement with key	The PCC and Constabulary are continually open to exploring ways of improving the budget setting and consultation process.		
M) The authority uses an appropriate documented option appraisal methodology to demonstrate the value for money of its decisions	Does the authority have a documented option appraisal methodology that is consistent with the guidance set out in IFAC/PAIB publication 'Project and Investment Appraisal for Sustainable Value Creation: Principles in Project and Investment Appraisal'?	The Constabulary and PCC include options appraisal as a standard requirement in its business case template. The exact methodology and options appraisal techniques used are not always consistent as it can be difficult to adapt these to a public sector setting where quality of service is more important than pure financial return. Benefits measurement can be subjective and have a tendency to be over optimistic.		Develop guidance for options appraisal and ensure it is applied systematically including post implementation review.
	Does the authority offer guidance to officers as to when an option appraisal should be undertaken?	Staff developing business cases particularly in relation to technology are Prince 2 trained and well versed in options appraisal techniques. Finance staff provide support where required.		
	Does the authority's approach to option appraisal include appropriate techniques for the qualitative and quantitative assessment of options?	Where appropriate, qualitative and quantitative measures are included		
	Does the authority's approach to option appraisal include suitable mechanisms to address risk and uncertainty?	Risks are considered as part of the business case preparation, particularly for significant investments.		
	Does the authority report the results of option appraisals in a clear, robust and informative manner that gives clear recommendations and outlines the risk associated with any preferred option(s)?	Yes, particularly in relation to significant investments. However, post implementation reviews are not carried out systematically.		

## Appendix C CIPFA Financial Management Code Self-Assessment

FM Code Standard	Question	Answer	RAG	Areas for Improvement
<b>Theme - Standards</b>				
H) The authority complies with the CIPFA Prudential Code for Capital Finance in Local Authorities	Has the authority prepared a suitable capital strategy?	Yes, a Capital Strategy document is prepared which is an overarching publication covering the Treasury Management Strategy Statement (TMSS) and Capital Programme. The Capital Programme covers a longer 10 year period. The Capital Strategy, Capital Programme and TMSS are presented to the Public Accountability Conference in February each year as part of the budget setting process and are approved by the PCC. The documents are published on the PCCs website as part of the Key Financial Publications section.		
	Has the authority set prudential indicators in line with the Prudential Code?	Yes, these are included in the Annual Capital Strategy and Treasury Management Strategy Statement.		
	Does the authority have in place suitable mechanisms for monitoring its performance against the prudential indicators that it has?	Yes, these are monitored by Financial Services staff and reported to the PCC Public Accountability Conference and Joint Audit Committee in the quarterly TM update reports.		
J) The authority complies with its statutory obligations in respect of the budget setting process	Is the authority aware of its statutory obligations in respect of the budget-setting process?	Yes, initial budget reports are presented to the public meeting of the Police and Crime Panel as part of the precept setting meeting in January.  The formal budget reports including the Joint CFO statement on the robustness of the budget and the council tax requirement are presented to the PCC Public Accountability Conference in February each year.		
	Has the authority set a balanced budget for the current year?	Yes, as endorsed by the PCC at the budget setting meeting in February.		
	Is the authority aware of the circumstances under which it should issue a Section 114 notice and how it would go about doing so?	Yes, the Joint CFO is fully aware of the s114 requirements but Cumbria is not remotely close to needing to issue one in the near future.		
K) The budget report includes a statement by the Chief Finance Officer on the robustness of the estimates and a statement of the adequacy of the proposed financial reserves	Does the authority's most recent budget report include a statement by the CFO on the robustness of the estimates and a statement of the adequacy of the proposed financial reserves?	Yes		
	Does this report accurately identify and consider the most significant estimates used to prepare the budget, the potential for these estimates being incorrect and the impact should this be the case?	Not specifically, although a separate risk assessment is produced which explains and quantifies the impact of variations to key budget assumptions		Review the S25 report to see what improvements can and should be made
	Does the authority have sufficient reserves to ensure its financial sustainability for the foreseeable future?	Yes, a separate Reserves Strategy is produced to accompany the annual budget report, Medium Term Financial Forecast (MTFF) and Capital Strategy. The Reserves Strategy covers planned use of reserves over a 10 year timeframe to match the Capital Strategy. This Reserves Strategy is also published on the PCCs website in the Key Financial Publications section of the website.		
