COMMUNITY FUND

GUIDANCE NOTES

What is the Community Fund?

The aim of the Community Fund is to enable local organisations and community groups to access grants up to the value of £2,500. These grants must have a tangible link in **reducing crime or ASB** in the community – i.e., diversionary activities or community events that aim to reduce/tackle any form crime.

Local people are key in knowing what is needed within their area to reduce crime or ASB. Those who can apply for a grant are as follow: **local community groups, watch schemes, parish councils, charities, voluntary groups, and schools.**

(Please take the time to consider the [Frequently Asked Questions](#) document prior to completing the application form).

We want to fund:

- ✓ Applications that demonstrate strong community links
- ✓ Applications based on local need and insight
- ✓ Applications that are well planned, realistic and have aims which are achievable
- ✓ Asks that will make a lasting difference to the people within the local community
- ✓ Community organisations based solely within Cumbria. We will consider national charities if you can demonstrate your work in our region
- ✓ Applications for a specific project, not usually a running cost
- ✓ Work with the OPFCC Media Team and visibly promote the PFCC Community Fund
- ✓ Your community organisation must have a community bank account as personal bank accounts will not be accepted
- ✓ If your total project spend exceeds the amount of funding available, evidence of matched funding must be included in the application
- ✓ You must provide a comprehensive breakdown of spend included in the application

Please note: Your application **MUST** be supported by either a Police Officer, Community Support Officer, or Police Staff in your local area – to get in touch with one of the above use the link provided and follow the steps on the Process Map found in the Frequently Asked Questions Document ([Home | Cumbria Police](#))