	Does the report set out the current level of the authority's reserves, whether these are sufficient to ensure the authority's ongoing financial sustainability and the action that the authority is to take to address any shortfall?	Yes, the Reserves Strategy provides a forecast for the next 10 years which is fully compatible with the 4 year MTFF and longer term 10 year capital Strategy.		

## Appendix C CIPFA Financial Management Code Self-Assessment

FM Code Standard	Question	Answer	RAG	Areas for Improvement
<b>Theme - Assurance</b>				
C) The leadership team demonstrates in its actions and behaviours responsibility for governance and internal control	Does the leadership team espouse the Nolan principles?	Yes, the code of ethics is a key feature for all police officers and staff and is promoted during induction training and refresher courses. This is supported by the work of the Professional Standards Department who promote ethical standards through a supported learning approach. All force policies and procedures embed the key principles from the Code of Ethics	Green	
	Does the authority have in place a clear framework for governance and internal	Yes, the PCC and Chief Constable review and update their respective Codes of Corporate Governance on an annual basis.		
	Has the leadership put in place effective arrangements for assurance, internal audit and internal accountability?	Good behaviour is discussed during all staff and officer Strengths Based Conversations (SBCs)  The arrangements for anti-fraud and corruption include a whistleblowing policy which is managed and reports investigated by the Professional Standards Department (PSD)  The PCC and Chief Constable have a joint managed internal audit service which is currently provided by the County Council. All audit reports receive Chief Officer/Director sign off and all audit reports are reported to the Joint Audit Committee (JAC). The Head of Internal Audit provides regular updates against the audit plan to meetings of the Joint Audit Committee. All audit reports (internal and external) are published on the PCC website.  Internal accountability is through individual SBCs with breaches being investigated through PSD  Business interests are approved and recorded by PSD and then reviewed as part of the SBC process and at year end through the related parties evaluation exercise  Both the Constabulary and OPCC have a policy on gifts and hospitality, which is managed and promoted by PSD and the OPCC.		
	Does the leadership team espouse high standards of governance and internal control?	All key decisions are taken collectively by the Chief Officer Group with a full audit trail for all decisions made.  All key PCC decisions of significant public interest are published on his website including full supporting documentation  Codes of Corporate Governance are in place in line with CIPFA Good Governance principles. Codes of conduct & business interests are in place as part of anti-fraud and corruption arrangements. Governance documents including financial and procurement regulations are in place and are reviewed periodically.		
	Does the leadership team nurture a culture of effective governance and robust internal control across the authority?	Yes, see arrangements above and regular interventions to ensure that the organisations operate effectively. This is supported by the HMICFRS assessment of Good across all areas of business and outstanding for Crime Data Recording and the Head of Internal Audit's assessment that the arrangements for risk management, governance and internal control are robust.		
F) The authority has carried out a credible and transparent Financial Resilience Assessment	Has the authority undertaken a Financial Resilience Assessment?	As part of the Achieving Financial Excellence in Policing Programme (AFEP) a template set of Financial Resilience Indicators has been developed. A piece of work is currently underway to apply these to Cumbria circumstances and develop a Financial Resilience Self Assessment that can be undertaken and reported on an annual basis.	Red	Cumbria Financial Resilience Indicators to be agreed, calculated and reported to Chief Officers & OPCC.
	Has the Assessment tested the resilience of the authority's financial plans to a broad range of alternative scenarios?	As above		
	Has the authority taken appropriate action to address any risks identified as part of the assessment	As above		
N) The leadership team takes action using reports enabling it to identify and correct emerging risks to its budget strategy and financial sustainability	Does the authority provide the leadership team with an appropriate suite of reports that allows it to identify and to correct emerging risks to its budget strategy and financial sustainability?	For the Constabulary, the Chief Officer Group is provided with a monthly monitoring report which highlights emerging risks and issues. These are acted upon as necessary. Any matters needing to be notified to the PCC are managed through the regular PCC Executive Team meetings.  Formal reports are presented to the PCC on a quarterly basis at the Public Accountability Conference. The quarterly reports are also presented to the public meetings of the Police and Crime Panel.  Board meetings such as Business Board, Operations Board, Digital Board and Workforce Boards receive high level financial updates at monthly meetings. The Senior Leadership Teams of relevant departments will receive and update from Financial Services Officers in relation to their own budgets on a monthly basis.	Green	
	Do the reports cover both forward and backward looking information in respect of financial and operational performance?	Yes		
	Are there mechanisms in place to report the performance of the authority's significant delivery partnerships such as contract monitoring data?	The Commercial Department are actively developing contract management across the organisation. The OPCC have a performance framework for Commissioned Services designed to ensure that contracts are delivered effectively.		
	Are the reports provided to the leadership team in a timely manner and in a suitable	Yes, produced monthly/quarterly as required and are in a clear format which draws out the key messages.		
	Is the leadership team happy with the reports that it receives and with its ability to use these reports to take appropriate action?	Yes		
			Yellow	Continue to develop a contract management culture led by the Commercial Department.

## Appendix C CIPFA Financial Management Code Self-Assessment

FM Code Standard	Question	Answer	RAG	Areas for Improvement
Theme - Sustainability				
E) The Financial Management Style of the authority supports financial sustainability	Does the authority have in place an effective framework of financial accountability?	Yes, through the framework of corporate governance, including the Funding Arrangement, Scheme of Delegation, Budget Protocols, Financial Regulations, Financial Rules and Joint Procurement Regulations. These documents are reviewed on a cyclical basis and are reported to the Joint Audit Committee		
	Is the authority committed to continuous improvement in terms of the economy, efficiency, effectiveness and equity of its services?	The Constabulary has an Efficiency and Productivity Strategy, which incorporates specific reviews of services, savings targets and consideration of HMICFRS VFM indicators. However, this has been relatively low profile in during Covid.		Re-invigorate the Efficiency Strategy with a systematic approach, including benefits realisation.
	Does the authority's finance team have appropriate input into the development of strategic and operational plans?	For the Constabulary, the Joint Chief Finance Officer is a member of the Chief Officer Group who meet on a weekly basis and have ultimate decision making responsibility for the Constabulary.  For the OPCC, the Joint Chief Finance Officer is a member of the PCC Executive Team who meet on a weekly basis and have ultimate decision making responsibility for the PCC.  In addition, the Joint CFO is part of the Management Board (in relation to CC activity) and the Collaborative Board which is a joint board made up of senior members of the OPCC and Constabulary.  Senior finance representatives sit on all key decision making and informative boards e.g. Workforce, Business, Operations, Digital and Programme Boards		
	Do managers across the authority possess sufficient financial literacy to deliver services cost effectively and to be held accountable for doing so?	Each key stakeholder/budget holder in the organisation has a named finance contact. The Financial Services Team are well qualified and a business partnering approach is being promoted. A more systematic approach to ensuring that Budget holders have the appropriate financial management skills is being considered.		Develop the business partnering approach between finance and business areas. Implement a systematic training plan for non finance staff.
	Has the authority sought an external view on its financial style, for example through a process of peer review?	Not specifically, but the Financial Services team recently undertook the CIPFA Achieving Financial Resilience Financial Management Self Assessment and as a result an action plan has been developed. The self assessment sought the views of chief officers, senior managers and external partners (JAC, internal and external audit) on a number areas of financial management. The self assessment resulted in a score of 4 out of 5 for Financial Management.		Complete the AFEP action plan.
	Do individuals with governance and financial management responsibilities have suitable delegated powers and appropriate skills and training to fulfil these responsibilities?	Yes, as set out in Scheme of Delegation, Budget protocols, Financial Regulations, Financial Rules and Joint Procurement Regulations.  In relation to financial skills, budget holders are supported by named Financial Services Officers who support their particular areas of business. Training to non-financial managers is currently ad-hoc and is provided on a one to one basis by finance staff. A more formal in-house training programme is to be developed as part of the AFEP action plan.		as above
G) The authority understands its prospects for financial sustainability in the longer term and has reported this clearly to Members	Does the authority have a sufficiently robust understanding of the risks to its financial sustainability?	The key risks are highlighted in the annual budget and medium term financial forecast.		
	Does the authority have a strategic plan and long-term financial strategy that address adequately these risks?	Yes, we have a medium term financial forecast which is produced annually, although the main focus is for a 4 year MTFF timeframe, the report includes commentary on future estimation uncertainty and considers risks to funding and budget setting. We also publish a separate longer term Capital Programme and Reserves Strategy which cover a 10 year timeframe.		The MTFF will be reviewed to ascertain whether it needs to be enhanced and extended.
	Has the authority sought to understand the impact on its future financial sustainability of the strategic, operational and financial challenges that it might face (e.g. using a technique such as scenario planning)?	Scenario planning is used internally within Financial Services to formulate the medium term financial plan.  Published budget reports include a risk assessment/sensitivity analysis which highlights the financial risk to key budget assumptions e.g. changes in future pay awards, precept levels etc.		
	Has the authority reported effectively to the leadership team and to members its prospects for long-term financial sustainability, the associated risks and the impact of these for short- and medium-term decision making?	Regular reports to the Chief Officer Group and PCC Executive Team during the budget preparation process highlight the various risks and possible scenarios. The key strategic issues are then reported to the PCC Public Accountability Conference at the annual budget setting meeting. All documents associated with the budget process are published on the PCC website as part of the Key Financial Publications section.  During the year regular revenue and capital monitoring reports will highlight changes in significant risks and issues, and suggest appropriate action		
I) The authority has a rolling multi-year Medium Term Financial Plan consistent with sustainable service plans	Does the authority have in place an agreed medium-term financial plan?	Yes, the Medium Term Financial Forecast covering the period 2021/22 to 2024/25 was published in February 2021 alongside the annual revenue budget.		
	Is the medium-term financial plan consistent with and integrated into relevant service plans and its capital strategy?	Yes		
	Has the medium-term financial plan been prepared on the basis of a robust assessment of relevant drivers of cost and demand?	Yes, the Chief Officer Group (COG) consider information on current and future demand pressures (as currently known) including the implications for new technology and equipment  The Constabulary also considers relevant NPCC guidance and best practice e.g. stop & search, body worn video.  Across COG, members are engaged in national forums which enables the potential financial implications of new national systems and changes to national guidelines and procedures to be identified early		
	Has the medium-term financial plan been tested for resilience against realistic potential variations in key drivers of cost and demand?	Yes, but in an emergency service employing omniscient police officers changes in demand can be accommodated by deployment policies and priorities.  Cost drivers and sensitivity analysis to changes in cost, income and demand are included in the MTFF.		
	Does the authority have in place a suitable asset management plan that seeks to ensure that its property, plant and equipment including infrastructure assets contribute effectively to the delivery of services and to the achievement of the authority's strategic aims?	Yes, there are separate asset management plans/strategies for Estates, Fleet and Digital Data and Technology. The plans are developed to coincide with the PCC term of office and an annual update is provided through the Corporate Support Strategy Update which is considered alongside the budget at the February meeting of the Public Accountability Conference. The last published individual asset management strategies cover the period 2019 to 2021. New strategies for the period 2021 to 2024 will be developed in September 2021.
